Novel

Chapter 2305

Because it was Yu Jiameng who came to power, Yu Qian's daughter, not to mention that Yu Jiameng was a figure on the list, but Yu Qian's reputation in the eight secret realms, Lu Chang did not dare to disrespect Jiameng!

"Miss Yu, I..."

Lu Chang wanted to say something, but Yu Jiameng glared at him and said, "Go down..."

Lu Chang was shaking, and he could only jump off the ring!

"Miss Yu, you are not in your own arena, why did you come to my arena?"

Seeing Yu Jiameng, Feng Wuhen no longer had that lewd smile on his face, but asked slightly embarrassed.

"I can't watch you bully women. Today I will compare with you. If I lose, I can let you kiss. If you lose, I will castrate you..."

Yu Jiameng's face was cold, her eyes were full of Killing intent!

"Miss Yu, stop joking, I'm not your opponent, I won't fight you, I'll admit defeat..."

Feng Wuhen is not stupid, he can't compete with Yu Jiameng!

"You are not allowed to admit defeat..."

Yu Jiameng scolded!

"Why can't you admit defeat? The rules are allowed, you can't modify the rules without authorization because your father is Yu Qian?"

Feng Wuhen said!

This time, Yu Jiameng has nothing to say. After all, if she doesn't agree, she doesn't even follow the rules set by his father!

Can agree with Feng Wuhen to admit defeat, but there is no way to teach this big pervert.

For a time, Yu Jiameng was in a dilemma!

"It's better for me to meet this shameless guy..."

At this time, David spoke, and then walked towards the ring!

Yu Jiameng looked at David and frowned slightly, "You?"

Although David rang the dragon bell, and even knocked out nine golden dragons with one hammer, Yu Jiameng didn't think David's strength was strong!

After all, David was able to ring the dragon bell because he knew the secret of the dragon bell, and it had nothing to do with strength!

Just David's distraction How could the strength of the realm be Feng Wuhen's opponent!

"David..."

Seeing this, Han Qinger hurriedly stepped forward to stop David, "Don't go up, you are not Feng Wuhen's opponent, you can't beat him."

Seeing Han Qinger caring so much about David, Lu Chang became angry. The fire is in full swing!

"Don't worry, he dares to tease you, I'll punch his shit out today..."

David smiled at Han Qinger.

Hearing David say this, Han Qinger burst out laughing, and then said, "Then be careful, if you can't, just admit defeat, he can't do it."

David nodded, and then jumped to the top of the ring!

"Miss Yu, he doesn't dare to fight with you, you better go down and I'll make a match with him."

"If he can't even compete with me as a monk in the mundane world, then just let him go home and leave the Eight Great Mysteries. Come on, don't embarrass the Eight Great Secret Realms."

David said to Yu Jiameng!

David's words are deliberately stimulating that Feng Wuhen, in order to make him fight, if this guy still admits defeat, David can't do anything about him!

After all, in the eyes of this guy, women are more important than victory or defeat!

"Hey, you are a guy in the world, what are you so awesome?"

"Don't think that you have sounded the dragon bell, everyone is afraid of you, and I will step on you today."

Feng Wuhen roared, It really fell into the trap of David!

Yu Jia dreamed that she could only leave the ring and see how David taught Feng Wuhen a lesson!

Because many people don't know David's true strength, and David just rang the dragon bell, so many people came over to see the battle between David and Feng Wuhen!

Even those people on the high platform looked over, wanting to see David's true strength!

David has become the focus now, which makes Feng Wuhen very excited!

As long as he can easily defeat David, his fame will be instantly opened in the eight secret realms!

Chapter 2306

"Today I won't shoot your shit, I won't step into the secret realm..."

After David finished speaking, the Dragon Slaying Sword in his hand appeared instantly!

The sword was free, and I saw the Dragon Slaying Sword making a humming sound, and the endless sword intent burst out at this moment!

David looked at Feng Wuhen with an endless sneer on his face!

Although David's realm does not seem to have changed at this time, the power of the dragon in his body has increased a lot!

If it wasn't to prevent the exposure of all his strength, the piece that David appeared in the Dragon Slaying Sword would have already been roaring with golden dragons, and it has the potential to shake the sky and earth!

Feeling the sword intent emanating from the Dragon Slaying Sword, the contempt on Feng Wuhen's face disappeared, replaced by a solemn look!

The moment the Dragon Slaying Sword appeared, he knew that David was not easy to mess with.

Feng Wuhen also slowly drew out a treasured sword, and instantly the sword glowed everywhere, killing intent!

David and Feng Wuhen looked at each other, neither of them made a move first!

In the real master duel, the first shot is definitely to take the lead, but it is also possible to expose one's own flaws and weaknesses!

And among masters like them, maybe just a single flaw can turn a defeat into a victory!

"Come on, let me see what kind of strength you can achieve as a monk in the mundane world!"

Feng Wuhen waved at David!

David snorted coldly, and then his body suddenly moved!

I saw the Dragon Slaying Sword in David's hand shaking slightly, and a domineering sword light was seen heading towards Feng Wuhen.

When he felt the sword glow emanating from David's Dragon Slaying Sword, Feng Wuhen also moved, and the long sword in his hand instantly drew little cherry blossoms in the air!

boom!

A terrifying aura swept out from Feng Wuhen's sword, which instantly blocked David's sword glow.

This Feng Wuhen's strength is indeed very strong, David's sword was blocked so easily by him!

"Hmph, just these two times, I dare to show off on stage! "

Feng Wuhen sneered, the solemnity on his face disappeared, the strength of David's sword just now, to him, there is no threat at all!

"Wan Jian returns..."

Feng Wuhen suddenly held a long hand in his hand The sword was thrown in the air, and there was a rumbling sound in the sky!

At this moment, above David's head, countless sword shadows appeared, and then fell from the sky, heading straight for David!

At the same time, Feng Wuhen stomped his foot gently. , Countless gravels around the arena rose into the sky, and David was drowned in an instant!

With sword rain above his head and gravel formations under his feet, David had no escape, no escape...

"Hahaha, on the Billboard Without me, do you think I am easy to bully? "

Feng Wuhen laughed!

At this moment, accompanied by a buzzing sound, a golden light shot up into the sky, breaking through the stone formation in an instant.

Under the golden light, David held the Dragon Slaying Sword . At

this time, David was covered by the golden scales, and his golden body was activated, and he directly wrapped Chen

Ping

! Kai, it didn't cause any harm to David at all!

Everyone was surprised when they saw this scene!

They didn't understand, what exactly was covering David's body, how could it be so hard!

Even Feng Wuhen He also frowned and looked at David coldly!

"You said, then David follows Feng Wuhen, who can win? On the

high platform, Yu Qian looked at the situation on the ring, and asked.

"Although David has a lot of methods, he all relies on the various treasures on his body. "

"The armor he wears and the sword in his hand are not of ordinary quality."

"If there was no bonus from these treasures, he would have been placed under the sword without traces."

Jin Lifu analyzed. !

Chapter 2307

"Golden Pavilion Master's analysis is good, that David's strength is not high, the reason why he can fight with Feng Wuhen is thanks to the treasures on his body!"

"But a person from the secular world actually has so many treasures on his body, is it ? Doesn't it seem a bit unreasonable?"

Yao Qisheng also believes that David can't beat Feng Wuhen at all!

"Wait a minute, this David's real strength is probably beyond our imagination."

Han Fu stared at David and said!

When Han Qinger was bullied by Feng Wuhen, Han Fusheng kept watching, but the rule was that their elders could not participate!

Unless Han Qinger admits defeat, that Feng Wuhen is harassing endlessly, Han Fusheng will be able to take action!

When he saw David on stage for his daughter, Han Fusheng had a lot of good feelings for David!

Only then will there be such occasions to praise David so much!

“Mr. Chen hasn’t used all his strength, otherwise Feng Wuhen has already lost.”

Jiang Wuya said slowly!

Jiang Wuya knew that David still had a Flaming Tiger mount in his hand. If David released the Flaming Tiger at this time, how could Feng Wuhen be the opponent of the Flaming Tiger and Davidjia together!

But now David has not released the flaming tiger, it seems that he is afraid of revealing his true strength, so as not to be missed by others!

Everyone glanced at Jiang Wuya with an unbelievable look on their faces!

They don’t believe what Jiang Wuya said, David’s strength is only in the three realms of distraction. If he can follow Feng Wuhen to make a move, he is already very powerful. How can he defeat Feng Wuhen so quickly!

Since no one believed him, Jiang Wuya didn’t say anything anymore, only Ge Cangsheng was watching every move in the ring attentively at this moment!

At this time, Feng Wuhen's face in the ring was a little ugly, and he said to David in a cold voice, "Boy, you are a monk in the secular world. There is no way to make up for it with treasures.

After Feng Wuhen finished speaking, he stabbed the long sword in his hand, and suddenly a sword light pierced the air and came straight to David's head! It

seems that Feng Wuhen knew that the indestructible golden body on David's body was extremely hard, so This time it went straight to David's head!

And if this sword was stabbed, then David would die!

"David, be careful..."

Han Qinger was under the stage and saw that Feng Wuhen was actually right David was moved to kill, and suddenly reminded loudly!

On the high platform, when Ge Cangsheng saw that Feng Wuhen was using his ultimate move, he hurriedly said to Yu Qian, "Yu Patriarch, that Feng Wuhen violated the rules and moved directly. Kill the heart! "You

must know that the competition in the secret realm conference is only for the purpose of learning from each other, distinguishing winners and losers, and obtaining resources. There is no deep hatred, so no one will kill the killer!

"Ge Cangsheng, this is a master duel. It is inevitable, and David is not a fool, can't he hide? "

Fengjingyan, the master of Fengyuegu Valley, the secret realm of the mountain gate, said disdainfully!

"Fengjingyan, what do you mean?" Is that your disciple a mistake? Obviously, he is motivated to kill. If Mr. Chen has three strengths and two weaknesses, my Ge family will never stop with you! "

Ge Cangsheng glared at Fengjingyan fiercely and said!

"Hmph, your Ge family is a piece of shit, in the secret realm of Fire Gate, your Ge family is nothing, you dare to threaten me!" "

Fengjingyan snorted coldly, looking down on the Ge family at all!

"You..." Ge Cangsheng was furious, his aura began to rise.

Fengjingyan didn't show weakness, and the momentum burst out instantly!

"Okay, this secret realm conference, Not where you fight! "

Yu Qian let out a cold roar, which made Ge Cangsheng and Feng Jingyan take their breath away.

At this moment, on the ring, David looked at Feng Wuhen's sword glow, his feet slid gently, his body was like a phantom in an instant, constantly changing on the ring!

Chapter 2308

Feng Wuhen spurted out the sword glow, and was directly dodged by David. The sword glow hit the ring on the side, and the ring was torn apart in an instant!

Feng Wuhen looked at David's elegant movement, his eyes narrowed slightly, and the long sword in his hand kept swinging out!

Several sword beams shot out, instantly blocking the four directions on the ring, he wanted to see how David escaped!

When David saw this, the pace under his feet became faster, but those sword lights seemed to have eyes, turned into streams of light, and kept attacking around David!

Seeing this scene, everyone also became nervous, this time David is afraid that it will be difficult to escape!

But just when everyone thought that David could not escape this sword, suddenly David, who had only one figure, appeared at the same time in four directions above the ring!

There is a figure of David in every direction, and each figure is holding a dragon sword, just like the main body!

This time, everyone was stunned, and Feng Wuhen was also stunned for a while, and then quickly controlled several sword lights, and shot out towards David who appeared at the same time!

Pfft...

The sword light penetrated David's body and made a dull sound!

Puff puff.....

Then there were a few soft sounds, Feng Wuhen saw all the David figures that appeared, all of them were penetrated by the sword light!

"Hmph, even a mere illusionist, dare to show off!"

Feng Wuhen sneered!

Feng Wuhen knew that there were so many Davids suddenly appearing, it must be because David used illusions. Among these Davids, all of them must be fake, and only one is real!

Although Feng Wuhen couldn't tell the difference, he could kill all the Davids that appeared, so no matter which one was the main body, David would be killed instantly!

Now looking at all the figures that David appeared, all of them were penetrated by Jianmang, Feng Wuhen was very happy!

But just as Feng Wuhen showed a smile, he found that David, who had suddenly appeared, slowly turned into a ray of light and disappeared after the sword light penetrated.lost!

Four directions, four Davids, all disappeared after Jianmang penetrated!

"This... what's going on?"

Feng Wuhen wondered, there is no real body in these Davids. Since these are all transformed by David, where is David's body?

After all, the arena is so big, it is impossible for David to leave, and if he leaves the arena halfway, he is sentenced to fail.

"Are you looking for me?"

At this moment, a voice sounded behind Feng Wuhen!

Feng Wuhen was stunned for a moment, then turned his head suddenly, when he saw a figure appearing behind him, Feng Wuhen was so frightened that he almost urinated his pants!

Feng Wuhen instinctively turned around, and then he punched out!

But Feng Wuhen's fist hadn't arrived yet, but David slapped his face fiercely, and slapped Feng Wuhen to the ground on the spot.

The whole place was silent, and everyone stared wide-eyed, watching in disbelief!

Even many people did not find out when David got behind that Feng Wuhen!

Moreover, the two swords that Feng Wuhen took with anger were easily avoided by David!

On the high platform, the faces of the people who originally said that David was not Feng Wuhen's opponent at all became a little embarrassed.

Especially Fengjingyan, seeing his apprentice being slapped, only he knows the feeling.

Jin Yuan and Lu Chang were surprised and looked at it in disbelief. At this moment, the two of them were extremely shocked in their hearts. Originally, they thought they could easily handle David.

But now it seems that they are afraid that they are going to turn around and be pinched by David!

In the arena of the secret realm of the underground gate, Yao Shenghui looked at this side with a calm expression, not knowing what was in his mind!

Han Qinger and Ge Yuhan were all excited, and their beautiful eyes blinked!

"Mr. Chen is awesome..."

Hou Zhen raised his arms and shouted, as if to vent all the sullenness in his heart!
