

# A Man Like None Other

## Novel

### Chapter 2263

"Dad..." Seeing Tong Haiyang's crazy appearance, Tong Gonggong's face changed greatly!

Seeing Tong Gonggong coming, Tong Haiyang took back his breath, and then said, "You Gong, you immediately take someone to arrest all those who are close to Wang Defa, and kill them all..."

Tong Yougong looked at his father's body Furious, he didn't dare to ask, he could only nod his head and said, "Yes!"

Tong Haiyang's body slowly floated into the air, watching his Tianlei faction fall into a chill.

.....

Kyoto!

David and the three of them have already rushed back.

After seeing David and the others back, and Hu Mazi and Long Xingxu recovering, everyone was very happy!

The first thing Hu Mazi did when he came back was to take Zhou Jie to his room. Everyone knew what to do!

“David, Patriarch Ge has been here several times during the time you left. It seems that he is looking for you in a hurry!”

Ji Ruxue said to David.

During this time, Ji Ruxue was taking care of the Dragon Gate, and the Dragon Gate was in good order under Ji Ruxue’s management!

“I see, you’ve worked hard for this time...”

David looked at Ji Ruxue with some guilt!

Ji Ruxue had traveled thousands of miles to find herself, but she didn’t have much time to accompany them!

Ji Ruxue has never complained, and now she is helping to take care of the Dragon Gate, which makes David very dare to move!

“When I think of doing things for you, I don’t work hard at all...”

Ji Ruxue smiled slightly.

With a complicated expression on David’s face, he said apologetically, “You know, I have Yuqi, and I will marry her at that time, so if you follow me, you may be destined to have no status.”

In this monogamous system, David can only have Sonya as a wife, and this kind of principle cannot be changed!

“I don’t care, as long as you have me in your heart...”

Ji Ruxue gently leaned on David’s shoulder!

David embraced Ji Ruxue’s waist, quietly looking at the blue sky!

David didn't stay in Longmen for too long, so he went to the secret realm of Dou Zong. He was going to see Su Yu. What happened to Qi and Xiaoru!

When David entered the secret realm, he was instantly stunned by the scene in front of him!

Because he saw that in this secret realm, there were not only Sonya and the others, but two more girls!

And one of the girls is the one that David rescued from the Demon Heart Sect!

The girl was also taken aback when she saw David, her expression was very surprised!

"David..."

Seeing David coming, Sonya ran over happily.

"Yuqi, what's going on?"

David pointed to two strange girls and said.

"The two of them were also caught here."

"This is Mulan Xin, she is very powerful and has a special physique that can be controlled..."

"I know, she is a soil spirit body and can control rocky soil. "

David said without waiting for Sonya to finish her introduction.

Sonya was stunned for a moment, and asked incredulously, "David, why are you so powerful, you can see it?"

"It's not that he is so powerful, it's that we already know each other and have met!"

At this moment, Mulan said in her heart!

“What? You know each other?” Sonya was even more confused now!

“Sister Yuqi, I didn’t expect that the boyfriend you talked about all day would be him. I was once saved by your boyfriend!”

Mulan said in her heart, and she was chased by the black gold robe at that time. The matter of Ping’s rescue is said!

It’s just that Mulan was scared at the time and didn’t know what David’s name was, and David didn’t know her name either!

When Sonya heard it, she suddenly realized, “I didn’t expect you two to be so predestined!”

Then Sonya introduced another girl, who is also a person with a special physique!

David was a little puzzled, why did the Demon Heart Sect arrest so many people with special physiques?

Although I know that the Demon Heart Sect must be holding something bad, but David doesn’t know it now, so there is no way to stop it!

He still has to participate in the secret realm conference first, and is making plans!

After chatting with Sonya and a few people in the Secret Realm of Asking Sect for a while, David left.

## Chapter 2264

Leaving from the secret realm, David went directly to Ge’s house. It is estimated that Ge Cangsheng had been waiting in a hurry.

Sure enough, after seeing David, Ge Fuhai hurriedly stepped forward and said, "Mr. Chen, you are back, the clan elders are all in a hurry!"

"Patriarch Ge, isn't there a few days before the secret meeting? The Ge clan Why

are you so anxious?" David asked in surprise.

"It's not because the number of people participating in the secret realm conference is limited. There are sects in the secret realm of Fire Gate who do not agree with the clan elders to take you there!"

Ge Fuhai explained.

"Oh, so that's the case, let's go!"

David nodded!

Soon two people came to the entrance of the secret realm and entered the secret realm of Fire Gate directly!

When he came to the Ge family, David found that there were several people sitting in the hall of the Ge family, and Ge Cangsheng was among them!

And that day, the owner of Luolou, Jiang Wuya, was also there!

Seeing David coming, Ge Cangsheng and Jiang Wuya stood up to greet him!

"Mr. Chen, please take a seat..."

Ge Cangsheng personally moved a chair for David!

Ge Cangsheng's attitude towards David made a middle-aged man sitting beside him feel a little puzzled!

"Elder Ge, as the elder of the Ge family, why are you so polite to a junior in the secular world?"

"Even if I come to your Ge family, you have never been so polite, right?" the middle-aged man joked. said.

"Cao Fu, you've been to my Ge family eight hundred times a year, and you can't drive me away. It's fine if I don't do it, but I want me to be polite to you..."

Ge Cangsheng glared at the middle-aged man and said.

"Hahaha, who made your Ge family's food delicious, it made me greedy!"

Cao Fu laughed!

David glanced at Cao Fu, and Ge Cangsheng quickly explained, "Mr. Chen, this guy is a loose cultivator, his name is Cao Fu, he is alone in this secret realm, and he often goes to various sects and aristocratic families for food!"

At this time, Cao Fu looked at David and said, "Boy, he does have some strength. In a place like the secular world, he can even cultivate to the realm of distraction.

" It's the god of war, except for those in the hidden world, I'm afraid you are invincible in the secular world, right?"

Cao Fu's words surprised David, and hurriedly asked, "Do you still know the hidden world?"

" Being in a secret realm, you can't stay in the secular world for a long time, but that doesn't mean you can't get out of the secret realm!"

"I often go to Bailian Pavilion, and I even bought a few magic tools at that time."

Cao Fu explained.

Hearing Cao Fu's words, David smiled but said nothing. Now there is no Bailian Pavilion in the secular world!

At this moment, David always felt that there was a sense of divine consciousness that seemed to exist and was constantly covering him!

This sense of consciousness is so faint that if David didn't feel it carefully, he would not have noticed it at all!

David turned his head suddenly and found an old man staring at him without blinking, and behind the old man, there was a young man standing!

The old man saw David looking over, so he looked away, and the seemingly non-existent consciousness disappeared instantly!

"Ge Cangsheng, is this person David you must bring to the Secret Realm Conference?"

the old man asked Ge Cangsheng.

Listening to the old man's tone, it seems that he does not respect Ge Cangsheng!

"Yes, this is Mr. Chen who I want to take to the Secret Realm Conference!"

Ge Cangsheng nodded, and then introduced to David, "Mr. Chen, this is Jin Lifu, the pavilion owner of Zhanyue Pavilion, followed by his Son Jin Yuan."

After speaking, Ge Cangsheng said to David with sound transmission, "Mr. Chen, this Zhanyue Pavilion has annexed more than a dozen sects in the Huomen secret realm, and now it has become the largest sect in the Huomen secret realm. He was the one who prevented you from participating in the Secret Realm Conference!"

Ge Cangsheng just finished speaking with sound transmission, but he saw Jin Lifu sneer and said, "Ge Cangsheng, you are already old, there is nothing you can't say, why do you need to be sneaky?"
