Chapter 2511

"Brother David, wake up, don't let anything happen to you!"

Yun'er held the jade pendant that David had given her in her hand, her eyes were full of anticipation!

She hoped that David would wake up soon. If David failed to survive, Yun'er would feel guilty. After all, David saved her life!

Just when Yun'er was holding the jade pendant and looking forward to David waking up, the force of dragon wind that David had penetrated into the jade pendant floated out of the jade pendant, and then entered David's body!

It was this power of dragon and phoenix that made David's crumbling body gain a bit of strength, and David also slowly opened his eyes!

"Where am I?"

David opened his eyes, only to feel that his head was groggy and he had no strength in his body. He wanted to do it, but just when he tried hard, his body hurt unbearably!

David didn't have half the strength to go to work, and his hands and feet didn't seem to be in control!

But he looked at the old roof and knew that he was in the room now!

Seeing David's eyes opened, Yun'er on the side jumped up excitedly, looked at David happily and said, "Brother David, are you awake? You finally woke up..."

David looked at the girl in front of him, and for a while Confused, he doesn't remember this girl very much. After all, when David left Dashi Village, he didn't have a deep impression, because he felt that he would have nothing to do with this small mountain village!

"Brother David, don't you know me? I'm Yun'er, this is Dashi Village..."

Seeing David's confused look, Yun'er hurriedly said!

Only then did David think about it, and then asked in a daze, "Yun'er, I...why am I here?"

David can only remember that he was sucked up by a huge suction force, followed by Huofeng, Sonya and the others shouted, chasing after them!

He didn't know that the black hole was the passage to the world of heaven and man, and now it seems that he has come to the world of heaven and man!

"Brother David, you were seriously injured. Brother Ali and I went hunting and found you, so we rescued you. You have been in a coma for three days and three nights. I'm afraid you won't wake up!"

Yun'er said!

At this moment, David felt a bit of strength, and with Yun'er's support, he sat up from the bed. He was still in a state of bewilderment now!

David carefully recalled everything he could think of!

The spiritual energy revived, Wendao Zong, Mr. Shi disappeared...

"Yes, the God King Bow, where is my God King Bow?"

David suddenly remembered that he didn't have time to put the God King Bow into the storage ring before he fell into a coma. , Now that he has come to the world of heaven and man, where is the bow of the god king?

You must know that this is a divine weapon. Without the Divine King Bow, David would have no way to stop that Wen Haotian's footsteps!

Although David's strength was weak and the Shenwang Bow failed to hurt Wen Haotian, the countless arrow feathers blocked Wen Haotian's footsteps, making Mr. Shi successfully prevent the resurrection of the person in the copper coffin!

When Yun'er heard this, she knew that David was looking for her own weapon, so she hurriedly said, "Brother David, are you looking for your own weapon? I have already hidden it for you, and I will bring it to you..."

Yuner said, I'm going to take out the God King Bow and return it to David!

But as soon as he reached the door, he was blocked by the old lady!

"Grandma, Brother David is awake, I'll get him the weapon..."

Yun'er said happily!

"Yun'er, put that bow and don't move it, you go out first, I have something to ask him!"

said the old woman!

When Yun'er heard this, she was a little unhappy. After all, it was David's weapon. If he wanted his own weapon, why didn't he give it to him?

Seeing that Yun'er hadn't moved, the old woman turned cold and said, "Go out..."

The old woman's sudden reprimand made Yun'er startled for an instant, tears streaming down her face!
