

# A Man Like None Other Novel

## Chapter 2652

The Arctic Mountains of the Celestial Realm!

Three girls were roasting a hare in a cave, and the smell of meat filled the cave!

And beside the three girls, there are three fierce tigers lying on their stomachs, which look like the mounts of these three girls!

These three girls are exactly Sonya, Huofeng and Yu Jiameng who followed David and were sucked into the world of heaven and man by the black hole!

After the three people were sucked into the world of heaven and man, they did not fall to the same place with David!

At this time, they were thousands of kilometers away from where David was!

“Huofeng, it’s fortunate to have you here. During this period of time in the world of heaven and man, we have food, drink, and mounts...”

Sonya said to Huofeng gratefully!

During this period of time, the three girls have become very familiar with each other, and they are looking for David’s whereabouts together!

However, Sonya and Yu Jiameng are very unfamiliar with the world of heaven and man, but Huofeng is familiar with this place, coupled with her identity as a beast, so the three girls here have a good life, and Huofeng directly subdued the three fierce tigers Become a mount!

"Those monsters, when they saw Huofeng, they all ran away. They died laughing."

Yu Jiameng touched the tiger's head beside her and said!

"The fire phoenix is a divine beast. Those ordinary monsters will be scared when they see the fire phoenix."

Sonya said!

"If I hadn't been thrown into the secular world and my strength had been greatly reduced, even if I met those guys in the imperial city, they would all respect me."

Huofeng said proudly!

"The roasted rabbit is ready, it's so delicious, eat it quickly..."

Yu Jiameng picked up the roasted rabbit and started to distribute it!

Holding the roasted rabbit in her hand, Sonya suddenly became sad and said, "Hey, I don't know how David is? I don't know if he has anything to eat!"

"Sister Yuqi, don't worry, maybe the master is living a better life than us now, surrounded by beauties, drunk and dreaming."

Huofeng comforted Sonya!

"If that's the case, that's fine. I don't care how many women are around him, as long as he has me in his heart."

Sonya said lightly!

"Sister Yuqi, it's great that the master found a girlfriend like you." Huofeng said!

"It's good for him to find a maid like you. Not only can he save him in times of crisis, but he can also sleep with him to relieve boredom..."

Sonya smiled and looked at Huofeng jokingly!

"Sister Yuqi, you are laughing at me again..."

Huofeng blushed, and started to fight with Sonya!

But at this moment, a vague aura suddenly came in from outside the cave, and the faces of the three girls suddenly became ugly!

"This guy, why is his ghost still lingering? How long has it been?"

Yu Jiameng frowned and said!

But just after the words were finished, a man's voice came from outside the cave.

"Three beauties, I know you are inside, don't hide from me anymore, no woman here can escape my hand, Gao Qisheng." "The woman I Gao Qisheng likes will be mine sooner or later, you can inquire about it.

" , My Gao family is in the Arctic Mountains, but I am very famous. I can't even look down on how many women take the initiative to fall into my arms!" "It's your

luck that I can fall in love with the three of you. Long Sanfeng, isn't it quite happy."

The man's voice was full of provocation, which made Sonya and the others grit their teeth angrily.

Ever since the three of them met Gao Qisheng in a town some time ago, they have been targeted by this guy and stalked to death!

It made Sonya and the three of them already bored to death!

However, Gao Qisheng is a master of the Fusion Realm. At this time, although Sonya and Yu Jiameng have reached the eighth-rank Martial Emperor, and Huofeng has the strength of the eighth-rank Transformation Realm, but the three of them join forces, and I am afraid that they will not be able to meet Gao Qisheng. A finger!

So the three of them can only hide from this guy, but this guy's ghost is still there, and he can always find Sonya and the others!

## Chapter 2653

"You three living in this dilapidated cave, isn't it too much to suffer? Our family has a thousand-acre mansion, you can choose whatever you want, and I have practiced the Yang-Guang Gong, so I promise to make the three of you want to die." "You

guys It's best to come out obediently, or if I get angry, I'll let my subordinates rush in, then the three of you will not be facing me alone, I will make all my dozen or so subordinates happy ..."

"Hahaha..."

There was a burst of laughter outside the cave, and Sonya and the others were already flushed with anger at this moment!

"I fought them..."

Yu Jiameng blushed and was about to rush out with a long sword in his hand.

One must know that Yu Jiameng is also a rich lady, how could she have been humiliated like this before, let alone she is still a young girl, listening to Gao Qisheng's foul language, her body trembles with anger!

"Don't rush out, he's trying to provoke us on purpose!" "

This cave has other openings leading to the outside, we just leave quietly." "

When the owner is found, I believe the owner will take care of this guy..."

Huo Feng stopped Yu Jiameng and said!

What Huofeng said was right, if David knew that someone dared to tease his woman, he would definitely incite him.

The three of Sonya and the others rode on the tiger and quietly left from the other entrance.

When Gao Qisheng rushed in with people, he found that there was no one else except a bonfire!

"Damn, ran away again, chase me..."

Gao Qisheng quickly chased him out with his men!

At this time, David didn't even know the danger Sonya and the others encountered. He practiced in the mansion of the third elder every day, quietly waiting for the time to open the medicine pool!

Although a few days had passed, the battle between David and Kuang Biao was still a topic of discussion among all the disciples of the Jade Cauldron Sect.

The disciples of the third elder's lineage have also improved their status a lot because of this competition. In the past, even the outer disciples looked down on the disciples of the third elder's lineage, but now they have become more polite!

However, the status of the disciples of the second elder's line has plummeted. In addition to Nie Heng's refusal to sell to the second elder, the status of the disciples of the second elder's line is even lower!

The Second Elder has been staying behind closed doors for the past few days, and he has no face to see people anymore. The eldest disciple was killed, and the status of his disciples in the Jade Cauldron Sect has dropped to freezing point.

"I can't just let it go like this, absolutely can't..."

The second elder roared in his mansion, and exploded a sound transmission jade slip!

He wanted Hu Yixiao to come back as soon as possible. Now that Nie Heng was walking very close to the third elder, if Hu Yixiao didn't come back, the Jade Cauldron Sect might have the final say from the third elder in the future!

"Second Junior Brother, what's the matter?"

Hu Yixiao's voice came over after the sound transmission jade slip exploded!

"Brother, when are you coming back? During the time you left, a lot of things happened in the Jade Cauldron Sect."

The second elder said.

"I plan to go back when the medicine pool opens in a few days. During this period of time, I have a good relationship with King Li. From now on, our Jade Cauldron Sect will reach a strategic cooperation with Mingli King City!" Hu Yixiao said excitedly

!

"Brother, don't wait for the medicine pool to open and come back, you should come back quickly, otherwise the position of the suzerain of the Jade Cauldron Sect will be snatched away by others." The second elder said seriously

!

When Hu Yixiao heard this, he was stunned and asked, "What happened?"

"Brother, let's talk about it when you come back. I can't understand a sentence or two."

After the second elder finished speaking, the conversation between the two was cut off!

You must know that this sound transmission jade slip was also bought with money, and it was written by a formation master. The longer the call time, the higher the price!

## Chapter 2654

"When senior brother comes back, I'll make you look good..."

The second elder's eyes were full of sternness!

After Hu Yixiao received the voice transmission from the second elder, he also changed his plan, bid farewell to King Li, and began to return to Jade Cauldron Sect!

At this moment, in that secret cave!

Liu Ruyan slowly opened her eyes. After David's treatment, although the toxins in Liu Ruyan's body were not completely eliminated, Liu Ruyan still slowly woke up!

"Where am I?" Liu Ruyan frowned slightly, and slowly got up!

But when Liu Ruyan got up, the quilt on her body slipped off, exposing her naked body to the outside!

"Ah..."

Liu Ruyan screamed, and quickly covered her important parts!

But after discovering that there was no one here, Liu Ruyan breathed a sigh of relief, and hurriedly put on his clothes!

Liu Ruyan tried her best to recall what happened before she fell into a coma!

She only remembered that before she fell into a coma, she found the third elder, and the third elder brought her into the secret cave!

Then she fell into a coma. As for how long she was in a coma, Liu Ruyan didn't know!

"Why am I not wearing clothes?" Liu Ruyan was full of doubts, knowing that she was wearing clothes when she was unconscious.

"Could it be the third elder..."

"Impossible, the third elder would never do that kind of thing to me."

"What's going on? Could it be that I've been..."

Liu Ruyan said something I can't even remember, and I don't even know about David's treatment of himself!

Seeing that she couldn't remember anything, Liu Ruyan wanted to go out and have a look, but found that no matter what, she couldn't open the door of this secret cave!

Liu Ruyan had no choice but to sit back on the bed and wait quietly. She had to wait to see if anyone would come!

If someone came, and it wasn't the third elder, then the fact that I was naked must be done by the other party!

Taking advantage of her coma and doing unruly things to herself, Liu Ruyan secretly decided that as long as the other party is not the third elder, then she will kill him unceremoniously!

At this moment, David suddenly opened his eyes when he was practicing, looked at the full moon outside, and walked out of the room slowly!

Looking at the mountain peak not far away, David unconsciously walked towards the mountain peak!

The dense cave is above this mountain peak, David can't explain why, but wants to go here for a walk!

Maybe David also wanted to see how Liu Ruyan was doing!

Before coming to the secret cave, David stretched out his hand to open the cave, but hesitated for a while!

After all, Liu Ruyan is still naked now, and David came alone this evening. If the third elder finds out, it will be a bit confusing!

But after hesitating for a moment, David still opened the entrance of the secret cave!

With a creaking sound, the hole opened!

After Liu Ruyan heard the sound, she quickly lay down on the bed, covered herself with a quilt, and pretended not to wake up!

David walked into the cave, then walked into Liu Ruyan's room, and saw Liu Ruyan lying motionless on the bed!

David walked over, reaching out his hand to feel Liu Ruyan's pulse, and then helped Liu Ruyan cover her with a quilt.

But just as David stretched out his hand towards Liu Ruyan, Liu Ruyan suddenly opened his eyes and found that the person in front of him was not the third elder, but a strange man, and suddenly became furious, and slapped David with a palm!

David didn't expect Liu Ruyan to wake up suddenly, he was startled, and then a gust of wind came straight toward David!

David retreated instinctively, dodging Liu Ruyan's palm!

Liu Ruyan jumped up from the bed, and involuntarily attacked David again!

Liu Ruyan's attack speed was very fast, coupled with the strength of the peak transformation realm, every palm blew a gust of wind!
