Chapter 2508

"Master Hu should know about the Celestial Realm, let's ask him if he knows how to enter the Celestial Realm?"

Han Qing'er, who had been silent all this time, said!

"Yes, let's ask Master Hu, I think he is well-informed!"

Ge Jiayi agreed!

Seeing that everyone said so, Ji Ruxue took these girls to find Hu Mazi!

When Hu Mazi saw that David's women were all looking for him, he felt a little guilty. He thought these women had discovered that he was always eavesdropping on the corners!

"Master Hu, we have something to ask you..."

Ji Ruxue followed Hu Mazi and told the ins and outs of the matter.

When Hu Mazi heard that David was sucked away by the black hole, went to the world of heaven and man, and was seriously injured, he immediately became anxious.

"I know a little about the world of heaven and man, but to enter the world of heaven and man, you need to reach a certain strength, tear time and space, and open the passage. With our current strength, I'm afraid we can't do it!"

After all, Hu Mazi followed David had just been to the Celestial Realm some time ago, but he didn't have the ability to open the passage to the Celestial Realm!

When they heard that they had to be very strong in order to tear time and space apart and open the passage to the world of heaven and man, all the girls fell silent!

"I'll ask my father if there is any way..."

Ge Yuhan wanted to ask Ge Cangsheng if there was a way to open the passage to the world of heaven and man!

After all, Ge Cangsheng is the strongest here, but Ge Yuhan knows in his heart that Ge Cangsheng will definitely not be able to open the space-time channel. If he can open it, Ge Cangsheng has already gone to the world of heaven and man, so why yearn for it every day?

But now there is no way, it is always good to ask one more person!

But just when Ge Yuhan was about to ask his father, Xing Jun walked in.

"Captain Xing?"

Seeing Jun Xing coming, Ji Ruxue and the others were very puzzled!

Ji Ruxue and the others often went to the Guardian Pavilion to ask Mr. Shi to practice, and they were familiar with Xing Jun, but Xing Jun rarely came to Longmen, and they didn't understand what Xing Jun came here suddenly.

"Miss Ruxue, before Mr. Shi left, I had a letter for you!"

Xing Jun gave Ji Ruxue a letter and left!

This time, everyone was even more puzzled. They didn't understand how Mr. Shi, who had passed away, would prepare a letter for them in advance?

"Open it and have a look..."

Hu Mazi urged anxiously!

Ji Ruxue quickly opened the letter, and then a group of people gathered around to watch it!

After reading the letter, everyone's expressions instantly became very helpless!

"It's over, we can't save David now!"

"How could this happen? Did Mr. Shi expect that David would be sucked into the world of heaven and man?"

"Mr. Shi is really mysterious, he seems to be able to predict everything like a god! "

All the girls, you said one word at a time!

And because Hu Mazi was embarrassed to join the group of women just now, he didn't read the content of the letter, so he asked anxiously, "What's the matter, what did Mr. Shi say?"

"Mr. Shi said let us practice hard, heaven and man The channel between the secular world and the secular world cannot be opened within a year. He said that when the spiritual energy recovers and the laws of heaven and earth disappear, the protection mechanism of the secular world will also be opened."

"And Mr. Shi also said that after one year, the secular world will He doesn't know what the world will become, so let us practice diligently so that we can help David in the future, and he also said that David will not be in danger, so let us not worry!"

Ji Ruxue simply wrote in the letter The content has been said again!

After listening, Hu Mazi fell into deep thought, and said after a while, "If there is no one-year protection period, I really don't know what the secular world will be like. It seems that we should practice hard!"

In the following year, Hu Mazi really started to practice crazily, and he didn't get close to women for a whole year. These are all things for later!
