

A Man Like None Other Novel

Chapter 1611

When Long Xiao heard the words of the soul, his heart almost collapsed. His reliance was the soul in his body, but now the soul has said such words!

So are they not going to die?

Long Xiao didn't want to die, he finally broke through to the Great Marquis of Wu, and he still hasn't enjoyed the feeling of being worshipped enough!

"David, I admit defeat, I admit defeat... You don't kill me, don't kill me..."

Long Xiao collapsed, completely collapsed.

He doesn't want to die, and he doesn't want to fight anymore!

He only hoped that David could bypass him!

This time, the soul in Long Xiao was in a hurry. Now Long Xiao has completely collapsed, and he will no longer have any hope.

The soul regrets it now, and it has completely merged with Long Xiao.

Now that the two of them have the same fate, Long Xiao's collapse has made the soul very passive!

"ba5tard, what are you doing? What are you doing?"

The spirit roared.

But Long Xiao seemed to be unable to hear it, completely ignored it, and was still following David to beg for mercy!

“David, I know your identity, I am your brother, you can’t kill me, we are a family...”

Long Xiao wants to play the emotional card with David, as long as he can live, Long Xiao can do anything!

“Shut up, I don’t have a family like you!”

It doesn’t matter if David doesn’t listen to what Long Xiao has to say, the more Long Xiao said, the more angry David is!

His mother has been imprisoned for more than 20 years, but this Long Xiao has the face to say that he is a family!

David’s face was icy cold, the golden light on his body kept flashing, and he walked towards Long Xiao step by step.

Long Xiao knelt down to David with a thud!

Under the gaze of everyone in the martial arts world, he actually knelt down to David!

At this moment, Long Xiao was completely defeated!

“Hahaha, I didn’t expect that Long Xiao is also a coward.”

“A while ago, wasn’t he crazy? He wanted to be the first person in the martial arts world, but now he’s on his knees.”

“It’s just a guy who is strong from the outside and works hard at the same time. It doesn’t work for what it is...”

Seeing Long Xiao kneeling down, many people began to ridicule loudly!

“Waste, what a waste, why did I choose your body in the first place...”

The soul cursed angrily, and then a divine sense instantly broke through Long Xiao’s brain!

The soul must completely control Long Xiao’s body, otherwise they will die!

Just after David approached that Long Xiao, a chilly aura suddenly appeared in Long Xiao’s body.

Immediately after that, Long Xiao, who was kneeling on the ground, suddenly rushed towards David, with bursts of roars from his mouth!

Although David was prepared, he was beaten and retreated!

However, now that David’s body has become extremely strong, even if Long Xiao suddenly makes a move, he will not be able to hurt David at all.

Although Long Xiao is now under the control of that spirit, the strength of that spirit has also dropped a lot, and I am afraid that it is not as strong as the strength that Long Xiao exudes!

It’s just that this soul doesn’t want to stand still, because he knows that even if he kneels down to David, he will still be unable to escape the fate of death!

David held the golden light in his hand and smashed Long Xiao’s chest with a ruthless punch!

In an instant, a big hole was punched in Long Xiao’s chest, and a black shadow was instantly punched out from Long Xiao’s body!

The shadow fell to the ground and seemed to want to say something, but was beaten to the core by David.

Without the soul, Long Xiao regained control of his body, looking at the blood hole in his chest, Long Xiao's eyes were full of horror!

"Please, let me go, let me go..."

Long Xiao cried, his face full of prayers!

"I won't let you go, not just you, the Long family alone, I won't let go..."

After David finished speaking, he punched Long Xiao's head fiercely!

In an instant, Long Xiao's head was smashed to pieces, the breath from his body slowly drained away, and at the end there was no trace of breath left.

Looking at the dead Long Xiao, David didn't have the slightest joy of victory in his heart!

Walking down the martial arts field slowly, David left without looking back...

"Long family, I'm here..."

David's eyes flashed with coldness.

Chapter 1612

Dragon family!

At this moment, in the hall of the Long family, there is a headless corpse, and this corpse belongs to Long Xiao.

Long Jingguo looked at his son's body and couldn't believe it for a long time!

"No...impossible, this will definitely not be my son, my son is the Great Marquis, no one can kill him..."

Long Jingguo shook his head desperately, because he had no head, Long Jingguo didn't want to believe it!

Because of this, he can always think that his son is still alive!

"Master, this is indeed the corpse of the young master, then David has also broken through to Dawuhou, so the young master will..."

Long Xingxu said in a low voice.

"Shut up, shut up for me..."

"My son won't die, Xiaoer won't die, he will be back soon..."

Long Jingguo yelled, he didn't want to admit it was true.

Long Xingxu stepped aside, his face was indifferent, and he stopped talking.

After a while, Long Jingguo seemed to accept the reality and burst into tears.

"Xiaoer, my son, why did you die, why did you die..."

Long Jingguo threw himself on Long Xiao's body and kept crying.

"It's all David, I will definitely avenge you, avenge you..."

Long Jingguo wiped away tears, and his eyes became a little more fierce.

Get up directly and head towards the dungeon of the Long family!

Long Jingguo came to the dungeon with anger on his face!

At this time, Long Ruotong saw Long Jingguo coming and stood up directly.

After so many years, she has gotten used to it. Every time Long Jingguo comes, she will be whipped!

Sure enough, Long Jingguo took off the whip and slapped Long Ruotong fiercely.

He wants to vent all his anger on this Long Ruotong!

Soon, Long Jingguo was tired and gasped for breath!

"Your son killed my son. I must avenge this revenge. I will let you watch your son die..."

Long Jingguo said fiercely to Long Ruotong!

Hearing the mention of his son, the expression on Long Ruotong's face changed slightly!

But it quickly passed by, after so many years, Long Ruotong didn't want Long Jingguo to catch the slightest weakness in him!

Long Ruotong knew that the more she cared about her son, the more dangerous her son would be!

Seeing that Long Ruotong's expression did not change, Long Jingguo walked out of the dungeon angrily!

"Master, someone informed that David is coming to the Long family, he is a great Marquis, what should we do?"

Long Xingxu asked quickly.

A Great Marquis can completely destroy the entire Long Family.

Long Jingguo was lost in thought, and he didn't know what to do. A great Marquis, what would the Long family take to fight?

Although he kept saying that he wanted to avenge his son, how could he have that strength.

After pondering for a moment, Long Jingguo's eyes flickered with coldness, and he gritted his teeth!

"Xingxu, go and gather everyone in the Long family to prepare to defend against foreign enemies..."

Long Jingguo ordered to Long Xingxu.

After taking Long Xingxu away, Long Jingguo silently walked into the study!

Soon, Long Jingguo came out with a letter and opened a secret room in the backyard of the Long family. In the secret room, there were four people resting. These four people were the most powerful people in the Long family. It is the realm of the late Wuhou.

However, very few people know about the existence of these four people. This is Long Jingguo's trump card and will not be exposed easily!

But this time, Long Jingguo had to use them. Even if these four people came forward, Long Jingguo knew that they would not be David's opponents. Long Jingguo had other arrangements for them.

"You four, take my letter and escort someone to Zixiao Mansion..."

Long Jingguo said to the four.

"Master, who are you escorting?"

one of them asked.

Chapter 1613

"Don't ask so many questions, send someone, and dare to come back right away..."

After Long Jingguo finished speaking, he ordered people to wait outside, and he walked into the dungeon again!

When he came out, there was one more person. He saw that this person's hands and feet were chained with iron chains, and his head was covered with black gauze, so he couldn't see it at all.

"Remember, the letter must be handed over to a person named Han Fusheng. Do you understand?"

Long Jingguo exhorted again solemnly.

Soon, the four people escorted them away, and Long Jingguo took out some dark stones from the secret room and put them all into the dungeon!

"David, even if I die with you, I will kill you..."

Long Jingguo's eyes were full of sternness!

But what Long Jingguo did was seen by Long Xingxu hiding aside.

Long Xingxu knew that the Long family was now at the moment of life and death.

A great Marquis, the Long family came out in full force, and it was impossible to deal with it.

"Long Jingguo actually hid so many days of thunderstones. Does this mean that the entire Long family will be wiped out with that David?"

Long Xingxu's eyes narrowed slightly, and his brows were tightly wrinkled together!

"who?"

Long Jingguo seemed to sense someone around him and asked with vigilance.

Long Xingxu was startled and quickly stepped back, while Long Jingguo strode in his direction.

Seeing that Long Xingxu was about to be discovered, a domineering aura instantly covered the entire Long family!

Then there was a loud bang!

The gate of the Long family was directly smashed!

“Long Jingguo, get out of here...”

David’s voice rolled in mid-air!

Long Jingguo’s expression changed, and then his body jumped up and walked towards the front yard!

Long Xingxu breathed a sigh of relief, and hurried to the front yard!

When Long Jingguo rushed to the front yard, he found a lot of corpses lying on the ground!

In just a short moment, David actually killed so many members of the Long family.

“David, you killed Xiao’er and dared to come to the Long family. You are so deceiving...”

Long Jingguo glared at David and shouted loudly!

At this moment, Long Jingguo has an indescribable feeling in his heart.

A few months ago, when he saw David, he only regarded David as an ant!

But now, David has become his unattainable figure!

"Too deceiving?" David sneered: "I want to kill not only your son, but also the entire Long family. You obediently release my mother, and I can make your death a little easier..."

"Presumptuous, how can you say that you also have the blood of my dragon family, and I am also your elder. Is that how you talk to your elders?"

Long Jingguo reprimanded David angrily.

"elder?"

"You are also worthy of..."

After David finished speaking, his figure flashed, but he was already in front of Long Jingguo, and then he slapped Long Jingguo fiercely in the face!

Long Jingguo didn't have time to dodge at all, he was slapped so hard that the teeth in his mouth fell out.

As the head of the Long family, now David slapped him in front of many servants, which made Long Jingguo very embarrassed!

"David, if you have the ability, you can kill me, and I will make it impossible for you to see your mother in your life..."

Long Jingguo gritted his teeth and threatened David loudly!

Long Jingguo's words really made David stunned.

With his mother still in the hands of Long Jingguo, David didn't dare to act too rashly!

Seeing David being frightened by himself, Long Jingguo instantly became proud.

"You go and kowtow to my son now. If I am satisfied, I can consider letting your mother go..."

Long Jingguo said to David.

David's eyes narrowed slightly, and he stared at Long Jingguo closely.

"Let me kneel, you are also worthy..."

After David finished speaking, bursts of terrifying coercion erupted from his body instantly!

Chapter 1614

Under this coercion, all the members of the Long family felt their shoulders slump and fell to the ground heavily, and some people with low strength vomited blood and died on the spot!

Even that Long Jingguo was stubbornly carrying this coercion, and finally fell to the ground helplessly!

David looked down at Long Jingguo who was kneeling in front of him: "I tell you, you don't have any qualifications to talk to me, you have no other way but to listen to me, and I have 10,000 ways to make your life worse than death. .."

As David said, a golden light instantly disappeared into Long Jingguo's body.

Soon, Long Jingguo felt an unbearable itching all over his body, and there was also an excruciating pain.

Just like ten thousand ants eating the heart, not to mention the pain!

Long Jingguo rolled on the ground with a ferocious expression!

The old-fashioned Wuhou of a generation is now rolling on the ground like a rogue!

Those servants of the Long family, looking at Long Jingguo like this, all had indescribable expressions on their faces.

Only Long Xingxu knelt on the ground with a bit of coldness in his expression!

"Okay, I'll let go, I promise you, let your mother go..."

Long Jingguo gasped heavily and tortured violently, so that he could only agree to David's request.

Seeing that Long Jingguo agreed, David waved his hand, and the golden light shot out from Long Jingguo's body instantly!

At this time, Long Jingguo was already in a cold sweat, and he let out a heavy sigh before standing up!

"take me..."

David said coldly to Long Jingguo.

He knew that only Long Jingguo could open the dungeon.

Long Jingguo nodded, then turned and walked towards the backyard, while David followed behind.

"can not go..."

At this moment, Long Xingxu who was kneeling on the ground suddenly stood up and said to David.

David looked at Long Xingxu and asked, "What's going on?"

And when Long Jingguo saw that Long Xingxu suddenly stood up, he immediately gave Long Xingxu a fierce look!

“David, you can’t go to the dungeon. At this moment, the dungeon has long since lost your mother. It is full of Tianlei stones. Even if you are Daluo Jinxian, you will be blown to pieces.”

“Long Jingguo plans to use the entire Long family to perish with you at this time...”

Long Xingxu said to David.

David was startled and turned to look at Long Jingguo!

Long Jingguo was about to go crazy at this moment, shouting: “Long Xingxu, what the hell are you talking about? I’ll kill you...”

Long Jingguo never thought that Long Xingxu had always been loyal by his side, why would he suddenly say such words at this time!

Long Jingguo shot Long Xingxu, and the first shot was a ruthless move. After all, Long Jingguo was a veteran martial artist. Although he couldn’t beat David, it was not a simple slap to deal with Long Xingxu!

But who knew that Long Jingguo slapped Long Xingxu with a palm, while Long Xingxu narrowed his eyes, and suddenly a martial aura erupted from his body.

Pushing out with one palm, they collided fiercely with Long Jingguo’s palm.

boom...

A loud explosion.

Long Jingguo’s body actually stepped back a few steps, while that Long Xingxu took a step back and stabilized his figure!

This sudden change made everyone stunned.

When he came to David, he also frowned. He didn't expect that Long Xingxu's strength would be so high.

However, Long Xingxu was hiding so deeply that David didn't even notice it!

"Long Xingxu, you...you...when did you become so strong?"

Long Jingguo looked at Long Xingxu in shock and asked.

"As a side member of the Long family, I am also a member of the Long family, and I am loyal to the Long family..."

"For so many years, as the head of the Long family, you only give the best resources to your son, and we get nothing!"

"Since you don't give resources, then I can only get them in my own way."

"I have been secretly cultivating, so that one day, I will become the head of the Long family and replace your father and son..."

Long Xingxu said to Long Jingguo with a sneer.

Chapter 1615

At this moment, Long Jingguo seemed to suddenly realize: "That Longquan water was not depleted originally, but was stolen by you?"

It was only then that Long Jingguo wanted to understand why, as the most important resource of the Long family, Longquan water would become less and less, and finally it was almost exhausted.

It turned out that Long Xingxu was secretly using it all the time!

Long Xingxu was in charge of Longquan Water, and Long Jingguo never doubted it. Now that I think about it, it's really ironic.

"You traitor, I will never forgive you..."

Long Jingguo was furious and charged towards Long Xingxu again.

But just after taking two steps, he was controlled by a huge suction force. As soon as David waved his hand, he took Long Jingguo in his hand!

"How dare you lie to me?"

David glared at Long Jingguo, and then punched Long Jingguo in the chest!

Long Jingguo spurted out a mouthful of blood, his face full of hideous colors!

"David, you killed me, killed me, you never know where your mother is..."

Long Jingguo gritted his teeth.

"Say, where is my mother hidden?"

David was holding Long Jingguo's collar, shaking and roaring constantly.

"Haha, I just don't tell you, I want you to never see..."

Long Jingguo laughed.

"what..."

David smashed out Long Jingguo as if going crazy.

Punch, punch, punch to the flesh!

Long Jingguo's face was deformed, but he just didn't say it!

Long Jingguo could only breathe a sigh of relief, but he still did not say where he hid David's mother.

"Your mother was sent to Zixiao Mansion by him..."

At this time, Long Xingxu spoke up!

"Zixiao Mansion?" David frowned, he had heard this name before!

It seems that this Zixiao Mansion was the one who wanted to propose marriage to his mother back then. Later, his mother escaped from marriage and was hunted down by the people of Zixiao Mansion...

"Where is Zixiao Mansion?"

David asked.

Long Xingxu shook his head: "I don't know either!"

David set his eyes on Long Jingguo: "Tell me, where is Zixiao Mansion?"

"I won't tell you!"

Long Jingguo gritted his teeth, and then glared at Long Xingxu!

"You don't need to ask him, he sent four people, and when the time comes, just ask those four people..."

Long Xingxu gave David an idea!

When Long Jingguo heard this, he immediately scolded: "Long Xingxu, you traitor of the Long family, you have to die..."

"I'm a traitor to the Long family? You don't even spare your own sister. What I'm doing is worse than a pig and dog like you..."

Long Xingxu sneered!

Long Jing's whole body was trembling with anger, he never thought that he would fall to this point!

"Since it's useless, then go to die..."

David looked at Long Jingguo coldly, and then stepped out!

puff...

Long Jingguo's head was crushed instantly, and there was no sound in an instant!

After killing Long Jingguo, David's eyes swept over the rest of the Long family!

The others felt David's gaze and lowered their heads one after another!

"David, you and I share the blood of the Dragon family, and they don't know about it. I hope you don't kill them all..."

"As long as I become the head of the Long family, I will definitely announce to the entire martial arts world that our Long family will stand behind you and will never be your enemy."

Long Xingxu said to David sincerely.

David looked at Long Xingxu, he didn't know if what Long Xingxu said was true or not, but the people of the Long family really didn't know, all these things were done by Long Jingguo.

"Okay, I believe you!"

David nodded.

Long Xingxu was overjoyed in his heart, with David backing him, his position as the head of the Long family was assured, who would dare to disobey the Long family?

Long Xingxu naturally became the head of the Long family, while David stayed in the Long family, waiting for the return of the four...

Chapter 1616

Kunlun Mountain, at the foot of the mountain!

The four of them hurriedly walked forward with a man whose face was covered by a black scarf!

Before walking to a boulder, the four people stopped!

After observing the surroundings, one of them stepped forward, chanting words in his mouth, and then he saw a wave of void in mid-air, and then a dark crack in time and space appeared!

When the four saw this, they hurriedly led them in, and then the crack was closed!

Soon, the scenery in front of the four changed. The original tree-lined environment was now covered with snow!

Fortunately, these four people are in the realm of Marquis, and this coldness has no effect on them at all.

The four of them looked up and saw that not far away, a magnificent palace appeared. Under the reflection of the white snow, the palace was very majestic!

"This is the legendary secret realm. If you can come here for a walk in your lifetime, it's not a waste of time..."

One of them sighed and then walked towards the palace.

When the four of them arrived at the gate of the palace, they saw three gilded characters on a plaque: Zixiao Mansion

In front of the Zixiao Mansion, the two guards wore silver armor with grim expressions.

The breath on his body is very powerful, much stronger than these four people.

"Who are you?"

the guard asked coldly.

"We are from the Long family. We came to Zixiao Mansion to send someone over, and we have a letter to hand to a man named Han Fusheng."

One of the four stepped forward and said cautiously.

"Bold, we, the Palace Master of Zixiao Palace, can you also call him by his first name?"

The two guards were furious, and the breath on their bodies exploded instantly.

The four dragon masters fell to the ground when their legs softened!

These four people are the strength of the late Marquis. In the martial arts world of Kyoto, they are considered masters, otherwise they would not be raised by Long Jingguo as a trump card!

But now, these four Dragon Clan masters have no power to fight back in front of the two guards of Zixiao Mansion!

"You two spare your life, we are also unintentional..."

None of the four of them thought that the man named Han Fusheng was the Palace Master of Zixiao Palace.

If Long Jingguo explained it to them, they would never ask such a question.

In fact, Long Jingguo didn't know that Han Fusheng was just a son-in-law of Zixiao Mansion, and it was he who fell in love with David's mother, Long Ruotong.

Who would have guessed that more than 20 years later, Han Fusheng had become the Palace Master of Zixiao Palace.

"The Palace Master has an order, let them in..."

At this moment, in the air, a light suddenly appeared, and then a woman in a white dress walked out of the light!

The woman wears a hairpin and has fair skin, but she looks and dresses like a servant of Zixiao Mansion!

The two guards nodded slightly when they saw the woman.

The four masters of the Dragon family got up, took Long Ruotong, and followed the woman into the light!

The light disappeared, and the figures of several people disappeared!

When the four dragon masters reacted, they found that they were already in a hall!

The hall is very large, but it is empty!

The four masters of the Dragon family did not dare to breathe. In this one, the four masters of the Dragon family felt that they were not even as good as ants!

“Palace Master, someone brought it...”

The woman said to the chair made of white marble in front of her.

Just when the four experts of the Long family were surprised why this woman was talking to the air.

There was a wave of air, and then a middle-aged man suddenly appeared on the empty chair.

This man is Han Fusheng, the Palace Master of Zixiao Palace!

The four dragon masters were dumbfounded, they had never seen such an advanced space technique.

It's simply amazing, and the changes are endless!

“This is our palace lord, didn't you say that you have a letter to hand to the palace lord?”

The woman asked the four dragon masters.

Chapter 1617

At this moment, the four experts of the Long family reacted, hurriedly took out the letter, and stepped forward cautiously: “Palace Master Han, this is the letter that our family master dragged us to bring...”

A master of the Long family carefully handed the letter up!

Han Fusheng just waved his hand, and the letter came into his hand.

After opening the letter, Han Fusheng only glanced at it, a bit of surprise flashed in his eyes.

Surprise followed by surprise and excitement!

Han Fusheng raised his head slowly, and finally his eyes fell on Long Ruotong, whose face was covered by the black scarf!

"I didn't expect, I really didn't expect..."

Han Fusheng stood up slowly, and then waved his hand, the black scarf covering Long Ruotong's head fell to the ground, and Long Ruotong's peerless face was revealed!

Seeing Long Ruotong, the four dragon masters were obviously stunned!

They have always been raised by the Long family, and they are regarded as their trump cards. Naturally, they also know Long Ruotong, and they also know a thing or two about the changes in the Long family.

It's just that they didn't expect that Long Ruotong was still alive!

"Tong'er, I didn't expect you to be alive, it's great, great..."

With joy on his face, Han Fusheng walked towards Long Ruotong quickly.

No one was looking at Han Fusheng, but in the blink of an eye, Han Fusheng was already in front of Long Ruotong.

Long Ruotong looked at Han Fusheng without the slightest expression on his face.

However, when Han Fusheng saw Long Ruotong's body being chained by iron chains, anger appeared in his eyes!

"So brave..."

Han Fusheng stretched out his hand and took off the iron chain from Long Ruotong's body. He looked at the four masters of the Long family and said, "What's going on?"

Feeling the anger on Han Fusheng's body, the four dragon masters panicked.

"Palace Master Han, this is what our family master did, we don't know what's going on at all!"

The four hurriedly explained.

"Humph..."

Han Fusheng snorted coldly, and didn't even see him make a move. Light blue flames burst into flames on the four Dragon Clan masters!

The four dragon masters screamed in an instant, but it only happened in an instant!

The four dragon masters were burned to ashes, and the last gust of wind blew, and even the ashes disappeared without a trace.

As if these four people had never been here!

The four masters of late Wuhou's strength were dealt with in an understatement like this.

If people in the martial arts world see it, they will definitely be shocked.

After dealing with the four masters of the Long family, Han Fusheng looked at Long Ruotong: "Tong'er, I didn't expect to see you again. It's been more than 20 years, and you are still so beautiful and charming."

"Have you been doing well these years? You ran away to avoid me. Do you know how sad I am?"

Han Fusheng looked at Long Ruotong in surprise and joy, but Long Ruotong didn't say a word, and his face was expressionless. After more than 20 years of imprisonment, Long Ruotong had already lost the slightest emotional fluctuation!

Except for David, nothing will make Long Ruotong have any emotional fluctuations!

Seeing that Long Ruotong didn't say a word, Han Fusheng frowned slightly, stepped forward and gently pulled Long Ruotong's hand.

Long Ruotong didn't hide or speak, just like a robot!

But just when Han Fusheng took Long Ruotong's hand and was about to say something, his face suddenly changed wildly, and his body quickly retreated!

"Mulan, take Tong'er to the side hall immediately and serve me well. If Tong'er is a little unhappy, I will kill you!"

Han Fusheng said to the female servant.

"Follow your orders!" Mulan's face was nervous, she stepped forward and gently supported Long Ruotong, walking towards the back.

"By the way, don't let Mrs. know..."

Han Fusheng warned me!

"As ordered..." Mulan helped Long Ruotong and left.

Just as Mulan helped Long Ruotong to leave, a middle-aged woman hurriedly walked in from the main entrance!

Chapter 1618

"Madam, what's the matter, so urgent?"

After Han Fusheng saw the middle-aged woman, he hurried forward and asked.

It turned out that the middle-aged woman was Han Fusheng's wife, An Lingrong.

"Qinger she..."

An Lingrong just opened his mouth and stopped halfway through his words, then frowned slightly, and looked around!

Seeing this, Han Fusheng's expression changed, and he was very nervous!

"Madam, what happened to Qing'er?"

Han Fusheng asked.

But An Lingrong waved his hand and told Han Fusheng to close his mouth, then closed his eyes slightly, as if he was feeling something!

When Han Fusheng saw this, cold sweat dripped from his forehead.

The right hand quietly pinched the magic formula, and the firefly-like rays of light scattered throughout the hall, as if hiding some kind of breath!

Soon, An Lingrong opened his eyes, frowned and said, "Why do I feel that there is a woman in this hall?"

"Where is it? Why can't I smell it?"

Han Fusheng pretended to smell it!

"Don't pretend to me, have women ever been in this hall?"

An Lingrong questioned Han Fusheng.

"Oh, I remembered, Mulan came here just now, and I ordered something for her..."

Han Fusheng hurriedly explained!

"Why do I feel that this smell doesn't look like Mulan's?"

An Lingrong frowned, a look of doubt on his face!

"Why not, you just have too much heart, we are in a secret realm, where can a woman come here..."

Han Fusheng stepped forward and put his arms around An Lingrong's shoulder, and said with a loving look.

"Hmph, you ba5tard, all day long, let me tell you, there are no other women, you are not allowed to hit those maids, I have long seen you look at them wrong..."

An Lingrong snorted coldly.

"Madam, where do you want to go, anyway, I am also the palace owner, how can I mess with those maids..."

Han Fusheng said pretending to be angry, and after finishing speaking, he hurriedly asked, "By the way, what happened to Qing'er you just said?"

"Oh, Qing'er, she ran away..."

An Lingrong said anxiously.

"Run? Did you go to Sunset Cave again?"

Han Fusheng frowned.

"No, no, this time she ran away from the mundane world and couldn't watch her!"

An Lingrong hurriedly waved his hand and said.

boom...

When Han Fusheng heard this, he suddenly broke out in a cold sweat, and his anger rose up: "Are those guards dead? Even the young lady can't watch it, it's just damn..."

"I'll send someone to look for it right away, I must get Qing'er back..."

Seeing Han Fusheng's rising anger, An Lingrong hurriedly persuaded him, "Don't worry, Qiu Ju went out with Qing'er, so there shouldn't be any danger."

Han Fusheng breathed a sigh of relief when he heard that someone was following him!

"Someone is following, and I have to send someone to find it back..."

Han Fusheng is just such a precious daughter, and he doesn't want his daughter to be surprised!

"I have already sent someone to inform the Waning Moon Fort, and asked Lu Chang to find Qing'er, which is just to create a space for the two children to contact..."

An Lingrong said.

When Han Fusheng heard this, he immediately laughed: "It's still Mrs. smart, as long as we marry Zixiao Mansion and Waning Moon Castle, the resources in the entire secret realm will belong to our two families..."

The secret realm where Han Fusheng and the others are located is vast, and there are many sect families in it. In order to compete for resources, the families in these secret realms will also fight!

In this secret realm, the Sunset Cave and the Waning Moon Cave have the most resources.

The Sunset Cave is on the site of Zixiao Mansion, and the Waning Moon Cave is on the site of the Waning Moon Fort.

If the two families are married and share resources, then there will be nothing to do with other sect families.

When the two join forces, they can annex other families.

Chapter 1619

...

Kyoto!

David waited for three days in the Long family, but he did not see the four masters of the Long family come back, so he simply stopped waiting!

And Long Xingxu also stabilized the entire Long family in these three days, and then issued a statement on the martial arts forum!

Declare that the Long Family has left the Martial Arts Alliance and will follow in the footsteps of David in the future!

This statement instantly caused a thousand waves in the entire martial arts world!

“Damn it, the Long family seems to have been beaten by David.”

"Didn't you see, the head of the Long family has changed. This should be the puppet that David supported, and I haven't even heard of the name."

"Wait, the Martial Arts Alliance is going to be unlucky."

"I think it's not just the Martial Arts Alliance that is unlucky, there should also be those families who joined the Martial Arts Alliance..."

In the forum, many people started talking about it!

There are many families who are afraid of David's revenge and announce their withdrawal from the Martial Arts Alliance!

There are also many families who have expressed their willingness to follow in David's footsteps and obey David's dispatch!

It's just that David didn't care. He knew that these grass-fed clans only saw his current strength, so he chose to follow him.

If one day, their strength is not enough, these families will definitely turn back!

Therefore, David simply ignored the families who asked to follow him!

David ignored it, but the Martial Arts Alliance couldn't sit still.

Inside the Kyoto Budo Alliance!

Ning Zhi's face was very ugly, he was crushed by Long Xiao, but now, Long Xiao was killed by David.

Then the strength gap between him and David is naturally self-evident!

Nowadays, many families choose to withdraw from the Martial Arts Alliance, and many families of friends choose to follow David, which makes Ning Zhi very embarrassed!

Now that Zhu Zhishan is dead, the mess of the Martial Arts Alliance has fallen on his head.

“How can this David be so powerful?”

Ning Zhi couldn't understand what kind of exercises David practiced. His strength improved so fast, and he could easily deal with leapfrog battles!

“You just stepped into the Great Marquis, and you still need to concentrate on your cultivation, don't think about other things.”

At this moment, a voice sounded in Ning Zhi's mind.

Ning Zhi didn't want to think about it, but the facts were in front of him. If David was in trouble with the Martial Arts Alliance, how would Ning Zhi deal with it?

Now that the Martial Arts Alliance is in such a mess, if the high-level officials are held accountable, who will bear the responsibility?

“This David will not let go of the Martial Arts Alliance. His next target must be the Martial Arts Alliance. His girlfriend is still locked here...”

Ning Zhi frowned and said.

The soul is no longer speaking, which is indeed an intractable knot.

Because the Martial Arts Alliance uses Sonya's blood to continuously cultivate masters!

Including Ning Zhi, he also took Sonya's blood to increase his strength so quickly.

“Deputy leader Ning, then David...”

A member of the Martial Arts Alliance walked in and wanted to report to Ning Zhi!

But before the words were finished, Ning Zhi stretched out his hand, and a burst of energy instantly blew the heads of the members of the Martial Arts Alliance!

The blood filled the air, and the other members were terrified!

"Zhu Zhishan is dead, I am the leader of the alliance, you remember it for me..."

Ning Zhi glanced at the other Martial Arts Alliance members and said.

These people all bowed their heads and did not dare to speak!

"It seems that we can only alert the high-level, otherwise people from the Martial Arts Alliance will be difficult to stop that David..."

Ning Zhi frowned, he knew that with the current strength of the martial arts alliance, David could not be stopped at all!

But just after Ning Zhi finished speaking, he saw a wave of space in the hall of the Martial Arts Alliance, followed by a man covered in black robes.

The Peugeot on the chest of the black-robed man is silver, obviously higher than Ning Zhi's black copper robe!

"You all go down..."

Ning Zhi waved his hand and let the members of the Martial Arts Alliance go out.

Chapter 1620

After everyone left, Ning Zhi knelt down and bowed down: "My subordinates welcome the black and silver robe elder..."

The black and silver robe directly took out a vajra that shone with silver light from the black robe!

"The great can know your situation, and I specially ordered me to bring you a weapon of the martial arts. In times of crisis, this weapon of the saints can keep you safe."

Heiyinpao said, and handed the vajra pestle to Ning Zhi!

Ning Zhi looked at the vajra, his eyes were full of fire!

This is the sacred weapon, the weapon used by the real martial arts.

Although I don't know the current fate of the owner of this weapon holy weapon, but this weapon holy weapon injected with the power of the martial arts, if you want to deal with a great Martial Marquis, it is as easy as the palm of your hand!

"My subordinates have thanked the great power, and I will do my best to manage the Martial Arts Alliance..."

Ning Zhi said excitedly.

"The great power said, David is also a rare genius. It would be best if you can win over and become your own use. If you can't, please make peace for the time being, and don't have any more conflicts with him. You have more important things to do.!"

Black Silver Robe said.

“Elder Heiyinpao, this David’s girlfriend is imprisoned in the dungeon of the Martial Arts Alliance. If you want to make peace with David, you can only let his girlfriend go.”

Ning Zhi looked confused.

If Sonya was not released, how could David live peacefully with the Martial Arts Alliance!

“madness...”

Heiyinpao snorted coldly: “It’s just a woman, it won’t be that important. Now the Martial Arts Alliance has so many resources, just promise some to David. In front of women and resources, I believe that all practitioners , will choose resources!”

“I understand!”

Ning Zhi nodded again and again, he knew what would happen to an elder in black and silver robes!

With the rising of a black mist, the black silver robe disappeared instantly!

Ning Zhi stood up with the vajra, his eyes were full of fire!

With the vajra, Ning Zhi didn’t want to follow David to make peace!

He wanted to kill David, avenge his father, and avenge the entire Ning family!

Just after Ning Zhi raised the idea of killing David to take revenge, the soul in his mind suddenly said: “You better do what the great master wants, otherwise you and I will both die miserably...”

The words of the soul instantly made Ning Zhi suppress the idea of revenge!

“Come on...”

Ning Zhi shouted to the outside world.

“Ning... Alliance Leader, what are your orders?”

asked a member of the Martial Arts Alliance.

This member almost called it wrong, and lost his life!

“Go to David, bring him a message, and say that I want to invite him to come to the Martial Arts Alliance for a gathering, and talk to him about something!”

Ning Zhi ordered.

“Looking for... looking for that David?”

This member of the Martial Arts Alliance was terrified!

They all know that David’s current strength, and David hates the Martial Arts Alliance to the core, these members of the Martial Arts Alliance take the initiative to send them to David, isn’t that courting death?

“Didn’t you hear?”

Seeing the frightened appearance of the members of the Martial Arts Alliance, Ning Zhi frowned.

“Follow the order, follow the order...”

The Martial Arts Alliance member hurriedly withdrew!

And Ning Zhi sighed: “I didn’t expect that David caused so much pressure on the Martial Arts Alliance...”

“There is a sacred weapon, you don’t have to be afraid, talk about it...”

The soul spoke lightly.

"I'm afraid that David won't eat or punish him when he toasts. This guy is very strange."

It's not that Ning Zhi doesn't want to talk. If he can really make peace, he can have a chance to cultivate in peace.

At that time, as long as you have enough strength, you are afraid that you will not find a chance to seek revenge on David?

"When you are making peace, it will be much easier to show the weapon holy weapon and let him see the threat..."

The soul is giving Ning Zhi an idea!

"Right!"

Ning Zhi nodded.
