#### Chapter 2565

"It is recorded in the ancient books of our beast clan that there used to be alchemists in our beast clan, but they disappeared slowly, and have never appeared again!"

Yihe Demon King said!

David frowned slightly. He had the aura of a beast on his body, and he was considered to be half of the blood of the beast race. If he could do it, then the beast race should be able to do it too!

David decided to study carefully why the orcs couldn't become alchemists. If it didn't work, he would improve the alchemy technique, otherwise Yihe Yaohuang and the others would always be restrained by the human race!

"Where is Elder Pei's daughter? Take me to see, maybe I can cure her too. If I can, then let that Sect Master Hu go!"

David has not seen Elder Pei's daughter yet, and he dare not Hastily let Sect Master Hu get out!

If you can't heal yourself, wouldn't you be harming the other party!

When Yihe Yaohuang heard it, he was surprised and said, "Master, are you also a pharmacist ?

" But just when Yihe Yaohuang was about to take David to meet Elder Pei's daughter, a guard hurried over! "So flustered, what happened?" Seeing the flustered guards, Yihe Yaohuang asked gloomily! "Reporting to the Demon Emperor, Elder Pei's daughter suddenly became seriously ill and vomited blood. I'm afraid she can't die..." the guard said hastily. "What?" Upon hearing this, the Demon Emperor Yihe became nervous. It can be seen that the Demon Emperor Yihe had long regarded Elder Pei's daughter as his daughter! "Hurry up and call Elder Pei and the others, don't forget to call Sect Master Hu..." Yaohuang Yihe said to the guards! Soon Elder Pei and the others came out, and then Sect Master Hu also walked out of the courtyard!

Elder Pei and Princess Isa were also very anxious, but Sect Master Hu looked relaxed and took it easy!

"Sect Master Hu, my daughter is dying, please save her, please..."

Elder Pei kept begging beside Sect Master Hu!

But Zongzhu Hu glanced at David, and then said, "It's okay to save your daughter, but I haven't played enough with that girl just now. When your daughter's condition is under control, you have to send that girl to me and let me continue playing." ..."

When Elder Pei heard this, he looked at Yihe Yaohuang hurriedly. After all, Yihe Yaohuang was the one to make the decision for this kind of matter. It was Yihe Yaohuang who asked him to carry him away just now. Elder Pei didn't dare to call the shots and send him back !

"Sect Master Hu, as long as you are willing to help, everything is up to you..."  
The

Demon Emperor Yihe could only compromise at this time and agreed to Sect Master Hu!

After finishing speaking, Yihe Yaohuang secretly glanced at David. If David disagreed at this time, then he could only watch Elder Pei's daughter die. He had to listen to David's words!

As a member of Tianlong Temple, Yihe Yaohuang knows that the most important thing is loyalty, and he must not disobey David's order!

But David didn't say anything, and Yihe Yaohuang secretly breathed a sigh of relief!

Seeing that Yihe Yaohuang agreed, the corner of Hu Zongzhu's mouth slightly raised, and he smiled provocatively at David.

David didn't pay attention to him, with a calm expression on his face. Since he didn't know about Elder Pei's daughter's condition, he could only let Sect Master Hu startle!

Everyone quickly rushed to the room of Hu Zongzhu's daughter, and saw a lot of blood in the room. Elder Pei's daughter was pale at this time, and her weak breathing was almost gone, just like a dead person!

"Sect Master Hu, how did this happen, how did this happen? Quickly help me find out..."

Seeing the situation of his daughter, Elder Pei was already very anxious!

"Your daughter's condition is more serious than I thought, but it's not impossible to save. It will take a little longer."

"Since the time has increased, I think our salary should also increase!"

Sect Master Hu said unhurriedly!

# Chapter 2566

When Elder Pei heard this, he was stunned. This Sect Master Hu obviously took the opportunity to blackmail him!

But it's at this time, even if it's blackmail, what can he do, Elder Pei can only look at Yihe Yaohuang!

"Sect Master Hu, what else do you want, just say it!"

Although the Demon King Yihe was very angry, he could only ask with restraint.

"I want to increase the number of beast pills to 300..."

Hu Zongzhu said!

"Three hundred?" Yihe Yaohuang and Elder Pei were all shocked!

You must know that each beast pill represents a monster, and these 300 beast pills need to sacrifice 300 monsters!

Although these monsters are not intelligent and have not turned into human form, they are still of their own race after all!

"If you think it's too much, then invite others!"

Saying that, Sect Master Hu made a gesture to leave!

"I promise you, as long as Sect Master Hu heals Elder Pei's daughter, I will promise you!"

Yihe Yaohuang could only compromise!

Seeing Yihe Yaohuang's compromise, Hu Zongzhu smiled with satisfaction, and was ready to step forward and start diagnosis and treatment!

"Wait..."

Just as Hu Zongzhu was about to make a diagnosis and treatment, he was stopped by David!

Hu Zongzhu looked at David in surprise, "What's the matter with you?"

"You don't need to look at this girl, and you don't want to take a beast pill from here."

"For a person like you, your medical skills are not good enough. Where to go, this kind of disease can be cured in three hours, how dare you say it will take a long time?"

"You are not cheating, it is because you are not good at medicine!"

David said flatly.

"What, my medical skills are not good?" Hu Zongzhu suddenly raised his voice, you must know that he has the best medical skills in a radius of hundreds of miles!

"Yihe Demon Emperor, who is this guy? How dare you question my medical skills?"

Sect Master Hu asked Yihe Demon Emperor.

Yihe Yaohuang looked at David with a face full of embarrassment, "Mr. Chen, you..."

David waved his hand and said, "Don't worry, I can heal Elder Pei's daughter, and it won't take long. As long as you take my elixir, you will be cured within three hours." The

reason why David is so confident is because his strength has recovered a lot, and he can refine high-level elixir, and he still has a Agrimony on his body. As long as the Shennong cauldron is used to refine Agrimony into a elixir, Elder Pei's daughter will be cured very quickly!

Although the Agrimony is a fairy grass and is priceless, it is nothing compared to human life!

Seeing that David was so confident, Yihe Yaohuang stopped talking!

Yihe Yaohuang stopped talking, and although Elder Pei was anxious, he didn't dare to say anything!

On the contrary, Princess Isa looked at David and said, "David, don't brag, this is a matter of life and death. If you can't cure it, and if the treatment is delayed, I will kill you..."

Upon hearing this, the Demon King Yihe Her daughter dared to say the words that killed David, her eyes widened immediately, and she was about to reprimand Princess Isa, but David stretched out her hand to stop her!

"Okay, if I can't be cured well, you will kill me!"

David said with a faint smile!

When Zongzhu Hu saw this, he blushed angrily and said, "Okay, since you let this brat with no hair grow up look at it, let him look at it. I'll see what he is capable of."

"If What will happen in a while, don't say I didn't remind you, I won't take any more things if you give me at that time!"

Hu Zongzhu stood aside with his hands behind his back, and he didn't care about anything, he wanted to wait and see David joke!

David stepped forward, gently checked the girl's wrist, and then walked out confidently!

Seeing that David just checked and left, Elder Pei hurried up and asked, "Mr. Chen, my daughter..."

"Elder Pei, don't worry, I will go outside to refine a elixir to protect your daughter's recovery. " !"

David comforted Elder Pei!

## Chapter 2567

"It's just nonsense, such a serious illness can be cured with a pill!"

Hu Zongzhu said with a sneer.

"You can't heal, that only means that your medical skills are not good, you are too stupid..."

After David finished speaking, he went directly to the yard and took out the Shennong Cauldron from the storage ring!

When Zongzhu Hu saw the Shennong Ding that David took out, he was stunned, his eyes straightened, and he stared straight at David's Shennong Ding!

However, Yihe Yaohuang and Elder Pei didn't understand, so seeing David taking out the Shennong cauldron, there was no change in expression, but David could conjure a medicine cauldron out of thin air, which meant that David must have stored things on his body. Quit something like that!

To be able to have such a thing is very remarkable even in the world of heaven and man. To know this kind of storage thing, you need to use space magic.

Just like that, David put the Shennong Ding away under the watchful eyes of everyone, and then took out the Agrimony as well!

The moment David took out the Agrimony, Zongzhu Hu frowned, and jumped up, heading towards David!

Seeing this, the demon emperor Yihe immediately stopped Sect Master Hu!

With Yihe Yaohuang around, it is impossible for him to watch someone attack David!

"Sect Master Hu, what are you doing?"

Yihe Yaohuang asked with a gloomy expression!

"Agrimony, that is Agrimony, why is this Agrimony in this person's hands?"

Sect Master Hu shouted loudly!

Yihe Yaohuang looked at David, he didn't know why David had Agrimony, but Princess Isha knew, but she didn't say anything!

"Why can't I have Agrimony? Does this Agrimony belong to your family?"

David asked Hu Zongzhu!

Zongzhu Hu shook his head, "It's not from my family."

"Since it doesn't belong to your family, do you care? I picked up this Agrimony from the road."

David deliberately provoked Hu Zongzhu!

At this time, Zongzhu Hu had already scolded Wu Feiyu and Zhang Biao to death in his heart, and sent them to pick Agrimony, but now this Agrimony is in the hands of others!

"It's too wasteful for you to use Agrimony to refine the elixir and treat this girl. I can exchange it with you with other herbs, can I?"

Hu Zongzhu asked David!

He wanted to use other herbs to exchange with David. After all, it would be a waste to make alchemy to cure an ordinary girl with such a priceless fairy grass!

But who would have thought that David sneered and said, "Compared to a life, this is just a grass, and there is nothing to waste..."

David said, throwing the Agrimony into the Shennong Cauldron, and then With a pinch of his fingers, a spiritual fire danced on his fingertips, and then David threw the spiritual fire into the Shennong Cauldron!

"Waste, it's just too wasteful, do you really know how to make elixirs? How can you practice this way of making elixirs with Agrimony..."

Hu Zongzhu looked at David's alchemy, and suddenly beat his chest in distress!

He had never seen this kind of refining pills before. If the pills were not refined in the end, the Agrimony would also be reduced to ashes!

"Will I know it? It's up to you? The thing is mine, and I can refine it as I like!"

David stunned Sect Master Hu speechless!

Elder Pei and Yaohuang Yihe also became nervous. They had never seen such a method of refining elixir, but the matter had come to this point, and no one dared to say anything!

I could only pray in my heart that David would succeed, but Elder Pei was very grateful for David being able to take out such a priceless thing as Agrimony and refine it for his daughter!

Ten minutes later, with a puff of smoke rising from the Shennong Cauldron, bursts of medicinal fragrance permeated the air!

“Hmph, if you don’t listen to the advice, a good Agrimony will be destroyed like this!”

Seeing the smoke rising from the Shennong Ding, Hu Zongzhu snorted coldly!
