

A Man Like None Other

Novel

Chapter 1861

"David, don't try again, don't try anymore..."

Sonya persuaded David that if he kept trying like this, David would be shocked to death by the magic circle.

"Try again, try again..."

David gently touched the prison door again with both hands, and the magic circle flashed and appeared!

This time, David closed his eyes slightly and felt the movement of the array with his heart!

In this way, David felt it quietly. After more than ten minutes, David suddenly opened his eyes, followed by a golden light flickering on his right fist.

"Holy Light Fist..."

David took a deep breath and smashed it down with one punch!

Boom...

This time, after a loud bang, the magic formation began to tremble under David's punch.

David was overjoyed when he saw this, and he didn't dare to hesitate at all, and threw a punch again!

Bang bang bang...

David threw a dozen punches in a row, and David's entire fist was already dripping with blood!

After a dozen punches, the array finally couldn't bear it and collapsed.

David hurriedly opened the cell door, rushed in and hugged Sonya!

The two hugged tightly together, as if there was no one else around!

David could really feel the temperature on Sonya's body, so he didn't believe what Zhou Jie said, Sonya was just an image now.

If it is a hallucinatory image, it will not have such a real feeling!

David hugged Sonya for a long time. At this moment, David's eyes were red. He waited for this moment, he waited too long, he paid too much for this moment...

Gu Linger also had tears in his eyes, and hugged Sonya, Conversation, everyone seems to have endless things to say.

Rumbling...

Suddenly, the mountain shook, and the entire dungeon began to shake, as if it was about to collapse.

"The dungeon is going to collapse, get out quickly..."

Zhou Jie said, and then quickly ran out of the dungeon!

The others hurriedly followed behind and ran out.

David was holding Sonya's hand firmly, not daring to let go for a moment.

After they escaped from the dungeon, the dungeon behind them collapsed, and the rockery collapsed with it!

The collapse of the dungeon also indicates that the Martial Arts Alliance will become a thing of the past!

David looked at the collapsed dungeon, full of emotion!

"Miss Zhou, I hope our cooperation can be based on trust and honesty. Now that my girlfriend is here, what image you said should be fake, right?"

David asked Zhou Jie.

On the other hand, Zhou Jie smiled faintly: "If you have something to say to your girlfriend, just say it quickly. Your girlfriend has left the circle now, so she won't exist for too long."

"What nonsense are you talking about?"

David glared at Zhou Jie!

But at this moment, Sonya suddenly screamed!

"My feet, my feet..."

Sonya looked at her feet and screamed loudly.

Because at this moment, Sonya's feet are slowly disappearing!

David was dumbfounded when he saw this scene, and everyone else was shocked too!

Only Zhou Jie looked calm and seemed to have known the result for a long time.

Sonya was slowly disappearing, David desperately held Sonya's hand!

He desperately injected his spiritual power into Sonya's body, but it was useless, and it couldn't stop Sonya's body from slowly disappearing.

"No, I won't let you leave, I can't..."

David grabbed Sonya's hand tightly, and all the breath on his body burst out.

David waved hard and tried his best to open up a new space.

This is the so-called secret realm, but David's strength is not enough. This was opened up under his extremely crazy state.

It's just that this space didn't stay for too long before it disappeared!

David saw that he couldn't stop Sonya from disappearing, so he looked at Zhou Jie.

Chapter 1862

"Miss Zhou, I can agree to all of your Demon Spirit Sect's requests. As long as you don't let my girlfriend disappear now, I can give you anything you want..."

David stepped forward and begged Zhou Jie. !

But Zhou Jie shook her head: "No one can stop her, because she doesn't belong to this world, as I said, she's just a reflection, if you stop your girlfriend from disappearing, then her body What should I do?"

"When her body returns, do you want to have two identical girlfriends? Is it possible?"

Zhou Jie followed David to explain, wanting David not to waste his energy, this is just a reflection, Not worth David so!

"No, I can't let her leave..."

Seeing Zhou Jie, David had no choice but to turn around and hug Sonya tightly.

He wanted to use this method to prevent Sonya from disappearing, but it was still useless!

"David, don't do this, I'm not really dead, I really disappear forever, if I'm just an image now, then you should let go, you should cheer up and save the real me, right? "

Sonya gently touched David's cheek to comfort him.

David held Sonya's hand tightly: "I promise, I promise to save you, even if it falls to the ground, I will."

Sonya smiled at David, and slowly the whole person disappeared. .

Not even a trace of breath was left, as if it never existed!

David stood there in a daze, looking at everything in front of him, but he didn't move!

When everyone saw this, they all left one after another, and no one was bothering him.

In this way, David stood in one place for three days and three nights...

After three days, David's eyes radiated light again!

He knew that Sonya was right, and he had to cheer up, because Sonya was still waiting for him to save him!

David found Zhou Jie: "I'll go to the Demon Sect with you, but you must promise me to help rescue my girlfriend..."

"You can rest assured, we'll know where your girlfriend is now. Chu."

Zhou Jie smiled lightly.

Looking at Zhou Jie's expression, David's eyes narrowed slightly: "Who are you guys? Why do you know everything about the Martial Arts Alliance? Could it be that your Demon Sect is the master behind the Martial Arts Alliance?"

David always felt, This week, Zhou Jie seemed to know the forces behind the Martial Arts Alliance very well, and even knew where his girlfriend was locked up.

Zhou Jie smiled: "If we were the masters behind the Martial Arts Alliance, would we still work so hard to cooperate with you? I know you are suspicious, but because of my limited rights, I can't tell you much."

"But there is . One thing I can tell you, the manipulator behind the Martial Arts Alliance is also a very powerful sect, and he is also a demon sect."

"So we all know the tactics of the Martial Arts Alliance, and even create such a realistic image of your girlfriend. The magic circle, so will our Demon Sect."

"Because we belong to the same line, I say this, can you understand what I mean? As for the deeper things, I don't know, you need to go to the devil. Lingzong, talk to our Sect Master in person."

"In the same line?" At this moment, David was a little stunned: "Since it is in the same line, why do you want to cooperate with me and help me? Isn't this tantamount to cannibalism?"

"Haha. Haha, you are so naive, where are there any siblings now, it's all for their own interests."

Zhou Jie laughed hahaha.

After hearing this, David was also speechless. In today's society, even brothers, fathers and sons would kill each other for the sake of profit, not to mention the fact that they are in the same line.

Chapter 1863

David did not stay in Kyoto too much, and followed Zhou Jie to the Demon Sect.

It's just that Hu Mazi had to follow whatever he said. He was afraid that David would rob his woman. In the end, there was no way, so David still let Hu Mazi follow.

Hu Mazi followed, and the two of them took care of some things. After all, Hu Mazi sometimes knows a lot!

The three of them got on the plane and went straight to Nanhu City, a small border town.

I don't know if it's Hu Mazi's intention or God's will, Hu Mazi's seat happens to be next to Zhou Jie, and this time, Hu Mazi is very happy!

Although Zhou Jie's face is not good-looking, but there is no way!

Along the way, Hu Mazi can be regarded as a feast for the eyes, but it is not honest to go, Zhou Jie can only stare at Hu Mazi with his eyes, and there is no other way.

You can't fight on a plane, can you?

Besides, Hu Mazi was with David, so if the Demon Sect wanted to cooperate with David, he could not offend Hu Mazi!

David closed his eyes slightly and pretended not to see anything!

It's just that Hu Mazi's harassment was seen by a young man not far away.

As soon as the man got on the plane, he stared at Zhou Jie, but seeing that Zhou Jie was next to a bad old man, and was also taken advantage of by the bad old man, the young man felt a little uncomfortable.

"Hey, old man, let's change positions..."

The man got up and said in front of Hu Mazi.

Hu Mazi raised his eyelids slightly, and then said coldly, "No change..."

Then in front of the man, he put his hand on Zhou Jie's snow-white thigh!

Seeing this scene, the man had an envious expression in his eyes.

"Old man, I'll give you 10,000 yuan, change positions with me..."

The man took out 10,000 yuan and fell directly on Hu Mazi.

Hu Mazi didn't even look at the 10,000 yuan, and said coldly again: "No change..."

This time, the man got a little angry, and grabbed Hu Mazi's collar: "Old man, don't give your face Lian, do you know who I am? I'm Zheng Kai, the eldest young master of the Zheng family in Nanhu, you'd better give up your seat, or you'll scare the plane and make you walk around without food..."

Hu Mazi still didn't move. Let Zheng Kai grab his collar, with a faint smile on the corner of his mouth: "Are you greedy? Do you want to touch it too?"

Zheng Kai was stunned by Hu Mazi's question, and then his face was full of expression. Embarrassed: "You...you are talking nonsense, I think you are dishonest and bully this girl!"

"Who bullied? I touch my daughter-in-law, but you still care?"

Hu Mazi sneered, one hand still on Zhou Jie touched her leg.

Zhou Jie's face was expressionless and motionless...

Seeing this scene, Zheng Kai was a little dumbfounded, he never imagined that they were husband and wife...

"Sir, the flight is very dangerous, please return to your seat... .."

At this moment, the flight attendant came over and said to Zheng Kai.

Zheng Kai could only helplessly let go of Hu Mazi, and angrily turned around and returned to his seat!

Just when Zheng Kai turned around, Hu Mazi took out a spell from his pocket and stuck it behind Zheng Kai.

Zheng Kai didn't notice it at all and sat down.

Then Zheng Kai kept looking at Hu Mazi with angry eyes, but Hu Mazi didn't care at all.

But after a while, Zheng Kai only felt itchy all over his body, as if there were thousands of bugs crawling on his body!

Zheng Kai's expression became very painful, and he kept scratching with his hands everywhere, but it was useless!

"It's killing me..."

Zheng Kai couldn't help but stood up and started to undress, wanting to see if there were any bugs on his body!

Everyone on the plane saw that Zheng Kai suddenly started to take off his clothes, and there was a lot of discussion!

Chapter 1864

The flight attendant also hurried over to stop and said, "Sir, this is on the plane, what are you doing?"

When Zheng Kai was feeling uncomfortable now, how could he care about that? He pushed the flight attendant away, and then undressed while Rubbing against the seat, everyone looked at Zheng Kai with weird eyes!

In the end, Zheng Kai took off his pants. When the pants were taken off, the itchy feeling on Zheng Kai's body disappeared instantly.

Zheng Kai took a look at his pants and found that there was a spell on them.

This time, Zheng Kai suddenly became furious and looked at Hu Mazi fiercely. He didn't have to think about it to know that this spell was attached to him by Hu Mazi.

"Old man, I didn't expect to be a Master Fu. When I got off the plane, I peeled your skin..."

Zheng Kai gritted his teeth and put on his clothes.

But Hu Mazi didn't care, and looked at Zheng Kai like a fool!

Looking at Hu Mazi's appearance, Zhou Jie, who had been expressionless and did not speak, said, "You will be unlucky if you offend the careful young master of the Zheng family..."

Hu Mazi was slightly taken aback: "You know him?"

"Who doesn't know him in the whole of Nanhu? His father, Zheng Anguo, is the owner of Nanhu City, and the whole of Nanhu City belongs to their family..."

Zhou Jie said with a cold smile.

Hu Mazi was a little incredible, even David, who had been dozing all the time, opened his eyes!

"There is still such a thing now? Isn't this the king of Zhanshan? No one cares?"

David asked Zhou Jie.

You must know that in today's society, there is no such thing as taking the mountain as the king and proclaiming the self-proclaimed city lord.

"This kind of border town belongs to the three-no-go zone, and no one has time to control it."

"Therefore, there is a power vacuum here. The Zheng family has been operating in Nanhu for many years, and now Zheng Anguo is the city owner."

Zhou Jie explained.

"fu**, does this kid have such a powerful father?"

Hu Mazi couldn't help but glance at Zheng Kai!

"But the son of a city lord, this guy is also Wuhou's strength, which is too low."

David saw that Zheng Kai's highest strength was Wuhou's strength. This is true for the son of a city lord. Some are not enough!

"That kind of border town is definitely lacking in resources. It is estimated that the strength of Wuhou is very good."

Hu Mazi explained.

"Probably too!" David nodded and agreed with Hu Mazi.

"Both of you are wrong. Although Nanhu is a small border town, the Zheng family is able to control a vast area. The entire Nanhu is hundreds of kilometers within the sphere of influence of the Zheng family."

"And I heard that Zheng Anguo took over the entire Nanhu City. Good fortune for your own cultivation, do you think the Zheng family will have less resources?"

Zhou Jie asked indifferently.

This time, David and Hu Mazi were all stunned. It's worth it to take the cultivation of the whole city.

In this way, the Zheng family is rich and powerful, and it is not a lack of resources at all!

"In this way, this Zheng Kai is really a waste. With such resources, he is actually just a Marquis..."

Hu Mazi said.

"Master Hu, I think you should be more restrained. Even if Zheng Kai is a Marquis, you will suffer a loss when he enters other people's territory."

David asked Hu Mazi to keep a low profile, they came to discuss cooperation with Demon Spirit Sect things, and then figured out a way to rescue Sonya.

Not here to fight people.

"Miss Zhou, since the entire Nanhu belongs to the Zheng family, then your Demon Sect is also in the Nanhu. Does the Zheng family care?"

David asked in confusion.

After all, whether it is a family or a sect, if another force appears on its own territory, it will definitely not agree.

Zhou Jie smiled: "Our Demon Sect is in a secret realm, what does it have to do with the Zheng family..."

Chapter 1865

When David heard it, he suddenly realized that the secret realm is another space opened up. Although it is in one place, it is not in the same space, so there is no conflict.

"Miss Zhou, I don't know which of the eight secret realms your Demon Sect's secret realm belongs to?"

David knew that the Ge family was in the Fire Gate Secret Realm, and Zixiao Mansion was in the Thunder Gate Secret Realm, but he didn't know which Demon Spirit Sect was in. in secret.

When Zhou Jie heard this, surprise flashed across her face, and she looked at David in disbelief.

"I didn't expect you to know the Eight Great Secret Realms?"

"You have to know that these things are all secrets, even the high-level martial arts world, they don't know much."

"You know this, it seems that I still underestimate you!"

Zhou Jie Very surprised, David actually knew about the secret realm, and he knew it in such detail.

David smiled awkwardly: "I know some people from the Secret Realm family, and I have been fortunate enough to have been to the Secret Realm twice..."

At this time, Zhou Jie's eyes towards David obviously changed a lot.

"Our Demon Spirit Sect is not among the eight great secret realms. The eight great secret realms are said to be the battle between gods and demons. When the heaven and earth were catastrophic, an immortal created it with the gossip in his hands, in order to provide a place for immortal cultivators to live."

"And our secret realm is created by our respective sects. In terms of scale and affordability, it is much worse than the eight secret realms."

"Our secret realm is the real secret realm space, and the eight secret realms can be called It's a world, it can't be compared..."

Zhou Jie explained with David.

Only then did David understand that it turned out that there are not only eight great secret realms in this space, but there are still many small secret realms!

And in these small secret realms, there is only one sect or family...

"Oh, so it is..."

David nodded slightly.

The plane flew smoothly, and after flying for more than three hours, it landed at Nanhu!

It is very surprising that such a small town even has an airport.

After getting off the plane, Zheng Kai looked at Hu Mazi fiercely, but Hu Mazi ignored him!

The group walked out of the airport, but Zheng Kai kept following behind!

"Damn it, this guy doesn't look like he won't hit the south wall and won't look back..."

Hu Mazi said angrily when he saw that Zheng Kai had been following him.

“Okay, leave him alone, let him follow...”

David said, afraid that Hu Mazi would conflict with Zheng Kai.

“Let’s go, I’ll take you to eat something delicious. The most famous snack here is the mutton steamed bun...”

Zhou Jie said, and took David and Hu Mazi to a street not far from the airport!

This is a snack street with all kinds of food!

In fact, for David and Hu Mazi, even if they didn’t eat for three days and three nights, they couldn’t be hungry, but when they saw the delicious food in front of them, their stomachs groaned.

The three sat down in front of a snack bar and started eating!

And that Zheng Kai was watching them not far away!

It’s just that no one pays attention to Zheng Kai. He follows if he wants to, and sees if he wants to see it!

After eating, Zhou Jie called for a car, then took David and followed Hu Mazi towards the east of the city!

This time, Zhou Jie learned to be smart, never sat next to Hu Mazi, but sat directly in the co-pilot!

Along the way, Zhou Jie was going crazy after being eaten by sesame seeds!

Just as their car was heading towards the east of the city and they were about to leave the city, suddenly a dozen luxury cars behind them with a loud roar chased after them!

When the driver saw this, his face changed with fright, and his hands holding the steering wheel were shaking slightly!

Obviously, the cars behind are chasing them!

Just as he was about to drive out of the city, a Porsche suddenly crossed in front of the taxi and the driver slammed on the brakes!

Chapter 1866

"Hmph, I think you're just afraid of David. You don't have the guts at all. For so many years, you've been guarding this small place like Nanhu, and you don't have the guts at all!"

Zheng Kai looked down on his father very much.

He always thought that his father was very timid, and that he was satisfied with guarding the small town of Nanhu.

"Nizi, I think it's easier for you to hit..."

Zheng Anguo raised his hand in anger and was about to hit Zheng Kai.

Zheng Kai was frightened and ran out in a hurry, but still shouted: "I will never let that David go..."

Zheng Anguo was angry with his son, his face was pale, and he was panting heavily. .

Although he was the lord of the city, he couldn't control his son.

.....

in the secret realm of the Demon Sect!

David and Hu Mazi have quietly come to the edge, and if they go further, it will be the gray and chaotic space.

On the way, no one stopped David and Hu Mazi, and there was no guard. ,

After all, in this secret realm, there is only the Demon Sect family, so there is no need to worry about safety.

Just as the two approached the chaotic space on the edge, the horrific killing aura made it difficult for the two of them.

The two of them tried their best to look forward, but they couldn't see anything clearly, like a sandstorm blowing up!

Just when the two people came to the front with the killing qi, they were blocked by an invisible force. It was impossible to move forward!

"Is this the border of the secret realm?"

David touched his hand forward, and saw an invisible force pushing his hand back, and there was no way to move forward at all.

"Looking at that chaotic space, there is space in it. It's not that there is nothing, so why can't you get through?"

Hu Mazi looked forward diligently, and said in a puzzled manner.

"Explore it with your divine sense..."

David said, and a ray of divine sense emanated instantly!

Soon, this ray of consciousness penetrated the resistance in front of him in an instant, as if this resistance could not stop the consciousness at all.

David was overjoyed, and hurriedly extended his consciousness forward!

But just when the divine consciousness entered the chaotic space, the terrifying killing energy instantly cut off the divine consciousness!

And David himself was attacked, the whole person took a few steps back, and there was a trace of blood flowing from the corner of his mouth.

"It's such a terrifying killing energy. Since the consciousness can enter, there must be room."

David said, wiping the blood on the corner of his mouth.

Seeing David like that, Hu Mazi was so frightened that he didn't dare to experiment.

The two of them could only stare at the chaotic space in front of them in a daze, knowing that there was still space behind, but they couldn't get in!

"If I can get my soul out of my body at the out-of-body stage, I also think I can pass through this chaos..."

David said with emotion.

He is only in the transformation stage now, and he still has a long way to go before he thinks of the out-of-body stage.

If the soul can come out of the body, David can easily pass through the resistance in front of him, and then resist the killing energy and enter the chaotic space to see what is inside!

"David, there is a spell in our talisman technique that can make one's soul go out of the body, but the effect is very short. Can you see if you understand this talisman technique?"

Hu Mazi asked David.

When David heard it, his heart was suddenly overjoyed, and then the inheritance of Tian Fuzong appeared in his mind, and various talismans continued to pass through David's mind!

Soon David discovered a kind of orifice-separation talisman, but this kind of orifice-leaving talisman was difficult to draw, and according to the strength of the talisman, the length of time to leave the orifice would vary!

"Master Hu, come

with a few talisman papers, I'll try..." David asked Hu Mazi for a few talisman papers, and decided to try it himself!

Hu Mazi took out the talisman paper and gave it to David, while David hung the talisman paper in the air, bit his finger, and began to draw on it!

I saw David's fingertips flickering with a faint red light, and lines began to appear on the rune paper.

Chapter 1867

David held his breath, for fear of making a mistake, but even so, it took several times to draw it in the end.

At this time, David was already sweating profusely and out of breath!

"Master Hu, I'll be out of the body for a while, you can take good care of me, don't let my body be stolen..."

David told Hu Mazi.

"Don't worry, I'm definitely optimistic, and this is in a secret realm, who would steal your body!"

Hu Mazi assured.

David nodded, and then put the spell on his body, and soon David's body flashed red, and his soul came out instantly!

David looked at his body and flax, and looked very excited, because he had never seen himself from this perspective.

“David, you only have ten minutes, you have to remember that, if you can’t come back in ten minutes, I can’t save you.”

Hu Mazi looked at David’s soul and said.

David nodded, then walked towards the chaotic space!

The original powerful force was instantly pierced by David without any resistance, and David’s face was full of smiles!

Just walking forward, the killing energy began to attack David continuously.

Although David is only a soul body at this time, the killing energy can still cause damage to him!

David was helpless, he could only grit his teeth and continue to walk towards the depths of the chaotic space under the fierce killing aura!

David himself didn’t know how long it took, but he felt the pressure on his body loosened, and the scene in front of him completely changed, as if he had entered another world.

I saw countless rare medicinal herbs growing in the white space, and the spiritual energy here is hundreds of times stronger than the outside, even a thousand times!

David was stunned when he looked at these rare herbs in front of him, and his eyes were shining!

Some of these herbs have matured, while others have just sprouted. David saw that a thousand-year-old wild ginseng was already flashing with a faint golden light, and he reached out to dig out the wild ginseng.

It's just that David stretched out his hand, but he couldn't catch it at all. Only then did he realize that he was just a spiritual body, and he couldn't touch anything now.

Looking at these treasures in front of him, David couldn't take them away, which made him scratch his head in a hurry!

Soon, David, who was illuminated by a golden light, could not open his eyes. He walked along the golden light. David found that among these medicinal herbs, a plant of *Polygonum multiflorum*, which is 10,000 years old, exudes a golden light that is more dazzling than other medicinal herbs!

"Wannian He Shouwu?"

David's heart was pounding.

You must know that a thousand-year-old medicinal herb is already very precious, and this ten-thousand-year-old medicinal herb is hard to come by.

But David could only stare, but there was no way to take this herb away!

"Is this a fairy's plantation?"

David frowned slightly as he looked at the countless herbs.

In a secret space, so many herbs suddenly appeared, David could only suspect the immortals, and ordinary monks simply do not have this kind of strength!

Just when David stared at the herb in front of him in a daze, his body suddenly burst, and he quickly glanced at the time and found that the time was almost up.

Hu Mazi slapped David's body outside, this is to make David's soul go back quickly!

David glanced at the herbs reluctantly, and in the end he had to go back the same way!

When he returned, he also had the same terrifying killing aura.

Just when the time was about to come, David's soul finally returned to its place, and Hu Mazi breathed a long sigh of relief.

"You guy, you know there is time now, why are you so ink?"

"What's in it? Or nothing, just such chaos?"

Hu Mazi asked curiously.

David was gasping for breath, and his body was extremely sore!

Chapter 1868

This is the symptom after the soul comes out of the body. David has not yet reached the out-of-body stage. Using the spell to force the soul out of the body will definitely have side effects.

However, David felt that this time out of the body was worth it. He didn't expect that after the enchantment around this secret realm, there was another magical place.

"In that chaotic space..."

David was about to tell Hu Mazi what he had seen, but was interrupted.

"Why did you two come here? Didn't I warn you two?"

Zhou Jie looked at David and Hu Mazi angrily.

"Miss Zhou, I'm sorry, we're just curious, we'll go back right now..."

David grabbed Hu Mazi and hurried back!

Back in the room, Hu Mazi couldn't wait to ask again: "What exactly is in the chaotic space?"

David glanced out the window, and then followed Hu Mazi what he saw!

This time, Hu Mazi was shocked, his eyes were wide open, and an egg could be stuffed into his mouth.

"It's all precious herbs? And ten thousand years of Polygonum multiflorum?"

"You kid can't lie to me, why doesn't it look real to me."

Hu Mazi couldn't believe what David said.

"Master Hu, what's the benefit of me lying to you, this is absolutely true."

David said sincerely.

"f***, didn't we make a fortune? If the two of us figure out a way to pass through that barrier, the medicinal herbs will be ours."

Hu Mazi was excited, but the smile soon disappeared: "You said , Does this Demon Sect also know about this place, so they don't let us get close?"

"There is another possibility. This is the resource place of the Demon Spirit Sect. With so many people in the Demon Spirit Sect, they always rely on resources to cultivate. You can also see that the secret realm of the Demon Spirit Sect is too small and has no resources." David also agrees with the son's words, but if it is really the resource place of the Demon Sect, then there must be experts in the Demon Sect.

"When I see the Sect Master of the Demon Sect tomorrow, I will try it out to find out whether that place is a resource for the Demon Sect."

David should know if he sees the Sect Master of the Demon Sect after a test.

Early the next morning, after David and Hu Mazi had eaten, Zhou Jie came to see David.

It was said that the Demon Sect master met David, while Hu Mazi was waiting in the room!

When Hu Mazi saw that Zhou Jie came with Song Qingping, his face suddenly became ugly!

It feels like my daughter-in-law was kidnapped by another man!

"Mr. Chen, our Sect Master has a request..."

Song Qingping said politely after seeing David.

"Vice Sect Master Song, lead the way..."

David also said politely.

Although David has always been vigilant about the Demon Sect, Song Qingping has always been polite, and David can't keep his face cold!

The group walked to the largest hall in the middle. At this time, there were more than ten people sitting in the hall, and everyone had a bad face and a murderous aura.

Looking at these people, David had some doubts, how could Song Qingping, such a polite and scholar-like person, achieve the position of deputy suzerain.

"Mr. Chen, sit down first, I'll go and invite the sect master out..."

Song Qingping finished speaking, turned and left.

And David found a chair and sat down.

Feeling the unkind eyes of a dozen people around, David was not afraid or flinched at all, and swept over these people with his eyes!

"Are you David?"

This is, a man in a dark green gown stood up and asked David.

"Yes!" David nodded.

"I heard that you fought against the Martial Arts Alliance alone, and killed several of the Martial Arts Alliance's leaders, making the Martial Arts Alliance uneasy. Is it true?"

the man asked.

Chapter 1869

"It's not that chickens and dogs are restless, but now that there is no martial arts alliance in Kyoto,"

David said calmly.

After David said these words, instead of being shocked, the people around them all laughed.

"Haha, you are still too young, do you really think you have destroyed the Martial Arts Alliance?"

"I tell you, the Martial Arts Alliance is just a cover. If the other party wants to keep the Martial Arts Alliance, there will be another Martial Arts Alliance in Kyoto soon. "The

man laughed, with a bit of contempt in his eyes!

In their opinion, David is still too young, he doesn't understand anything, and he doesn't even understand the sinister society!

Davidping looked at the man's contemptuous eyes, but he was not angry, but smiled slightly: "If one appears, I will destroy one, if two appear, I will destroy one pair..."

"What a big tone, really not. Knowing how you got lucky, you were able to get the body of the Gorefiend."

"It is rumored that you are the first of the younger generation in the martial arts world. I just have an itchy hand and want to give it a try..."

Said, the man took a picture Hand, a long sword appeared in the man's hand, and then the sword light burst into the air.

He went straight to David's eyebrows.

This is not a competition, this is for David's life.

David's face instantly became extremely cold!

The sharp sword light stabbed at David, and David leaned back, then slid out of the ground, dodging the sword!

Jianmang slashed on David's chair, instantly smashing the chair!

David put his hands on the ground lightly, and his body stood up straight!

"You're courting death..."

David looked at the man coldly and said in a cold tone.

"Boy, this is the Demon Sect, don't be ashamed, think we are all scared?" The man sneered, not paying any attention to David's threat.

"Deacon Lu, Mr. Chen was invited by the sect master, how can you do this?"

Zhou Jie hurriedly said to the man upon seeing this.

"Zhou Jie, this is my business. I don't need you to tell me what to do. I'll just punish me with my own suzerain. Today I'm going to teach this guy a few tricks..."

Deacon Lu didn't listen to Zhou Jie's dissuasion at all, and then held his sword. He rushed to David again.

David's eyes narrowed slightly, he knew that this guy was definitely instructed by the sect master!

If in the competition, oneself lost and was injured, the Demon Spirit Sect would have the upper hand in the negotiation and cooperation for a while.

But if this Deacon Lu is defeated, the Sect Master of the Demon Sect will make another plan.

Thinking of this, David no longer held back, grabbed his right hand forward, and the Dragon Slaying Sword instantly appeared in his hand!

As soon as the Dragon Slaying Sword appeared, the entire hall shone with bursts of light.

Moreover, the aura emanating from the Dragon Slaying Sword surprised everyone!

You must know that David's Dragon Slaying Sword became much stronger after Wen Jianzong absorbed those sword spirits.

At this time, the Dragon Slaying Sword and Sword Spirit is enough to resist one side!

Deacon Lu was slightly taken aback when he saw the Dragon Slaying Sword in David's hand, but he did not stop, the long sword in his hand stabbed directly at David!

"Hmph..."

David snorted coldly and waved the Dragon Sword!

A dazzling sword light instantly cut through the void, and slashed fiercely on Deacon Nalu's long sword!

clang.....

After a crisp sound, Deacon Lu found that the long sword in his hand was cut in half.

This time, Deacon Na Lu was dumbfounded and looked at it incredulously.

You must know that the long sword in his hand is also a precious sword. It has been forged for seven, seven and forty-nine days.

But now it was easily cut off by David's Dragon Slaying Sword.

Just as Deacon Lu was stunned, David's sword qi did not stop. After cutting off the long sword in Deacon Lu's hand, he reversed the trend.

Chapter 1870

Deacon Lu didn't react, and found that his right arm holding the long sword fell directly to the ground, because the speed was so fast that the blood didn't have time to flow out, only the broken arm was white Flowery, very infiltrating!

A second later, the blood from the broken arm spurted out, and the severe pain made Deacon Nalu scream!

When everyone saw this, they were all stunned, and even Zhou Jie felt a little incredible!

The Dragon Slaying Sword in David's hand was raised, and the tip of the sword pointed directly at the center of Deacon Lu's eyebrows!

As long as David stabbed hard at this time, Deacon Lu would definitely die on the spot.

Seeing this scene, the people around stood up instantly, each one exuding killing intent, covering David!

And that Zhou Jie was startled, and hurriedly stepped forward and said to David: "Mr. Chen, you have to calm down, if you kill Deacon Lu at this time, then there is no room for cooperation with our Demon Sect. Then don't try to save your girlfriend..."

David heard that Zhou Jie mentioned Sonya, and then slowly put away the Dragon Slaying Sword.

Deacon Lu glared at David, sat down on a chair, and was bandaged!

At this moment, Song Qingping came out, and beside Song Qingping, there was a man wearing a mask!

The mask on the man's face is bronze, and there are rings around it, which looks kind of funny!

David didn't understand, why is the suzerain of this Demon Sect still wearing a mask?

Is it because you are afraid that people will not see it?

"Mr. Chen, our suzerain suffered a face injury many years ago, so he has been wearing a mask."

Zhou Jie explained to David in a low voice.

“What’s going on?”

Song Qingping asked, looking at the blood on the ground and Deacon Lu’s broken arm with a cold face.

“Vice Sect Master, it was Deacon Lu who was going to follow Mr. Chen to test his swordsmanship and was accidentally injured.”

Zhou Jie stepped forward and replied.

“Nonsense, Mr. Chen is an honored guest invited by the sect master. Is this how you treat guests?”

“A bunch of trash, get out of here...”

“In addition, use Jie Gu San to connect the broken arm...”

Song Qingping reprimanded sharply.

Those people didn’t dare to speak, nodded and backed out, while Deacon Na Lu also picked up his severed arm and left the hall!

“Zhou Jie, go out too...”

Song Qingping waved his hand.

“Yes.” Zhou Jie nodded and left.

“Mr. Chen, please sit down...”

Song Qingping put on a smiling face and made a gesture of please.

David sat in the first place, very close to the Sect Master of the Demon Sect, but David could not feel the breath of the Sect Master of the Demon Sect.

Could it be that the Sect Master of the Demon Sect is too powerful to hide his aura, so he can't detect it himself?

David was very puzzled!

"Mr. Chen, I invited you this time to cooperate with you. You only need to give us the body of the Gorefiend, and our Demon Sect can help you and rescue your girlfriend..." The

Demon Sect Sect Master spoke. , but the voice he spoke was somewhat hoarse, like a forcibly squeezed voice.

"I can give you the body of the Gorefiend, but how can you make me believe that you can help me rescue my girlfriend?"

David asked casually.

"Your girlfriend is now locked in a secret realm. I believe you already know that behind the Martial Arts Alliance is the Demon Heart Sect. Our two sects belonged to the same lineage, but later we parted ways due to different ideas..."

"So I know how to open the secret realm of Demon Heart Sect, but you need to find the location of the secret realm yourself,"

said the Sect Master of Demon Spirit Sect.

David smiled coldly and said, "The only way you can help me is to open the secret realm? It doesn't seem like a good deal for me?"
