Chapter 2494

"Little brother, it seems that you are also in trouble. Since you rescued us, we must not sit idly by. We will go with you!"

said the Great Elder of the Artifact Sect!

After all, they stay here and are not familiar with the place of life. If something happens, they will not be able to deal with it. After all, this is not the world of heaven and man!

As long as you follow David and help David solve the matter, David can open the passage and let them return to the world of heaven and man, which is also very good!

The rescued prisoners all nodded and were willing to go with David. After all, if they did not follow David, they would not be able to open the passage, nor would they be able to return to the Heavenly Human Realm!

"That's fine, I'll send you back when it's done!"

David nodded, just as he was in urgent need of help now, he was afraid that it would be difficult for him to deal with the Demon Heart Sect, even with Yu Qian and the others as internal support, facing him Even David has no confidence in the unfathomable Almighty!

Now the elders of the Artifact Refining Sect and these people choose to help themselves, so David will have more helpers!

However, David didn't know why all the people from the Celestial Realm were imprisoned in the Demon Heart Sect's dungeon, and how did these people from the Celestial Realm come here? This is a mystery to David!

David didn't have time to think about it, and then he took the elders of the Artifact Refining Sect and these people from the Heavenly Human Realm to leave the secret realm of the Demon Heart Sect and head straight for the secret realm of the Daoist Sect!

As soon as they left the secret realm, these people in the world of heaven and man felt the suppression of the law of heaven and earth, and they all frowned slightly, and some even showed painful expressions!

Fortunately, after leaving the secret realm of the Demon Heart Sect, he soon came to the entrance of the secret realm of the Daoist Sect. David led everyone into the secret realm of the Daoist Sect, and the demon envoy followed closely behind. The imprint, he can only follow!

At the same time, in the secret realm of Daoist sect, Ning Zhi became a little impatient, and said anxiously, "Da Neng, is this David coming yet? I have been waiting for such a long time."

"Don't worry, He will definitely come, but he will come after finishing his work!"

Da Neng said lightly!

Listening to Da Neng's words, Yu Qian's people behind him were already in cold sweat. Hearing Da Neng's tone, it seemed that he knew what David did!

Cold sweat kept dripping from the foreheads of the six purple-robed envoys, Da Neng suddenly turned his head to look at the six purple-robed envoys and said, "You seem to be very hot?"

"No...not hot..."

Yu Qian shook his head hastily!

Da Neng didn't say anything, but the slight smile on the corner of his mouth made Yu Qian and the others even more terrified!

Soon, David arrived in a hurry with his people, and when he saw the scene in front of him, his expression became more dignified!

No wonder he didn't see a few members in the secret realm of the Demon Heart Sect. It turned out that they were all brought to the secret realm of the Daoist Sect. There were hundreds of members of the Demon Heart Sect neatly arranged!

And the Da Neng at the front, dressed in a black robe, always gives people a faint feeling!

Behind Da Neng are the six purple-robed envoys, David just took a look at the six purple-robed envoys, and then took his eyes back!

Among them, Yu Qian, after seeing his daughter Yu Jiameng following David, he knew that David had rescued their family members!

However, David brought Yu Jiameng here, which made Yu Qian very upset. He thought that David was threatening him because of Yu Jiameng, so that they would not admit it and not be on the same team with David!

"David, you're finally here. I've been waiting for you for a long time..."

Ning Zhi looked at David, narrowed his eyes slightly, and said in a cold voice!

David just glanced at Ning Zhi, but didn't pay attention to him, but stared at Da Neng firmly!

In David's eyes, only Da Neng is his real opponent, and Ning Zhi is just a jumping grasshopper!

"Where are my girlfriends?"

David asked Da Neng in a cold voice!

Da Neng didn't speak, he stood quietly, unable to see the expression on his face clearly!
