

A Man Like None Other

Novel

Chapter 2189

"Okay..."

Jiang Wei and the others began to applaud when they saw this.

Just now, they were bullied by the Thunder faction that day and could not resist, and now they are happy to see the disciples of the Thunder faction being beaten!

And that day, the disciple of the Thunder Sect got up with a dignified expression, glared at Liu Rui and said, "Who are you? Do you know the fate of offending our Tianlei Sect?"

"The appearance of bullying."

"What..."

Liu Rui bullied him, and once again shot at the disciples of the Lei faction that day!

David also saw that the Tianlei faction was unhappy, and one rushed forward, David and Liu Rui, instantly beat those Tianlei faction disciples without the ability to fight back!

"Brother Jiang, with such an opportunity, we should also take revenge..."

Hong Qianjiu said and rushed forward!

This time, hundreds of warriors swarmed up and directly beat up several disciples of the Lei faction that day, crying and calling their mothers!

Jiang Wei and Hong Qianjiu were all very excited when they saw that several disciples of the Tianlei faction were beaten away!

"I see, as long as we follow Mr. Chen, no one can bully us..."

Jiang Wei said loudly to the many warriors.

Many martial artists have also heard of David's name. After all, David's reputation is also well-known in the martial arts world.

"Let's go..."

After David finished speaking, he took the lead and walked towards the mountain!

After walking for a while, there was a strong smell of blood, and then I saw mutilated corpses that were crushed everywhere on the ground!

"Mr. Chen, these people were all killed by the people from the Lei faction that day, and they were directly crushed to death with the Qi of the Martial God!"

Jiang Wei stepped forward and said to David.

Looking at the corpses on the ground, David frowned.

In the face of absolute strength, human beings are even more insignificant than ants, and just their momentum alone has crushed so many people to death!

"Third elders, that's them..."

At this time, the disciples of the Tianlei faction who had just been kicked back came back, and they brought the elders of the Tianlei faction with them!

Seeing this, the third elder of the Tianlei sect was angry, "Liu Rui, you are a member of the Pure Yang Sect, but you are attacking my disciples of the Tianlei sect, aren't you afraid of causing a war between the two factions?" The

third elder knew Liu Rui, but for other people, do not know!

"This Kunlun Mountains doesn't belong to anyone, but your Tianlei faction is banned. Does this mean that you don't care about our other sects?"

Liu Rui asked.

"Hmph, what can you do if you don't take you guys seriously, just relying on your Pure Yang Sect, do you dare to be my enemy of the Tianlei faction?"

"Besides, you bring these ants up the mountain, they don't deserve to stay on the mountain at all! "The

third elder snorted coldly, in his eyes, except for the sects of the hidden world, other people in the martial arts world are like ants.

The words of the three elders deeply stimulated those warriors, and they were all angry, but although they were angry, they did not dare to say anything more!

After all, the strength is here, and their strength is really inferior to ants in the eyes of others!

"They are ants, so what are you? In my eyes, you are not even as good as ants."

David looked at the third elder and said coldly.

"What are you talking about, stinky boy?" The

third elder's expression turned cold, and then the aura of the Martial God burst out in an instant. This aura made many warriors feel the pressure one after another, and they stood unsteadily, and the blood in their chests was tumbling!

Seeing this, Liu Rui also burst out the breath of her body, resisting the pressure of the three elders, so as to give some barriers to the warriors behind him!

It's just that Liu Rui's strength is obviously inferior to those of the three elders. Although she is trying hard to resist, the aura of the Martial God is still pressing on everyone's heads, making everyone feel a little uncomfortable.

Chapter 2190

"Hmph, you are only a second-rank Martial God, you dare to fight against me, and you don't even see if you are qualified or not."

Seeing that Liu Rui was resisting him, the third elder could not help but snorted coldly!

"He's not qualified, what about me?"

After David finished speaking, his aura also burst out!

"Haha, you are just a martial sage, and you dare to speak up in front of me."
The

third elder laughed, but soon he felt that his breath was being resisted, and he couldn't help but look at Chen. Ping, followed by a low drink, the breath suddenly increased!

The strong coercion instantly caused many warriors to fall to the ground!

"Fourth-Rank Martial God, it's really good..."

David said with a faint smile!

"Since you know the strength of the old man, then you should know the fate of offending the old man." The third elder said contemptuously.

"The fourth-rank Martial God is really good, but in my eyes, it's just garbage."

David sneered!

"Bah, you sharp-toothed boy, you are a little martial sage, how dare you look down on me like that."

"I'm going to crush you all into flesh today, so that you know the power of the fourth-rank Martial God. "The

three elders shouted, the breath on the body was fully opened, and the terrifying coercion made the world change color!

Seeing this, many warriors all turned pale with fright. It was obvious that the breath of these three elders was obviously higher than that of Liu Rui and David!

David is only an eighth-rank Martial Saint, how can he face a fourth-rank Martial God?

At this time, some warriors began to regret following up the mountain, and they began to retreat step by step!

"Is the fourth-rank Martial God this powerful?" David sneered, and suddenly the golden light erupted on his body, and a wave of terrifying coercion instantly rushed towards the three elders and others!

The three elders and the disciples of the Tianlei School were shocked. They never thought that the aura of this young man who only had the strength of

the Martial Saint was even more terrifying than the aura of the fourth-rank Martial God!

“Now you should know that you are a piece of garbage, right?” With

that said, David’s body abruptly stood up and went straight to the three elders!

All the warriors only felt their bodies loosen, and then all looked at David in horror, their eyes full of incredible!

A Martial Saint, the breath that burst out, directly resisted the Qi of the Martial God, and even took the initiative to attack the Martial God!

“Mr. Chen, he is really a god. The realm of the eighth-rank Martial Saint has such strength.”

Jiang Wei said incredulously.

And that Hong Qianjiu, Zhu Hao, Qiao Zhiyong and others were also shocked, and they admired David even more!

Seeing that David dared to take the initiative to attack him, the third elder shouted in a low voice and said with both hands, “Come hammer...”

Soon, the two Tianlei Sect disciples directly threw two copper hammers, and the copper hammers were in the air. It instantly became bigger and fell directly into the hands of the third elder!

The two copper hammers spun in the hands of the third elders, and when they touched them lightly, they made a burst of noises, causing everyone to cover their ears, and their faces changed greatly!

David slammed it out with a punch, and the golden light flickered on the fist!

"Hmph, little Wusheng, who dares to fight with his bare hands is simply courting death." The

third elder snorted coldly, and the two hammers directly greeted him and slammed it down at David, as if he was going to smash David into flesh. !

Dang.....

David's fist slammed together with the copper hammer, making a harsh metal collision sound, and the fire radiated everywhere.

The face of the third elder changed, he did not expect David's fist to be so hard, he even followed the copper hammer in his hand to hit it hard!

The huge power made the third elder's wrist start to go numb, and the entire arm seemed to have lost its strength!

Looking at David with a calm expression, he stood quietly in front of the third elder with a bit of disdain on his face!
