## Novel

### Chapter 2371

“When you meet the undead, you two don’t do anything, just let me do it by myself. Only when I can’t deal with it alone, you two will do it...”

David turned to Liu Xing and Liu Rui said.

The two nodded. Since killing the undead is practice for David, they let David kill those undead!

After the three of them walked for a while, they saw a large group of undead erratically approaching!

The leader is an undead wearing armor, and the ones following him should be all his soldiers!

These undead are all wearing ancient clothes and holding spears in their hands, obviously an ancient army.

This team should have been killed, but their souls are immortal, and finally turned into undead!

Seeing the sudden appearance of a large group of undead, both Liu Xing and Liu Rui’s expressions changed a little, only David’s eyes were filled with excitement!

Because there are so many undead, for David, they are a lot of resources, and these are all the power of Dao pattern!

"You two protect yourselves..."

David finished his instruction, and holding the Dragon Slaying Sword, he jumped up and went straight to the group of undead!

The undead in armor held a long knife in his hand, looked at David who jumped forward, and waved the long knife: "Attack..."

The undead behind him began to shout, holding Holding the spear, he directly met David!

In mid-air, David slashed out the Dragon Slaying Sword in his hand, and a golden sword light streaked across the sky!

In an instant, a large number of those undead in front of David were beheaded, and all the undetectable powers of Dao patterns entered David's body!

David was overjoyed, holding the dragon-slaying sword in his hand, and instantly charged into the chaos army. At this time, David was like a tiger descending the mountain, slashing at those undead!

Although these were also soldiers in the past, but now they have become undead, David has no mercy at all!

What's more, if these undead are killed, they can be reincarnated again, so they don't have to stay in this world and suffer from the undead!

Seeing David's brave appearance, Liu Xing and Liu Rui couldn't help but sigh with emotion!

It's only been a long time, and David has grown from the person they looked down upon at the beginning to the person they can't reach now!

When I saw David for the first time, David still couldn't protect himself, and was beaten to death by Tong Yougong!

"Maybe this is talent, you and I will never be able to compare."

Liu Xing sighed slightly.

At this time, David became more and more excited as he killed more and more, without any trace of exhaustion.

But when David was fighting vigorously, the undead in armor quietly came behind David with a long knife, planning to sneak attack David!

Seeing this, Liu Xing and Liu Rui panicked.

"Damn it, this undead still has thoughts..."

Seeing that the undead in armor was about to attack David, Liu Xing couldn't help cursing!

It was too late to remind David, so Liu Xing and Liu Rui attacked the undead in armor together!

Liu Xing punched the past, and instantly a shadow of the fist enveloped the undead!

Liu Rui also came out of her body with a long sword, cutting out a series of sword lights!

Seeing this, the undead in armor shouted angrily, and the evil spirit permeated his whole body, instantly dispelling the attacks of the two people!

Then the long knife in the undead's hand slashed, creating a shocking sword light!

Liu Rui hurriedly blocked it with the long sword in her hand, but was directly sent flying!

Seeing this, Liu Xing jumped up, gritted his teeth, and hit the undead fiercely with his huge fist!

But the undead didn't move at all, but knocked Liu Xing away with a punch!

"This undead is too powerful, it's simply abnormal..."

Liu Xing stood up slowly, frowning tightly!

"Even Master managed to behead such an undead, the two of us might not be rivals at all!"

Liu Rui looked worried!

"Whether it's an opponent or not, we can't let him sneak attack Mr. Chen, kill..."

Liu Xing jumped up again, followed by Liu Rui, and the two attacked the undead in armor at the same time!

## Chapter 2372

After David heard the sound of fighting, he killed a few undead in front of him with a single sword. Looking back, he found that Liu Xing and Liu Rui had started fighting with the undead leader !

Obviously, Liu Xing and Liu Rui were at a disadvantage, and both of them were injured to varying degrees!

Seeing this, David rushed up instantly, the dragon-slaying sword in his hand emitted raging flames, and then he slashed out with a sword, slashing fiercely on the body of the undead!

The flames instantly engulfed the leader of the undead, and the leader of the undead let out roars, and his body struggled continuously!

Looking at the scene in front of him, David couldn't bear it. This was a general who died for his country, but if he couldn't bear it, David couldn't help it!

And this is a relief for these undead.

But when the fire was burning, a gloomy evil spirit permeated the undead body. The spiritual fire that was originally combustible by all things was instantly extinguished under this evil spirit!

The surrounding air seemed to freeze, and gusts of wind kept blowing, making David and the others seem to have fallen into an ice cave!

David frowned slightly: "This evil spirit is really powerful..."

Seeing this, David burst out with the power of the dragon in his body, and shot out a sword glow from the Dragon Slaying Sword!

The sword light instantly turned into a golden dragon and flew out, then hovered in the air, and then burst out flames from the mouth of the golden dragon, and began to attack the leader of the undead!

The murderous aura on the undead began to resist following the spiritual fire spouted by the golden dragon!

The power of the dragon in David's body continued to erupt, and the flames in the mouth of the golden dragon became more and more intense!

Slowly, the evil spirit emitted by the undead began to weaken, and finally began to burn!

Soon, the leader of the undead fell silent, and a light spot slowly lifted into the sky, and then came towards David quickly!

"Mr. Chen, be careful..."

Liu Xing and Liu Rui didn't know what was going on, they suddenly saw a spot of light shooting towards David, and hurriedly blocked David!

But the spot of light penetrated the bodies of the two people, and finally entered David's body!

"The power of the Dao pattern of this undead leader is really strong..."

David found that the power of the Dao pattern in his body had become two!

When the power of the Dao pattern was raised to two, David only felt the spiritual power in his dantian constantly surging.

"Are you going to break through?"

David was taken aback for a moment, and quickly sat cross-legged on the spot, and hurriedly started to practice!

"What's wrong with Mr. Chen?"

Seeing this, Liu Xing was at a loss. He didn't understand what was wrong with David. Why did he suddenly sit down and start practicing?

"Mr. Chen is probably about to make a breakthrough. When the moment of breakthrough is reached, he suddenly started to practice. We have to protect Mr. Chen..."

Liu Rui seemed to see it, and said to Liu Xing.

Liu Xing nodded, one left and one right stood beside David, protecting David!

Unknowingly, the two of them have been guarding David for a day and a night, and David is still motionless, Liu Xing and Liu Rui are also not moving, guarding David!

At this moment, footsteps began to approach David and the others continuously, which made Liu Xing and Liu Rui nervous!

Because the undead have no footsteps at all, if there are footsteps approaching, it means someone is approaching!

But Liu Xing and Liu Rui didn't know who these people were, and they didn't dare to spread out their spiritual senses to avoid being directly discovered by the other party!

Now Liu Xing and Liu Rui can only pray, these people are not Leng Wudao, they are found by Yue Buqun.

But as the footsteps got closer and closer, and the figures were clearly visible, Liu Xing and Liu Rui's hearts sank to the bottom!

I saw that this group of people was Leng Wudao and, Liu Xing and Liu Rui's faces were ashen, but the two of them still did not move, still guarding David's side!

And Leng Wudao and others were also very surprised when they saw David suddenly. They thought that David should have escaped long ago, maybe they all left the secret realm, but they didn't expect that he was still here!

"Hahaha, it's really easy to find nowhere to go, I didn't expect to meet here..."

Leng Wudao laughed loudly.

## Chapter 2373

David still closed his eyes this time, as if he didn't know what happened!

And Liu Xing and Liu Rui looked at Leng Wudao people nervously, their breath began to rise, and their abdomen was swollen like a ball. They knew that they

were relying on the two of them. If they wanted to stop Leng Wudao's people, it would be like hitting a stone with an egg. It's simply impossible!

So the two of them planned to blow themselves up from the very beginning, and used this to scare Leng Wudao from acting rashly!

"Leng Wudao, if you dare to touch Mr. Chen, we will blow ourselves up, and everyone will die."

Liu Xing said loudly to Leng Wudao!

Seeing Liu Xing and Liu Rui like that, Leng Wudao laughed coldly!

"You two little dolls, do you think that if you blow yourself up, you will scare me?"

"It's no different if you two blow yourself up and then set off firecrackers. It won't hurt us at all."

"If you don't believe it, just try Try, we just want to listen..."

Leng Wudao sneered!

Everyone else surrounded Liu Xing and Liu Rui with mocking smiles on their faces.

"Girl, you have beautiful features, and you are so pleasant. It's a pity to blow yourself up. You are obedient, and I promise you can live a good life.

" I want to die."

Bao Yukun from the Alchemy Sect looked at Liu Rui with lustful eyes!

Seeing Bao Yukun like that, Liu Rui flushed with anger, staring at Bao Yukun, wishing to bite him to death.

"Bao Yukun, you insulted my junior sister, today I will fight with you..."

Liu Xing was so angry that he rushed towards Bao Yukun with a roar, planning to die with Bao Yukun!

You must know that Liu Xing has always liked Liu Rui, and the two of them are also a couple recognized by Chunyangzong!

Now that the girl I like is so humiliated, even a man would be furious.

But just as Liu Xing moved, Leng Wudao waved his hand, and a majestic aura instantly enveloped Liu Xing!

This breath is like a shackle, making Liu Xing unable to move even if he moves!

"In front of me, you don't even have the right to move. You still want to blow yourself up and threaten me? Are you worthy?"

Leng Wudao looked at Liu Xing and said with disdain.

This time, Liu Xing and Liu Rui's faces turned red, and they didn't know what to say!

Given the gap in absolute strength, they didn't even have the qualifications to blow themselves up.

"Master Leng, leave the doll to me, and you can deal with the rest..."

Bao Yukun said to Leng Wudao.

"Okay, but Bao Zong mainly knows how to be sympathetic, but there are many people in the back who are salivating and want to taste it!"

Leng Wudao smiled charmingly!

"Don't worry, as long as you take my Ecstasy Pill, a girl can satisfy all of us..."

After Bao Yukun finished speaking, he walked towards Liu Rui with a lewd smile on his face!

"Bao Yukun, my day. Your ancestors are the eighteenth generation. If you dare to touch my junior sister, I will not let you go..."

Liu Xing opened his eyes wide, trembling with anger, and roared at Bao Yukun: "If you have the ability, kill now! Kill me, kill me now..."

"Boy, the more you scold me, the more excited I am, and I will let you see with your own eyes in a while how my junior sister became a lustful girl."

"It's a pity that your master Yue is not here, otherwise I will let him see how my female disciple serves us."

"Hahahaha..."

Bao Yukun laughed, and the others laughed wildly too. Everyone seemed to be looking at their prey, looking at Liu Xing and Liu Rui.

Liu Rui was angry and ashamed, but at this moment she was also controlled by Leng Wudao's aura, she couldn't move at all, and couldn't explode herself!

"Bastards, you bunch of bastards, even if I die, I won't let you succeed..." As he spoke, Liu Rui opened his mouth and wanted to bite his tongue to kill himself!

## Chapter 2374

But before Liu Rui bit her tongue, Bao Yukun grabbed Liu Rui's chin, making Liu Rui unable to bite her tongue and kill herself!

"If you want to die, you have to wait until we have had enough fun..."

After Bao Yukun finished speaking, he was about to hug Liu Rui up!

Boom...

Just when Bao Yukun was about to hug Liu Rui, a strong wind suddenly hit, Bao Yukun couldn't dodge in time, and was blown away directly!

Bao Yukun's body stopped after smashing more than a dozen trees, and blood overflowed from the corner of his mouth!

"Who?" Leng Wudao frowned!

That's why everyone turned pale with fright, and looked around one after another, looking alert!

There were so many of them, yet they didn't notice anyone approaching, and they knocked Bao Yukun into the air, which shows that the opponent must be a master!

"You guys, but bullying a girl, are you shameless? I think you guys are upright, even worse than evil cultivators!

" ..."

Not far away, an old man in a gray cloth robe came out!

The moment the old man walked out, almost everyone felt the pressure, and everyone's heart tightened!

The aura of the old man was so strong that everyone was a little scared!

When Liu Xing and Liu Rui saw the old man, surprise appeared on their faces.

"Old Qu, save us, save Mr. Chen..."

Liu Xing and Liu Rui yelled at the old man!

This old man is Qu Yunchang from Diaoyu Island, and Liu Xing and Liu Rui also know each other!

With a light wave of Qu Yunchang's hand, the aura controlling Liu Xing and Liu Rui dissipated instantly, and the two regained their freedom!

"Who is your Excellency? Why do you want to interfere with our hidden world?"

Leng Wudao asked Qu Yunchang.

"I'm the old monster Qu Yunchang that your hidden world talks about. I don't care about your hidden world doing some shitty things, but if you want to deal with him, I don't agree..."

Qu Yunchang pointed at David and said.

When Qu Yunchang said that he was that old monster, everyone was shocked!

Because there is no one in the hidden world who doesn't know the old monster. Although no one has seen it or heard his name, there is an old monster in the sea, which everyone in the hidden world knows!

This is also the reason why people in the hidden world seldom take the waterway, because none of the people who go out by the waterway can come back!

"It turned out to be Senior Qu. This David killed my son. It is the so-called murder to repay the debt. It is only natural for me to kill this David. I hope Senior Qu will not intervene."

"I will definitely send rich resources to Senior Qu."

Leng Wudao didn't want to make enemies with Qu Yunchang, so he planned to give Qu Yunchang some resources, so that Qu Yunchang would not care about this matter.

But after Leng Wudao finished speaking, Qu Yunchang smiled disdainfully: "Don't talk about killing your son, even if you kill your mother, you can't touch Mr. Chen, or I will send you to hell..."

Qu Yun Chang's tone was very domineering, and there was no room for negotiation!

What a joke, David is his palace master!

Even if Qu Yunchang lost his life, it is impossible for Leng Wudao to touch David!

Qu Yunchang's words made Leng Wudao stunned for a moment, and then Leng Wudao's face became extremely cold!

Although he couldn't understand why Qu Yunchang wanted to protect David, but in front of everyone, Qu Yunchang humiliated him so much, which made Leng Wudao a little unbearable!

Besides, he is not the only one here, now that all sects in the hidden world are tied together, there is no need to be afraid of Qu Yunchang!

"Old monster, I discussed with you in a good voice, but you don't know what to do, so don't blame us for being rude."

"No matter how strong you are, you are only one person. Can you still deal with our entire hidden world?" Is your sect not successful?"

"Today we will fight to the death, and we will kill David..."

Leng Wudao's aura began to rise, and seeing this, the others were also ready to attack!

# Chapter 2375

For a moment, countless terrifying auras enveloped Qu Yunchang!

Qu Yunchang frowned slightly, although he was not afraid of these people, but if he really took action, it would be difficult for him to protect David's safety!

But at this moment, Qu Yunchang knew that he couldn't show timidity, otherwise these people would rush up like hungry wolves and tear them to pieces!

"Hahaha..."

"Fight to the death? Are you worthy? In my eyes, you are no different from ants..."

Qu Yunchang laughed.

From Qu Yunchang's body, an inaudible aura slowly rose, and then this aura suddenly exploded in mid-air!

For a time, the wind was surging, and the entire sky was darkened. Where they were, the void was constantly distorted, and the turbulent flow of space swept everywhere, like the end of the world!

The aura exuded by Leng Wudao and others was instantly defeated. Everyone felt the vibration of the void, and looked at the doomsday-like sky, and a huge shadow shrouded their hearts!

"Huajing? Huajing powerhouse?"

Tong Haiyang's eyes widened, full of fear!

"Is there really someone who is strong in the world?" Bao Yukun trembled, his legs trembling constantly!

"As soon as we enter the realm of transformation, everything in the world is ants. No wonder he called us ants."

Yao Qing turned pale, and after he finished speaking, he turned around and ran away!

Because he knew that, in front of a powerful person in the Transformation Realm, a light palm from the other party could turn them into flesh!

Before the opponent made a move, he had to run to survive!

Yao Qing turned his head and ran, immediately mobilizing the others!

Everyone scrambled for their lives and fled. At this time, no one cared about anyone else, and no one said anything about joining forces. All they thought about now was to survive!

At this moment, Leng Wudao stared blankly at Qu Yunchang in front of him, he was completely dumbfounded!

And behind him, the people who were going to attack with him had already run away without a trace!

Leng Wudao's legs were trembling, his trousers were already wet, and the cold sweat on his forehead was dripping like rain.

He was the closest to Qu Yunchang, and he could truly feel the hellish fear from Qu Yunchang's body!

After a while, Leng Wudao came to his senses, turned around and ran towards the distance, and soon disappeared!

After everyone ran away, the void slowly recovered, the sky became brighter, and the terrifying aura disappeared!

Qu Yunchang stood quietly with no expression on his face!

“Old Qu, these guys have been chasing Mr. Chen, why didn’t you kill them, but let them go?”

Liu Xing asked Qu Yunchang very puzzled.

After all, Qu Yunchang is a master of transformation, as long as Qu Yunchang made a move just now, none of those people would even try to run away!

But just after Liu Xing finished speaking, Qu Yunchang frowned and spat out a mouthful of blood with a wow!

Qu Yunchang’s face was pale at this moment, and the aura on his body became extremely weak!

This time, Liu Xing and Liu Rui were frightened!

“Old Qu, what’s wrong with you?”

Liu Xing and Liu Rui hurried forward to support Qu Yunchang!

“I’m fine, I’ll just take a rest, you guys take good care of Mr. Chen, those guys probably won’t come anytime soon!”

Qu Yunchang finished speaking, eyes slightly closed, and began to adjust his breath!

Qu Yunchang hadn’t reached the Transformation Realm at all, just now he just forcibly stimulated his inner energy and created the aura of a strong Transformation Realm, those just now were just appearances, and Qu Yunchang couldn’t do anything at all!

The purpose of doing this is to scare Leng Wudao and others away, not to kill Leng Wudao and others, but Qu Yunchang himself is forcibly mobilizing his inner strength, causing severe damage to internal organs!

Liu Xing and Liu Rui looked at Qu Yunchang and David nervously. They could only hope that David could break through quickly. If Leng Wudao and others reacted and came back, they couldn't stop them.
