Chapter 2323

“David, today is the last day of fighting. Don’t you want to fight?”

“If you don’t fight, then you won’t be able to win three rounds. In that case, most of the Ge family’s resources will belong to Zhanyue Pavilion.” It’s gone.”

Jin Lifu walked up to David and said to David!

“Jin Lifu, Mr. Chen has just woken up. It is not suitable for a competition. If you lose, you will lose. My Ge family will not deny the matter of resources.”

Ge Cangsheng said to Jin Lifu.

“That’s good, with your words, I can rest assured...”

Jin Lifu left with a proud face!

“Old Ge clan, otherwise...”

David wanted to try again, but he couldn’t just watch the resources being given away like this!

“Mr. Chen, your body is the most important thing. It’s just some resources. If you don’t have it, we’ll just look for it!”

Ge Cangsheng persuaded David!

David nodded, now all the monsters in the Monster Beast Mountain Range are under David’s jurisdiction, and it’s okay to get some beast pills for the Ge family at that time!

“David, after the secret realm conference is over, I’ll take you to our Leimen secret realm. The environment on our side is much better than that of the Fire Gate secret realm.”

Han Qing’er extended an invitation to David!

David really wanted to go with Han Qing’er, after all, he approached Han Qing’er in order to go to Zixiao Mansion and investigate his mother!

It’s just that it’s not the time yet, David has to return to the secular world after the secret realm conference is over, Sonya and the others have been sealed in the secret realm of Wendaozong, David has to find a way to rescue them!

In addition, David has to go to the hidden world. He still has a map of the ruins in his hand. If he can find the ruins smoothly, David’s strength can be improved again.

Only when his strength is stronger, can David be able to wander in the eight secret realms. Even if he goes to Zixiao Mansion now and knows his mother’s whereabouts, with David’s current strength, there is no way to take his mother away.

“after a while Well, the secret conference is over, and I have to go back to the secular world, some things are not finished...”

David politely declined Han Qing’er’s invitation!

Let me tell you the entrance address and formula of the secret realm of Leimen...”

Han Qing'er moved close to David's ear, and then told David the address and formula of the entrance to the secret realm of Leimen!

To know the entrance address and formula of this secret realm, it is very difficult for a secret realm, is very important, now that Han Qinger actually told David, it can be seen that she really likes David!

Lu Chang watched Han Qinger talking and laughing with David, and his face turned green with anger!

Accompanied With Yao Shenghui's final victory, the Secret Realm Conference is also over. This time, Yao Shenghui is still number one on the Billboard!

However, David is considered a dark horse. If David is not injured, if he fights with Yao Shenghui, then who will win the battle in the end? Not necessarily.

David's realm is not high, but the treasures on his body are obvious to all, especially the Dragon Pattern Clock, which directly trapped the demonized Feng Wuhen inside, and was finally shaken into a pulp!

If it was Yao Shenghui who was trapped in the dragon pattern clock, the result is probably the same.

“Patriarch Yu, the competition is over, I think our secret realm meeting should also be declared over...”

Yao Qisheng said to Yu Qian!

Yu Qian nodded, Standing on the high platform, he glanced at everyone, and then he was about to announce the end of the meeting!

But before Yu Qian opened his mouth, suddenly the whole earth began to tremble, and then countless auras continuously surged out from the ground, and then A huge black vortex was formed in mid-air!

The stars in the vortex were twinkling, and the turbulent flow was flying across, and pure spiritual energy continuously emerged from the vortex.

Feeling the pure spiritual energy, everyone was very shocked "

This... This is the opening of a new secret realm..."

Ge Cangsheng looked at the vortex in midair and said excitedly.
