

A Man Like None Other

Novel

Chapter 2331

Just as David was waiting to die, the pressure on his body suddenly relaxed, and then the huge palm print above his head also began to slowly dissipate!

I saw a figure standing beside David, with his palms up, struggling to resist the huge palm print!

"Mr. Chen, are you alright?"

At this moment, Liu Xing and Liu Rui helped David up, and it was Yue Buqun from Chunyangzong who resisted the huge palm print!

"Sect Master Yue, thank you..."

Seeing this, David thanked you aloud!

"Mr. Chen, you are too polite, I didn't expect you to enter here..."

Yue Buqun put away his breath and said!

"Yue Buqun, are you going to openly fight against my Flying Star faction for this kid?"

Leng Wudao asked coldly when he saw Yue Buqun rescue David.

"Whoever touches Mr. Chen is the enemy of my Chunyang Sect..."

Yue Buqun said firmly!

At this time, dozens of people came from all directions, and the coefficients of the three sects and six sects of the hidden world arrived!

However, many sects have no enmity with David, so they have no hostility towards David either!

Although there is no hostility, it does not mean that they will rescue David!

These people all stood on one side, quietly watching Yue Buqun and Leng Wudao confront each other!

In terms of strength, the strength of the Pure Yang Sect is no match for the Flying Star Sect, but Leng Wudao doesn't want to follow the Pure Yang Sect to use force at this time!

When the time comes, both sides will suffer, so it will be difficult for them to move over to occupy a place in this secret place!

Don't look at the fact that these sects can live in harmony at ordinary times, it's because they are all about the same strength, but if one party is too weak, it won't take long before it will be annexed!

It is precise because of this that there has not been much friction among the three sects and six sects for so many years. After all, no one wants to be annexed!

"Old Tong, your son was also killed by this David, don't you want to take revenge?"

Leng Wudao looked at Tong Haiyang and asked!

If the Flying Star Sect and the Tianlei Sect join forces, then the Pure Yang Sect can be wiped out easily!

"He killed my son, but I haven't thought about revenge yet..."

Tong Haiyang said lightly!

Tong Youcai was not his biological son at all, so Tong Haiyang didn't care at all. The reason why he sent Tong Youcai was because he wanted to use David's hand to kill Tong Youcai!

"Old boy, the enemy who killed your son is right in front of you, can't you be indifferent?"

"As long as our two families work together, the old Yue Buqun won't be able to stop him."

Leng Wudao persuaded Tong Youcai!

"I can't stop you, but I can blow myself up to kill me!"

After Yue Buqun finished speaking, he ordered loudly: "Chunyang Sect disciples obey orders..."

"If anyone attacks Mr. Chen, blew himself up immediately, even I will burn everything, no matter what..."

"Yes..."

All the disciples of the Pure Yang Sect began to breathe!

This time, Leng Wudao was dumbfounded, he never expected that Yue Buqun would make such a choice!

"Yue Buqun, for this David, are you worth it?"

Leng Wudao yelled in confusion.

"It's worth it!" Yue Buqun said firmly!

Seeing that Yue Buqun was really playing, people from other sects couldn't bear it anymore. If Yue Buqun blew himself up, they wouldn't be able to feel better either.

"Sect Master Yue, put the fire away, don't be so nervous, we can discuss things..."

Bao Yukun stood up and tried to persuade Yue Buqun.

Yue Buqun ignored Bao Yukun, this guy is not a good guy, he colluded with the Fentian Sect and lied to him for so many years, Yue Buqun already hated him to death!

"Mr. Chen, can you still act now?"

Yue Buqun asked David.

David nodded: "No problem!"

"Mr. Chen, you leave now, the farther the better, the things here are left to me!"

Yue Buqun told David to run away quickly!

Chapter 2332

If David has been here, Yue Buqun doesn't know how long he can protect David!

The self-explosion he just said was just to scare Leng Wudao!

People from the three sects and six sects are all here, even if Yue Buqun wants to blow himself up, will these people look indifferent?

They will definitely work together to stop it. After all, self-explosion will bring harm to others!

When the interests of other people are really threatened, these people will unite, and Yue Buqun's Chunyang Sect will have no room to resist at all!

Taking advantage of Leng Wudao being frightened by himself, he wanted David to run away quickly!

David nodded, then turned and ran!

Seeing this, Leng Wudao was about to make a move when he saw Yue Buqun immediately take a step forward, making a desperate gesture in front of Leng Wudao!

Just like that, Leng Wudao watched David disappear in front of him!

"Yue Buqun, I, Flying Star Sect, will never end with your Pure Yang Sect..."

Leng Wudao said through gritted teeth.

"You think I'm afraid of you!"

Yue Buqun didn't show any weakness!

Yue Buqun and Leng Wudao looked at each other covetously!

But soon, Leng Wudao suddenly showed a smile on the corner of his mouth, and then he said: "Yue Buqun, I really bluffed you just now, everyone is here now, even if you want to blow yourself up, other people will stop you. Yours, it is impossible for you to succeed."

"Since that David is in this secret realm, I will never let him escape, even if I use all of my Flying Star faction."

“Everyone here, as long as anyone of you meets Then David, and killed him, I am coldly willing to give him all the resources of the Flying Star Sect for three years.”

“You have also seen that David is seriously injured now, like a cripple, killing him doesn’t take much effort!”

Leng Wudao knew that it would be difficult to find David by relying on his Flying Star Sect in such a big secret realm. Find the way, and there is Yue Buqun blocking it!

He could let everyone from the three sects and six sects go to find David and kill David, but he didn’t believe that Yue Buqun could follow all the sects in the hidden world as enemies!

Sure enough, as soon as Leng Wudao’s words came out, everyone’s eyes lit up, and everyone’s expressions became excited.

Although they followed David without any grievances but faced huge resource benefits, they could kill an irrelevant person.

At this moment, Yue Buqun’s face was extremely ugly, so he could only threaten loudly: “If anyone attacks Mr. Chen, I, Yue Buqun, will fight him to the death...”

However, Yue Buqun’s threat at this moment is in the eyes of everyone. , it seems trivial!

Yue Buqun’s strength is not enough to fight against the sects in the entire Hidden World!

The current Yue Buqun can only pray that David can escape far away, or even leave this secret place!

At this moment, David was running desperately, his strength was suppressed, so he had no choice but to run for his life!

But what David didn't know was that there were already many people looking for him separately in the entire secret realm!

"You have to quickly find the place marked on the map. I can only help you when you get to that place." The

old man's voice rang in David's ear!

David really wanted to scold at this time, and he also wanted to find that place as soon as possible, but walking in this mountain forest, and constantly discerning the location of the map, it would not be fast at all!

"Where is the place you are looking for? Could it be that you can be resurrected when you arrive at this place?"

David didn't understand who this old man was. He didn't even have a soul, so he could be resurrected just by relying on the skull. ?

David has seen a soul resurrected, but he has never seen one who can be resurrected by relying on a skull!

"What do you know, my soul hasn't dissipated, it's just no longer in this place. When I get to that place, I can use my skull to locate the coordinates and let my soul shuttle here."

"When my soul arrives, Those guys who bullied you just now are worse than ants in my eyes..." The

old man said very proudly!
