

A Man Like None Other

Novel

Chapter 2561

Facing countless elixirs, David began to recover his strength by running the Concentrating Heart Art. David also swallowed the Guixin Pill that Princess Isa gave him in one gulp!

Just when David recovered his strength in Demon Imperial City, the villagers of Dashi Village were all living in dire straits!

At this moment, in the square of Dashi Village, a villager is being severely taught by Zhang Biao with a whip!

Many people around watched, but no one dared to speak out!

Looking at the beaten villagers, who were already bloody and bloody, Yun'er's eyes were bursting with anger, but he dared not vent it!

Because he knew that Zhang Biao and Wu Feiyu would slaughter the villagers once they expressed their dissatisfaction!

After all, in the eyes of the disciples of the sect, these rural villagers are untouchables, and they cannot be compared with them at all!

"Sister Yun'er, if this continues, Uncle Liu will be beaten to death..." Zhu

Zi whispered next to Yun'er!

Yun'er didn't make a sound, she only hoped that Ali could find David soon, because Zhang Biao and Wu Feiyu came to find David, as long as David didn't show up, these two people wouldn't leave the village!

"When we go back to the village, we just need to be more vigilant..."

Yun'er said with a sigh!

At that time, they were sent back by Lang Feng, Lang Feng left without entering the village, and Ali and the others walked into the village unsuspecting!

As a result, Zhang Biao and Wu Feiyu had already inquired about David's whereabouts in the village at that time!

When Zhang Biao and Wu Feiyu saw Ali and the others, they immediately arrested several people and questioned David's identity!

After discovering that David and Ali had already separated, and that Agrimony was on David, Wu Feiyu asked Ali to find David, and warned Ali that as long as Ali couldn't find David for a day, they would be killed. It will kill a person in Dashi Village!

It was already evening today, and Ali hadn't found David yet, so Zhang Biao and Wu Feiyu began to publicly beat the villagers in the square of Dashi Village. They wanted to beat people to death to deter others.

Facing Zhang Biao and Wu Feiyu, the villagers of Dashi Village could only dare not speak out. If they offended them, Dashi Village might be slaughtered!

Slowly, the villager who was beaten had no business, and in the end he lost all life!

Seeing that the person was beaten to death, Zhang Biao stopped, and then looked at the many villagers in Dashi Village and said, "I tell you, today is only

the first day, as long as you can't find that man named David, you will still die until Everyone in Dashi Village is dead!"

Everyone in Dashi Village glared at Zhang Biao, and some of them were trembling slightly because of extreme anger!

"Doctor Zhang, Ali has already gone to find that David, we will definitely find him for you, calm down..."

"I have ordered someone to prepare a banquet, and I invite you and your senior brother to have a few drinks Go to bed early!" The

old village chief stepped forward and said respectfully to the sign!

As soon as the food and drink were prepared, Zhang Biao threw away the whip in his hand, then looked at Wu Feiyu and said, "Senior brother, let's go have a drink..."

Wu Feiyu nodded, and then followed the old village chief towards a house to go!

The old village head nodded and bowed, with a charming smile on his face, but when he looked at the corpses of the villagers who were beaten to death on the ground, a trace of sadness flashed in the old village head's eyes, but he couldn't show it!

In order to save more villagers, the old village head could only serve Zhang Biao and the others.

"It's all gone, let's go home and eat..." The

old village head waved his hand, making everyone disperse!

He was afraid that someone would lose control of his emotions and attack Zhang Biao and Wu Feiyu. In that case, the whole Dashi Village would not be alone!

In this world of heaven and man where the jungle preys on the weak, the villagers at the bottom are living like pigs and dogs!

Chapter 2562

Everyone in Dashi Village looked at the dead man in the middle of the square, and they were all very sad, but they had no choice but to go back to their respective homes!

"Yun'er, are you okay?"

After Yun'er came home, the old lady hurriedly asked!

"Grandma, I'm fine, but... But Uncle Liu was beaten to death by them..."

Yun'er started to cry as she spoke!

"It's good that you are fine. Ever since that David came to Dashi Village, I knew that Dashi Village would not be peaceful anymore!"

"You must hide that bow and arrow well, and don't let anyone see it..." the

old woman said Yun'er exhorted!

"Grandma, I understand."

Yun'er nodded!

The entire Dashi Village was shrouded in fear, because no one knew who would be the next to be beaten to death!

They can only hope that Ali will find David back soon!

But at this time, David was still quietly recovering his strength in the Demon Imperial City, and he didn't even know what happened to Dashi Village!

If David knew, he would rush back without hesitation!

After all, the villagers in Dashi Village treated him well, not to mention saving his life!

Three days later, David consumed all the pills in the entire Demon Imperial City, but David's strength had not fully recovered, only about 70% recovered. David's body was too perverted. The resources for dating are enormous!

If the Demon Emperor Yihe found out that David had consumed all the pills in the entire Demon Imperial City and failed to fully recover, his jaw would probably drop in shock!

However, with David's current strength, as long as he doesn't encounter masters above the Fusion Realm, he can protect himself without any problem.

After practicing for three whole days, David walked out of the room and wanted to do some exercise!

"Mr. Chen..."

Just as David walked out of the room, Elder Pei immediately greeted him!

It turns out that Elder Pei has been guarding the door all the time. As long as David has any needs, Elder Pei will meet them as soon as possible!

After all, this is an order issued by Yihe Yaohuang himself, so Elder Pei dare not be sloppy!

"Elder Pei? What are you doing here?"

David was a little surprised to see Elder Pei outside the door. He thought that Elder Pei was looking for him!

"Mr. Chen, the Demon Emperor asked me to stay here and wait on Mr. Chen. I'm afraid you may need something."

"I don't know what Mr. Chen is going to do? Just explain!"

Elder Pei asked cautiously!

"I'm just a little bored, I want to go for a walk..."

David smiled slightly, "Go and do your work..."

"Mr. Chen, you are not familiar with this place, let me show you around!"

Pei The elder didn't dare to leave, the Demon Emperor ordered him to guard David here!

"Alright..."

David nodded. After all, David was not familiar with the imperial city, so it would be troublesome if someone interrogated him!

Elder Pei took David around the entire imperial city, and acted as a tour guide, explaining the history of the imperial city to David!

Listening to Elder Pei's explanation, David realized that this imperial city has a history of thousands of years, and it is the fourth generation when it comes to Yihe Yaohuang!

But when Elder Pei took David to the back garden and looked at the beautiful surroundings, there was a sudden scream from a courtyard, accompanied by the cry of a girl!

Hearing this voice, David frowned, and was about to follow the voice, but after Elder Pei heard the voice, his face became a little ugly, but he stopped David and said, "Mr. It's a distinguished guest invited by the Demon Emperor, so let's not bother!"

Elder Pei knew that Sect Master Hu of the Jade Cauldron Sect lived there, so he didn't want David to bother him!

"Guest?" David's face was a bit ugly, "What kind of guest, abused a girl like this?"

David heard the girl's screams, and knew that the girl had been abused inhumanly!

Chapter 2563

Elder Pei didn't speak, but his face was full of embarrassment. It seemed that he had known the situation in the yard for a long time, but he never cared about it!

David pushed Elder Pei away and walked quickly towards the courtyard.

"Mr. Chen, Mr. Chen..."

Elder Pei chased after him, but he didn't dare to forcefully stop David. After all, the Demon Emperor was so polite to David. It is definitely not easy for Elder Pei to directly tell David's identity!

When David opened the gate of the courtyard, he was stunned by the scene in front of him. He saw a girl with a very distinctive appearance and fair skin lying on the ground with shocking scars on her body!

At this time, the girl was completely naked, and her aura was like a thread. Looking at the girl, there was an old man with a fierce face, holding a whip in his hand, and his eyes were full of excitement!

The old man was only wearing a pair of underpants, his dark skin was exposed!

David was full of anger at this moment, he could see it at a glance, the old man in front of him should be the guest of honor in Elder Pei's mouth!

Although this guy is not young, he is actually a pervert. He ruined a girl like this!

Seeing someone suddenly pushing the door and barging in, the old man couldn't help being taken aback for a moment, and then roared angrily, "What the hell are you doing, get out of here, don't disturb my interest..."

After the old man finished speaking, the Whip, whip towards David!

With murderous intent in David's eyes, he stretched out his hand and grabbed the whip, and the two immediately clashed!

Seeing this, the old man frowned tightly, and then a majestic force went towards David through the whip!

"Sect Master Hu, please calm down..."

At this moment, Elder Pei rushed in and hurried forward to stop the old man!

Then he said to David, "Mr. Chen, let go quickly, it's a misunderstanding, it's all a misunderstanding..."

David let go of his hand, he knew that even if he didn't let go, he would not be able to catch the other party's strength.

"Elder Pei, what's going on? Who is this guy?"

Sect Master Hu asked Elder Pei with a displeasure on his face.

"Sect Master Hu, calm down, calm down, this Mr. Chen is also a distinguished guest of our Demon Emperor!"

Elder Pei hurriedly apologized to Sect Master Hu!

"I don't care who he is, tell him to get out immediately, don't disturb my interest!"

Zongzhu Hu put away the whip, and said viciously!

"Okay, okay..."

Elder Pei nodded repeatedly!

But just when Elder Pei was about to tell David to leave, he saw David take off his coat, put it directly on the girl, then picked up the girl and walked out!

"Leave the man to me, I haven't had enough fun yet..."

Seeing that David wanted to take the girl away, Zongzhu Hu immediately became furious!

Elder Pei hurried forward to stop David, "Mr. Chen, you should keep this girl..."

Looking at Elder Pei like that, David said with a gloomy expression, "Elder Pei, isn't this girl from your imperial city? She has been beaten like this, and you just watch and ignore it?"

"Mr. Chen, Sect Master Hu is a distinguished guest, and we must fulfill his request."

Elder Pei said helplessly!

"Can a distinguished guest do this? Go and call me your demon emperor, I want to see what kind of distinguished guest this is!"

David was already furious!

Seeing this, Elder Pei also knew about the situation. He couldn't handle it, so he immediately ordered someone to find Yihe Yaohuang!

Soon, the Demon King Yihe and Princess Isa hurried over!

Seeing David and Hu Zongzhu's swords at each other's swords, Yihe Yaohuang instantly felt his head grow big, so he stepped forward and said to David, "Mr. Chen, what happened?"

"Look for yourself, this girl is also your subject, right? How is she beaten up now? Is this how you, the Demon King, are? If you can't protect your own people, what's the use of you as the Demon King Use!"

David's tone was very severe, as if scolding a child, scolding Yihe Yaohuang!

Chapter 2564

David would never allow such a situation to happen in his hall, no matter what kind of distinguished guest that Sovereign Hu was!

Now that the Demon Imperial City is a hall of Heavenly Dragon Palace, the people here can be regarded as David's subordinates, and David will not let his subordinates be bullied and ignore it!

Yihe Yaohuang's face turned red and white after David's training, and Elder Pei looked at David with a face full of surprise. No one here would dare to say that about Yaohuang!

Even if Sect Master Hu wanted something from him, he would not dare to reprimand the Demon Emperor like this!

"You are so brave, how dare you talk to my father like that?"

Princess Isa said angrily when she saw that David dared to reprimand her father!

"Shut up!" Yihe Yaohuang glared at Princess Isa and asked her to shut up, then looked at David humbly and said in a low voice, "Mr. Chen, please take a step to speak, and I will explain it to you Come on !"

"You'd better explain it to me..."

David handed the girl in his arms to the guard beside him and said, "Put her down well..." The

guard took the girl but didn't dare to move, Yihe demon The emperor winked, and the guard hurriedly took the girl away!

When Zongzhu Hu saw this, he frowned, he was a little confused for a while, he didn't understand the identity of such a brat like David, who dared to reprimand Yihe Yaohuang!

Yihe Yaohuang took David out of the hospital, then found a secluded place, and said with shame on his face, "Hall Master, this person is Hu Zongzhu of the Jade Cauldron Sect, a senior pharmacist, and the daughter of Elder Pei is seriously ill in bed. , Many people can't be cured, so I invited this Sect Master Hu."

"Jade Cauldron?" David frowned, he didn't expect this guy to be the master of that Zhang Biao and Wu Feiyu!

With such a master, it seems that Wu Feiyu and Zhang Biao are not much better!

"Hallmaster doesn't know Jade Cauldron Sect, this Jade Cauldron Sect is..."

"You don't need to introduce me. Don't tell me you are a majestic demon emperor, and you are afraid that the Jade Cauldron Sect will fail? Can you be so low-key?"

Before Yihe Demon Emperor finished speaking, David waved his hand and said!

"Of course I'm not afraid. If there is a fight, my Demon Imperial City can wipe out the Jade Cauldron Sect in minutes."

Yihe Demon Emperor said!

“Then you still let him act recklessly in your imperial city, but you didn’t stop him?”

David asked angrily!

Since Yihe Yaohuang is so much more powerful than the Jade Cauldron Sect, is it still necessary to be so afraid of the Jade Cauldron Sect?

Listening to David’s words, Yihe Yaohuang could only sigh and said, “The palace master doesn’t know. Although I can destroy the Jade Cauldron Sect in minutes, I can’t do it. You also know that our beast clan has no pharmacists. There are no medicinal herb resources, but there is no way to refine them into pills!”

“Our pills are all refined with the help of human alchemists, and the human race and the beast race have lived in peace for hundreds of years. I do n’t dare to act rashly to break this balance!”

“If I rashly attack the Jade Cauldron Sect and destroy the Jade Cauldron Sect, there will be no pharmacists refining pills for us from now on, and it is also possible that these human sects will Together with other beast clan demon emperors and demon kings, they will destroy my demon imperial city!”

“Other beast clan imperial cities and royal cities, many people are eyeing me and want to replace me!”

Yihe Demon Emperor Sighing while talking, it seems that it is not easy for him to be the Demon Emperor!

But David fell into silence after listening to Yihe Yaohuang’s words. He didn’t expect that the world of heaven and man would be so complicated.

“Could it be that none of your orcs became pharmacists?”

David couldn't understand why the orcs couldn't become pharmacists. After all, alchemy is not an advanced technique, nor is it difficult to learn!
