

# A Man Like None Other Novel

## Chapter 2431 - 2435

### Chapter 2431

The moment the Divine King Bow appeared, Jin Lifu felt a dangerous aura!

Now an arrow is shot, but Jin Lifu has no ability to stop it, he can only watch the golden arrow feather approach him!

Accompanied by an explosion, the arrow feather exuded a terrifying aura!

Like the breath of thunder billowing, Jin Lifu fell into a turbulent moment!

Jin Lifu's body suffered a violent impact, and he flew upside down in an instant!

Boom...

Jin Lifu's body hit the ground heavily, instantly creating a deep ravine in the ground!

David landed slowly and looked at Jin Lifu quietly!

Just now he was fully capable of shooting Jin Lifu to death with one arrow. The reason why David didn't kill him was because he wanted Jin Lifu to be his cultivation resource!

He wants to absorb Jin Lifu's strength to increase his realm!

Jin Lifu got up slowly with a pale face, and looked at David in disbelief!

Even Ge Cangsheng and Jiang Wuya looked at David in shock, one must know that their strength is no match for Jin Lifu's, otherwise Jin Lifu would not have driven him out of the Fire Gate Secret Realm!

But now David defeated Jin Lifu with ease, his strength was obviously stronger than both of them!

Especially the God King Bow in David's hand, the moment David took out the God King Bow, an extremely shocking aura made Ge Cangsheng and Jiang Wuya tremble!

Fortunately, they and David were in the same group. If they were enemies, they knew that relying on the God King Bow in David's hand, it was enough for them to meet the King of Hades!

"Mr. Chen, what is this magic bow of yours? How can it be so powerful?"

Jiang Wuya asked David very curiously.

"This is the God King Bow, it's a kind of God Weapon. I can only use one-tenth of the power of this God King Bow. If I can fully exert the power of the God King Bow, I'm afraid I can even shoot the sun!" Come down..."

David said slowly!

This time, Ge Cangsheng and Jiang Wuya were even more shocked. David could only exert one-tenth of the power of the God King Bow, leaving Jin Lifu helpless. have to?

After hearing David's words, Jin Lifu's expression also changed drastically!

Although he didn't know whether what David said was true, but he had learned the power of the God King Bow!

"David, I can let the Fire Gate Secret Realm come out, as long as you are willing to let our father and son live..."

Jin Lifu knew that if the fight continued, he would not be able to take advantage of it!

Now that David was alone, he couldn't take it anymore. If Ge Cangsheng and Jiang Wuya went up together, he might not be able to handle even one move!

What's more, now that his Zhanyue Pavilion disciples are almost slaughtered by those monsters, even if Jin Lifu stays in the Fire Gate Secret Realm, it will be useless!

After the spiritual energy recovers, these secret realms will become history and cease to exist!

That's why Jin Lifu gave up the Fire Gate Secret Realm to David. Even if David got the Fire Gate Secret Realm, it wouldn't last long at all!

"I don't have the slightest interest in this secret realm. What I want is your strength!"

"If you father and son are willing to give up the strength in your body, I can let you live!"

David said flatly!

When Jin Lifu heard this, he immediately became furious and said, "You are wishful thinking, you and I are both monks, we should have understood that if we lose our strength, it would be better to die!"

David looked at Jin Lifu's attitude, not at all. Unexpectedly, because he knew that Jin Lifu would not agree!

"I agree, I agree..."

"David, as long as you don't kill me, I am willing to dedicate my strength!"

Jin Yuan collapsed on the ground and said loudly to David!

Now Jin Yuan is already like a fish on the chopping board, let David slaughter him, even if he disagrees, it can't stop David at all, and finally he will take his life!

After weighing the pros and cons, Jin Yuan decided to agree to David, dedicate his own strength, and let David let him live!

---

## Chapter 2432

"Bastard, son of a b!tch, you are too embarrassing to Zhanyue Pavilion, the worst is death, why are you so cowardly?"

Jin Lifu saw that his son agreed to David, and begged David like a running dog, which made him He felt ashamed!

"Father, a man needs to be aware of current affairs. If our lives are gone, what's the use of our strength?"

Jin Yuan said to Jin Lifu indifferently!

"Shut up, don't call me anymore, I'm not your father..."

Jin Lifu was so angry that his face was flushed, he was about to die of anger!

"Are you really willing to dedicate your strength?" David looked at Jin Yuan with a sneer and asked.

"Yes, I am willing, as long as you let me go, I am willing to do anything."

Jin Yuan nodded repeatedly!

"Okay, come here. When I absorb your strength, I will let you go..."

David said!

Without hesitation, Jin Yuan crawled towards David!

"Bastard, I'll kill you..."

Jin Lifu was about to explode, seeing his son crawling towards David like a dog, he decided to clean up the house!

But when Jin Lifu made a move, Ge Cangsheng and Jiang Wuya also moved!

The two directly stopped Jin Lifu. Now that Jin Lifu was injured, he was no longer the opponent of Ge Cangsheng and Jiang Wuya!

Jin Yuan quickly crawled up to David, David stretched out his hand, and gently pressed Jin Yuan's head!

In an instant, a huge suction force began to absorb the strength in Jin Yuan's body!

Jin Yuan's body was trembling, and his face was extremely hideous. Although he was enduring great pain, he could only endure it in order to survive!

Soon, the strength in Jin Yuan's body was absorbed by David!

At this time, Jin Yuan seemed to be more than ten years old, and he no longer had the aura of a monk!

"I... can I go?"

Jin Yuan stood up with difficulty and asked David!

"Let's go..." David waved his hand.

Jin Yuan was overjoyed, and hurried to the distance!

Looking at the back of his son, Jin Lifu fell into deep thought. He doesn't understand now, what is the purpose of his endless cultivation and endless expansion of his desire?

In the end, his son didn't agree with him, which was a big blow to Jin Lifu!

Just after Jin Yuan walked a certain distance, suddenly a ferocious wild wolf monster rushed towards Jin Yuan!

Seeing this, Jin Yuan screamed in fright, desperately trying to escape!

But now Jin Yuan is just an ordinary person, he can't outrun wild wolves.

He was directly caught up by the wild wolf, bit his arm fiercely, and bit off his arm!

Amidst Jin Yuan's painful wailing, the wild wolf tore Jin Yuan into pieces one by one, and finally swallowed it into his stomach!

Jin Lifu went crazy watching his son being swallowed by wild wolves!

"David, I want to fight you, even if I die, I won't let you succeed..."

Jin Lifu knew that David had no intention of letting Jin Yuan go!

The wild wolf just now must have been sent by David!

Jin Lifu roared, his body began to swell, the spiritual power in his body was expanding rapidly, and the terrifying breath began to spread in the air!

Seeing this, David knew that Jin Lifu was determined to die, and that he wanted to die together, so he hurriedly pulled the bow of the god king!

Between the sky and the earth, countless light spots converged between the bow of the god king, and a white arrow feather appeared!

As soon as David let go, the arrow feathers shot towards Jin Lifu!

The white arrow feathers exploded in the air, forming a white aura net, covering Jin Lifu directly!

The aura net kept shrinking, and Jin Lifu's swollen body was tightly controlled!

No matter how hard he struggled, Jin Lifu couldn't break free!

David walked towards Jin Lifu coldly!

## Chapter 2433

Jin Lifu's pupils shrank violently, looking at David in disbelief!

He really didn't expect that in front of David, he would lose the ability to die!

David walked up to Jin Lifu, looking at Jin Lifu who was restrained at this time and had no power to fight back, David got a smug look on his face!

"David, don't be complacent. I'm not the only envoy in the purple robe, and his spiritual energy will be revived immediately. By then, all of you will die."

Jin Lifu gritted his teeth and roared at David!

"I don't know if I will die or not, but you are going to die soon..."

After David finished speaking, he slapped Jin Lifu with his palm!

The strength in Jin Lifu's body was quickly absorbed by David, and soon he turned into a mummy!

After absorbing the strength of Jin Yuan and Jin Lifu, David felt the aura in his body constantly surging!

This is a sign of a breakthrough!

David glanced at the corpses of monster beasts all over the floor, and said to Ge Cangsheng and Jiang Wuya, "Old Ge clan, Mr. Jiang, you lead people to take out all the beast pills of the dead monster beasts. With these beast pills, maybe we You can break through!"

"Master, if you need, I can let these monsters spit out the beast pills for you..."

Seeing this, Huofeng said to David!

As long as Huofeng said a word, these monsters would sacrifice themselves and spit out the beast pills!

David waved his hand, "Don't do this, I will use them to deal with other secret realms!"

These surviving monsters are of great use to David!

After the fight just now, many monsters have died. David feels that these dead monsters are enough!

Soon, the beast pill was taken out and sent to David. The hill-like beast pill exuded colorful light!

David didn't know how many days it would take him to break through this time, so he said, "You are here to protect the law, don't let anyone disturb me..."

"Don't worry, Mr. Chen, we will never let anyone disturb you."

Ge Cangsheng said!

“Master, I will stay by your side, no one can disturb you!”

Huofeng also said!

Only then did David sit cross-legged in peace, and the Concentration Art was activated, and a large amount of spiritual power in the beast pill quickly entered David’s body!

Ge Cangsheng and the others waited on the sidelines. Seven days passed, and there were not many beast pills left like a hill in front of David!

But there is still no sign of a breakthrough on David’s body!

“It’s too scary. There are so many beast pills, but they haven’t been able to break through...”

Jiang Wuya said in shock.

“Let’s wait and see, Mr. Chen needs a lot of resources to break through, but the strength he showed after breaking through is beyond our reach.”

Ge Cangsheng said!

Time passed slowly, and it was the tenth day in the blink of an eye, and all the beast pills on the ground had been consumed!

Looking at this scene, Huofeng decided to summon some monsters and let them spit out beast pills to give David the resources to break through!

Otherwise, David has reached a critical moment, and he can’t give up all his previous efforts!

But just when Huofeng wanted to summon some monsters, David’s body suddenly burst out with a terrifying breath!

This breath went straight to the sky, and soon from above the top of the cloud, a beam of light fell from the sky, covering David directly!

The golden light flickered in the beam of light, neither the scope nor the aura contained in it was comparable to that of Lei Jie!

Seeing this, Ge Cangsheng and Jiang Wuya's eyes widened, their faces full of disbelief!

"What... what is this? Don't you need thunder to break through the big realm?"

Jiang Wuya asked in disbelief.

"Perhaps this is the difference between Mr. Chen and us. I think the power contained in this beam of light is stronger than that of Lei Jie, but I don't know if Mr. Chen can bear it!"

Ge Cangsheng said with a little worry!

## Chapter 2434

Seeing this scene, Huofeng was also a little shocked. Feeling the terrifying power in the beam of light, Huofeng was afraid that David would not be able to bear it, so she wanted to help David!

But just when Huofeng made a move to help David offset part of the force, Huofeng's body was instantly bounced by the power in the beam of light, sending her flying hundreds of meters away!

The beam of light shone on David's body, and David's body was transforming rapidly. The severe pain made David's forehead covered with cold sweat!

David gritted his teeth and remained motionless, because David knew that this was the most critical moment, as long as he persevered, it would be considered a complete breakthrough!

At that time, not only will his strength improve, but his physical strength will also increase a lot!

A white cloud slowly appeared in the sky, and under the light, it turned into a colorful auspicious cloud!

Sitting under the auspicious clouds, David looked like a fairy!

I don't know how long it took, the pain in David's body disappeared, and then his whole body was like soaking in the sun in a hot spring.

"Look, the beam of light has changed..."

Jiang Wuya shouted!

At this moment, the power within the beam of light has become milder, and it is no longer as terrifying as before!

At this time, David felt a huge buoyancy force, and slowly lifted himself up. David's body began to hang in the air, flying all the way towards the colorful auspicious clouds!

Gradually, David was bathed in the golden light, and his body became taller and taller, just like a god!

David's body quickly passed through the auspicious cloud, and when he stepped on the auspicious cloud, David felt that there was endless power in his body!

David waved his hand lightly, and the Dragon Slaying Sword instantly appeared in his hand!

It's just that this time after David injected the power of the dragon into the dragon-killing sword, the dragon-killing sword trembled violently!

David's thoughts followed the communication of Dragon Slaying Sword and Sword Spirit, and a slight obstacle began to appear!

"What... what's going on?"

David frowned slightly!

When David increased the injection of power again, the Dragon Slaying Sword shook even more, as if it was struggling in pain!

David had no choice but to put the Dragon Slaying Sword away again. He didn't understand how the compatibility between the Dragon Slaying Sword and himself would decrease after his realm was improved?

After putting away the Dragon Slaying Sword, David set his sights on the Dragon Pattern Clock. Before, David's realm was too low, so he forcibly activated the Dragon Pattern Clock and almost killed himself!

Now that his realm has improved, David wants to see if he can control this dragon clock now!

He took out the dragon pattern clock from the storage ring, looked at the dragon pattern clock in his hand, and suddenly threw it into the air!

The dragon pattern clock instantly became larger and spun in mid-air!

David held the hammer in one hand, jumped angrily, and slammed down on the dragon bell!

Hum...

A sound wave spread from the dragon pattern clock to the surroundings!

The entire void began to distort and deform under the sound waves, the Fire Gate secret realm was shaking violently, and the time and space of the entire secret realm seemed to be changing rapidly!

The barren desert in the Fire Gate Secret Realm was changing at a speed visible to the naked eye. Oases and jungles began to appear like pictures!

This confuses Ge Cangsheng and Jiang Wuya below. They have stayed in the Fire Gate Secret Realm for so many years, and they have never seen the environment in the Fire Gate Secret Realm change!

You must know that the eight secret realms are created according to the five elements and eight trigrams, and each secret realm has its own characteristics and geographical environment!

Now this geographical environment has actually been changed?

Just when Ge Cangsheng and Jiang Wuya were stupefied, David dropped his hammer again, hitting the Dragon Pattern Clock heavily!

Although this time, David only felt that his hands were numb from the shock, but the sound of the Dragon Pattern Bell was stronger than the first time!

## Chapter 2435

The originally changed environment has changed again!

The space of the entire secret realm began to distort, and the turbulence of time and space continued to wreak havoc, and the entire Fire Gate secret realm was about to collapse!

At this time, David was still above the auspicious clouds, and he had no idea of the changes in the secret realm of the Fire Gate under his two hammers!

In addition to the Fire Gate secret realm, other secret realms are also undergoing great vibrations and changes amidst these sound waves!

“What happened?”

Yu Qian, who was in the secret realm of Tianmen, felt the shock of the secret realm, and there was a bit of panic in his eyes!

In the Purple Thunder Sect of the Dimen Secret Realm, Yao Qisheng was dressed in a purple robe, and he also felt the huge shock in the secret realm.

Hurry up and send your disciple Yao Shenghui to check it out!

But at this moment in the Demon Heart Sect, Da Neng opened his slightly closed eyes, and even in the secret realm where he was, there was a violent vibration in the space!

“This David actually made a breakthrough. He still wants to break through the eight secret realms one by one, but I won’t give him this chance.”

After Da Neng finished speaking, he waved his palm, and several bursts of purple light shot out!

He wanted to gather all the purple-robed envoys together to prevent David from defeating them one by one!

As long as they waited for the time to come and the spiritual energy recovery array was activated, David would be of no value.

At this time, David in the secret realm of the Fire Gate put away the dragon pattern clock. With his current strength, he could activate the dragon pattern clock, but he could only use part of the dragon pattern clock’s strength!

When David jumped down from the auspicious clouds, he found that the entire Fire Gate Secret Realm was no longer what it used to be!

With the turbulent harvest of space, the Fire Gate Secret Realm is no longer suitable for living!

"How could this be?"

David asked Ge Cangsheng with a face full of surprise!

"Mr. Chen, I wonder if you moved the dragon-patterned clock just now? After two rings of the dragon-patterned clock, this secret realm has become like this!"

Ge Cangsheng said to David!

"This..."

David was a little embarrassed, just now he was just trying to see if he could activate the dragon bell, but he didn't expect that this simple test would directly destroy the Fire Gate Secret Realm!

"Let's go quickly. I guess this Fire Gate Secret Realm won't last long, and it's about to collapse..."

After David finished speaking, he opened the Ninety Thousand Miles of Mountains and Rivers Map, and was teleported back to the capital in an instant!

David, who broke through the realm, now has a lot of confidence. Although he is not as powerful as the Demon Heart Sect, David is confident to deal with those purple-robed envoys!

It's just that the dragon-slaying sword didn't know what happened, and it actually contradicted David a little bit!

You must know that this dragon-slaying sword has been fighting with David all the way, and it has already become one with the human sword, and the dragon-slaying sword is already a part of David's body!

Now that this situation suddenly appeared, it was hard for David to accept it!

“Could it be because I have the God King Bow and Dragon Pattern Bell, does Zhanlongjian feel that I want to abandon it?”

David was very puzzled!

Although the Dragon Slaying Sword is not as powerful as the God King Bow and Dragon Pattern Bell, it is also a divine weapon, but its power has been greatly reduced because of damage, and David needs to cultivate it a little bit!

David held the Dragon Sword in his hand again. When David injected the power of the dragon a little bit, and wanted to connect with the Dragon Sword, the Dragon Sword would vibrate violently, as if he was very resistant!

David had no choice but to take back the Dragon Slaying Sword again. It seems that there is no way to use the Dragon Slaying Sword in the future!

“I don’t know what happened to Yuqi...”

David decided to go and see Sonya. Regardless of whether it was dangerous or not, he would always tell Sonya the good news that his mother was rescued!

And David really missed Sonya after not seeing her for such a long time!

David came to the backyard of the Kyoto Martial Arts Federation, which is the entrance to the secret realm of Wendaozong!

After opening the entrance, David’s figure slowly disappeared, and he appeared in the secret realm of Daoist sect!
