

A Man Like None Other Novel

Chapter 2601

Mingli Wangcheng!

In a secret room, King Li held a curved bow in his hand and stroked it carefully, the excitement on his face was hard to express!

And beside King Li, a mouse-like guy with a sharp mouth and monkey cheeks also had bright eyes, looking at King Li expectantly!

"Mole monster, you stole the bow of the god king, did you see anything else?"

King Li asked the mole monster!

"King Li, there is absolutely no second person to see it. I know this God King Bow is of great significance. How could it be seen by others." The

mole monster promised!

"Well, you did a good job." Li Wang nodded, "This God King Bow is a magic weapon with great power, but this thing is a treasure, but if you really hold it in your hand, it will also be a disaster. People know that the God King Bow is in my hands, so we probably will never have a peaceful day in Mingli King City." "Don't

worry, King Li, I have come all the way back to the King City from the underground, absolutely no one else will know."

Mole Monster Pat on the chest for sure!

"I really didn't expect that such a magical weapon like the God King Bow would appear in a small broken mountain village. It seems that this is God's will."

Li Wang gently stroked the God King Bow, and waved at the mole monster. "You've done a good job, and I'll reward you a lot..."

The mole monster was full of excitement, and hurried over, wondering what exactly King Li rewarded him for!

But just after he got close to him, killing intent suddenly flashed in King Li's eyes, and then he slapped the mole monster's head with his palm!

Pfft...

The mole monster didn't have time to react, it was smashed to death, and the mole monster's eyes widened when it died, and couldn't understand what was going on!

King Li took out some white powder from his pocket and sprinkled it on the mole monster's body, and soon the mole monster's body turned into a puddle of pus and disappeared completely!

"Now, no one will know that the God King Bow is in my hand..."

King Li looked at the God King Bow in his hand with excitement.

He gently pulled the bowstring with his hand, but King Li could only pull it a little bit, even with all his strength!

"It seems that the divine weapon is the divine weapon, it is really powerful..."

Although King Li failed to pull the divine king's bow, he was still very happy in his heart!

At this moment, one of Wang Cheng's subordinates said outside the door, "King Li, Sect Master Hu of the Jade Cauldron Sect seeks an audience..." "

Hu Yixiao is here? What

is he doing here?" King Li frowned when he heard this, but he still said loudly "Let Sect Master Hu wait in the living room, I'll be there soon!"

King Li hid the Divine King Bow, then walked out of the secret room and went straight to the living room!

Because they knew that Li Wangcheng also needed Jade Cauldron Sect's help in refining elixir, and also asked Jade Cauldron Sect's pharmacist to help him see a doctor, so King Li was very polite to Hu Yixiao!

"Sect Master Hu, what wind brought you here, you are really a rare visitor..."

After seeing Hu Yixiao, King Li hurried forward to greet him like an old friend!

"King Li, you took the liberty to come here, did you not bother you?"

Hu Yixiao asked.

"Where, Sect Master Hu can come, my Mingli King's city is full of splendor, I don't know what instructions Sect Master Hu has when he comes this time?" King Li knew that Hu Yixiao's sudden visit must have

something to deal with!

Hu Yixiao looked around, with a look of embarrassment on his face, King Li instantly understood, and waved his hand, "Everyone go out, no one is allowed to enter without my order..." Soon, only

Hu Yixiao and King Li were left in the living room up!

"Sect Master Hu, can we talk about it now?"

King Li asked!

"King Li, I came to you this time because I want to cooperate with you Mingli King City." Hu Yixiao said!

"Cooperation?" Li Wang's face was full of disbelief!

You must know that they have always asked for help from the Jade Cauldron. After all, refining elixirs and seeking medical treatment are all inseparable from the Jade Cauldron. But now Hu Yixiao ran away and said to cooperate, which puzzled Li Wang very much!

Chapter 2602

"Yes, I want to cooperate with you. I know that you have always wanted to annex the Demon Emperor Yihe's Demon Emperor City. I can help you fulfill this wish."

Hu Yixiao looked at King Li and said!

King Li looked Hu Yixiao up and down, didn't speak for a while, and then said after a while, "Sect Master Hu, you misunderstood, why would I want to annex the Demon Emperor's city of Yihe Demon Emperor, Yihe Demon Emperor followed me some time ago Said that he wants to marry his daughter to my son, and we will be in-laws by then."

Hu Yixiao smiled lightly, "King Li, there are only you and me here, so why bother to be hypocritical? To be honest, the Demon King Yihe offended I want to deal with him too."

"If you agree to cooperate with me, I can give you refining pills and various resources for free. When the two of us join forces, who else is in this area?" Opponent!"

"If you still want to fight, I, the Jade Cauldron Sect, will definitely support you, maybe with the support of our Jade Cauldron Sect, you can unify the entire orc clan. At that time, you will be the god of the orc clan. "

Hu Yixiao kept seducing King Li, because in the hearts of these people, there was a dream of unifying the orc clan!

Today's orc clan is divided and scattered throughout the vast area of the world of heaven and man. The three emperors and four kings are not in harmony, and there are frictions from time to time!

Especially Yihe's Yaohuang City and Mingli Wangcheng, because the two sites are in the same area, so there will be more friction. This is why Yihe Yaohuang wants to marry his daughter to Mingli Wangcheng, just to ease the tension between the two sides. Relationship!

King Li was silent, he had long planned to annex Yihe Demon Emperor, as for becoming the leader of the entire beast clan, that was something that every demon cultivator would imagine!

After a while, King Li looked at Hu Yixiao and said, "Sect Master Hu, what do you want by helping me like this? You are not doing charity, are you?" King Li knew that

Hu Yixiao must have a conspiracy, otherwise he would not have helped him !

"To be honest, I helped you deal with Yihe Demon Emperor because I wanted to get someone."

Hu Yixiao said.

"Want to get someone?" Li Wang was taken aback, and then looked at Hu Yixiao strangely, "Sect Master Hu, don't you have a crush on Yihe's daughter? You want to play with his daughter, but she doesn't want to, so you join me to deal with him , and then get his daughter?"

"Ahem..."

Hearing Li Wang's words, Hu Yixiao almost lost his breath, and hurriedly said, "Li Wang was joking, how can I, Hu, be that kind of person? ..."

Li Wang curled his lips, Hu Yixiao is famous for being a big pervert, and he is also a kind of perverted pervert, this is something that many people know!

Every time Jade Cauldron Zong is asked to help refine medicine, in addition to sending a large number of medicinal herbs, it is also necessary to send young and beautiful beauties. Every time these beauties are sent back, they are covered with bruises and beaten by the perverted Hu Yixiao !

Now that Hu Yixiao said that he was not that kind of person, how could King Li believe it!

Seeing Li Wang's disbelief, Hu Yixiao could only explain, "I wanted to capture a guy named David, but behind this guy was Yihe Yaohuang, and I didn't know that Yihe Yaohuang had taken the wrong medicine. Brat, don't hesitate to offend me."

When Li Wang heard this, it turned out to be because of this, so he nodded and said, "Sect Master Hu, I can cooperate with you. If you need me to do anything, just say it." Seeing Li Wang's promise, Hu Yixiao's face was

full He said happily, "King Li, in order to express my sincerity, I will stay and personally refine a batch of pills for you in Mingli King City, but when the time comes when I need your help, you can't just stand by!" "Sect Master Hu, don't worry!

" , since the two of us have cooperated, then I will listen to you..."

Li Wang said clearly!

"Okay...hahaha..."

Hu Yixiao laughed loudly, and shook hands with King Li!

Chapter 2603

Dashi Village!

After Nie Heng's limbs were covered with black jade intermittent ointment, he was able to walk soon and recovered very well!

Seeing that Nie Heng's problem was no longer serious, David said, "Tomorrow we will set off for the Jade Cauldron Sect..." "

Okay!" Nie Heng nodded, his face full of humility!

At this time, Nie Heng was like a servant in front of David. You must know that two days ago, he looked down on David at all, thinking that David was a pariah, but now he had to obey David!

"Brother David, are you leaving tomorrow?"

Yuner and Zhuzi looked at David with reluctance and asked!

David nodded, touched the heads of the two people with his hand and said, "Well, I'm leaving tomorrow. I have to find a way to get rid of Yudingzong to make Dashi Village safe. Otherwise, Yudingzong I will definitely retaliate against you."

"Brother David, we will miss you when you leave..."

Yun'er said holding back her tears!

"I'm gone, and it's not that I won't come back. I'll come back to see you after dealing with the Jade Cauldron Sect's affairs, and your grandma's affairs. I'll keep that in mind, and I'll look for it." David

said Then, he took out a few pieces of paper full of handwriting from his arms and gave it to Zhuzi, "Zhuzi, there is some medicine refining knowledge recorded on it. You have learned a little bit during this time. Practice more according to the above. I believe that sooner or later you will be able to become one Famous pharmacist!"

"At that time, Dashi Village will no longer be bullied by others, and you can do something for the people of Dashi Village!"

David also taught Zhuzi some basic knowledge of pharmacists during this period, Zhuzi is very talented, learn quickly!

"Thank you David..."

Zhu Zi happily took the paper written by David himself and said!

"Brother David, you're leaving now, I'll bring your bow and bring it with you..."

Yun'er said.

David nodded, and then Yun'er ran out!

Now that David's Dragon Slaying Sword and Ling Zhongli have not recovered, the power of the Dragon Slaying Sword cannot be fully exerted. If David wants to deal with Hu Yixiao, a master of the combined state, he really needs to use the God King Bow!

Although using the Divine King Bow would bring him a lot of unnecessary trouble, but in a critical moment, the Divine King Bow can still save lives!

Besides, David now possesses the power of the three clans, so if he uses the God King Bow, the power will definitely increase greatly!

But when David was following Yun'er to bring the God King Bow, he saw Yun'er running back in a panic, her hand was empty!

"Brother David, it's not good, you... your bow is lost, it's gone..."

Yun'er said with a face full of self-blame!

"What?" David frowned slightly, "Take me to see right away..."

Ever since Yun'er hid the God King Bow, David hasn't seen it again!

Yun'er hurriedly led David and the others towards the place where the god king's bow was hidden!

This is a very broken thatched hut, which is full of various sundries, and in the corner of the thatched hut, a very fresh hole leads directly to the ground!

"I hid that bow in this room, but now it's gone..."

Yun'er cried!

She felt that she was very sorry for David, after all, she lost David's weapon, and this weapon was very precious!

"Yun'er is fine!" David comforted Yun'er, and then carefully checked the hole!

Obviously, something dug a hole here, and then took the God King Bow away!

But what is it that can steal a hole in the ground?

And looking at the size of the hole, the guy who digs the hole will not be too small!

"This is the mole hole..."

At this time, Nie Heng said!

"Mole hole?" David was taken aback!

"That's right, the hole was dug by a mole monster. Our Jade Cauldron Sect was once stolen by a mole monster. It's the hole like this."

Nie Heng nodded and said!

Chapter 2604

David frowned. This mole monster must be from the orc race, and he only knows the demon imperial city of Yihe in the orc territory near Dashi village. If the mole monster under Yihe demon emperor stole it David was not afraid when he got the God King Bow, he just ran away and it was stolen by other beast clans!

"Nie Heng, besides the Demon Emperor Yihe's Demon Emperor's City, are there other beast clans entrenched near Dashi Village?"

David asked Nie Heng!

After all, as the eldest disciple of Jade Cauldron Sect, Nie Heng must be aware of the nearby forces!

"Yes, there is also Mingli King City. The leader of Mingli King City is called Li Wang, and it is only more than 300 kilometers away from Dashi Village.

" Our human habitat is in the middle of the two orc imperial cities."

Nie Heng said to David!

David remained silent, he was still not sure which mole monster stole his God King Bow!

But it would be a waste of time for him to go to Demon Imperial City now.

When David was in trouble, Lang Feng actually escorted Ali back!

After these few days of cultivation, Ali almost recovered, but for Ali's safety, Lang Feng personally escorted him here!

When Ali looked at the ruins in the village and the newly built tombs, his eyes were full of surprise and sadness!

"Brother Ali..."

Seeing Ali, Yun'er and Zhuzi ran over excitedly!

When the old village chief saw that Ali was back, he greeted him happily!

"Old village chief, what...what's going on? How did it become like this?"

Ali asked with a face full of surprise!

The old village chief sighed, and told Ali what happened!

However, the old village chief only talked about Daqing Village's attack on them, and didn't say anything about Yudingzong!

After all, now that David has released Nie Heng and forgiven Nie Heng's crimes, the old village head doesn't want to arouse Ali's hatred for Yudingzong!

If Ali gets angry and wants to fight Nie Heng desperately, it will make it very difficult for David!

"The guys in Daqing Village, I must smash them into pieces."

Ali gritted his teeth and clenched his fists tightly!

"All the main forces in Daqing Village have been wiped out by David, only the old, weak, sick and disabled are left. In a few days, you can take people to bring back all the resources of Daqing Village!" The old village chief said to Ali

. Said!

Ali nodded, then walked towards David and said, "David, thank you..."

David said with a faint smile, "This incident was originally caused by me, and I should be the one who said thank you. If you hadn't saved me, I would have become food for monsters."

"Mr. Chen, I escorted people back, and I need to go back to my life." "

I have a letter from Princess Isa, let me give it to you."

Lang Feng was very pleased. He respectfully took out a letter and handed it to David!

David took the letter, didn't read it, but directly put it into his arms, and then said, "Wait a minute, I want to write a letter to the Demon Emperor Yihe, and you can help me bring it back to the Demon Emperor City!" Chen

Ping After finishing speaking, he entered the room and wrote a letter, and sealed the envelope with a simple magic circle to prevent others from seeing it!

After sending Lang Feng away, David bid farewell to everyone in Dashi Village, and followed Nie Heng on the path of the Thousand Jade Cauldron Sect!

On the way, David read Princess Isa's letter. The letter didn't say anything, but just expressed his miss for David!

It can be seen that this Princess Isa is a person who dares to love and hate, and she just met David not long ago, and she even started to write love letters, and whether the content in it is explosive or not, David blushed a little!

Putting the letter away, David asked Nie Heng about the Jade Cauldron Sect!

Chapter 2605

After Nie Heng's introduction, David knew that the overall strength of the Jade Cauldron Sect was not very strong. Nian Yudingzong had a very comfortable life!

Because within a radius of thousands of kilometers, there is only the Jade Cauldron Sect and their pharmacist sect. Many people sent all kinds of medicinal herbs directly to Jade Cauldron Sect!

Now the entire Jade Cauldron Sect has a lot of resources, and there are countless kinds of spiritual herbal medicines.

When David heard this, he was very excited, because it won't be long before these resources of the Jade Cauldron Sect will be his.

With the improvement of his realm, David knew that the resources he needed would increase exponentially!

"Since your Jade Cauldron Sect is so famous in this area, why would anyone dare to compete with you for Agrimony?"

David asked in confusion!

When they were looking for Agrimony, it was obvious that the Ning family didn't give them any face from the Jade Cauldron Sect, and just followed them to fight for it!

"Someone competes with our Jade Cauldron Sect for the agrarian crane?" Nie Heng was taken aback, because he didn't participate in the search for the agrarian crane, so he didn't know about Ning Can leading people to fight for it!

But soon, Nie Heng came to his senses and said, "In this area, the only ones who dare to follow our Jade Cauldron Sect to fight for the fairy grass are the Ning family from Wengcheng." "Why?"

David asked!

"Then the Ning family invited a pharmacist from somewhere to refine various elixir for their family, so the Ning family also has a need for various elixir and fairy grass." "Because they have a pharmacist in the Ning family

. We don't belong to our Jade Cauldron Sect, so in order to snatch medicinal herb resources, we often have conflicts."

Nie Heng's explanation made David understand!

The magic weapon for the Jade Cauldron Sect to do whatever it wants is the alchemy technique in his hands. Once the other party also has a pharmacist and the ability to make alchemy, they will no longer respect their Jade Cauldron Sect!

Just like the Yaohuang City of Yihe Demon Emperor, David has now written a book of alchemy techniques that the orcs can practice. In my eyes, it's shit!

Just as David and Nie Heng were rushing to the Jade Cauldron, the Ning family in Wengcheng was full of voices, and all the descendants of the Ning family knelt down outside the Ning family's ancestral hall!

In the ancestral hall, only Ning Caichen, the patriarch of the Ning family, Ning Caichen's son Ning Can and the pharmacist of the Ning family were there!

In front of the three of them, there was a corpse. The corpse was covered with dust, and the flesh and blood were withered. It seemed that it had been parked in this ancestral hall for an unknown amount of time!

And this corpse is their ancestor of the Ning family. After the death of the ancestor of the Ning family, the body does not rot, so it has been enshrined in the ancestral hall of the Ning family!

The reason why all the descendants of the Ning family gathered here today and knelt down on the ground is because the ancestors of the Ning family are likely to come back to life today!

Because not long ago, a ray of light shone on the ancestral hall, and the corpse of the ancestor of the Ning family inside the ancestral hall unexpectedly had a faint aura!

Although the breath is extremely weak, it can still be noticed!

This sudden change made Ning Caichen, the patriarch of the Ning family, panic, so he hurriedly invited Huang Yaoshi to check it out. To be alive is just that the breath is so weak that it is the same as being dead!

This made Ning Caichen both surprised and delighted. He never thought that the ancestor of the Ning family, who had been dead for thousands of years, never really died!

In order to completely save the ancestor, Ning Caichen asked Huang Yaoshi to find a way, which is why Ning Can also went to Agrimony, but because of the Jade Cauldron Sect, Ning Can only be brought back bloodthirsty beasts It's just the beast pill!

Although there is no Agrimony, Huang Yaoshi still refined the elixir. After eating this elixir, the ancestor of the Ning family can completely wake up!
