

A Man Like None Other

Novel

Chapter 2265

After listening to Ge Cangsheng, he smiled awkwardly and said, "Lao Jin, your ability is really getting stronger and stronger now, and even my voice transmission can't escape your eyes."

"Hahaha, it's good that you know, so I advise you all. , or submit to me early, and when the time comes, our Fire Sect Secret Realm will be merged into one place, who would dare to fight with us from other secret realms?"

Jin Lifu laughed!

"Jin Lifu, let us be your little brother, stop dreaming..."

Jiang Wuya snorted coldly!

Jin Lifu laughed without saying a word, and everyone took their seats!

Ge Yuhan walked up to David with a cup of tea and said with a smile, "Mr. Chen, please use tea..."

"Thank you Miss Ge, are you okay now?"

David asked with concern.

"It's alright!" Ge Yuhan shook his head gently.

The moment Ge Yuhan came out, Jin Yuan, who was behind Jin Lifu, was looking at Ge Yuhan with his eyes fixed, his eyes undisguised!

"Dad, did you forget there's something else to say?"

At this moment, Jin Yuan whispered in Jin Lifu's ear.

"I didn't forget..." After Jin Lifu finished speaking, he looked at Ge Cangsheng and said, "Ge Cangsheng, your daughter has regained her sanity now, and she is very slim. You can see if our two families can be a family of sons and daughters. The secret realm is all ours!"

"No, I don't like your son." Before Ge Cangsheng could speak, Ge Yuhan said with a look of disgust.

"Ge Yuhan, what are you talking about? How am I not worthy of you?"

Jin Yuan asked angrily.

"Anyway, I just don't like you!" After Ge Yuhan finished speaking, he went straight back to the room!

Jin Yuan's face was ashen with anger, and his eyes showed ferocity!

"Lao Jin, we old guys don't care about the child's affairs. Now we focus on free love!"

Ge Cangsheng said to Jin Lifu.

Jin Lifu is not entangled in this! Instead, he said to Ge Cangsheng, "Ge Cangsheng, you also know the rules of the secret realm. As a person from the secular world, it is impossible for David to participate in the secret realm conference."

"And for our Fire Gate secret realm. Speaking of, every place is very precious. With David's strength, if you participate in the secret realm conference, you

won't be able to get any resources other than embarrassing the fire gate secret realm!"

"This fire gate secret realm is not your Ge family . Yes , we have to consider everyone in the secret realm!"

Jin Lifu once again expressed his point of view!

"Mr. Chen is a member of my Ge family, why can't I participate in the secret realm conference? And it is from the quota of my Ge family, can you manage it?"

Ge Cangsheng said angrily.

"Although the quota belongs to your Ge family, this David is only the strength of the three realms of distraction. Can he enter the ring?"

"His strength may still be king and hegemony in the secular world, but in the secret realm, he A little strength is not enough!"

Jin Lifu said coldly.

"I just let Mr. Chen see him, and I won't let him enter the ring, so the level of strength is useless!"

Ge Cangsheng said.

"If I don't go to the ring, I don't agree even more. You must know that the ring of the secret realm conference belongs to their young people, and this David, as a young man, only sits in the stand after he goes, doesn't he want to let other secret realm people. Are you laughing at us?"

Jin Lifu said loudly.

"Jin Lifu, you are too lenient. Although your Zhanyue Pavilion is the strongest now, you are not the owner of the Fire Gate Secret Realm. Why do you point fingers at others?"

Cao Fu disliked Jin Lifu. asked with disdain.

"Cao Fu, you are a loose cultivator, do you have the right to speak? If you are not honest, believe it or not, I will remove you from the secret realm of Fire Gate!"

Jin Lifu looked at Cao Fu coldly, his eyes full of anger!

"You're too crazy, I'm not honest, let me see what you can do to me!"

Cao Fu's temper broke out instantly and shouted loudly!

Chapter 2266

Seeing that the two of them were about to fight, Jiang Wuya hurriedly stood up and said, "Okay, okay, stop arguing, since there is no consensus, let's continue talking!"

"Mr. Chen is now the third distraction. The strength of the realm can also enter the ring, but we can't be too harsh on him, as long as he can win three games."

"Anyway, in the end, the major secret realms are based on the final number of wins to determine the final winner. , as long as Mr. Chen wins three games, we have a good chance of entering the top three positions in the secret realm conference!"

Jiang Wuya said a compromise, after all, the number of places to participate in the conference is limited, if David goes, and If you don't get into the ring, it is indeed a loss for the Fire Gate Secret Realm!

"Okay, then according to what the landlord said, but if David didn't win three games, the Ge family will compensate us for the loss of several resources!"

Jin Lifu nodded and agreed with what Jiang Wuya said!

Ge Cangsheng didn't dare to call the shots easily, so he could only turn his head to look at David, who nodded slightly!

Seeing this, Ge Cangsheng said, "Okay, that's the decision..."

After it was settled, Jin Lifu left with his son!

Cao Fu also left, only Ge Cangsheng and Jiang Wuya were with David!

"Master Jiang, I don't know what the rules of this secret realm conference are? And what are the strengths of the people who participated in the competition?"

David asked Jiang Wuya.

Although David's strength has grown rapidly, he still doesn't know anything about the secret realm, nor does he know the strength of those people in the secret realm!

Although I just agreed, it would be embarrassing to lose in one match, so David needs to know himself and his opponent!

"Mr. Chen, I called my disciple and asked him to have a good chat with you. Although this guy is not active in cultivation, he still knows a lot about the secret realms!"

Jiang Wuya finished speaking, his finger lightly A little light in front of you, a golden light flashes away in an instant!

David looked at Jiang Wuya's communication method and felt very curious, butHe knew that this was something similar to a spell!

After a while, a man who was only 1.5 meters tall, wearing a thin attire walked in, walked directly in front of Jiang Wuya and said, "Master, what are you looking for me for?"

"Monkey, this is Mr. Chen, It's from the secular world, and you don't know much about the secret realm, so you should tell Mr. Chen carefully."

"Remember, you can answer whatever Mr. Chen asks. You are not allowed to be disrespectful to Mr. Chen. By the way, take Chen with you. Let's go around in the secret realm, sir!"

Jiang Wuya said to the thin man.

When David heard Jiang Wuya calling his apprentice Monkey, some couldn't help laughing!

The monkey didn't care, he glanced at David with a bit of surprise in his eyes. He didn't understand how David, a young man from the secular world, could make his master so respectful!

"Hello, my name is Hou Zhen, and everyone likes to call me a monkey!"

Hou Zhen restrained his curiosity and said hello to David!

"Hello, my name is David!" David said with a slight smile!

For this Hou Zhen's generous performance, David instantly had a lot of goodwill!

"Mr. Chen, I'll take you around, and by the way, let me introduce our secret realm of Fire Sect!"

Hou Zhen said respectfully.

David nodded, said goodbye to Ge Cangsheng and Jiang Wuya, and then followed Hou Zhen out!

As soon as the two reached the door, Ge Yuhan stopped them.

“Monkey, I’ll go around with you too...”

Ge Yuhan seemed to be very familiar with this Hou Zhen!

“Miss Ge, it’s all desert outside. It’s not like you haven’t seen it before. If there is any improvement, you should stay at home!”

Hou Zhen said.

“Stop talking nonsense, I also want to see how much you, the guy who claims to know everything in the secret realm, knows!”

Ge Yuhan said with a smile!

Seeing this, Hou Zhen could only take Ge Yuhan out of the Ge family land!
