Novel

Chapter 2421

Listening to his mother's words, David fell silent. He didn't know whether he should hate this father whom he had never met before!

He didn't understand why his father would abandon their mother and son, let alone who his father was!

David really wanted to tell his mother about the Tianlong Temple, but he was afraid that she would be worried!

"Mom, it's getting late, you should go to bed early."

David got up and planned to leave.

"David, don't forget about giving mom a grandson. Since you have so many girlfriends now, you can't let mom lose sight of your grandson, right?"

Long Ruotong reminded David again.

"Got it..." David nodded!

Now that David has rescued his mother, he doesn't have to stick to it deliberately!

He has already married Han Qing'er and Huo Feng, but thinking of Sonya, David always feels sorry for her!

After all, Sonya was considered David's real girlfriend, but David failed to give Sonya the first time!

Thinking of Sonya, David planned to go to the secret realm of Wendaozong to see Sonya and Wu Meier.

At dawn the next day, David planned to go to the secret realm of Wendaozong!

But she was stopped by Ji Ruxue!

She had already guessed that after David returned to the capital, he would definitely visit Sonya.

"David, you can't go. It's different now. This time we have seen the mighty strength. What if you go to that secret realm to meet Yuqi and are detained in the secret realm?"

"With your current strength, you can Are you escaping from that mighty hand? I think what you need to do now is to improve your strength and find a way to deal with the surrounding forces of the Demon Heart Sect!"

Ji Ruxue analyzed to David!

Ji Ruxue was a former leader, and she analyzed the current situation logically. Coupled with Ji Ruxue's fairy-like appearance, David looked at Ji Ruxue with loving eyes!

"Okay, I'll listen to you, then I'll start with the eight secret realms and eradicate all the purple-robed envoys of the Demon Heart Sect."

David nodded and said.

"I think you should go see Mr. Shi, maybe Mr. Shi can help you!"

Ji Ruxue said.

"Okay!" David nodded again!

David followed Ji Ruxue's suggestion and didn't go to Wendaorong's secret realm. After all, he couldn't rescue Sonya and the others now!

It seems that in order to rescue Sonya and the others, David must destroy the spirit recovery formation!

With David's current strength, he couldn't directly follow the power of the Demon Heart Sect to fight head-on!

When David came to the Guardian Pavilion, Xing Jun was already waiting at the door!

"David, Mr. Shi guessed right. After you return to the capital, you will definitely come to him."

Xing Jun said with a smile.

"Mr. Shi knows that I'm back?" David asked in surprise!

"Of course, what happened in the capital, what can be hidden from Mr. Shi, come with me."

Xing Jun brought David into Mr. Shi's office!

When David entered the office, he found that Mr. Shi's face was a bit strange, and Mr. Shi's aura seemed to be missing something!

"Mr. Shi, are you sick?"

David looked at Mr. Shi and asked.

Mr. Shi shook his head, then waved Xing Jun out.

"Sit down..." Mr. Shi asked David to sit opposite him!

"You have gained a lot this time, right?" Mr. Shi asked David.

David nodded, "The harvest is not small, the strength has improved a lot, and I have also obtained some magical weapons."

Mr. Shi smiled and said, "These magical weapons have only exerted one-tenth of their capabilities in your hands. Still need to work hard..."

David was taken aback, and he was very puzzled and said, "Mr. Shi, do you know what I got?"

Chapter 2422

"Of course I know that the dragon bell and the god king's bow are not the kind of magic weapons you imagined. You get these things, which are good for you and also bad for you. These things are under pressure from all sides!"

Mr. Shi said slowly!

David was puzzled. He never told Mr. Shi that he had obtained any magic weapons. How did Mr. Shi know?

Seeing David's puzzled face, Mr. Shi smiled faintly and continued, "You are like a transparent person in front of me, so there is no way you can hide anything from me."

David heard Mr. Shi say so . As soon as he said that, he broke out in a cold sweat!

He is like a transparent person in front of Mr. Shi, which proves that Mr. Shi knows everything about himself, then Mr. Shi knows everything about him, Huofeng and Han Qing'er?

"Mr. Shi, who are you? Why do you know me so well? Do you also know about my other personal affairs?"

David asked tentatively.

"I'm too lazy to know about you sleeping with a woman..."

Mr. Shi knew what David wanted to ask!

This time, David was embarrassed and didn't know what to say!

"In the future, it is not a last resort. Don't show off those magic weapons you have obtained easily. You can't fully use them with your current strength, but it will attract others' attention!"

"Are you following the Demon Heart Sect?" Have you fought against your great abilities?"

Mr. Shi asked David.

David nodded, "We fought, but the other party was just a distraction. I'm not his opponent at all."

"He doesn't want to kill you. If he wants to kill you, it's just in the breath."

"To him, you still useful, but he's always underestimating you, and that's exactly what I want."

Mr. Shi said slowly.

Hearing this, David frowned slightly, feeling a little unconvinced in his heart, "If I use the Divine King Bow and the Dragon Pattern Bell, can't I compete with that great power?"

"Confront?" Mr. Shi smiled, "I said so, You can't bring out the strength of the dragon bell and the bow of the god king, how can you compete?"

"Mr. Shi, if you compare with that master, who is stronger?"

In David's eyes, Mr. Shi's strength is also unfathomable!

"He and I can only be regarded as the same, but I'm afraid I won't live for a month."

Mr. Shi said!

Mr. Shi's tone was very flat. Mr. Shi didn't seem to be afraid of death at all!

"Why? Could Mr. Shi suffer from some strange disease?"

"I'll show Mr. Shi, I believe I can find a cure!"

David was full of tension!

You must know that Mr. Shi has always accompanied him along the way. Without Mr. Shi, David does not know if he would be where he is today.

Moreover, Ji Ruxue and the others have also obtained Mr. Shi's true biography. It is obvious that Mr. Shi did this for himself!

Now that Mr. Shi is going to die soon, how can David not be nervous, not in a hurry!

Mr. Shi waved his hand and said, "It's useless, this is fate, you can't change your fate..."

"Could it be that you are so strong, can't you change your fate?" David asked.

Mr. Shi looked at David, and suddenly smiled, "You still need to increase your knowledge. When you reach other planes, you will understand what I said today..."

David fell into deep thought. He found that every time he saw Mr. Shi, he would take a deep blow!

Now that he is already a strong man in the Lihe Realm, with the Dragon Pattern Bell and the God King Bow in his hand, and adding the Dragon Slaying Sword, David always feels that his strength is already very strong.

But now Mr. Shi said that his strength is not enough at all, and he has no way to truly display his strength with the magic weapon in his hand!

Chapter 2423

Leaving Mr. Shi's office, David fell into a kind of self-denial!

Moreover, Mr. Chen is going to die in one month, this news is not a small blow to David!

At this time, David actually had a little dependence on Mr. Shi. When encountering difficulties or things he didn't understand, he liked to ask Mr. Shi!

For David, Mr. Shi is both a teacher and a friend.

What David didn't know was that at this moment, Mr. Shi was looking at him from a high place. Seeing David's expression, Mr. Shi had a faint smile on his face!

"If I don't hit you kid, your tail won't be up to the sky yet."

Mr. Shi's mouth twitched slightly.

After finishing speaking, Mr. Shi took out a bronze mirror from his arms, which was engraved with densely packed various symbols!

On the bronze mirror, several symbols were constantly flashing light. Looking at the flashing symbols, Mr. Shi's smiling face gradually became serious.

"The real test has just begun. The enemies in the future will be a million times more terrifying. I hope you can bear it..."

Mr. Shi's eyes focused on David again!

David, who was walking far away, always felt that someone was staring at him, and suddenly looked back, but found nothing!

"It seems that if I want to increase my strength quickly, I have to start with the eight secret realms first..."

David put aside the random thoughts in his head and decided to start with the eight secret realms. Human strength, to improve yourself...

David went directly to Ge's house and found Ge Cangsheng. He decided to take Ge Cangsheng and start from the secret realm of Huomen first!

"Mr. Chen, now the entire Fire Gate Secret Realm is the site of Zhanyue Pavilion, with us alone, are we sure to get rid of Jin Lifu?"

Ge Cangsheng asked worriedly.

After all, if they went to the Fire Gate Secret Realm to seek revenge from Jin Lifu, they might not be Jin Lifu's opponent. After all, the entire Fire Gate Secret Realm is now Zhanyue Pavilion's territory!

"The Zhanyue Pavilion or the Fort of the Moon, which one is more powerful?"

David asked Ge Cangsheng.

"I haven't compared it much, but Zhanyue Pavilion should not be comparable to Wanyue Castle, right?"

Ge Cangsheng said!

"That's right, I have destroyed the Fortress of the Crescent Moon, and Lu Buwei and his son have already died in my hands. Will I still be afraid of Zhanyue Pavilion?"

David smiled lightly!

Ge Cangsheng's face was full of surprise, and he said in disbelief, "Mr. Chen destroyed the Fort of the Moon? What's going on?"

David told the story that Lu Buwei was also the purple-robed envoy of the Demon Heart Sect, which shocked Ge Cangsheng. !

"I didn't expect that the Demon Heart Sect had infiltrated into the eight secret realms long ago, and I don't know if there are people from the Demon Heart Sect in other secret realms!"

Ge Cangsheng said in shock.

"There must be, but I will wipe them out one by one, one by one..."

David's eyes flashed with murderous intent! "Mr. Chen, I'm going to find Jiang Wuya, and we'll go find Jin Lifu to avenge..." After Ge Cangsheng finished speaking, he found Jiang

Wuya from Tianluolou , and told David's plan

again!

Jiang Wuya took the people from Tianluolou, followed the people from the Ge family to reunite, and followed David to the secret realm of Huomen!

David directly took out the 90,000 Li Mountains and Rivers Map, instead of going through the teleportation array, he directly used the 90,000 Li Mountains and Rivers Map to teleport everyone to the Fire Gate Secret Realm!

In this way, Jin Lifu could be caught off guard, after all, he never thought that apart from the teleportation array, David and the others had other ways to teleport here.

“Mr. Chen, this... what kind of treasure is this that can be teleported to the eight secret realms at will?”

Seeing the power of the Nine Thousand Miles of Mountains and Rivers Map, Jiang Wuya asked in shock!
