

A Man Like None Other Novel

Chapter 2081

Dragon Gate!

David is sitting upright in the room, and in front of him is the 90,000-mile mountain and river map!

At this time, David was soaking in a hot spring in a snowy place!

The reason why David took out the map of 90,000 miles of mountains and rivers was not to cultivate, but to soak in hot springs to soothe his mood!

In such a snowy place, soaking in hot springs is also a very comfortable and comfortable thing!

Here, David did not have the slightest scruples, and his whole body was soaked in the hot spring, because he knew that no one would appear here at all!

Closing his eyes slightly, David felt the magic of nature. Only at this moment, David's mood was the most relaxed.

But David didn't know that two girls were walking towards the hot spring at this time!

"Miss, you are coming to the hot spring more and more times. You don't really think that David has been to this hot spring, do you?"

" Even if you can come in, you may not be able to find this hot spring."

"Master said that the Secret Realm Conference will resume after a while, and I want to take you to gain insights and urge you to hurry up and cultivate!"

Qiu Ju said to Han Qinger bitterly. on!

"Sister Qiuju, why are you like my mother, babbling endlessly, didn't I just take a bath, where do you want to go?"

Han Qinger gave Qiuju a white look, and then both of them both Stop talking and walk towards the hot spring!

At this time, David was enjoying the tranquility comfortably!

But soon, a knock on the door awakened David, and David's body slowly disappeared from the hot spring!

Just as David disappeared, Han Qinger arrived just in time. When she saw David, she had an incredible expression on her face!

"David..."

Han Qing'er shouted excitedly!

But David didn't respond, and his body just disappeared!

"David...David..."

Han Qinger shouted, but at this time, David was no longer there.

"Miss, how can there be David here, don't you think of that David, are you hallucinating?"

Qiu Ju looked around, there was not even a shadow of a ghost, where is David!

"Sister Qiu Ju, it's not a hallucination, I really saw David, it's really him."

Han Qing'er looked excited, but he didn't understand why David's body suddenly disappeared?

Just when Han Qinger was looking for David, David had already opened his eyes in the secular world. After slowly getting up, David couldn't help but glance at the 90,000-mile mountain and river map!

Just when his consciousness came out of the Nine Thousand Miles of Mountains and Rivers Map, he seemed to hear someone calling him, and the voice was very similar to that of Han Qinger!

But in the end, David shook his head, feeling that he must have been emotionally unstable these days and had auditory hallucinations!

How could it be possible to hear Han Qinger's voice in that 90,000-mile mountain and river map!

After putting the 90,000-mile map of mountains and rivers into the storage ring, David opened the door and found that Hu Mazi was knocking on the door!

"David, we should set off. It is estimated that the pavilion master of Bailian Pavilion has already left."

Hu Mazi said to David.

"Okay!" David nodded!

On their way to Bailian Pavilion, Hu Mazi asked worriedly: "David, what if the pavilion master of Bailian Pavilion hasn't left the customs yet, or he doesn't lend us the Heavenly Secret Order at all?"

"Grab..."

David spit out a word!

But this word is enough to represent David's determination!

When David and Hu Mazi arrived at Bailian Pavilion, this time there were already members of Bailian Pavilion waiting outside, as if they knew they were coming!

"Has your pavilion master left?"

David asked the members of the Bailian Pavilion who greeted them.

Chapter 2082

"Our pavilion master has already left the customs, and we specially asked us to come to the door to welcome the two of you."

said the Bailian Pavilion member.

Soon, David and Hu Mazi were taken into a huge room, which was obviously not the room when David first came to see Shi Yan!

This room is bigger, and there are more magic tools in the room. At first glance, they are all top-notch magic tools, and the grade is obviously much higher than the last time!

"Two, since you are here, please sit down..." A

voice came, and then Shi Qingpei came out from the back of the room.

"Are you the Master Shi of Bailian Pavilion?"

David asked lightly after seeing Shi Qingpei.

"That's right, I'm Shi Qingpei. The dog has already told me about the two of you coming to me."

"Since it was introduced by Mr. Shi, of course I have to treat each other with courtesy!"

Shi Qingpei said, ordering someone Serve David and Hu Mazi tea!

Seeing Shi Qingpei being so polite, both David and Hu Mazi breathed a sigh of relief!

They were also afraid that Shi Qingpei would definitely be angry after the last riot at the Bailian Pavilion, and it would be difficult to use the Heavenly Secret Order at that time!

But now it seems that this Shi Qingpei is not angry!

"George Shi, because we have something important to do again, we need to get the secret order and rush back immediately, so we won't waste time. I wonder if Pavilion master Shi can borrow the secret order? I will definitely be grateful..."

David politely said.

"Of course you can, but did Mr. Shi also ask you to bring me something?"

Shi Qingpei asked.

"Yes!" David nodded again and again, then took out the brush and put it in front of Shi Qingpei!

"Many years ago, I received Mr. Shi's favor, and now Mr. Shi is entrusted with the pen, of course I want to give him face, and the secret order can be lent to you..."

After speaking, Shi Qingpei took out a piece only about the size of a palm from his waist token.

It's just that the token is full of rust and looks very old, and there is no peculiarity of this token at all!

"Then many thanks to Pavilion Master Shi..."

David reached out and wanted to take over the secret order!

At this moment, Shi Yan suddenly came in and asked with a puzzled face: "Dad, why did you really lend them the Heavenly Secret Order? How did you promise me?"

"You beat Old Yan and killed several of us, Bailian Pavilion has become such a mess now, and he did it, why do you want to lend him the Heavenly Secret Order?"

Shi Yan yelled, but was caught by Shi Qingpei. He glared and said, "Shut up, it's not your turn to speak here."

Seeing that his father was angry, Shi Yan didn't dare to say anything, he could only stare at David fiercely!

"Pavilion Master Shi, there are some misunderstandings here, if it wasn't for Young Master Ling..."

David wanted to explain, he didn't want to borrow the Heavenly Secret Order for this!

But before David finished speaking, he was interrupted by Shi Qingpei.

"No need to explain, since it was Mr. Shi who came forward, I will definitely lend you the Heavenly Secret Order, which I returned to Mr. Shi."

After Shi Qingpei finished speaking, he threw the secret order in his hand to David!

Moreover, what Shi Qingpei said is also very clear. The reason why he lent David Tianji Ling was to repay Mr. Shi!

It has nothing to do with David himself!

David took the secret order, clasped his fists and said, "Thank you, Pavilion Master Shi!"

But when David took the secret order and turned around to leave, Shi Qingpei stopped him!

"You seem to have forgotten one thing?"

Shi Qingpei said coldly to David.

David was stunned for a moment, then turned to look at Shi Qingpei and said, "Pavilion Master Shi, is there anything else?"

"Of course, I have given Mr. Shi's face, and I have lent you the secret order."

"But you called My son, the person who killed my Bailian Pavilion and destroyed many houses in my Bailian Pavilion, should you also give me an explanation?"

Shi Qingpei asked David coldly.
