

A Man Like None Other Novel

Chapter 1661

David and Ge Yuhan rushed towards the Martial Arts Alliance!

When he was still some distance away from the Martial Arts Alliance, David was suddenly stunned!

Because he felt Sonya's breath, the breath was so strong!

"How could this be? Could it be that Sonya can't be released by them?"

David's face was full of surprise, and then he quickened his pace!

When David arrived at the gate of the Martial Arts Alliance, someone immediately reported to Ning Zhi!

"Leader, then David is here!"

said a member of the Martial Arts Alliance.

"Okay, it's finally here, let him in..."

Ning Zhi held a vajra, and his eyes were full of confidence!

"Are you sure you can catch this David?"

The soul asked Ning Zhi again.

"Don't worry, I'm 90% sure, as long as David desperately saves his girlfriend, he won't be able to escape."

Ning Zhi smiled coldly.

He has already set up a mechanism for David, and now all he has to do is to anger David and make David lose his mind!

The door of the Martial Arts Alliance slowly opened, David walked in with Ge Yuhan, and a dozen black copper robes surrounded David and the others in an instant.

Ning Zhi frowned slightly when he saw that David had brought someone here: "David, you broke our agreement, aren't you afraid that your girlfriend will suffer?"

David glanced at Ge Yuhan, and then said to Ning Zhi: "She is just a corpse now, she can only follow me, and I can't let her leave."

Ning Zhi's eyes met, and a ray of light shot out, instantly covering Ge Yuhan's body.

Sure enough, Ge Yuhan didn't have the slightest breath, just like a wooden man!

Seeing this, Ning Zhi breathed a sigh of relief, took his eyes back, and sneered: "David, I didn't expect you to degenerate to the point of refining puppet corpses."

"However, this puppet corpse looks so beautiful, but it has no breath and no strength at all. You refining such a puppet corpse will not sleep with you, right?"

"The dignified rookie in the martial arts world, the valley owner of Yaoshen Valley, is now refining female puppets to satisfy his own selfish desires. I really didn't expect you to have such a hobby!"

"If I spread this out, I wonder what the girls who have a crush on you will think?"

Ning Zhi's face full of smirk, he scolded David.

David looked disapproving, and said with a faint smile: "What do you want, that's your business, you called me here, won't you just say these nonsense? If it's just for this, I don't have time to pay attention to you! "

Ning Zhi laughed a few times: "Hahaha, of course not, don't you feel your girlfriend's breath?"

"I know you've always wanted to rescue your girlfriend, but the martial arts alliance dungeon is protected by a formation, and you can't break the formation at all."

"But today I'll give you a chance. I brought your girlfriend out. As long as you can save her from us, our Martial Arts Alliance will never be your enemy from now on!"

Ning Zhi said, with a wave of his palm, a flash of light suddenly flashed behind him, and then Sonya, who was locked in the cage, appeared!

When David saw that Sonya was locked in an iron cage, her face was pale and her body was weak, the anger in her whole body instantly rose to the extreme!

Feeling David's rising anger and the endless killing intent, Ning Zhi laughed!

"Ning Zhi, I, grass, you, huh..."

David roared, and the Dragon Slaying Sword instantly appeared in his hand, and then savagely moved towards Ning Zhi!

A sword qi instantly slashed towards Ning Zhi, and at the same time David swung his sword out again, and another sword qi shot out!

This sword energy went straight to the iron cage that locked Sonya!

Ning Zhi snorted coldly, waved his hand directly, and waves of air waved from his palm!

Chapter 1662

Instantly slapped on David's sword energy.

However, one after another qi waves hit David's sword qi, and they were instantly smashed by the sword qi.

There is still a gap between Ning Zhi's strength and David's.

But Ning Zhi didn't panic, he held the vajra in his hand and slapped it hard!

The vajra made a humming sound, and the sound spread around like a wave!

David's sword energy was smashed and disappeared after encountering this sound wave!

And David was also repelled by this sound wave, and his face became a little ugly!

"Haha, David, have you forgotten that I have the sacred weapon in my hand?"

"With your strength, you simply can't withstand the fatal blow of the Holy Weapon."

Ning Zhi laughed arrogantly.

"fcuk you, I will kill you today..."

David's heart was full of anger, and the whole person was trembling slightly because of extreme anger!

Seeing Sonya locked in an iron cage, David felt very uncomfortable, his whole heart seemed to be pierced by ten thousand arrows!

David's body was shaking, and the Dragon Slaying Sword in his hand also made a humming sound!

The golden rays of light are constantly flickering, the undamaged golden body is activated, and the scales glowing with golden light cover David's whole body!

"David, leave me alone, you go, hurry up, this is a trap..."

Sonya was in the cage, yelling at David!

"Speak up!"

Ning Zhi snorted coldly, followed by a wave of his palm, a force of energy turned into a whip, and slammed it on the iron cage!

The iron cage shook suddenly, but there was a red mark on Sonya's body.

But Sonya didn't say a word...

"My day. Your ancestor..."

David was furious, and with a roar, he walked towards Ning Zhi again!

But this time when David moved, the surrounding dozen black copper robes also moved at the same time!

I saw a black copper robe slap the back of David's head with a palm, and the palm is extremely sharp!

At this moment, David was extremely sad and angry, facing the attack of the black copper robe, he slashed down with one sword!

brush...

A golden light flashed, followed by a scream!

I saw the black copper robe that was shot towards the back of David's head. At this moment, this arm was cut off with a sword, dripping with blood.

Seeing this, the other black copper robes could not help but gasp.

"Everyone here today is going to die..."

David's eyes were wide open, his eyes were red, and the killing intent on his body continued to rise.

"David, your bragging ability is really good. If you really had the ability, you would have rescued your girlfriend long ago."

"You're bragging outside all day, and your girlfriend can't be saved. What are you?"

Seeing David's rage, Ning Zhi was very pleasantly surprised, and even more stimulated David with his voice!

Sure enough, when David heard Ning Zhi's words, he became even more furious, and pointed at Ning Zhi with the Dragon Slaying Sword in his hand: "Ning Zhi, today I will dig out your liver and lungs..."

David's aura skyrocketed, holding the sword in one hand, and the Dragon Slaying Sword radiated radiance!

A golden dragon appeared and surrounded by the Dragon Slaying Sword!

Then David waved abruptly, and the first sword of the Nine Shadows Divine Sword came out!

The terrifying Jianmang took the roar of the golden dragon and walked directly towards Ning Zhi!

Ning Zhi has the sacred weapon in hand, so naturally he is not afraid of David!

I saw Ning Zhi raised the vajra, and then the vajra also overflowed with brilliance, and then a ray of light greeted it instantly!

boom!

There was a loud bang, and the scattered aftermath spread out like the surrounding.

Those black copper robes all resisted the aftermath, and Sonya, who was locked in the iron cage, was affected.

"Sonya..."

Seeing this, David showed great concern in his eyes!

"David, go ahead, you can use all your strength, as long as you are not afraid of your girlfriend dying under your sword!"

"I don't care, I have the holy weapon in my hand, you can't hurt me..."

Ning Zhi stood in front of the iron cage and provoked David!

Chapter 1663

And the Dragon Slaying Sword that David raised had to be slowly put down!

The Dragon Slaying Sword was taken back, and David was also afraid that his sword qi would hurt Sonya!

Seeing that David was worried, Ning Zhi smiled brightly.

"Arrest him..."

Ning Zhi waved his hand and said to those black copper robes!

More than a dozen black copper robes shot at David together, and David's body was glowing with golden light, and his face was terrifyingly cold!

Above the fists, golden dragons surround, streaks of golden light, making everyone's pupils shrink continuously!

More than a dozen black copper robes also know that fighting alone, they are definitely not David's opponents, so these people are united, and the strength is soaring to the sky, and David is coming!

David shouted angrily and punched out, the golden dragon roared and the earth trembled!

David's punch instantly defeated the strength that united more than a dozen black copper robes!

Many black copper robes could not help but be surprised!

David seized the opportunity of these people's shock, shouted loudly, and then threw a punch again!

Holy Light Fist, this is the ancient holy fist!

Although David did not learn the highest essence, he was very powerful even if he learned some skins.

I saw the dazzling golden light shining over the entire Martial Dao Alliance, and then with the momentum of destroying the dead, it instantly slammed into those black copper robes!

The terrifying power made many black copper robes look terrified. They never imagined that a single person would be able to explode with such power!

At this moment, even Ning Zhi frowned, he didn't know, whether it was right or wrong to anger David!

boom!

This punch exploded among the people in the black copper robe!

Many black copper robes were all directly knocked out, and the black copper robe in the middle of the power was the most impacted!

The whole person has become a puddle of flesh, and the ground is covered with blood.

Ning Zhi looked at the black copper robe that had turned into a pool of mud on the ground with disbelief in his eyes!

Ning Zhi's hand held the vajra pestle tightly. Only this sacred weapon could give him a sense of security at this time!

David glanced coldly at the black copper robes, and just this glance made those black copper robes feel chills!

David walked towards Ning Zhi step by step, but the black copper robes on the side didn't make another move!

Seeing this, Ning Zhi hurriedly shouted, "Quickly kill him..."

Numerous black copper robes looked at each other, and then their eyes showed fierceness, and they rushed towards David!

They knew that even if they didn't take action and would not die under David's hands, the almighty would not let them go.

Moreover, the almighty means, they dare not try it at all!

It would be life rather than death...

“bring it on...”

David roared, and endless killing intent emerged from David’s body!

More than a dozen black copper robes suddenly bursts of black mist above their heads!

The black mist shrouded and turned into a human figure. Inside these black copper robes, there was a soul hidden in them!

A soul that has survived for many years!

After these spirits appeared, they actually attached to the body of each black copper robe, just like putting a layer of armor on these black copper robes!

At a glance, more than a dozen black copper robes were all wrapped in black mist, like ghosts!

David’s body flickered with golden light, and he was not afraid at all, and smashed it out with a fierce punch!

More than a dozen black copper robes fought with David, and a gust of wind swept the scene!

The terrifying aura is constantly impacting the entire Martial Arts Alliance’s guardian formation!

Without the protection of the formation, the entire martial arts alliance would have been in ruins for a battle of this magnitude!

David swung his fists, and every punch almost had the sound of a dragon roar!

For a time, more than a dozen black copper robes were unable to approach David!

A pair of more than a dozen, but David has the upper hand!

Chapter 1664

If it wasn't for these spirits coming out of the body, David would have smashed these black copper robes to death with one punch!

These souls are so abominable, every punch of David is like hitting cotton, and half of his strength is removed!

The spiritual power in David's body is rapidly attenuating, and the golden dragon wrapped around his fist also slowly fades and disappears!

When Ning Zhi saw that David was about to lose his physical strength, he was immediately excited. He didn't expect more than a dozen black copper robes to defeat David.

"He can't do it anymore, hurry up..."

Ning Zhi urged.

More than a dozen black copper robes also saw that David was a little exhausted, and there was hope in their eyes!

"Hmph, you alone want to kill me..."

David was hoarse and shouted loudly!

The golden light on his body is still flashing, and his eyes are full of endless fighting intent!

The Heart Condensation Art is running rapidly in David's body, and the surrounding world's spiritual energy is swarming into David's body!

This huge suction force directly sucked the black mist wrapped around these black copper robes!

Which souls are also being dragged by a suction force, and they are about to be dragged into David's body!

David's Concentration Technique can refine everything, whether it is Yin Qi or resentment, even these soulless souls can be refined!

This sudden change made those souls tremble with fear, and they returned to the bodies of those black copper robes one by one!

When David saw this, he punched out, and slammed into the chest of a black copper robe!

boom!

This punch instantly penetrated the body of the black copper robe, and the broken internal organs and blood were sprayed all over the ground!

And the soul in the black copper robe took the opportunity to escape, and a black mist rose up, about to escape!

David grabbed forward, then opened his mouth and took a breath, and the soul was instantly inhaled into the body by David!

Without any struggle, the soul was instantly refined by David's Condensation Technique!

Seeing this scene, the rest of the black copper robes were stunned!

You must know that no one dares to inhale their souls into their bodies. Many people dare to inhale their souls before they have time to hide?

Doesn't this clearly mean that the soul wants to control his body?

However, when the soul entered David's body, it had no right to control the body at all, and was directly refined!

This is the first time they have seen such a domineering exercise!

At this time, many black copper robes have the intention of retreating, and they dare not step forward!

But if they don't do it, David will not let them go.

David was in front of a black copper robe who came in the blink of an eye, and then he punched it out!

puff!

The head of the black copper robe was directly smashed to pieces, and then another black mist rose into the air!

When the host body dies, these souls have to leave the body and find a new host body again!

David repeated his old tricks and swallowed the soul with his mouth open!

This time, these black copper robes did not cause any harm to David, but became David's resources.

"Spellcasting, spellcasting..."

Ning Zhi shouted, these black copper robes will definitely be killed by David one by one!

And those souls will be swallowed up by David.

The remaining black copper robes looked at each other, and there seemed to be a bit of fear and helplessness in their eyes!

In the end, I saw these black copper robes standing together, and then the black mist in the body continued to emerge from the top of the head!

These black mists that came out instantly condensed together and turned into an incomparably gigantic giant shape!

This giant is extremely ferocious, formed by the condensing of these souls.

And those black copper robes, at this time, their eyes were dull and motionless, just like corpses!

Between the eyebrows of each black copper robe, a drop of bright red blood slowly seeped out, and then slowly floated into the air!

These blood essences gathered together to form a gem the size of an egg, which was finally embedded in the giant's forehead!

Chapter 1665

At the same time, those black copper robes fell to the ground one after another, and their bodies shrank rapidly, turning into mummified corpses, as if the strength in their bodies had been absorbed by others!

The giant looked down at David, and the terrifying atmosphere instantly filled him!

The huge figure is simply covering the sky, David is like an ant in front of this giant!

Ning Zhi stared at the giant formed in front of him, his eyes widened, and his eyes were incredible!

This is also the first time he has seen this technique called Myriad Realms Demon Heart!

As long as the second spell is used, the caster will be deprived of everything, not only those black copper robes have become mummified corpses, but even those souls have already become part of this giant at this moment!

The strength of the giant is proportional to the strength of the caster, and the retention time is also the stronger the strength, the longer the retention time!

According to the strength of these black copper robes, this giant will only survive for half an hour!

After half an hour, the giants will disappear, and the black copper robes and the souls in them will also die.

This technique is extremely cruel, so few people use it!

"David, this time you will definitely die..."

Ning Zhi's face is proud and arrogant!

Those black copper robes died when they died, and Ning Zhi didn't care at all, as long as he lived by himself.

"Really? Then you'll be optimistic..."

After David finished speaking, his feet shook, and then his body jumped up!

Looking at the incomparably huge, David did not even have the slightest timidity. The golden light flashed on his fists, and the power of the dragon was condensed on the fists, and then he punched out.

The dragon roar sounded, and the power of David's punch poured out, like a cannonball smashing towards the giant!

The red light on the giant's forehead flashed, and then he punched it out!

David's figure, compared with the giant, is simply too small, not even as big as the giant's fist!

However, David's eyes showed perseverance, and he was not cowardly at all!

boom!

David's punch collided with the giant, and David's figure flew out instantly!

And the figure of the giant also swayed under this punch!

Chen stabilized his body and looked at the swaying giant with a more determined look on his face!

"It's a fancy thing, and this punch will blow your head..."

David knew that this giant was relying on the gemstone formed by the blood essence on his forehead. As long as the gemstone was shattered with one punch, the giant would disappear!

Thinking of this, David threw his fist out again, and the golden light on his body burst out. David himself was like a golden cannonball, heading towards the giant again!

Seeing this, the giant waved his fist again to meet David, but unfortunately, David smashed it with one punch!

This time, the giant's body fell to the ground with a bang, causing a burst of dust!

David smashed towards the forehead fiercely, he wanted to destroy the gem on that forehead!

At this moment, David, like a madman, kept hitting the giant's head with his golden fists!

One punch, two punches, three punches...

The giant fell to the ground and had no power to fight back!

Two strokes, just two strokes, the giant fell to the ground and became the target of beatings!

Ning Zhi watched this scene, and he didn't want to believe it!

This giant was condensed with the power of more than a dozen black copper robes and souls, so why can't he fight?

"boom!"

David landed another punch, and the red gem on the giant's forehead shattered instantly!

With the fragmentation of the gem, the giant's head also shattered directly, and then the body began to slowly dissipate!

David got up slowly and looked at Ning Zhi with cold eyes.

"Next, it's your turn..."

David's eyes were cold, his body jumped up, and his golden fist moved towards Ning Zhi.

Chapter 1666

"David, I have the sacred weapon in my hand, you are courting death..."

Ning Zhi snorted coldly, then raised the vajra, an extremely terrifying force spread instantly!

Ning Zhi held a vajra and swung towards David with all his might, and the terrifying force instantly smashed towards David!

boom!

The terrifying force hit David's body, instantly smashing David's body and flying out, and the undamaged golden body on his body dissipated instantly!

The Martial Saint Tool has the power of the Martial Saint. David's current strength is not enough to fight against the Martial Saint's power!

"Hahaha, David, you'd better keep your hands off the ground!"

Seeing that David was vulnerable in front of the sacred weapon, Ning Zhi laughed wildly!

"fcuk you!"

David shouted angrily, and then the power of the dragon boiled, heading towards Ning Zhi again!

But David's strength is really nothing in front of the sacred weapon!

Even though David tried his best, he was still smashed out by the vajra!

A mouthful of blood spurted out, and he suffered two heavy blows in a row, and David's body was severely injured.

At this time, David's face was very ugly, and the breath on his body was constantly adjusting, but facing the sacred weapon in Ning Zhi's hand, David was a little helpless.

"David, go, go, leave me alone, leave me alone..."

Sonya shouted at David loudly.

She didn't want David to die on the spot in order to save herself.

"Sonya, no matter what, I will save you today."

David knew that if Sonya was locked in a dungeon, it would be even more difficult for him to rescue Sonya.

But looking at the vajra in Ning Zhi's hand, David was in trouble. How could he deal with this Ning Zhi and rescue Sonya?

At this moment, David looked at Ge Yuhan who had been standing blankly!

Ge Cangsheng said that Ge Yuhan's strength is the Martial Saint, and he may be able to deal with the Martial Saint weapon in the hands of Ning Zhi.

"Yuhan, Yuhan, can you help me kill this kid?"

David asked Ge Yuhan.

But Ge Yuhan didn't move, his eyes were blank, as if he couldn't hear David's words at all!

Seeing this, David's face was full of helplessness. Although Ge Yuhan is a martial arts saint, he is now like a fool, even worse than a fool. He still expects Ge Yuhan to help, which is a joke.

"Hahaha, David, are you afraid that you want a stupid person to deal with me?"

Ning Zhi laughed!

David looked at Ning Zhi's arrogant appearance, and his eyes flashed fiercely!

David sacrificed the Dragon Slaying Sword. Now that he wants to save Sonya, he has to lead Ning Zhi away. Ning Zhi has been guarding the iron cage, and David has not almost shot!

"Ning Zhi, even if you have a holy weapon, I can still kill you..."

David said, jumped up high, and then slashed at Ning Zhi with a sword!

The huge sword beam moved towards Ning Zhi.

Facing the huge sword glow, Ning Zhi raised a smile and waved the vajra in his hand. A terrifying force instantly shattered David's sword glow!

Immediately afterwards, David only felt an overwhelming force strike, and his entire body flew out into the distance in an instant!

When David flew out, he shouted: "Ning Zhi, I will come back sooner or later to kill you..."

Immediately afterwards, David's figure gradually disappeared, and he ran away!

"Damn, you still want to run away..."

Ning Zhi jumped up and ran after him!

He has the sacred weapon in his hand, how could it be possible for David to escape.

But when Ning Zhi was chasing David, David's figure had already turned around and returned.

He deliberately lured Ning Zhi away, and then rescued Sonya!

Without rescuing Sonya, how could David escape!

Chapter 1667

Sonya originally thought that David had escaped, but she was relieved. She could see that David had actually turned back, and suddenly said anxiously: "David, go away, leave me alone, they dare not kill me..."

Sonya urged David, but David would listen!

"Sonya, I have to rescue you today!"

David said, he stepped forward, grabbed the iron cage with both hands, and suddenly tried to break the iron cage!

But just when David was trying to break my iron cage, a light suddenly shot out from the ground!

This ray of light directly enveloped David and Sonya!

Immediately afterwards, dense runes appeared on the ground. These runes shone with light, and then these runes floated up and surrounded David and Sonya!

"What is this?"

David frowned.

He doesn't know what these are, it seems that it should be a formation!

Just when David and Sonya didn't know what the rune that suddenly appeared, they found that a black hole appeared under their feet!

The black hole seems to have suction, slowly dragging their bodies down!

David was shocked and tried hard to break free, but found that he couldn't break free at all, and his feet seemed to be stuck in a quagmire!

"Hahaha, David, you idiot, do you really think I'm going after you?"

"I avoided it on purpose to give you a chance to save your girlfriend."

"Are you fooled now? Just wait and go into the dungeon with your girlfriend!"

"If you want to fight with me, you are still too tender..."

Ning Zhi's eyes are full of pride and arrogance!

David stared at Ning Zhi, his eyes full of anger, but no matter how hard he tried, he couldn't get out of the black hole under his feet!

David and Sonya fell down slowly like this.

"Why, why are you so stupid, now you're caught too, is it worth it?"

Sonya stretched out her hand and gently stroked David's face across the iron cage!

"It's worth it, even if it's death, as long as it can die by your side, it's worth it..."

David's eyes were full of tenderness, and he held Sonya's hand tightly!

The two have not touched each other for a long time!

Feeling each other's temperature, David didn't even have a trace of fear in his heart!

Looking at David and Sonya, Ning Zhi's eyes were fierce: "David, I will keep you and your girlfriend separated from each other. Even if you are in the underworld, don't even think about seeing each other!"

David ignored Ning Zhi, he held Sonya's hand tightly and enjoyed the last good time!

Soon, David and Sonya fell to their chests, and it wouldn't take long before they both fell into the dungeon!

Ning Zhi watched from not far away, his eyes were full of satisfaction!

He was finally able to avenge his family!

David has always been a nightmare in his heart, but after today, he will never have a nightmare.

But just when Ning Zhi was about to watch David fall into the dungeon, a figure suddenly flashed past him!

When Ning Zhi looked intently, he found that Ge Yuhan, who had been standing blankly for some time, was already standing on David's side.

Ge Yuhan's body is also in the formation, but her body has not fallen!

Ge Yuhan stretched out his hand, pulled David and threw it lightly, throwing David out!

David was overjoyed, and hurriedly shouted: "Yuhan, hurry up, pull my girlfriend, hurry up..."

But no matter how David shouted, Ge Yuhan didn't move. In the end, David could only watch Sonya finally fall into the dungeon!

"what..."

David roared out angrily, this was the closest he was to Sonya and had the best chance to rescue her, but he still failed!

Chapter 1668

At this time, Ning Zhi stared blankly at Ge Yuhan in front of him, his eyes were full of shock and wonder!

How can a person who is stupid and has no breath on his body easily rescue David from the formation?

Ning Zhi can't figure it out, even more can't figure it out!

"Don't be stunned, even if you don't catch David in the dungeon, you can kill him with the sacred weapon in your hand, hurry up..."

The soul in Ning Zhi reminded Ning Zhi.

Ning Zhi reacted, the vajra in his hand flickered, and a terrifying aura began to permeate, and the aura alone was enough to cause some Marquis to vomit blood and die.

David felt this terrifying breath, and his face was extremely ugly.

But he knew that he couldn't fight with Ning Zhi at this time. Now that Sonya was locked in the dungeon again, it was impossible for David to rescue Sonya!

He must not die here, if he dies, then Sonya will never have a chance to come out!

David jumped up, ready to escape!

But Ningzhi will let David escape this time. With a wave of the vajra in his hand, a terrifying force instantly crushes David!

David gritted his teeth, but he didn't dare to stop in the slightest, he could only pray that he would be able to carry the blow of the Holy Weapon!

boom!

A loud bang came, and the terrifying air waves rolled out all around!

Davidyan thought that this blow would definitely make him seriously injured, but he didn't want to, David didn't even feel the slightest movement when such a big movement happened!

"How is this going?"

David couldn't help being curious and looked back!

It didn't matter when he saw it, he saw that Ge Yuhan was following behind him, and the terrifying blow just now hit Ge Yuhan!

David was startled, and hurriedly checked Ge Yuhan's body. Ge Cangsheng entrusted Ge Yuhan to himself, and he couldn't let Ge Yuhan really die in the end.

But after checking it again, I found that there was nothing wrong with Ge Yuhan.

Seeing this, Ning Zhi was stunned!

"This...how is this possible?"

Ning Zhi was dumbfounded, it was just a blow from the Holy Weapon.

Although the power of the Martial Saint Weapon is not as powerful as the real Martial Saint's power, it is almost the same!

How could it even be impossible to break the body of an ordinary person?

With that power just now, even the powerhouses of the Marquis realm have long since become muddy flesh.

But when he hit Ge Yuhan, he couldn't even scratch the skin!

David laughed, this Ge Yuhan's physical strength has exceeded his imagination!

At that time, Ge Cangsheng said that Ge Yuhan's body was extremely powerful, and David still didn't believe it. After all, there were not many people who could be stronger than himself!

But now seeing Ge Yuhan's body, David is completely convinced!

Maybe this has something to do with Ge Yuhan's body being fumigated with antiseptic aromatherapy for so many years.

"If she can come back to life, just listen to me..."

David looked at Ge Yuhan with anticipation in his heart!

If Ge Yuhan could listen to David, he might have rescued Sonya just now!

"Ning Zhi, wait, I will kill you sooner or later..."

After David finished speaking, he jumped forward again.

This time, with Ge Yuhan behind him, David has no worries!

"David, don't be too fucking happy, I will never let you go!"

As Ning Zhi said, the light on the vajra was even stronger, and a more terrifying and intense aura emanated from the vajra!

David felt the breath, and the speed under his feet became faster.

He was really afraid that Ge Yuhan behind him would not be able to withstand this blow!

"How dare you run..."

Ning Zhi said, the vajra in his hand fiercely swung towards David!

Chapter 1669

In an instant, a force like a wave of water moved towards David!

This power made the sky tremble and dark clouds swept over!

Many unknowing people ran out of the room and looked at the vision in the sky!

Even everyone in the Long family ran out one after another!

"There is the direction of the Martial Arts Alliance. I wonder what happened to Mr. Chen?"

"Don't worry, Mr. Chen will be fine!"

"I hope God bless Mr. Chen."

Everyone in the Long family prayed for David.

boom!

With a loud explosion, David only felt a wave of heat coming!

But David didn't look back, he could only hope that Ge Yuhan was fine!

The smoke cleared, and when Ning Zhi chased after him, David was no longer there!

"Damn, let him run away, what the hell is that woman?"

Ning Zhi couldn't help but cursed loudly.

"You have the sacred weapon in hand, so David is nothing to worry about!"

The soul said lightly.

"Too!"

Ning Zhi gently stroked the vajra in his hand, his eyes were full of heat!

At this time, David fled back to the Long family in some embarrassment. Everyone was relieved to see David back!

Because the movement in the direction of the Martial Arts Alliance just now was too great!

"David, are you alright?"

Seeing David, Gu Linger hurried up to check David's body.

"I'm fine!"

David's face was pale, then turned to look at Ge Yuhan who had been following him, and checked Ge Yuhan's body with concern.

Seeing this scene, Gu Linger's eyes flashed with jealousy!

Although Ge Yuhan looked dumbfounded, he didn't move like a wooden man!

But after all, she is a woman, and when David touched others, Gu Linger was of course jealous.

"It's okay, it's okay, this body is really strong..."

David checked it again and found that there was no scar on Ge Yuhan's body, so he happily patted Ge Yuhan on the shoulder!

"David, she's a girl anyway, what does it look like when you touch her body?"

Gu Linger pouted and reminded David!

When the others saw this, they all laughed. They knew that Gu Linger was jealous!

"Ling'er, are you jealous?"

David laughed.

"Who is jealous, I just remind you..."

After Gu Linger finished speaking, she turned and ran back to the room!

David followed closely, he wanted to explain with Gu Linger!

Ge Yuhan followed behind David, she will go wherever David goes now!

After entering the room, looking at Gu Linger's slightly angry face, David explained: "Linger, listen to me..."

David told Gu Linger about Ge Yuhan's life experience, but he did not tell Gu Linger the identity of the owner of the Tianlong Temple!

Listening to David's remarks, Gu Ling'er looked at Ge Yuhan with pitiful eyes!

"It's so pitiful, so is there any way you can make her recover?"

Gu Linger asked David.

David shook his head: "I don't have a solution yet, so I plan to take Yuhan to Yaoshen Valley to see if I can find a medicinal pill that can help her recover."

"If the medicine pill doesn't work, then we have to find another way."

"What else can I think of?" Gu Ling'er asked.

"Perhaps spells can bring people back to life..."

David has been very interested in spells since he went to Tianfuzong and learned about the power of spells!

After chatting with Gu Linger for a while, David was ready to rest!

Fighting with Ning Zhi, although not fatal, but David is also scarred at this time and needs to rest for a while!

But soon, David discovered a very embarrassing problem.

That is, when David sleeps, Ge Yuhan will always be by his side, which means that they must be alone in the same room!

Chapter 1670

At first, David was more resistant, but when he thought that Ge Yuhan was no different from the wooden man, David was relieved!

After a few days of training in the Long family, all the injuries on David's body have basically recovered!

He planned to take Ge Yuhan to the Medicine God Valley to see if he could use the medicinal pill to restore Ge Yuhan.

After all, there is Shennong Cauldron in Yaoshengu, and even high-level medicinal pills can be refined!

But just when David was going to take Ge Yuhan to Yaoshen Valley, someone suddenly came to report that there was a girl outside the door looking for David!

David was very surprised. He didn't understand how there were girls looking for him.

When David went out, he saw that it was Ge Jiayi!

After seeing David, Ge Jiayi started directly and patted David's face: "I haven't seen you for a few days, do you miss me?"

Ge Jiayi didn't listen to Ge Fuhai's advice at all!

David stepped back slightly, and said a little embarrassedly: "Miss Ge, what are you doing to me?"

"It's not me looking for you, it's my dad who invited you to go to Ge's house..."

Ge Jiayi said.

Seeing that Ge Fuhai was looking for him, there must be something going on, David said: "Well, let's go..."

David didn't say anything, just opened the door and got in the car.

Ge Jiayi smiled and got into the car, and also sat in the back row!

"drive..."

Ge Jiayi instructed the driver to drive, and she stayed close to David.

This time, David was a little overwhelmed, with Ge Jiayi on the left and Ge Yuhan on the right, he was caught in the middle, motionless!

Just after the car started, in the Long's yard, Gu Linger's face was filled with indescribable sadness!

"I told you that David is a dragon among men. There will be many girls who will like him in the future. If you follow him, you must accept this reality..."

At this time, Long Wu said lightly beside Gu Linger.

Gu Linger squeezed out a smile: "Uncle Long, I can accept it, don't worry..."

...

in the car!

Ge Jiayi leaned against David's body!

David didn't dare to move, because if he moved, he would touch Ge Jiayi's body!

Looking at David's stiff appearance, Ge Jiayi smiled and said, "Are you afraid of me? You have seen me all over my body, what if I touch it?"

"I said, I like you, and I will use all means to pursue you..."

After speaking, Ge Jiayi did not forget to glance at Ge Yuhan on the other side, and Ge Jiayi's eyes were somewhat provocative!

This is how women are, even if Ge Yuhan's eyes are dull at this moment, like a wooden man, but Ge Jiayi still regards her as his competitor!

"Miss Ge, I know you like me, but I don't think about it yet, and I already have a girlfriend..."

David explained awkwardly.

"I said, I don't care, you don't have only one girlfriend now, are you afraid of having one more of me?"

As Ge Jiayi said, she directly rested her head on David's shoulder!

David was helpless, so he could only let Ge Jiayi lean on him, closed his eyes slightly, and recited the Qingxin Mantra silently in his heart!

If there is no Qingxin mantra, David really can't guarantee that he will bully Ge Jiayi in the car.

After all, he is also a man, a normal man!

But when David was silently reciting the Heart Clearing Mantra, he suddenly felt that someone was leaning on his right shoulder.

David opened his eyes and saw that it was Ge Yuhan. He saw that Ge Yuhan's eyes were still dull, but he imitated Ge Jiayi and rested his head on his shoulder.

This time, David was a little surprised. If Ge Yuhan has feelings, it proves that she is recovering slowly!

The driver of the car, watching David surrounded by two beautiful women, and still looking like he was unlovable, had long been envious and jealous in his heart!
