## Chapter 2655

David kept dodging, and asked with a puzzled face, "What are you doing? Are you ungrateful?"

David didn't expect Ruyan Liu to wake up, and even less did he think that Ruyan Liu would do something to him as soon as he woke up. He didn't even know that Why did Liu Ruyan do something to herself!

You must know that Liu Ruyan was able to wake up, it was all thanks to him, and now Liu Ruyan didn't thank him, but he even did something to him, which made David very puzzled!

"I'm ungrateful, you shameless bastard, you took advantage of my unconsciousness, took possession of my body, and made me lose my innocence. Today I insist on killing you..." "Who the hell are you? What is it here

? Where?"

Liu Ruyan asked David with anger all over her face!

As soon as David heard it, he immediately understood, it turned out that Liu Ruyan had misunderstood him!

It should be that when Liu Ruyan woke up and saw that she was naked, she mistakenly thought that someone had taken advantage of her!

"Don't hit me now, I didn't touch you at all, you misunderstood, the third elder brought me here, this is the secret cave of Jade Cauldron Sect!" David hurriedly explained

!

Liu Ruyan stopped when she heard the third elder, and looked at David suspiciously, "Who are you? Where is the third elder now? Why doesn't he come over?" David took a breath and said, "My name is David.

"Ping, you can be regarded as a disciple of the third elder's lineage, you can wake up, but I will help you look after it." "The

third elder is still in his mansion and has not come over, I just came to see you..."

Liu Ruyan looked at you Looking at David, his expression was still very nervous, obviously he still didn't quite believe what David said!

"You help me look after it? How could the third elder let a disciple heal me?"

"It's obvious that you are talking nonsense. Who are you?"

After Liu Ruyan took a look at David, she suddenly shot again. She wanted to restrain David, and then asked David's identity!

Although Liu Ruyan shot suddenly, David was already prepared, and suddenly reached out and grabbed Liu Ruyan's wrist!

Although Liu Ruyan's strength was at the peak of the Transformation Realm, but in front of David, it was not enough at all!

When Liu Ruyan saw that David was about to grab her, she panicked and wanted to pull her hand back, but David's hand was like a vice, tightly clasping her wrist, unable to move at all!

"You liar, a disciple of the third elder's lineage, how could you have such a powerful person, obviously you are lying." "Let

me go, let me go quickly..."

Liu Ruyan glared at David, she could I am sure that David will never be a disciple of the third elder's lineage, because how can a disciple of the third elder's lineage have someone who is stronger than her!

"I let you go, you are not allowed to do anything to me, I have already explained it to you, why don't you believe it?" "I did

n't touch you, don't you feel that you have been touched by others?"

"It's really not possible, you can use your hand to check to see if your most precious thing is still there, then you will know!"

David said angrily!

Upon hearing David's words, Liu Ruyan's face turned red in an instant, "You stinky rascal..."

Liu Ruyan knew what David meant, it was to let her test her place with her hands, David said something like that. Even a big man can say it, not a hooligan!

When David heard it, he felt speechless for a while, he didn't know how to explain to Liu Ruyan!

At this moment, footsteps were heard outside, and then the third elder walked in!

When the third elder saw Liu Ruyan, he immediately asked in surprise, "Miss, you...are you awake?"

Seeing the third elder, Liu Ruyan was also slightly taken aback, "Third elder, it really is you..."

## Chapter 2656

"Third Elder, please explain quickly, I really can't be cleaned up even if I jumped into the Yellow River, your young lady insists on saying that I defiled her, and wants me to return her innocence!" David saw the

Third Elder coming, So he let go of Liu Ruyan, and said to the third elder!

The third elder also understood, and hurriedly explained, "Miss, I invited Mr. Chen to help you heal. You have been in a coma for many years. I tried all kinds of methods but failed to revive you. You can wake up now, thanks Mr. Chen."

"Mr. Chen?" Liu Ruyan was taken aback, "Isn't he your disciple?"

"Miss, you don't know that Mr. Chen entered the Jade Cauldron Sect and my sect just for the medicine pool ..."

Afterwards, the third elder followed Liu Ruyan to explain the changes of the Jade Cauldron Sect in recent years in detail!

Liu Ruyan became angrier the more she heard it. When she heard that Hu Yixiao used the Jade Cauldron Sect's medical skills to amass a lot of money, and also received a lot of training supplies, Liu Ruyan was about to die of anger!

You must know that the purpose of her father's establishment of the Jade Cauldron Sect is to save lives, heal the wounded, heal the sick and treat the sick, and never value such things as money and resources!

But now Hu Yixiao has completely abandoned the purpose of the Jade Cauldron Sect, and directly turned the Jade Cauldron Sect into a mercenary sect!

Thinking of her father who was poisoned, Liu Ruyan's eyes became moist!

"This Hu Yixiao, I must settle accounts with him, I want to take back the Jade Cauldron Sect..."

Liu Ruyan gritted her teeth and said angrily!

"Miss, you are awake now, and you can definitely expose Hu Yixiao's crimes, but now Hu Yixiao has a high prestige in the Jade Cauldron School, and most of them are his disciples!" "And the second elder also wears a pair of pants with Hu Yixiao

, If you go out rashly now, you may not be able to bring down Hu Yixiao at all, and you may even get in!" "

Hu Yixiao doesn't know you are alive yet, so we can wait for the opportunity..."

The third elder persuaded Liu Ruyan !

"The timing? When is the timing? It's been a few years now. If we wait any longer, Hu Yixiao's foundation in the Jade Cauldron Sect will be even deeper."

Liu Ruyan frowned and said angrily!

"With your current strength, after you go out, you will not be the opponent of Hu Yixiao at all. I am afraid that he will kill you with one hand. What are you going to take back to the Jade Cauldron?"

" It's quite explosive..."

At this time, David said to Liu Ruyan!

When Liu Ruyan heard it, she was very angry at first, and coupled with David's sarcasm, she immediately yelled at David, "You haven't settled with you yet, but you started talking about me..." "

You What's the deal with me? Didn't I explain everything to you just now?"

David asked puzzled!

"Although you didn't touch me, you undressed me yourself, and you saw my body naked, shouldn't I ask you to settle the score?" "Is there no other way to cure the disease besides taking off my clothes

? I think you are looking at my body on purpose just to take advantage of me." "

The reason why you didn't dare to touch me is entirely that there are three elders guarding outside, and you dare not do anything!" "

Otherwise, you will sneak up on me this time. What did you come here for? Didn't you just want to touch me? If I hadn't woken up, maybe you would have already killed me by now!"

Liu Ruyan gave David a blow, and directly made David speechless. Word!

David came here secretly this time only for Liu Ruyan's medical treatment, not to play with her!

But even if David explained, who would believe it?

"Yes, I'm here to play with you. I've cured you. What's the point of playing twice? This is my reward..." "

Otherwise, you're thin-skinned and tender-skinned, with a good figure, wouldn't you wasted!"

David knew that no one would believe his explanation, so he simply didn't explain it, and just got angry with Liu Ruyan!

## Chapter 2657

When Liu Ruyan heard this, she was so angry that she was going to attack David, but the third elder hurriedly stopped her!

"Miss, Mr. Chen is definitely not that kind of person. He is just angry with you. I believe he came here to touch you." "I can see that

Mr. Chen has countless women. Fortunately, the appearance is also outstanding, but Mr. Chen probably won't notice it."

The third elder said hastily!

"The third elder is really powerful, you can see this?"

David couldn't help being surprised, how did the third elder know that he had countless daughters?

"Mr. Chen, I brought you here for the first time. You helped the eldest lady to treat her. Your eyes are clear and you have no evil thoughts." "

So you told me that you didn't touch our eldest lady at all, and I believed you."

The third elder explained!

When Liu Ruyan heard the words of the third elder, she couldn't help feeling a sense of comparison in her heart!

"David, let me ask you, do you not touch me because I am not as good-looking as those women you have met?"

Liu Ruyan really wanted to know why David didn't touch herself!

"With your figure and appearance, among my many women, you can only be regarded as below average."

David looked at Liu Ruyan seriously and said!

When Liu Ruyan heard David's words, she immediately became angry, "How many women do you have? I'm still below average. Although I'm not all-powerful, I have absolute confidence in my figure and appearance." "

You Where are those women? I want to see how much better they are than me..."

When women mention their figure and appearance, they all have a very high desire to compare themselves, and Liu Ruyan is no exception!

"I can't even count how many women I have, but now I can't find them for you."

"But I have a portrait here. You can see how different I am from my woman..."

David said, he waved his palm lightly, and there was a tremor in the void, and then a portrait appeared!

The one painted on it is Ji Ruxue, dressed in white, with long hair and shawls, and her delicate facial features are like a fairy!

Especially Ji Ruxue's temperament is not something that any woman has!

Looking at Ji Ruxue's portrait, Liu Ruyan was stunned. She never thought that there are such beautiful and temperamental women in the world!

"Mr. Chen, is this really your woman? It's like a fairy who descended from the sky..." The

third elder saw Ji Ruxue's portrait, and his eyes lit up when he saw Ji Ruxue's portrait!

“Of course, this is just one of my many women. My other women are also all beautiful. Now you know why I don’t feel anything when I see other women?” David seemed to be showing off

, But when he was talking, he looked at Liu Ruyan!

He just said it to Liu Ruyan on purpose, to provoke Liu Ruyan on purpose!

Liu Ruyan didn’t say anything more, if the woman in the painting was really David, then it was reasonable for David to see that he was not interested.

“Miss, you are living here for the time being. The medicine pool will be opened in a few days. I will find a way to get you into it and use the energy of the medicine pool to let you break through to the state of integration. Then we will find a way to bring down Hu Yixiao ”

The third elder said to Liu Ruyan!

Liu Ruyan nodded, this is the only way she can do now, if she goes out rashly now, she will die in vain!

David and the third elder left, and calm was restored in the cave!

Liu Ruyan recalled what David said just now, and her face turned red again instantly!

Sitting on the bed, Liu Ruyan stretched out her hand slowly, she wanted to check for herself to see if what David said was the truth!

When Liu Ruyan touched the obstacle, he let out a long breath instantly...
