

# A Man Like None Other Novel

## Chapter 2151

a Martial Saint can actually injure a Martial God in the end, this is simply incredible!

Moreover, an evil cultivator can attract such a huge power of belief, which is something Yue Buqun can't understand!

I saw Yue Buqun put a hand lightly on David's wrist, like a traditional Chinese medicine pulse.

After a while, Yue Buqun frowned and said, "You are so courageous, you even dared to deceive Master."

"Did you hurt this man? In order to shirk responsibility, you deliberately called him an evil cultivator and fabricated it. The story lied to me?"

Yue Buqun glared at Liu Xing and Liu Rui, causing the two of them to fall to their knees!

"Master, how dare we lie to you, this person is really an evil cultivator, we saw with our own eyes that he absorbed the strength of that Jueyuan."

Liu Xing said quickly.

"Master, what my brother said is right, I have seen it too, we will never dare to deceive Master."

Liu Rui also hurriedly said.

Yue Buqun looked at Liu Xing and Liu Rui coldly, and found that they didn't look like they were lying, so he said: "This person is not an evil cultivator. As for what you said about absorbing Jueyuan's strength, I guess it's another matter. There are hidden feelings!"

"He doesn't have the evil spirit of evil cultivators. On the contrary, this person has a lot of pure yang energy, and there are several forces. I have not been able to find out where it came from!"

"Rui'er, you go get the Zengyuan Pill that is your teacher, first wake up this person and talk about it..."

However, Liu Rui did not move, and Liu Xing on the side said: "Master, the Zengyuan Pill But we don't have much of your life-saving elixir. Wouldn't it be a waste of you to eat it for this evil cultivator?"

"Nonsense, as I said, he is not a cultist."

"How did I educate you? Although our Pure Yang Sect is hidden from the world, if we encounter someone who is in danger of life, we can still help. Although we pursue the supremacy of strength, we can't be without mercy!"

"When a person loses favor, no matter how powerful he is, he is nothing but a killing machine."

"Go and bring Zengyuan Dan..."

Yue Buqun reprimanded Liu Xing angrily. He also said these words to other disciples.

Seeing this, Liu Rui hurried to get the pill, and soon a green pill was handed over to Yue Buqun!

Yue Buqun put Zengyuan Dan into David's mouth without hesitation!

Immediately after that, a streak of energy entered David's body!

"You all retreat, I want to heal him..."

Yue Buqun waved his hand and told all the disciples to retreat!

.....

Tianlei faction!

Tong Haiyang looked at his son's embarrassed appearance, and his angry beard stood up!

"Look at you, don't you have a little eldest young master? You don't brag all day long that you are a young head in the hidden world."

"Can no one compare to you? Look at you now like a beggar. , is it shameful?"

Tong Haiyang cursed at Tong Gonggong, his old face flushed with anger!

Tong Yougong lowered his head and could only bear the scolding. It was true that he was so embarrassed by a little Martial Saint, and was finally humiliated by the people of Chunyang Sect.

When Tong Haiyang was teaching Tong Gonggong a lesson, a woman came over with a young man in his early twenties!

"Master, I heard that Gonggong was injured, what happened?"

the woman asked Tong Haiyang.

And the young man also glanced at Tong Yougong and said, "Brother, why are you so embarrassed? Could it be that the old people from the hidden world are attacking you?"

"It's not like there was a meeting, those old things can't do anything to the younger generation."

"And in this younger generation, with the strength of the eldest brother, who else can hurt you?"

Although the young man was very concerned about asking Tong Gonggong Yes, but there is a bit of schadenfreude in his tone!

## Chapter 2152

"Tong Youcai, you don't have to be merciless here, and you don't care about who does it. You can't compare with me anyway!"

Tong Yougong looked at him coldly. said the young man.

"Yugong, why do you say that about your brother? He also cares about you..."

Seeing this, the woman said to Tong Gonggong very dissatisfied.

"Take it down, you mother and son will care about me?" Tong Yougong snorted coldly!

"You..." The woman's face was angry!

"Okay, don't talk about it!" At this time, Tong Haiyang opened his mouth, and the others stopped!

Tong Yougong and Tong Youcai are half-brothers. After Tong Yougong's mother died, Tong Haiyang remarried and gave birth to another son, Tong Youcai!

It's just that Tong Yougong's relationship with Tong Youcai's mother and son has not been good for a long time!

Tong Youcai has always wanted to replace Tong Youngong in the position of the eldest young master of the Tianlei faction, but Tong Haiyang did not agree!

Now that Tong Youngong has undergone genetic modification, his strength has improved a lot, so his position in the Tianlei faction is even more consolidated!

Although Tong Youcai has always wanted to modify his genes, Tong Haiyang used the excuse of being too young to not allow Tong Youcai to be modified!

"Brother, you said that you were a Martial God, but you were beaten by a Martial Saint. I heard that the kid is not from the Hidden World Sect."

"Is this a bit too unreal? With the presence of people from the Chunyang Sect, you, the eldest young master of Lei Pai, were beaten by a martial sage, so what do other sects think of us?"

"By the way, I also heard that the eldest brother showed his powerful gene repair ability on the spot. , the wound healed in an instant, you also know that this is the secret of our Tianlei sect, what is your intention to reveal the secret of our Tianlei sect when you are a pure Yang sect?"

Tong Youcai asked in a hurry. road.

Tong Youcai's words made Tong Youngong sweat instantly on his forehead. Because of many things, he didn't tell Tong Haiyang the truth. He was afraid that his father would get angry and be punished!

But now it was told by Tong Youcai, which made Tong Youngong angry and scared!

"Tong Youcai, what nonsense are you talking about, don't spit..."

Tong Youngong yelled at Tong Youcai!

"Brother, why are you still in a hurry? I also listened to what the people below said. If you don't want to, just call the person you are going with and ask!"

Tong Youcai said with a faint smile.

"You..." Tong Yougong was speechless!

Tong Haiyang looked at Tong Yougong angrily: "Is what your brother said true?"

"Dad, I was..."

Tong Yougong wanted to explain, but was interrupted directly by Tong Haiyang: "Okay, don't say it anymore. , is simply a waste, even a Martial Saint can't even fight, and it also exposed the secret of our Tianlei faction's genetic modification."

"You have thought about the cliff face and the wall, when did you really know your mistake, come out Right..."

Tong Haiyang waved his hand!

"Dad, I was wrong, I knew it was wrong, I don't want to think about the cliff..."

Tong Yougong was horrified when he heard that he was going to think about the cliff!

But Tong Haiyang did not soften his heart, but ordered Tong Gonggong to be taken away!

Seeing Tong Yougong being taken away, Tong Youcai and his mother all smiled proudly!

"Dad, I already know the details of the guy who injured my eldest brother."

"His name is David, he is a relatively famous guy in the martial arts world of Kyoto recently, and he only has the strength of a martial artist."

"Now he was rescued by the people of Chunyang Sect. Yes, but he hurt the eldest brother and made our Tianlei faction lose face, and I will personally find that David to avenge the eldest brother."

"I will definitely get back the face of our Tianlei faction..."

Tong Youcai expressed in front of Tong Haiyang!

"But your brother's strength has been injured. Can you be David's opponent?"

"What's more, Chunyang Sect will not let you take people away so easily."

Tong Haiyang frowned slightly. .

"Dad, I have my own way. Sometimes it's not because of my strength that I can overcome everything, but I still have to use my brain."

Tong Youcai's words meant that Tong Yougong had no brains!

"Okay, be careful yourself, I don't want you to get hurt too!"

Tong Haiyang patted Tong Youcai on the shoulder!

"Dad, don't worry..."

Tong Youcai was overjoyed when he saw Tong Haiyang promise him!
