

A Man Like None Other

Novel

Chapter 2291

At this moment, above the clock tower, Yao Shenghui waved to the crowd, then looked at the golden bell hammer on the side, then he sank into his dantian, shouted loudly, and the spiritual power in his body burst out instantly!

Seeing Yao Shenghui struggling to pick up the clock hammer, and seeing Yao Shenghui picking up the clock hammer so hard, David was very puzzled!

“Could it be that there is also a formation on this bell hammer?”

David asked Hou Zhen.

However, Hou Zhen did not speak, but Lu Chang on the side said, “There is no formation on this bell hammer, but don’t take it seriously, I heard that it was made of flying stones from the sky, and it weighs tens of thousands of kilograms. I don’t even have the qualifications to get up.”

When David heard this, he couldn’t help but be amazed. Such a small copper hammer actually weighs tens of thousands of kilograms. If it is used as a weapon, it is definitely a good weapon!

David didn’t say anything, but looked at Yao Shenghui above the clock tower attentively.

I saw Yao Shenghui's aura rising from his body, and he was full of strength, and then he slammed the bell hammer in his hand on the dragon clock!

Om.....

The bell trembled lightly, followed by a rippling bell that enveloped the entire square!

Everyone seemed to be intoxicated by the melodious sound of the bell!

With the sound of the bell, a dragon pattern on the dragon pattern clock instantly flashed with golden light.

A dragon roar sounded, and then a golden dragon soared directly from the dragon-patterned bell, and then continued to fly around the bell tower!

Everyone looked at the golden dragon flying in the air, and they were all very excited!

"I haven't seen the Golden Dragon take off for many years..."

"No, since this Secret Realm Conference was closed, no one has rang the dragon bell."

"This Yao Shenghui's strength is still as strong as ever..."

Everyone was talking . on.

But in the midst of everyone's discussion, they saw Yao Shenghui struggling to raise the bell hammer again. Such a move instantly made everyoneEveryone closed their mouths and looked at Yao Shenghui in surprise!

Just in the eyes of everyone's surprise, Yao Shenghui once again waved the bell hammer and rang the dragon bell!

With a melodious bell rang, another golden dragon rose into the sky!

Two golden dragons are constantly flying around the clock tower, and the scene is very spectacular!

At this time, Yao Shenghui couldn't hold on any longer, and put the bell hammer back in his hand, but he was able to ring the dragon bell twice, which was considered the highest strength among the younger generation of monks in the Eight Great Secret Realms!

"Oh my god, I really didn't expect Yao Shenghui's strength to be able to ring the dragon bell twice, it's too awesome..."

Someone sighed!

After the two golden dragons hovered in the air for a while, they finally turned into a golden light and returned to the dragon clock.

At this moment, Yao Shenghui, with the joy of a winner on his face, jumped down from the clock tower!

As soon as Yao Shenghui landed, many people rushed up and followed Yao Shenghui to say hello, wanting to curry favor with this proud man of the Eight Great Secret Realms! "Isn't it just ringing twice, why do these people act like they have never seen the world? It seems that the eight secret realms

are no different from the mundane realm!"

said!

However, this sentence was heard by Yao Shenghui who happened to pass by!

Yao Shenghui was stunned for a moment, then stopped and looked at David!

"Who are you? Which secret realm?"

Yao Shenghui asked David.

"Young Master Yao, this is our Fire Sect Secret Realm, from the Ge family!" Ge

Yuhan hurriedly introduced without waiting for David to speak!

"The Ge family in the secret realm of Fire Gate?" Yao Shenghui frowned slightly, "I haven't heard of any geniuses in the Ge family, why do you speak so loudly?"

"I just heard about the secular world, when did the secular world deserve to follow our secret realm to compare?"

Chapter 2292

"Young Master Yao, this person is David, he is from the secular world, and he has never seen a guy in the world."

Seeing that David was noticed by Yao Shenghui, Lu Chang hurried forward to assist.

"People from the secular world?" Yao Shenghui's eyes narrowed, "When did we allow people from the secular world to participate in our secret world conference?"

"Young Master Yao, now Mr. Chen is a member of our Ge family, representing our Ge family to attend the secret world conference. Yes ."

Ge Yuhan hurriedly explained!

"Let a boy from the secular world represent your Ge family, it's too embarrassing for us in the secret

realm of Huomen!" At this time, Jin Yuan came over, and then saluted Yao Shenghui, "Young master Yao, my name is Jin Yuan, I am in the secret realm of Huomen. The people from Zhanyue Pavilion."

"It turned out to be Brother Jin, I've admired him for a long time!" Yao Shenghui clasped his fists, and then asked, "What's going on with this guy named David? Is it really from the secular world?"

"Yes, he is From the secular world, I don't know what it has to do with the Ge family, so the Ge family gave him a place to participate in the secret realm conference."

Jin Yuan said truthfully!

"That's true..." Yao Shenghui's eyes fell on David again!

"Young Master Yao, actually..."

Ge Yuhan wanted to explain, but was interrupted by Yao Shenghui waving his hand, and then said, "I have to report this matter truthfully, and let people from the secular world come to the Secret Realm Conference, this is blatant. Violating the rules."

After saying that, Yao Shenghui stomped at his feet, and the whole person rose into the air and fell on the high platform in an instant!

"Shenghui, what happened just now?"

asked Yao Qisheng, the Sect Master of the Purple Thunder Sect.

What happened just now was clearly seen on the high platform!

"Master, the disciple just discovered that there are people from the secular world appearing at the Secret Realm Conference."

Yao Shenghui said.

"What, there are people from the secular world? What's going on?" Yu Qian frowned!

As the person who controls the right to speak at the Secret Realm Conference, someone openly It's okay to violate the rules!

"Patriarch Yu, I was down there just now and heard someone say that there are people from the secular world who entered the secret realm conference."

"That person's name is David, and he was brought in by the Ge family in the secret realm of Fire Gate."

Yao Shenghui said truthfully!

After Yu Qian heard this, he instantly turned his attention to Ge Cangsheng who was sitting on the side!

"Ge Cangsheng, what the hell is going on?" Yu Qian asked.

Everyone else also turned their attention to Ge Cangsheng, not understanding how Ge Cangsheng would bring a person from the mundane world here!

You must know that the number of places to participate in this secret realm conference is very precious, and Ge Cangsheng is willing to give a place to a person from the secular world!

"Yu Patriarch, Mr. Chen is indeed a member of the secular world, but he is also a member of my Ge family, so representing our Ge family to participate in this secret realm conference is completely in line with the regulations!"

"I believe that many families have their own in the secular world. It's not surprising that some families will send people to the mundane world, could it be that those people who return from the mundane world can't represent the family to participate in the secret realm conference?"

Ge Cangsheng had already thought about his words.

"Mr. Chen?" Yu Qian looked at Ge Cangsheng with a puzzled face. "Is this person a warrior or a monk? You call him so respectfully. It seems that he has an unusual relationship with your Ge family?"

"Mr. Chen is a monk. It is kind to our Ge family, so now everything in our Ge family should belong to Mr. Chen."

Ge Cangsheng said!

As soon as Ge Cangsheng's words came out, everyone was shocked, only the expression on Jiang Wuya's face didn't change!

"So, I really want to meet this person!"

Yu Qian was deeply curious about David!

Even other people were curious about who David was to be able to make Ge Cangsheng say so!

"Shenghui, Patriarch Yu is curious, go and bring this David up!"

Yao Qisheng said to Yao Shenghui.

Chapter 2293

"Yes!" Yao Shenghui nodded, then jumped up and landed in front of David!

"Boy, the head of the family on the high platform wants to see you, come with me!"

Yao Shenghui said to David!

As soon as David heard it, he also just wanted to go to the high platform and see everyone in the eight secret realms!

Following Yao Shenghui, David jumped lightly and reached the high platform!

When David stood in front of everyone, many people were surprised. They did not expect that David was so young!

"Mr. Chen..."

Seeing David, Ge Cangsheng got up and gave up his seat to David!

As a hall entrance of Tianlong Hall, Ge Cangsheng must be respectful in front of David, the hall master!

Moreover, the reason why Ge Cangsheng did this in public was to let everyone see it, and let these people think about the Ge family when they were attracted to David!

"Old Ge Clan, don't do this, you sit!"

David waved his hand and let Ge Cangsheng sit down, and then his eyes swept in front of everyone!

In the face of the big talkers of the eight secret realms, David didn't even have the slightest timidity!

"You are David?" Yu Qian looked at David and asked.

"Yes!"

David nodded!

"Are you from the secular world?" Yu Qian asked again.

"Yes!" David answered expressionlessly!

Yu Qian's eyes kept looking at David, and then he was slightly surprised and said, "I didn't expect that in the mundane world, you can still cultivate the

strength of the three realms of distraction. It seems that although the recovery of spiritual energy has failed, the suppression of the law of the sky has been reduced. A lot!"

Yu Qian thought that David was able to cultivate to a distracted state in the secular world because the suppression of the laws of heaven and earth was reduced!

"Patriarch Yu, leave him alone for now. I think it's better to continue. I estimate that many people are gearing up for the ringing of the dragon bell!"

Yao Qisheng said to Yu Qian!

"it is good! Yu Qian nodded, then looked at the young people standing behind him and said, "You guys, who wants to try?" "

"Dad, let me come!" "

Yu Jiameng with a scarf stood up!

"En! "Yu Qian nodded, "You have to be careful, don't be brave..."

"Got it!" After Yu Jiameng finished speaking, he jumped up and fell to the front of the clock tower!

Pushing open the copper door, Yu Jiameng walked in!

But this time, Yu Jiameng took more time, more than 40 minutes. , this is the top of the bell tower!

Seeing his daughter safely climbed to the top of the bell tower, Yu Qian was obviously relieved!

The reason why the rules for ringing the bell at the Secret Realm Conference this time was revised is also to let his daughter. Ring the dragon bell!

Although it takes a lot of spiritual energy to ring the dragon bell, and there are dangers, but every time you ring the dragon bell, it is an exercise for yourself!

Yu Jiameng went up to the bell tower, deep inside After taking a breath, he picked up the bell hammer, and then slammed it towards the dragon bell!

As the bell hammer slammed heavily on the dragon bell, a melodious bell sounded, and then a golden dragon appeared. Everyone couldn't help cheering .

They didn't expect that a girl in Yu Jiameng could actually ring the dragon-patterned bell!

At this moment, Yu Jiameng had a very confident expression on her face, and she held the bell hammer tightly, wanting to ring it. But this

time, as the bell hammer hit the dragon-patterned clock, there was no bell sound, but a huge shock force, causing the bell hammer to fall to the ground and Yu Jiameng's body to fly directly. Out of the clock tower, he spit out a mouthful of blood in the air!

"Meng'er..."

Yu Qian jumped up quickly and caught Yu Jiameng.

"Dad, I'm fine..."

Yu Jiameng wiped it Wipe the blood from the corner of his mouth and say!

"I'm not telling you not to be brave, you must know that the anti-shock force of this dragon clock can kill people at any time."

Yu Qian said to Yu Jiameng both angry and distressed.

Chapter 2294

Yu Jiameng bowed her head and said nothing, but she just wanted to work hard to express herself, but she was a little brave!

If her father hadn't acted in time, she would have been injured too!

Yu Qian brought Yu Jiameng to the high platform, and then said to the crowd, "The dragon pattern bell is not something that can be rung casually, it is life-threatening. Is it worth it?"

Yu Qian's words made many people who were eager to try, all retreat, and it is indeed not worth it to let their lives be ruined for the sake of ringing the bell!

Even if they are injured, it is not worth it at all. After all, they are here to compete. If they are injured, how can they compete!

"Are any of you willing to give it a try?"

Yu Qian asked, looking at the remaining three people behind him!

The three looked at each other, then shook their heads at each other. If they tried to ring the dragon bell, the next fight would definitely be affected.

"Patriarch Yu, the Secret Realm Conference has not been held for so many years. We are very much like watching Patriarch Yu ring the dragon bell and see the spectacular scene of the three dragons taking off!"

At this time, Yao Shenghui said to Yu Qian!

Yu Qian was stunned for a moment, then waved his hand and said, "I can't do it anymore, I'm old, I'm afraid I won't be able to knock."

"Yu Patriarch, since that's the case, I still want to try it to see if I can knock out the three dragons. The scene of flying."

Yao Shenghui actually wanted to ring the dragon bell again!

Yao Shenghui's words made everyone stunned, even his master Yao Qisheng frowned and said, "Shenghui, what are you talking about? It's good to be able to ring the dragon bell twice."

"And you I just rang the dragon-patterned bell, and my spiritual power hasn't responded yet, so if I ring it again, wouldn't it be courting death?"

Yao Qisheng reprimanded Yao Shenghui loudly, since the secret realm conference was held. Do, no one has ever made such a request!

Others are also talking about Yao Shenghui! "This Yao Shenghui

, who is number one on the Billboard, seems very dissatisfied with himself ringing the dragon bell twice!" Shall we

strike again?"

"What happened to Yao Shenghui today? It's a little unusual?"

Everyone was talking about it, but Yao Shenghui didn't care!

He didn't care about his master's reprimand, but said to Yu Qian, "Yu Patriarch, I'm a little dissatisfied with my results just now. If I were to knock it once, I would definitely be able to knock out the three dragons soaring."

Yao Shenghui had a look on his face. Confident, while Yu Qian looked at him quietly, and then said, "Do you want to knock out the three dragons soaring so that everyone can see that your strength can match me?"

Yu Qian knew that Yao Shenghui insisted on knocking once, and insisted. The reason for ringing three times is nothing more than wanting to show his strength in front of everyone, so that everyone can see that Yao Shenghui is no worse than himself!

Yao Shenghui has great ambitions, even surpassing his master Yao Qisheng!

“Yu Patriarch, as the saying goes, the back waves of the Yangtze River push the front waves, and the blue is better than the blue. You don’t want us younger generations to live under your wings forever, right?”

Yao Shenghui said with a faint smile.

“Shenghui, why are you talking to Patriarch Yu? Quickly apologize to Patriarch Yu...”

Seeing this, Yao Qisheng immediately reprimanded Yao Shenghui!

But Yu Qian waved his hand, without the slightest displeasure on his face, and said with a smile, “Sect Master Yao, it is understandable to be young and energetic, and everything after the secret realm needs young people to take over, after all, we are all old!”

Then Yu Qian Looking at Yao Shenghui, he said, “If you want to ring the dragon bell once, I can promise you, but before you strike, I also want to move my muscles and bones, otherwise it will rust!”
