## Novel

### Chapter 2139

Jue Yuan was relieved when he heard that he had no connection, and then said politely, "Young Master Liu, please, but this kid robbed my junior brother of some magical tools, so..."

"It's just some broken copper and iron, you take it away, I only want this kid's corpse!"

Liu Xing waved his hand at will, in the eyes of their Pure Yang Sect, any magic weapon is broken copper and iron!

"Thank you, Young Master Liu, thank you Young Master Liu..."

Jueyuan thanked him again and again!

But at this time, Shi Yan was a little unhappy. The man and woman in front of him, who were about the same age as him, looked arrogant, and dared to say that his family's instruments were broken copper and iron!

You must know that many secret realm families use their Hundred Refinements Pavilion to refine magic tools.

Moreover, Shi Yan looked at Liu Rui, who was slim and slender, with a seductive immortal aura on his body, like a fairy descending to earth, so he wanted to get to know him!

"Who are you? Dare to say that our Bailian Pavilion's magic weapon is broken copper and rotten iron?"

"In addition, this David was killed by my uncle, so you can't take the corpse away, and I have to whip this guy to vent his anger. What!"

"If you insist on taking away David's body, then let this girl accompany me..."

Shi Yan looked at Liu Rui with lustful eyes!

Shi Yan's words directly shocked Jue Yuan, who had descended into the deep pit.

On the other hand, Liu Xing frowned, anger rose from his body, and Liu Rui looked at Shi Yan like that, and it was extremely disgusting!

"You shameless person..."

Liu Rui cursed angrily and waved her palm suddenly!

A huge force moved towards Shi Yan!

When Liu Rui made his move, Shi Yan regretted it, because he found that the young man in front of him, who was about the same age as him, had a strength that surpassed Jue Yuan!

That terrifying aura directly made Shi Yan unable to let out his anger, and his entire body couldn't move even if he wanted to, as if he was about to be torn to shreds!

The severe pain made Shi Yan's face grim, and he couldn't even scream!

Jue Yuan saw this, and hurriedly pushed out a palm to counteract Liu Rui's breath, which made Shi Yan a little relieved!

“Liu Gongzi, Miss Liu, my nephew is so open-mouthed, he deserves to die, but for my sake, I beg the two of you to spare his life!”

“Then we don’t want the things on David’s body, and let you all have the body. Take it!”

Jue Yuan desperately followed Liu Xing and Liu Rui to apologize.

At this moment, Shi Yan wanted to do something wrong, and he lowered his head and dared not speak. The pain of dying just now made him still afraid when he thought about it!

“Hmph, humiliating my junior sister, is it okay for you to apologize? Then what happened to our Pure Yang Sect?”

Liu Xing snorted coldly, full of a murderous aura.

Jue Yuan saw this, turned around and gave Shi Yan a slap, and then started punching and kicking!

Shi Yan was beaten, crying, and called his mother, Shi Qingpei felt distressed when he saw it, but he didn’t dare to stop it!

He knew that Jueyuan did this in order to save his son, and who let his son be such a scumbag with no vision at all!

Even though Jueyuan is polite, he dares to provoke him!

Soon, Shi Yan was beaten beyond recognition by Jue Yuan, and only one breath was left!

“Liu Gongzi, I hope you can keep him alive, I have taught him a lesson...”

Jueyuan prayed!

“Senior brother, forget it, let’s go back quickly, so as not to be anxious by the master!”

Liu Rui said to Liu Xing.

Liu Xing nodded, then jumped up and jumped down into the deep pit, intending to pick up David’s body!

But when Liu Xing just jumped up and was about to jump into the deep pit, he was stopped by Tong Yougong!

“Tong Yougong, what are you going to do?”

Liu Xing frowned!

“Liu Xing, this kid’s body, I also want to bring it back to our Tianlei faction to study it...”

Tong Yougong said with a faint smile.

## **Chapter 2140**

Jueyuan saw Tong Yougong and couldn’t help but swallowed and said, “It turned out to be the son of the Tianlei faction, I don’t know if Ling Zun is okay?”

Jueyuan didn’t understand, for David’s sake One of the corpses of unexpectedly came from another hidden world sect!

Today, the Thunder Sect in the Hidden World Sect is stronger than the Pure Yang Sect!

But who knows, Tong Yougong didn’t even look at Jueyuan, which made Jueyuan embarrassed to death!

Seeing this scene, Shi Qingpei didn't dare to make a sound!

Their Bailian Pavilion doesn't have many dealings with the secular world, so he doesn't know about these hidden world sects!

However, looking at Jueyuan's attitude, it is obvious that the other party is someone who can't be offended!

"Tong Yougong, everything comes on a first-come-first-served basis. We arrived first. We should take this corpse away!"

Liu Rui said to Tong Yougong.

"Haha, you didn't kill people, so what's the use of you coming first."

"Today, I have to take this corpse away, and no one can stop it!"

Tong Yougong laughed, not letting it go!

At this moment, David, who was lying in the deep pit, listened to the people above scrambling for his body, with mixed feelings in his heart, but he hoped that these people could fight for a while longer, it is best to fight and give himself more time!

"Tong Yougong, we didn't kill the person, but neither did you. Why would you take it away!"

"This person was killed by Master Jueyuan, so let Master Jueyuan decide who to take away the corpse.!"

Liu Xing directly threw the question to Jueyuan!

"Okay..." Tong Yougong looked at Jueyuan!

This time, Jue Yuan was frightened. He couldn't afford to offend both sides, how dare he speak!

"This... I have no problem with whoever takes these corpses..."

Jue Yuan waved his hands again and again!

Although he killed people, he still has the right to call the shots!

He doesn't want to offend any party, because he can't afford to offend any party!

He finally broke through to the realm of the Martial God, and Jueyuan still wants to live a few more years!

"Liu Xing, now you and I want to get this corpse, so let's fight. Whoever loses will get the hell out of me. It's fair, right?"

Tong Yougong said with a sneer.

"Senior brother, don't compare with him, you are not his opponent..."

Liu Rui gently pulled Liu Xing and said.

Liu Xing's cold face and arrogant temperament made him not easily bow his head!

"Why, are you afraid? If you are afraid, then hurry up, lest I do it..."

Tong Yougong looked at Liu Xing with disdain, his eyes full of provocation!

"Who's afraid of you, let's compare, if I lose, I'll leave immediately and give you the body..."

Liu Xing was aroused, no matter how Liu Rui persuaded him, Liu Xing couldn't listen!

"Okay, then let's compare, no one has moved recently, and my hands are still a little itchy..."

Tong Yougong said, a powerful breath suddenly burst out from his body.

When the others saw this, they hurriedly avoided it!

“Junior sister, you dodge first...”

Liu Xing asked Liu Rui to dodge too, and then he also exuded the breath of his body!

Soon, the breath of the two people, centered on each other, like waves, spread in all directions!

The wind howled, and the rocks flew!

At this moment, the entire Kuchan Temple disappeared, not even a single piece of wood was left, and only the twelve Buddha statues alone stood still!

Shi Qingpei and Jueyuan, even if they had already escaped far away, could still feel the terrifying pressure!

And those believers who were kneeling on the ground and couldn't get up all the time, all of their bodies burst at this moment, not even the corpse capital was left behind!

When David let them go, they were indifferent!

At this moment, not even the scum is left!

David, who was in the deep pit, also felt the terrifying coercion. A golden light protected David in front of him. David did not move, and seized the time to absorb the power of faith in his body!
