

A Man Like None Other Novel

Chapter 2649

"No one can stop me today, all disciples obey the order, kill me, and avenge your elder brother..." The

second elder went crazy, and even ordered his own disciples to start charging at the disciples of the third elder's lineage!

The death of Kuang Biao deeply stimulated the Second Elder!

Seeing this, David's aura surged, and the power of the three clans slowly spread out to the surroundings!

David didn't want the disciples of the Jade Cauldron Sect to fight each other. If that was the case, both sides would be hurt. At that time, the opening of the medicine pool would be delayed!

This is not what David wants to see, and David still has the heart to take the Jade Cauldron for his own use. If it ends up in a pile of ruins, it is not in David's interest!

So David planned to take action and follow the third elder to deal with the second elder. As long as the second elder was subdued, the fight would stop!

But just when David was about to attack the second elder, a terrifying aura suddenly struck, and everyone froze for an instant, staring blankly at the sky not far away!

"You unfilial people, you don't know how to carry forward the Jade Cauldron Sect, and you actually started a fight..."

Accompanied by an angry shout, everyone saw the Jade Cauldron Sect's back mountain, with beams of brilliance shooting straight into the void, followed by an old man Walked out of this brilliance!

I saw the old man wearing a gray cloth robe with a majestic look on his face!

The old man looked down at the crowd below in mid-air, his eyes were full of anger!

Then the old man waved out a palm, and a terrifying breath suppressed, and everyone fell to their knees in an instant!

David was no exception. Even though he gritted his teeth and resisted, he was still crushed by that terrifying force and fell to his knees on the ground!

"Eighth Grade of Composite Body Realm..."

David felt the strength of the old man's realm, even if he wanted to resist, he was powerless!

It is estimated that even if he breaks through to the Fusion Realm, it is absolutely impossible for him to resist the masters of the 8th Grade of the Fusion Realm!

"Great... Supreme Elder..."

The Second Elder knelt on the ground when he saw the old man, trembling all over!

Among these people, only the Second Elder had seen the Supreme Elder once, so when the old man appeared, the Second Elder recognized him!

Supreme Elder?

Everyone in the Jade Cauldron Sect looked at the person in front of them in shock, each and every one of them was in awe!

They have only heard of the Supreme Elder of the Jade Cauldron Sect, who is like a Dinghai Shenzhen in the Jade Cauldron School, but very few people have actually met the Supreme Elder!

Now that the Supreme Elder appeared, everyone in the Jade Cauldron Sect was both excited and scared!

Especially the Second Elder and the Third Elder, they can feel the anger of the Supreme Elder!

"As the elders of the Jade Cauldron Sect, you dare to blatantly fight among yourself. Are you planning to rebel?"

the Supreme Elder asked with a cold voice and cold eyes, facing the Second Elder and the Third Elder!

"The Supreme Elder calm down, it was the brother who violated the rules and took the lead in attacking, I was just forced to defend myself!" The

third elder hurriedly said first!

When the second elder heard this, he was frightened and hurriedly explained, "Elder Supreme, that's definitely not the case. He is the disciple of the third elder. He killed my eldest disciple and chopped off his head, so I did it.

" Life and death competition, I said it before entering the arena, life and death are fate, you..."

The third elder wanted to refute, but before he finished speaking, he saw the Supreme Elder waved his hand lightly, and the third elder and the second elder were instantly knocked into the air Get out and hit the ground hard!

"I don't want to listen to the nonsense of you two. As an elder, I can't set an example, so what's the use of keeping you?" The

Supreme Elder said coldly!

As soon as these words came out, the Second Elder and the Third Elder turned pale with fright, and one by one fell to their knees again, kowtowing desperately to admit their mistake!

"Calm down the anger of the Supreme Elder, we were wrong, we will never dare again, please give us a chance..." The

Second Elder and the Third Elder desperately begged for mercy!

"Because of your first offence, no one opened their mouths fifty times." The Supreme Elder said!

The Second Elder and the Third Elder were overjoyed, they all smacked their mouths desperately, this is better than losing their lives!

Chapter 2650

Seeing the two elders like this, the other disciples of Jade Cauldron Sect lowered their heads in fright, not daring to look at the Supreme Elder!

Only David raised his head and carefully observed every move of the Supreme Elder!

The Supreme Elder also looked at David, and the two looked at each other, but David was not afraid at all!

The Supreme Elder's eyes only stayed on David for a moment and then moved away!

Soon, the two elders clapped their hands, and the Supreme Elder asked, "I just felt a very powerful aura in the back mountain, raging in the Jade Cauldron Sect, what's going on?" The second elder and the third elder looked at each

other, and finally the second elder said with his already swollen mouth, "Reporting to the elder Taishang, just now the villain summoned the ultimate monster within eight thousand barren feet, and that powerful aura is exactly from that monster!"

"After hearing this, the elder frowned slightly and said, "You bastard, you dare to summon the ultimate monster. If that beast loses control, wouldn't the entire Jade Cauldron Sect be over? Who did it, stand up for me... .."

"Elder Supreme, the villain is dead, and his head was beheaded in the ring..."

The Second Elder said hastily!

At this time, the second elder's forehead was covered with cold sweat. He did not expect to summon the ultimate monster, and even attracted the Supreme Elder!

Fortunately, Kuang Biao died. If he didn't die, the Supreme Elder would definitely be angry, and he would be implicated in it!

Thinking of this, the second elder rejoiced that Kuang Biao died well...

"Beheaded? Summoned all the ultimate monsters, but he was still killed?" "

Who killed him? The ultimate monster Where are He Bagan Huangchi?"

asked the Supreme Elder!

"It was David, it was him who did it. The ultimate monster was injured and taken back into the Bagan Huangchi, which is also in David's hands." The

second elder said hastily!

"Injured the ultimate monster?" The elder Taishang was a little surprised, then glanced at the crowd and said, "Who is David?" "

I..." David stood up in the crowd!

David knew that even if he didn't admit it, it was useless, the second elder would identify him!

Seeing David standing up on his own initiative, the Supreme Elder was a little surprised. He looked at David and said, "Hand over the eight thousand barren rulers. In your hands, that kind of thing can only be a disaster!" David

stood He didn't speak, but he didn't take out the eight thousand barren feet!

Seeing that David didn't speak, and didn't take out the Eight Gan Huangchi, the Supreme Elder frowned, and his face turned cold!

"Mr. Chen, quickly hand over the eight thousand barren rulers, don't anger the Supreme Elder..."

Nie Heng, kneeling on the ground, reminded David in a low voice!

"Yes, Mr. Chen, hurry up and hand it over!"

Fang Shu also persuaded David on the other side!

But David was still indifferent, and at the moment the third elder was trembling and sweating, but he couldn't speak out to persuade David now, he could only pray in his heart that David would hand over the eight thousand barren rulers quickly!

Seeing that David was also indifferent to the Supreme Elder, the Second Elder couldn't help being very happy. As long as the Supreme Elder was furious, David would definitely die!

"You didn't understand what I said?" Seeing David's indifference, the Supreme Elder became angry!

"The eight thousand barren feet are my spoils of war. Why do I have to hand them over? I had a life-and-death fight with that Kuang Biao. Since he was inferior to others and was killed by me, then the things on him should be mine." "I

think The Supreme Elder wouldn't rely on his status and strength to bully the juniors, would he?"

David asked the Supreme Elder neither humble nor overbearing!

As soon as David's words came out, everyone was shocked. They had never seen anyone who dared to talk like the Supreme Elder!

Isn't this courting death?

At this moment, the third elder was so frightened that his face turned pale, and he slumped on the ground!

"David, you are so brave, you dare to speak to the Supreme Elder like this, you deserve to die..." At

this time, the Second Elder loudly reprimanded David to express his respect for the Supreme Elder!

Chapter 2651

"Okay..." The Supreme Elder waved his hand, signaling the Second Elder not to talk, and then looked at David with admiration, "Young man, very good, you are right, the eight thousand barren feet are your spoils of war, you don't need to hand them over." Come out."

"I'm just afraid that these eight thousand barren rulers are too overbearing. If I can't control it, it will cause backlash to the user, so I asked you to hand it over, not to bully the small." The elder Taishang said

to David's attitude made everyone stunned. They couldn't understand why the Supreme Elder spoke so politely to David.

David himself was a little surprised, he didn't expect the Supreme Elder to be so eloquent!

"Thank you for your concern, Elder Taishang, I have my own measure!"

David said! "That's good!" The Supreme Elder nodded, then looked at the Second Elder and said ,

"When Hu Yixiao comes back, let him go to the back mountain and kneel on the wall for three days, and see how he manages the Jade Cauldron Sect."

After the elder finished speaking, he couldn't see any movement, but his body had already disappeared!

After the Supreme Elder left, everyone breathed a sigh of relief, and then looked at David in disbelief!

"Mr. Chen, I was really scared to death just now, you dare to contradict the elder..." "

That's right, my heart is about to jump out!"

Nie Heng and Fang Shu said in disbelief.

"I didn't expect that this Supreme Elder is quite reasonable. After all, what I said was the truth, and I didn't lie. From this point of view, this Supreme Elder is much better than some elders!" David said

. , looked at the second elder!

The Second Elder snorted coldly and said, "Hmph, don't be complacent, just wait for me..."

After finishing speaking, the Second Elder left in a hurry, after all, his whole face was like a pig's head, so staying here is also a joke!

At this time, the third elder seemed to have just walked through the gate of hell, his whole body was already soaked, and his whole body was exhausted!

Finally, with Fang Shu's support, he returned to his mansion, and David followed suit, and the entire Jade Cauldron Sect returned to calm!

Nie Heng actively assigned the disciples of the Jade Cauldron Sect to clean up the ruins and repair the destroyed houses!

The residence of the three elders!

David was in the room at this time, carefully observing the Bagan Huangchi in his hand.

Even the Supreme Elder of Jade Cauldron Sect knew about this thing, and knew that it was extremely domineering, so David wanted to study carefully, what is so powerful about this Bagan Barren Ruler.

A ray of consciousness was injected into Baganhuangchi by David. After David's spiritual consciousness entered, the space in the entire Baganhuangchi was extremely huge!

There were deafening roars continuously, and the monsters with strange shapes seemed to feel something intruding, and they were very irritated!

These monsters were all caged inside, and chains as thick as arms were locked on their bodies!

David discovered that these monsters were the ones summoned by Kuang Biao, and every gemstone on the Baganhuangchi corresponds to a monster!

However, these monsters were locked up and chained up, so how were they summoned?

When David continued to investigate with his spiritual sense, he discovered that there were magic circles in the cages where these monsters were imprisoned!

In fact, it is not these monsters that are summoned, but the souls of these monsters. The main body is sealed within eight thousand barren feet, so it is not afraid that these monsters will not obey orders!

After David made some investigations, he finally understood that if he was not strong enough, he would not only be unable to summon these monsters within eight thousand barren feet, but would be devoured by their souls!

However, David also discovered one thing, that is, the power of the Baganhuangchi is entirely derived from the monsters sealed inside, that is, the more powerful the sealed monsters, the more powerful the Baganhuangchi will be!

If you have the ability to capture more powerful monsters, you can completely replace the monsters in Baganhuangchi, making Baganhuangchi even more powerful!

"It really is a good thing..." David withdrew his consciousness and laughed!
