Novel Chapter 2309 – 2310

Chapter 2309

“Fengjingyan, your apprentice doesn’t seem to have learned anything except to pick up girls. How can you be a master?”

“ It’s not him, but your Fengyuegu face!”

Han Fusheng said with a playful look!

Just now, Feng Wuhen teased Han Qinger, which made Han Fusheng dissatisfied for a long time. Now it’s time to vent his anger!

Han Fusheng’s words made Fengjingyan very ugly, but he didn’t speak.

“That Feng Wuhen can’t have only this ability, it should be more exciting later...”

Yu Qian said lightly!

Everyone actually knows that Feng Wuhen still has no real means to come out. The reason why he was slapped by David is because he underestimated the enemy!

David came from a secular world, and Feng Wuhen looked down on him at. In addition, David’s breath was only the strength of the three realms of distraction, which made Feng Wuhen even more careless!

If it wasn't for David's ringing of the dragon-patterned bell, and nine golden dragons were knocked out with one hammer, it is estimated that Feng Wuhen would not have fought with David.

"Just wait and see..."

Feng Jingyan's eyes were slightly condensed, and his face was gloomy!

He also believed that his apprentice would never be defeated by a guy from the world!

At this moment, Feng Wuhen, who was above the ring, looked at David with anger, and the slap of David just now took away all his self-esteem and face!

He also didn't expect that David actually had some means to let him be recruited!

"Boy, you have completely angered me, I want your life..."

At this time, Feng Wuhen didn't care about any rules and regulations, he shouted loudly, and blatantly shouted to kill David!

"You can kill me, it depends on whether you have that ability, since I said I'm going to shoot your shit, I will definitely do it, so you have to prepare to change clothes. "

David's mouth was slightly raised, with a disdainful expression, which made Feng Wuhen even more furious!

"Don't think that you can beat me by fancy means, today I want to let you know how good I am..."

After Feng Wuhen finished speaking, the aura on his body began to violently rush out of the private room, and waves of air rolled out and swept all around in an instant! When

David saw this, he lightly tapped, and his body quickly retreated to avoid its edge!

Feng Wuhen looked at his father, Feng Jingyan nodded toward Feng Wuhen, as if the two were communicating something!

Seeing his father nodding, Feng Wuhen seemed to have no scruples!

I saw the long sword in his hand Suddenly inserted into the center of the ring, the big mountain character in the center of the ring began to shine! The whole ring began to tremble violently, and suddenly the long sword seemed to be pushed out by

something!

The place where the sword penetrated came up, and these black qi began to cover the arena, slowly condensing!

Seeing these black qi, everyone was stunned, and many people looked at Feng Jingyan, with a look in their eyes I am puzzled and puzzled!

It's just that the wind scene at this time is not squinting, and it seems that he can't see everyone's eyes, but his eyes are staring at the ring!

A terrifying atmosphere begins to condense and continues to climb. , and those black qi gradually condensed into human figures.

The six human figures condensed by the black mist were also holding the condensed long swords in their hands, suspended in the air!

Seeing this scene, everyone gasped. A breath of cold air!

"Remnant soul? The remnant of the distracted realm? "

Ge Cangsheng looked at the condensed human figure on the ring, and frowned tightly!

“How can there be a remnant in Fengyuegu?” It even sealed the remnant soul in the arena, no wonder no one can break through the arena in the secret realm of the mountain gate. ”

Someone shouted in dissatisfaction!

Chapter 2310

At this moment, above the arena, David was surrounded by six remnants of souls, and with the breath of Feng Wuhen, they continued to oppress David!

All of a sudden, David was at a disadvantage in an instant. Now David is a pair of sevens. Many people are sweating for David!

Since Fengyuegu showed his trump card, I’m afraid it will be difficult for David to leave today.

“Fengjingyan, how did you get so many remnants from Fengyuegu? Could it be that you also have the means of refining remnants, is it because you can’t cultivate?”

Jiang Wuya asked loudly at Fengjingyan!

After all, refining remnant souls is despised by the world of cultivators, and only evil cultivators would do such a thing!

Now that Fengyuegu has suddenly revealed six remnant souls, it will definitely arouse everyone’s doubts!

“Is it an evil cultivator with remnant souls? These remnant souls are my spoils of war, can’t they?”

Feng Jingyan snorted coldly, apparently already thinking of a countermeasure!

Since he dares to let Feng Wuhen show his remnant soul, he is not afraid of these people asking questions!

“Okay, I know the remnant soul of Fengyuegu, they got it by destroying an evil cultivator.”

“But in order to deal with a person from the world, Fengyuegu even used the remnant soul, which is really worth him. !”

Yu Qian said expressionlessly.

Feng Jingyan didn't speak, in front of Yu Qian, he didn't dare to be too presumptuous!

“Old Ge, Mr. Chen is in trouble now.”

Jiang Wuya whispered to Ge Cangsheng!

Ge Cangsheng was very anxious at this moment. He didn't expect Fengyuegu to have remnants of souls, and it was just a fight, and they even released the remnants!

“Yu Patriarch, this is just a fight, this Fengyuegu released all the remnants of the soul, isn't it going to put people to death?”

“I think...”

Ge Cangsheng wanted to talk to Yu Qian and let Yu Qian call the shots for David!

But Yu Qian didn't wait for Ge Cangsheng to finish, but waved his hand and said, “Use the remnant to fight., does not violate the rules, just like that David used the treasure on his body to fight. ”

If you are afraid that David is in danger, you can make him admit defeat now, and I can guarantee that Feng Wuhen will not dare to shoot!” Seeing

this, Ge Cangsheng could only sigh helplessly, and then his toes dropped, and his body fell directly from the high platform!

“Mr. Chen, this is just a fight, don’t work hard, just admit defeat!” “

Ge Cangsheng is persuading David to admit defeat!

After all, it doesn’t matter if you admit defeat, and you can continue to compete later, as long as you don’t lose three games!

David glanced at Feng Wuhen, who was smug, and then said to Ge Cangsheng, “Ge clan Don’t worry, old man, I said that I want to punch his shit out, so I have to punch it out. Now that this kid is a cultist, I will not only punch out his shit, but also let him eat it. ”

Davidping looked at Feng Wuhen and the six remnant souls, and seemed not to be afraid at all.

Seeing David saying this, Ge Cangsheng could only resign helplessly. He didn’t dare to order David!

“Dad, you say Can Mr. Chen win? I see him very confident! ”

Ge Yuhan asked Ge Cangsheng in a low voice.

Ge Cangsheng shook his head, “I don’t know either, I don’t know if there are secrets about Mr. Chen that I don’t know! ”

“He also has a flaming tiger. If he releases the flaming tiger, is there a chance of winning?” “

Ge Yuhan asked!

“This remnant soul is illusory. Although the Flaming Tiger is powerful, but if you want to deal with this remnant soul, I am afraid that it will not be able to

use force. It depends on whether Mr. Chen has the means to deal with the remnant soul.” ”

Ge Cangsheng sighed helplessly!

At this moment, hearing that David was going to punch himself out and eat himself, Feng Wuhen is so angry!

“Boy, I won’t kill you today, but I will absolutely It will make your life worse than death, I will make you my puppet, I will make you kneel in front of me forever! ”

Feng Wuhen gritted his teeth, the corners of his eyes kept twitching, and the anger in his eyes was burning!
