## Chapter 2246

Burning Heaven Sect!

Yao Qing was also monitoring the meetings of the three sects and six factions in the entire Hidden Realm for several days in the dark.

At this time, Yao Qing was very happy, because he knew that the three sects and six sects in the hidden world were now at odds with each other, and there might be a conflict one day.

As long as the three sects and six factions are in chaos, then it will be time for them to return to the arena, and then who can control them!

Maybe the entire Hidden Realm will be controlled by Fen Tianjiao!

Just when Yao Qing was happy, the Great Protector came back with his injured body, but at this time, the aura on the Great Protector had already reached the peak of the ninth-rank Martial God.

This kind of realm that relies on absorbing the strength of others is very unstable. After the great protector is injured, the breath is disordered, and the

realm begins to decline. At this time, it is only the realm that has just been promoted to the ninth grade!

"Great Protector, what's going on?"

Yao Qing frowned slightly after seeing the Great Protector.

"Sect Master, I found the ruins of the Narcissus Palace, and I also found the psychic fruit, but a kid took the lead and snatched all the psychic fruit." The

great protector said with a face full of shame.

"What?" Yao Qing was stunned: "The aura of the ninth-rank Martial God on your body must have used evil power and absorbed the strength of others. Could it be that this realm can't beat others?"

"The entire hidden world, except for Those old people are in a meeting, who else can be your opponent?"

Yao Qing couldn't believe that the three sects and the six sects were all in a meeting, who could make the elders so embarrassed!

"It's a kid named David, said to be a martial artist from outside the world, and the little girl of Pure Yangzong followed him!" The

Great Protector said following Yao Qing.

"David?" Yao Qing thought about it carefully, and suddenly remembered the young man who followed Bao Yukun to refine medicine!

"Could it be that kid? Impossible, his strength has not reached the Martial God, how can he be your opponent?"

Yao Qing felt a little incredible!

"That kid devoured the psychic fruit, and his strength has skyrocketed to the third-rank Martial God. I'm no longer his opponent. If I hadn't used space magic, I'd be dead now!" The

great protector remembered the scene of the battle with David, Still terrified!

"This guy is so good at refining medicine, I didn't expect to be able to leapfrog and fight!"

Yao Qing's eyes narrowed slightly: "Okay, you can go to recuperate, I will handle the rest..." The

Great Protector nodded, He was about to turn his head to leave, but suddenly stopped, and then said to Yao Qing: "Sect Master, I killed the eldest son of the Feixing faction, Leng Yun, and the second son of the Tianlei faction, Tong Youcai. That's the only way!" Yao Qing's head suddenly became a little bigger when he heard it, and he glared at the Great Dharma Protector and said, "This thing of you ,

isn't this putting our Fentian Cult to death?"

If it caused the strangulation of many sects, it would be difficult for them to resist.

"Sect Master, apart from David and the little girl of the Chunyang Sect, no one knows that I killed these two people."

"On the way back from the escape, I have heard that the Feixing faction and the Tianlei faction have already sent people. Go after that David!"

said the Great Protector.

"Okay, I understand, you go to rest!"

Yao Qing waved his hand and signaled the Great Protector to rest!

Just after the great protector left, Yao Qing immediately began to gather people.

A martial artist from outside the world, the realm of the third-rank Martial God, can actually defeat the ninth-rank Martial God. He has never seen such a talented person.

So Yao Qing plans to come forward in person, and then arrest David to see what is so special about David!

“If this kid is not a mortal body, then my old body can be replaced.”

Yao Qing glanced at his aging body, and a sneer appeared on the corner of his mouth.
