

# A Man Like None Other

## Novel

### Chapter 2301

Yao Shenghui looked at David with a gloomy face. He felt the pressure on David at the moment, and it seemed that he would not be able to keep the number one spot on the list!

"David, great..."

Han Qing'er shouted excitedly, jumping directly onto the high platform.

This made Lu Chang, who has always been by his side, look extremely ugly!

When she came to the high platform, Han Qinger's beautiful eyes shone with light, and the love in her eyes could not be hidden at all!

David smiled at Han Qing'er with tenderness in his eyes!

Since he wants to rely on Han Qinger to break into Zixiao Mansion, he must have a good relationship with Han Qinger now!

Someone saw Han Qing'er and David frowning, and immediately joked, "Palace Master Han, this David, I'm afraid this is not your son-in-law, right? Haven't I heard you mention it before?"

Although he knew that the other party was joking, Han Fusheng frowned. After wrinkling, he yelled at Han Qinger, "Qinger, it's rude, there is no invitation, are you able to climb this high platform, let me go down..."

Han Fusheng's roar made Han Qinger pouted, and finally only can go on!

"Yu Patriarch, I feel that it is very problematic for David to ring the dragon-patterned bell. I am afraid that both the hammer and the dragon-patterned clock are broken, right?"

"A bell hammer? How could it be possible to knock out nine golden dragons with one hammer?"

"This is obviously illogical, either the bell hammer and the dragon clock are broken, or this guy is hiding his strength!"

"Now the dragon clock is in his hands! His hand became smaller and he put it away, he must know the secret of the dragon clock!"

Yao Shenghui yelled, he couldn't accept a person who was distracted by the three realms and left him far behind!

Yu Qian also felt strange, frowned slightly and said, "David, why did you make the dragon clock smaller, and why did you put them away?"

"Do you know the secret of this dragon clock, so you can knock out nine golden dragons with one hammer so easily?"

"Yes, I do know the secret of this dragon clock, and this dragon clock is mine..." David nodded!

When David said these words, everyone was in an uproar!

Yu Qian looked at David in disbelief. He didn't understand, how could this dragon clock, which has been around for many years, become David's?

"David, you are so outspoken, this dragon clock has been here for hundreds of years. How old are you, how did you become yours?"

Yao Shenghui didn't believe what David said!

Not only Yao Shenghui didn't believe it, but no one believed David at all.

"Believe it or not, this dragon-patterned clock was originally my family's thing, and now I take it back, it's a matter of course!"

David said indifferently.

"Your family?" Yu Qian frowned slightly, "then who is your father? Who is your ancestor? How can there be such a thing as a dragon clock?"

"Who is my father, I can't tell you, but This dragon clock is indeed my family."

"If you don't believe me, you can try it now, this dragon clock is in my hands, and none of you can ring it, not only can it not ring, but you can't even hold the hammer. Get up."

After David finished speaking, he took the dragon clock directly out of the storage ring!

Soon the dragon clock became as tall as a person, and the bell hammer was also placed aside!

"Who are you bluffing, I don't believe it..."

Yao Shenghui finished speaking, and went straight forward to pick up the bell hammer and ring the dragon bell!

But Yao Shenghui tried several times, but he really couldn't move the clock hammer. In the end, he even exerted the strength to suck the milk, but the clock hammer still didn't move!

This time, Yao Shenghui's face was flushed, and he was speechless in embarrassment!

And that Yu Qian glanced at David, although he didn't speak, he bent down and grabbed the hammer!

Yu Qian's breath began to erupt, and then he tried hard to pick up the bell hammer!

## Chapter 2302

Only this time, the bell hammer was like a mountain, no matter how hard Yu Qian tried, he couldn't shake the bell hammer!

Everyone looked at it in shock, not understanding that Yu Qian, who was able to ring the dragon clock five times just now, couldn't even lift the hammer at this moment!

"I said, this is something from our family, and now only I can ring the dragon bell..."

David said with a faint smile.

"David, then try it. If you can ring it again, I will admit that this dragon-

patterned clock belongs to your family. You can take it away!" Yu Qian didn't quite believe it. He couldn't even hold the hammer. David can still move!

"Okay!"

After David finished speaking, he waved his hand directly, and the hammer actually came into David's hands!

Immediately after David slammed the hammer down, the melodious bell sounded instantly.

Under the sound of this bell, everyone trembled and fell into confusion!

Although there was no golden dragon taking off this time, the bell rang for more than ten minutes!

And for these ten minutes, everyone remained motionless, all immersed in the sound of the bell!

When the bell stopped, everyone reacted!

If David wanted to attack them during this period of time, it is estimated that one person would not be able to survive!

“Do you believe it now?”

David looked at Yu Qian and asked.

Yu Qian didn't speak, but the expression on his face was extremely complicated.

Seeing that Yu Qian didn't speak, David gently stroked the dragon-pattern clock with his palm, and the dragon-pattern clock instantly became smaller, and was then put into the storage ring by David!

But this time, no one was blocking David, and no one spoke up!

Even that Yao Shenghui looked to the side with an ugly face. At this time, who would dare to doubt what David said?

After putting away the dragon clock, the power of the dragon in David's body instantly returned to the dragon family!

After knowing the origin of the clock hammer and the dragon clock, David can easily control it!

Because in order to control the two ancient divine weapons, the power of the divine dragon needs to be used. If you only rely on the spiritual power to forcefully activate the two divine weapons, you will not be able to fully utilize the power of the two divine weapons!

And the power of the divine dragon is only possessed by the dragon race, so even if ordinary people get these two ancient divine weapons, they cannot use it!

This is why David can easily pick up the bell hammer and ring the dragon bell easily!

"Okay, in the future, the ringing of the dragon bell will be canceled at the secret realm conference."

"I will announce the start of the competition in the secret realm conference. Let each group find their own arena!"

Yu Qian hurriedly announced the start of the competition. Otherwise, they will be slapped in the face by David if they are entangled for the dragon clock!

As Yu Qian announced the start of the fight, the major secret realms began to look for their own arenas!

Yao Shenghui jumped and landed directly on the first arena. A big word was written on the arena. This is the arena of the secret realm of the underground gate!

The others are also looking for their own arena in the secret realm, because the first person to stand on the arena must be the youngest person with the highest strength in each secret realm, because only in this way will they not be easily attacked and succeeded!

The top five people on the Billboard have all found their respective arenas and stood in the first match without a doubt!

But in the secret realm of Huomen, Jin Lifu wanted his son Jin Yuan to take the lead. After all, in the secret realm of Huomen, he was the most powerful!

But now David rang the dragon bell and showed a lot of face directly, so that many people could not understand David's true strength, so Ge Cangsheng and Jiang Wuya hope that David can be the first to fight!

Without knowing the true strength of the opponent, many people would choose to avoid David, and would not follow David to fight, so that their arena in the secret realm of Fire Gate could last longer.

## Chapter 2303

"Okay, I don't want to fight, let Jin Yuan fight!"

David didn't intend to keep fighting. After all, he didn't know much about the eight secret realms. He just took advantage of this conference to understand the strength of the major secret realms!

David has spoken, Ge Cangsheng will not fight, let Jin Yuan fight!

Soon, some people began to look for opponents to fight, but as Yao Shenghui, who was number one on the Billboard, there was no one in front of the ring, and no one was stupid enough to fight with Yao Shenghui in the first match!

At this moment, Yao Shenghui is sitting in the ring with a bit of pride on his face. The face he just lost on the dragon clock seems to have been recovered at this moment!

No one dares to fight against him, which proves that these people are afraid of him!

David just glanced at Yao Shenghui, but when Yao Shenghui saw it, he immediately waved and said, "David, if you can knock out nine golden dragons with one hammer, you must be very strong, or we two will fight?"

Yao Shenghui wanted to Follow David to a match, if David is defeated, then David's limelight will be covered up by him in an instant!

"If you don't fight, I can't beat you..."

David waved his hand and said without hesitation!

This time, Yao Shenghui was a little surprised. You must know that for these cultivators, they practiced desperately to get ahead, and no one was willing to admit that their strength was not good!

But as soon as David opened his mouth, he even admitted that he couldn't beat him, which greatly exceeded Yao Shenghui's expectations!

David did not pay attention to Yao Shenghui, but began to wander in front of the other arenas, watching those people fighting in the arena, and understanding the strength of these people in the secret realm!

"Mr. Chen, aren't you going to fight?"

Hou Zhen asked David.

David shook his head, "I'd better take a look at it first, and talk about it later..."

Hou Zhen knew that David was waiting, and he would see a weaker top fight later, David was shooting, and the chance of winning was relatively high!

"Mr. Chen, you have three chances anyway, as long as you don't get hit! If you lose three times, you can continue to challenge. "

Hou Zhen said.

David smiled slightly, but he didn't plan to fight, he just looked around, and finally made plans!

"Mr. Chen, since you don't want to fight, then I will..."

Hou Zhen After speaking, he jumped up and jumped directly onto a ring. At this moment, there was also a thin and thin man on the ring!

David just glanced at it, then shook his head slightly, and turned to leave!

“Mr. Chen , Do you think Hou Zhen can't beat the people in the ring? ”

At this time, Ge Yuhan saw David like that, so he asked.

“If you can't beat it, the monkey can support one move at most...”

David said.

“One move? Ge Yuhan didn't quite believe it and said, “Although Hou Zhen's strength is not high, he...”

Ge Yuhan didn't finish his words, but only heard a bang!

I saw Hou Zhen's body instantly flew off the ring and fell heavily. He was on the ground!

This time, Ge Yuhan looked at Hou Zhen and didn't know what to say! Hou Zhen got up, then blushed and said, “I'm careless, I'm careless...”

David smiled lightly and said nothing!

At this moment, a coquettish shout immediately caught David's attention!

David looked over and found that Han Qinger had already taken the stage and was fighting with a man in white!

Han Qinger held a long sword in his hand and kept waving it in his hand. Like a poisonous snake, it is constantly attacking!

And the man in white is unhurried, with a few smiles on his face, and keeps dodging! It

can be seen that the man in white is obviously letting Han Qinger and not in a hurry. Defeat Han Qinger!

“Why did Miss Han choose this guy to compete? This is obviously not an opponent!”

Hou Zhen said in confusion when he saw this.

## Chapter 2304

“Who is this guy in white?”

David asked.

“This guy is Feng Wuhen from the Fengyue Valley in the secret realm of the mountain gate, and he is strong...”

“This guy is lustful, but his strength is very strong. If it wasn’t because of the girl, he promised the other party to deliberately lose, and this Feng Wuhen should also be able to enter. It’s on the list.”

Hou Zhen introduced!

Sure enough, after Hou Zhen finished speaking, Feng Wuhen began to tease Han Qinger!

“Miss Han, you can consider my suggestion just now. If you let me kiss, I can defeat you now.”

Feng Wuhen stared at Han Qinger with a pair of eyes!

Han Qing'er's face flushed red. Although she didn't speak, the long sword in her hand was even sharper!

It's just that the difference in strength between the two is a bit big, and Han Qinger can't help that Feng Wuhen!

And that Feng Wuhen was just dodging, and was constantly teasing Han Qinger!

It seems that this arena, for him, is not for fighting, but for picking up girls!

"I'll hack you to death..."

Han Qinger was furious, and slashed the long sword in the air!

However, Feng Wuhen stretched out his hand and directly clamped Han Qinger's sword with two fingers. No matter how hard Han Qinger tried, she couldn't pull the sword back!

Dang.....

Then there was a crisp sound, and Han Qinger's long sword broke directly. Just as Han Qinger was stunned, Feng Wuhen grabbed Han Qinger's wrist and pulled Han Qinger directly into her arms!

Han Qinger panicked and struggled desperately, but she couldn't get away at all, and Feng Wuhen looked at Han Qinger with a wicked smile, and moved her mouth towards Han Qinger's face!

"Bah, you big pervert, shameless..."

Han Qinger spat that Feng Wuhen fiercely!

The lewd smile on Feng Wuhen's face disappeared instantly, replaced by a gloomy face.

"Damn, shame on you..."

After that, Feng Wuhen slapped it with a palm, and directly shot Han Qinger out of the ring, and threw it out of the ring!

It's just that Han Qinger just fell out of the ring and was caught by the people of Zixiao Mansion, and it didn't cause much damage!

At this time, after Feng Wuhen threw Han Qinger out of the ring, his eyes swept down, and then his eyes fell on Ge Yuhan!

The gloomy face was instantly filled with a smirk.

"Miss Ge, do you want to compete with me? I can let you, as long as you let me kiss, I will admit defeat immediately and let you win the game!"

"If you let me sleep for one night, I will You can make everyone in our Mountain Gate Secret Realm lose to you, what do you think of this deal?"

Feng Wuhen asked Ge Yuhan.

Ge Yuhan's face was blue with anger, and he took the stage angrily, but was stopped by David!

"You go up, it's not his opponent, let me come..."

David looked at Feng Wuhen and decided to go up and teach this guy a lesson!

But just when David was about to take the stage, he saw a figure flashing by, and then jumped onto the ring!

David looked and found that it was Lu Chang!

Lu Chang, who originally occupied a ring, ran over when he saw that Han Qinger was being bullied by Feng Wuhen.

"Feng Wuhen, don't be so arrogant, today I will castrate you and make you a eunuch..."

Lu Chang roared at Feng Wuhen.

"Lu Chang, you licking dog, what are you calling me? With your three-legged cat skills, you dare to fight with me on stage?"

Feng Wuhen looked like he didn't take Lu Chang seriously at all!

"Today, even if I try my best, I will castrate you..."

Lu Chang's face was flushed, and the aura on his body began to rise!

"You are not his opponent, come down..."

At this moment, a coquettish shout sounded, and then a beautiful figure appeared on the ring!

Lu Chang wanted to get angry, but when he saw the person coming, he swallowed the words instantly!
