Chapter 2510

Ali looked at Yun'er with helplessness on his face, and finally he could only sigh and said, "Okay, I will carry him back to Dashi Village, but I'm not sure if I can save him..."

As Ali said, he just Carrying David on her body, Yun'er wiped away her tears, glanced at Wang Gong, and took it into her hands!

She knew it must be David's weapon, so she took it with her, but she didn't know that this bow was the famous God King Bow!

After carrying David back to Dashi Village, Yun'er asked Ali to put David in her home!

"Yun'er, I have some herbal medicine here. Give this kid some medicine. As for whether he can live or not, it depends on that kid's luck."

"If that kid dies, please tell me so that I can carry him out and bury him ."
Already ."

Ali said as he gave Yun'er a pack of herbs.

"Thank you, Ali."

Yun'er took the herbs and said gratefully!

After Ali left, the blind old woman came out from the other room!

"Yun'er, I heard that Ali is here. What did he say just now? Why is he still talking about whether he can live? Who is injured?"

asked the old woman.

"Grandma, it's Brother David." Yun'er said!

"Brother David?" The old woman was dumbfounded.

So Yun'er explained it carefully, and the old lady realized that it was the person who came some time ago!

"Yun'er, take me to see..." The

old woman let Yun'er take her into the room where David was lying!

The old lady went forward to check David's breath, and felt her pulse again, and said, "This kid is really dead, his body has been almost hollowed out, and even his essence and blood are almost burned out, but he is still alive."

"Grandma, can Brother David wake up?"

Yun'er hurriedly asked.

"Then I don't know. It depends on his good fortune. Don't give him any medicine. It's useless to him. Just let him lie down!"

said the old woman! But just after the old woman finished speaking, she suddenly frowned, turned her face to the side and said, "Yun'er

, what is there here, why do I feel something is wrong?"

Ping's bow, so she said, "Grandma, this is David's brother's weapon, it's just a bow, it looks pretty broken!"

Yun'er said, picked up the Shenwang bow and handed it to the old woman!

But when the old lady took the God King Bow and stroked it with her hands, her whole body trembled, and the God King Bow fell to the ground!

"Grandma, what's the matter with you?"

Seeing that the old lady was so nervous, Yun'er hurriedly stepped forward to support her and asked!

"Oh, it's okay, it's okay..." The

old woman shook her head, and then said to Yun'er, "Yun'er, quickly wrap this bow in a rag and hide it, don't tell anyone about it, do you know?"

Yun'er looked puzzled and said, "Grandma, is there any difference in this bow? Brother Ali and the others have also seen it."

"There is no difference, just follow my advice, hurry up..."

The old lady suddenly put on a straight face and said to Yun'er!

Seeing this, Yun'er could only be obedient, wrapped the bow of the god king with a rag, and then hid it in a hidden place!

When Yun'er walked back, the old woman felt the very faint breath on David's body, and murmured, "Who are you? You have a god king bow in your hand, and you have suffered such a serious injury."

"I hope you Don't bring destruction to this small mountain village..." After the old woman finished speaking, she turned around and groped out of the room!

Time passed day by day, and it was three days in the blink of an eye!

For the past three days, Yun'er has taken care of David meticulously, but David has not yet come to his senses, the aura on his body is still weak, and he is still in danger of dying at any time!
