## Novel

### Chapter 2319

In David's current situation, it is obvious that there is no way to fight, but the fight will last for a few days, so if David can recover within a few days, he can still catch up with the last fight!

Even if David couldn't recover in a short period of time, he couldn't participate in the battle, but in this battle, David's fame could be considered to be out!

It's just that there is no way to follow Jin Lifu's promise, but for David, even if Ge Cangsheng takes out the resources of the Ge family, he will not hesitate!

After rehabilitating David'an, Ge Cangsheng and the others returned to the square. Regarding David's injury, they had to let David recover by himself. They had no way to help. Say, it's of no use at all!

The fight did not stop because David killed Feng Wuhen, and the fight continued on the major arenas!

It's just that these competitions can no longer attract the attention of other people. After all, these competitions are like children playing at home for David and Feng Wuhen's competitions!

Soon, the first day of competition was over, and everyone entered the castle to rest. During the Secret Realm Conference, all those who entered were not allowed to leave, only after the Secret Realm Conference ended!

"Dad, why isn't Mr. Chen awake yet?"

Ge Yuhan saw David lying on the bed with no blood on his face. If it weren't for the faint breath in his body, then David would be like a dead person!

"How do I know that none of us can help Mr. Chen's injury..."

Ge Cangsheng looked at David like that, but his heart was burning with anxiety, but he was helpless!

At this moment, Han Qinger walked in with a bowl of porridge. Seeing David like this, Han Qinger's face was full of distress!

"Miss Han, what are you doing?"

Seeing Han Qinger coming, Ge Cangsheng asked curiously.

After all, each of the eight secret realms has its own rest area. Now that Han Qinger suddenly came here, Ge Cangsheng was a little puzzled!

"I made porridge with sea lotus seeds, which is probably good for David's injury!"

Han Qinger said.

"Miss Han, thank you for your kindness. It's just that Mr. Chen is in a coma now, and he can't eat anything. "

Ge Cangsheng said.

"I'll try..." Han Qinger didn't believe it, so she walked to the bed and started feeding David!

But no matter how hard Han Qinger tried, David couldn't eat a single bite!

"Miss Han, Don't try it, we've already tried it, and it doesn't work! "

Ge Cangsheng persuaded Han Qinger.

Han Qinger looked at David with tears in her eyes!

“Miss Han, let’s let Mr. Chen rest more, don’t disturb him...”

Ge Yuhan stepped forward and whispered to Han Qinger Said!

Han Qinger nodded, then slowly got up, looked at David with nostalgia and left!

“Let’s go too, then we can only see Mr. Chen’s own! ”

Ge Cangsheng also called Ge Yuhan away. They could only pray silently, nothing else could help!

For three days!

David was still in a coma, and there was no sign of waking up!

Although Ge Cangsheng was anxious, he didn’t. The slightest solution is to wait!

“Dad, one day tomorrow, the Secret Realm Conference will end, can Mr. Chen wake up? ”

Ge Yuhan said with a frown.

“It’s been three days and Mr. Chen hasn’t changed at all. I’m really afraid that he will stay in a coma like this!” ”

Ge Cangsheng sighed, and his heart was filled with that feeling of powerlessness!

At night, David was lying in the room by himself, and his weak breath could only keep his life from stopping!

This time Davidqiang used a dragon to act. Wen Zhong, the damage to him is huge!

But often under huge crises, there will be huge opportunities!

At this time, the dragon crystal on David's chest finally began to emit a faint light, and a trace of divine dragon power slowly radiated from the dragon crystal!

This trace of divine dragon power broke away from David's body and began to float in the air!

## Chapter 2320

Soon, the power of the dragon seemed to be guided, and instantly disappeared into a void!

Immediately afterwards, the void flickered with the light of debut, a human figure slowly appeared, and then a naked woman stood in front of David!

If David is awake at this time, you can see at a glance that the woman in front of her with a beautiful figure and naked is Huofeng!

Huofeng looked at David lying on the bed with pity in his eyes!

"Master, Huofeng is here to save you..."

After speaking, Huofeng slowly leaned down, and Cherry kissed David's mouth tightly!

A fiery red bead spit out from Huofeng's mouth and entered David's body instantly!

At the moment when the beads entered, Davidyuan's pale face turned rosy!

The dragon crystal on the chest also began to become active, and the power of the dragon continued to spread out, seemingly attracting the bead!

David's brows furrowed, and his body seemed to react!

Seeing this, Huofeng slowly lay on David's body!

Immediately afterwards, a piercing pain made Huofeng frown, but Huofeng gritted his teeth and tried his best not to let himself make a sound!

The flaming beads, in David's body, are surrounded by Longjing in David's body!

Long Jing, who had been completely exhausted and lifeless, seemed to be rejuvenated at this moment!

I saw that the bead turned into a colorful phoenix, and the dragon crystal in David's body rushed out of a golden dragon!

The dragon and the phoenix are auspicious, constantly circling together!

David seemed to feel that he had infinite power at this moment, and then turned over and began to attack desperately!

Huofeng gritted her teeth, tears dripping from the corners of her eyes, but in order to save David, she could only endure it!

I don't know how long it took, Huofeng's whole body has collapsed, and the original red bead has become bleak!

After slowly sucking the bead out of David's body, Huofeng slowly got up, Looking at David who was still in a coma, there was a satisfied smile on Huofeng's face!

"Master, it's my honor to be able to dedicate everything I have to you..."

After Huofeng finished speaking, his figure became weaker and lighter, and finally disappeared slowly!

The next morning!

David suddenly opened his eyes, looking at everything in the room, David frowned, as if thinking of something, and hurriedly lifted the quilt!

When he saw that he was naked, David fell into contemplation!

"Is this a dream, or is it real?"

David always felt like he had a dream, but he felt that the dream was so real!

Just when David was puzzled, Ge Yuhan walked in. She would come every morning to see if David was awake!

When Ge Yuhan walked into the room and saw David sitting naked on the bed, he was stunned!

David and Ge Yuhan looked at each other, and they were all stunned for a while!

In this way, after more than ten seconds, the two people reacted!

David hurriedly covered his body, while Ge Yuhan exclaimed, "Mr. Chen, you're awake, you're finally awake..."

After saying that, Ge Yuhan didn't care that David wasn't dressed yet, and jumped up directly. Excited!

Seeing Ge Yuhan like that, David looked a little embarrassed, and hurriedly asked, "Miss Ge, how long have I been in a coma?"

"Mr. Chen, you've been in a coma for three days. The conference is over."

Ge Yuhan said!

"I didn't expect that I've been in a coma for so long?" David frowned slightly, then looked at Ge Yuhan, his face turned red and said, "Miss Ge, when I was in a coma, the two of us... the two of us didn't do anything right??"

David always felt that his dream was like reality, and here, it seems that there is only one girl, Ge Yuhan. If it is real, it is likely to be Ge Yuhan, so David will ask this question.

## Chapter 2321

Ge Yuhan looked at David with a puzzled expression and said, "Mr. Chen, what are you talking about?"

"Mr. Chen, you can just say what you have to say, you don't need to hesitate." Ge Yuhan looked at David like that, she didn't understand what David wanted to say! "Miss Ge, was I rude to you when I was unconscious?" David asked.

"Be rude to me?" Ge Yuhan was even more confused, "Mr. Chen is in a coma, how can he be rude to me?" , sleep with me." David finally said anxiously! "Sleeping with you?" Ge Yuhan didn't react for a while, but when she did, her face turned red instantly, and then she said angrily,

"Mr. Chen, I admit that I like you a little bit, and you saved me too. If you want to If you want me, I will give it to you anytime, even now." "But I, Ge Yuhan, will never do such a thing while you are in a coma. Although I am not a proud girl, I am not a slut either... .." Seeing that Ge Yuhan was angry, David panicked.

He knew that the girl was not Ge Yuhan, so he quickly apologized, "Miss Ge, I don't think that's what it means. I was just dreaming about that kind of thing, and it was very real. That's why I asked." "Maybe it was really a dream, I was thinking too much, I'm really sorry..."

David could only desperately apologize to Ge Yuhan, hoping to get Ge Yuhan's forgiveness! Seeing that David was sincere, Ge Yuhan knew that David was not lying, and then blushed slightly and said, "Mr. Chen, there are so many women around you, how could you still dream of that kind of woman?"

What about things? It can't be that you have been here for a while, without a woman to accompany you, you feel a little lonely in your heart, right? "

When David heard this, he quickly waved his hands and said, "No, no, Miss Ge misunderstood. Although there are indeed many women around me, I have never met any of them. Woman..."

In order not to let Ge Yuhan misunderstand, David could only reveal his privacy!

Ge Yuhan looked at David in surprise, with deep love in his eyes, she never thought that David had There are so many women, but I have never met them!

"Mr. Chen, no wonder you have such a dream. You are in your twenties and have never met a woman. If Mr. Chen doesn't dislike me, I can satisfy Mr. Chen..."

Ge Yuhan bit his lip, and even started to take off his clothes while talking...

Ge Yuhan's face turned red, and he had mustered up a lot of courage to do this!

David was a little dumbfounded for a while, seeing Ge Yuhan's clothes getting less and less, The snow-white skin was exposed, and the impulse in David's heart was rushing out crazily!

But David was desperately suppressing that impulse, and said to Ge Yuhan with the last of his reason, "Miss Ge, don't be like this!" , I didn't mean that..."

Seeing David hastily close his eyes, Ge Yuhan's eyes had a trace of tears.

"Mr. Chen, do you despise me? Why don't you dare to open your eyes and look at me? "

Ge Yuhan didn't understand. According to her appearance, let alone stripped off, even if she was standing in front of a man with clothes on, that man would stare at him intently!

" "Miss Ge, I definitely don't mean to dislike you, but you I have no name and no status, and I am taking your body now, so I am irresponsible to you. "

You better put on your clothes quickly, so as not to be seen by others..."

After David finished speaking, he rushed out of the room.

## Chapter 2322

Just as David rushed out of the room, he ran into Ge Cangsheng who came to see him. Seeing that David had woken up and come out, he said happily, "Mr. Chen, are you awake?"

David nodded, "Wake up !" Now ..."

David followed Ge Cangsheng to say this, but looked towards the room from time to time, after all Ge Yuhan was in the room with no clothes on, it would be embarrassing if Ge Cangsheng knew about it!

Soon, Ge Yuhan also came out of the room, and Ge Cangsheng saw Ge Yuhan's face flushed and disheveled, and a smile appeared on his face!

Seeing this, David wanted to explain, but he didn't open his mouth. He knew some things, and the more he explained, the more chaotic he became. If Ge Cangsheng misunderstood, let him misunderstand!

"Old Ge Clan, is the competition still going on?"

David asked Ge Cangsheng.

"It's still going on, but today is the last day, and the rest are some experts. Mr. Chen has just woken up, so there is no need to compete."

Ge Cangsheng was afraid that David would fight again. I am afraid that it will be difficult to beat the opponent!

After all, those who can persevere to the end are all powerful monks!

"I just want to have a look, I won't be competing..."

David smiled slightly, and then followed Ge Cangsheng to the square!

At this time, there are already a lot fewer people in the square, and many failed monks are unwilling to come to the square to watch other people compete!

In the end, there were only ten people left, and they began to challenge each other to compete!

David took a look, and besides the five people on the Billboard, Jin Yuan, Lu Chang and Han Qing'er were all there to stay!

"David..."

Seeing David waking up, Han Qing'er gave up the competition on the ring, jumped up and landed in front of David!

"David, are you awake? I didn't expect you to wake up so quickly..."

Han Qing'er looked at David with a smile all over her face!

"You are still fighting, so you ran down?"

David asked in surprise.

After all, the closer to the end, the more important each victory is to each secret realm!

"It's okay, I just admit defeat!"

Han Qing'er said indifferently!

Since it was the ring that she jumped off, it is also in line with the rules for Han Qinger to admit defeat directly!

"Han Fusheng, it seems that your daughter has taken a fancy to this David?"  
On the

high platform, Yu Qian said to Han Fusheng, the master of Zixiao Mansion.

"Hehe, the girls are not allowed to stay..."

Han Fusheng chuckled, and then glanced at Lu Buwei, the owner of the Wanyue Castle not far away!

After all, Han Qing'er and Lu Chang are childhood sweethearts who are both in the Leimen Secret Realm, and the two families also intend to match the two of them!

But this time at the Secret Realm Conference, Han Fusheng also saw his daughter Han Qinger's love for David!

Coupled with David's domineering aura when he killed Feng Wuhen, Han Fusheng also had a good impression of David!

Although David's current strength is not very high, David's potential is unlimited.

What Han Fusheng likes is David!

"This David, although his realm is not high, but the strength he displayed and the strength of his physical body are really unheard of. In just a few days, all his injuries have healed. What a perverted physical body! "

Feng Jingyan even praised David!"

You must know that David just killed his apprentice Feng Wuhen a few days ago, and now Feng Jingyan is openly praising David, which is very unreasonable.

However, Feng Jingyan's sudden appreciation of David's body also has his reasons. He just hoped that these people would pay attention to David. With such a powerful body and the treasures on David's body, Feng Jingyan believed that there must be someone Already interested in David!

In this way, David can become the research object of everyone, and David will also become a guinea pig, completely losing his own life!

"This David does have too many secrets..."

Yu Qian said calmly with his eyes narrowed.
