

# A Man Like None Other Novel

## Chapter 2133 – 2134

---

### Chapter 2133

“Uncle broke through, uncle broke through...”

Looking at the scene in front of him, Shi Yan shouted excitedly!

Shi Qingpei was also full of excitement. His senior brother had made a breakthrough, so they wouldn't have to die!

Soon, Jueyuan's body slowly rose from the ruins of the main hall, and finally rose into the air, and merged with the Buddha statue!

“God is obviously spiritual...”

Seeing this, many believers all knelt down and worshipped, and the power of faith in their bodies continued to gather.

“Bold madman, dare to run wild in my Kuchan Temple. This is a place of pure cultivation, but you have committed murder in vain.”

“My Buddha is merciful. If you kowtow and admit your mistakes and take refuge in my Buddha, I can forgive your life...”

Jue Yuan was in the air, looking down at David, his voice was as loud as a Hong Zhong!

"Hmph, pretending to be a ghost, let me ask you, I was a disciple of Longmen, but you killed it?"

"My brother and friend, but you injured?"

David looked at Jueyuan coldly and asked.

"Yes, it is the poor monk. If you are obsessed, then I will send you to hell..."

After Jueyuan finished speaking, his figure slowly fell, and a golden light behind him directly surrounded Jueyuan!

At this time, Jueyuan is like a god!

"I think it's you, the old monk who is going to hell."

David's eyes condensed, his breath circulated, and the undamaged golden body started to activate, and his whole body was covered with golden scales, like a golden armored god of war!

For a time, the golden light on David and the golden light behind Jue Yuan collided!

Shine brighter than the sun!

"I originally saved you, but it's a pity that you don't have the root of wisdom, so you can only go to reincarnation and find the root of wisdom!"

Jueyuan said, holding his palm lightly, and shouted the Buddha's name!

Suddenly, the entire Kuchan Temple was made of golden light, and golden rays of light descended from the sky, followed by a huge palm!

A vast force emanated from the palm of the hand, and this force instantly pressed on David!

David only felt like a mountain was pressing down, his body sank suddenly, and his feet fell into the ground instantly.

"Boy, you are only a fifth-rank Martial Sage, why do you fight to resist?"

"You must know that the gods are irreversible. I have now broken through to the Martial God, which is the work of God's will. If you disobey me, you are defying the will of God..."

Jueyuan's palm slowly Go down, and David's body is constantly sinking into the ground.

"God's will?" David snorted coldly: "You are only a new martial arts god, and you dare to call yourself a god. I kill an old martial arts god, but it's just a snap of your fingers..."

"Bah, you brag. , but also beheading the old martial arts, do you know what a martial arts is?"

"You kid is stubborn now, and I will see how you are crushed to death in the future..."

Shi Yan proudly spat at David, Then he looked at Jueyuan and said, "Uncle, don't talk nonsense with this kid, just kill him directly."

"Since you are obsessed, then go to death..."

The golden light on Jueyuan's body was even more prosperous, and the terrifying coercion directly Press David's body into the ground!

Boom.....

a loud noise, the whole mountain is shaking!

The huge palm slapped on David instantly, and pushed David into the depth of ten meters underground!

"This...is this the power of the Martial God?"

"It's terrifying, it's terrifying..."

Shi Qingpei was stunned when he saw the scene in front of him!

You know, just now, David begged that Awakening directly for mercy, but now, he was slapped to death by Jueyuan!

This is the gap between the Martial God and the Martial Saint. Even if you are at the peak of the Martial Saint, your strength is far from the step before you step into the Martial God!

The fifth-rank Martial Saint Realm is like an ant in front of the Martial God!

## **Chapter 2134**

"Uncle is awesome, with this strength, he can sweep the world of martial arts..."

Shi Yan looked at Jueyuan, full of admiration!

"Hahaha, sweeping the martial arts world is too exaggerated, but if you want to destroy this little Martial Saint, it's just a matter of one palm!"

Jueyuan laughed!

"Uncle, don't be too modest. In the future, the entire martial arts world will respect you..."

Shi Yan kept flattering!

"A just-promoted little Martial God who dares to sweep the world of martial arts, how shameless?"

Just as Shi Yan finished speaking, he heard David's voice coming from the deep pit!

Everyone was stunned for a moment, and then they saw David's body flashing with golden light, and his body slowly came out of the deep pit!

This time, Shi Yan was dumbfounded and looked at David in disbelief. He couldn't believe that David came out intact under such power!

Even Najueyuan frowned, feeling a little incredible!

"You didn't die?" Jue Yuan frowned, looking at David with his eyes slightly condensed, and asked!

"As I said, I can kill an old martial artist at will, how can I die at the hands of a new martial god like you?"

"And you are a monk, but you are deviant, and you are the one who should be damned..."

David sacrificed the Dragon Slaying Sword, exuding mighty righteousness from his body!

"Then give it a try!" Jue Yuan snorted coldly!

Immediately afterward, the huge golden palm appeared out of thin air and pressed directly towards David!

David held the Dragon Slaying Sword, and his body shook suddenly!

Countless sword qi emanated from the Dragon Slaying Sword and instantly slashed towards the huge palm!

I saw that huge palm, under David's sword energy, instantly turned into nothingness!

Jue Yuan saw this, and suddenly took out a string of Buddha beads, which were filled with light!

Jueyuan twisted the Buddha beads, and bursts of Sanskrit sounds came out of his mouth!

Slowly behind Jueyuan, a huge Buddha appeared, and the entire Kuchan Temple was shrouded in Buddha light!

When David saw this, the power of the dragon was distributed, and a golden dragon flashed behind him, and began to circle continuously!

Everyone was stunned when they saw the scene in front of them!

Whether it is the golden dragon or the Buddha, they are respected in the hearts of all people, but now the golden dragon and the Buddha are fighting together in an instant!

Under the shroud of the Buddha's light in the sky, the golden dragon and the Buddha are fighting!

Feeling far-sighted, he can only quickly recite the Sanskrit sound, and his whole body is bathed in the Buddha's light!

The battle between the golden dragon and the Buddha made the sound of thunder, and the entire void trembled for a while, as if it was about to tear apart time and space!

David and Jue Yuan are both desperately consuming the power in their bodies to maintain the battle between the Golden Dragon and the Buddha!

Time passes by every minute and every second!

Jueyuan's forehead was already covered with cold sweat. He did not expect David, a rank five Martial Saint, to have such strength, and to last so long!

Soon, the Buddha's light on the Buddha's body became less and less, and Jueyuan had gritted his teeth and insisted!

But looking at David's calm look, Jueyuan knew that if this went on, he might not be able to hold on anymore!

I saw Jueyuan hanging the Buddha beads on his chest and holding his hands high above his head!

"My Buddha is merciful, saves all beings, use your devout beliefs to get the protection of the Buddha..."

Accompanied by Jueyuan's shout!

Many believers fell to the ground one after another, and above everyone's head, they constantly exuded the power of faith, all gathered on Jueyuan's body!

Even all the Buddha statues in Kuchan Temple exude the power of faith, pouring into Jueyuan's body!

At this moment, Jueyuan seems to be swimming in the ocean of the power of faith!

The Buddha, who was originally dimly luminous, also began to become brilliant, and his body swelled a lot!
