#### Chapter 2505

Seeing this, David forced out a few drops of blood between his eyebrows, and the flame imprint became even hotter!

"Ah..."

David burst out with all his strength, and smashed down hard with the bell hammer again!

Buzz...

Along with a buzzing sound, terrifying auras spread rapidly to the surroundings like ripples!

The whole earth began to tremble, and then the waves undulated, forming a wave-like shape on the water surface!

After this hammer, Wen Haotian finally stopped moving in the Dragon Pattern Clock!

Seeing this, David breathed a long sigh of relief, but just as David was about to relax, the Dragon Pattern Bell suddenly rose from the ground and soared into the sky!

Immediately afterwards, Wen Haotian came out of the dragon pattern clock, looked at David below, and said coldly, "I said before, this dragon pattern clock is a good thing, but it's a pity that you can't use its full strength."

Ask Haotian said After that, he slapped the Dragon Pattern Clock down with a palm in an instant!

The dragon pattern clock hit David like a shooting star. Seeing this, David hurriedly rolled over like a lazy donkey and dodged it!

The Dragon Pattern Bell hit the ground fiercely, causing bursts of sound waves!

Many people were so shocked by the sound waves that they vomited blood and died!

David was already in a panic at this time. If he wasn't burning his blood, he probably didn't even have the strength to stand up now!

"Ah..."

David put away the Dragon Pattern Bell, and there was an extra God King Bow in his hand!

Unleashing all the power of the Dao pattern, David pulled the bow string fiercely!

On the bowstring, countless arrow feathers appeared densely in an instant!

But at this time, Wen Haotian didn't look at David, but looked at the huge human face in the sky!

Because at this time, the huge human face began to become distorted, and it became lighter and weaker, as if it would disappear at any time!

"Stop it..."

Wen Haotian roared and rushed towards Mr. Shi!

Because if this huge human face disappears, his plan for many years will fail, and he will also disappear with this human face!

So he must not let Mr. Shi's hand, he must stop Mr. Shi!

"Thousands of arrows piercing the heart..."

Just as Wen Haotian rushed towards Mr. Shi, the bowstring in David's hand instantly loosened!

Countless arrow feathers spread towards Wenhaotian!

Wen Haotian didn't care about it at all, but directly connected these arrow feathers with his body!

Although these arrow feathers did not cause any damage to Wen Haotian, they slowed down his speed!

After David shot these arrow feathers, his body could no longer support himself, and he knelt down on the ground instantly!

Wen Haotian desperately passed through those arrow feathers, seeing that huge human face getting paler, Wen Haotian was in a hurry!

When Wen Haotian passed through the arrow feathers and slapped Mr. Shi with his palm, a figure stood in front of Wen Haotian again!

Wen Haotian was taken aback for a moment, seeing that David was already like this, and dared to stop him.

"Boy, go to hell..."

Wen Haotian slapped David fiercely with this palm!

Boom...

A terrifying breath enveloped David, and then David's body fell like a shooting star!

But when Wen Haotian slapped David with his palm, the dragon-slaying sword exuded a sword intent!

This sword intent was so pure that it protected David's heart!

David's body hit the ground heavily, and everyone thought David was finished!

No one can survive under Wen Haotian's palm!

Even Wen Haotian thought that David had already broken his veins and died!

"David..."

Sonya and the others shouted!

Even Mr. Shi couldn't help but look down at David!

Just when everyone thought that David would die, David slowly got up from the ground. Although the breath on his body was extremely weak, he was still alive!
