

A Man Like None Other Novel

Chapter 2664

"You're right, if you and I form a partner, I can not only get the Jade Cauldron, but also you..." "

But it's impossible for me to stay in the Jade Cauldron, I still have my own Things to do!"

"The power of the sect under me is much higher than your Jade Cauldron Sect, and there are many confidante around me, I can't give up the whole forest for one tree..."

David said calmly!

Hearing David's words, Liu Ruyan's expression was in a daze, and her face was filled with disappointment!

She didn't expect David to reply to herself like this!

What David said made Liu Ruyan feel ashamed, but it also proved from the side that David is definitely not an ordinary person!

The sect in David's hands is much more powerful than the Jade Cauldron Sect, so David must be the son of a wealthy family!

In this way, David can't look down on Yudingzong's resource power!

"I'm sorry..."

Liu Ruyan apologized awkwardly, and then walked forward quickly!

"Although I didn't promise you, it's okay to help you take back the Jade Cauldron Sect. After all, I'm still a nominal disciple of the Jade Cauldron Sect!"

David said in order to ease the embarrassment.

"Really?" Liu Ruyan was taken aback, then looked at David with a smile all over her face, "Thank you..." "It's

getting late, let's go back, or the third elder will be thinking wildly again."

David said!

Liu Ruyan nodded and followed David back!

But just as the two of them took two steps, several black shadows suddenly blocked their way!

David frowned, and instantly protected Liu Ruyan behind him. This was David's instinctive reaction, but Liu Ruyan looked at David's generous back, and a sense of security emerged spontaneously!

"Who are you?"

David stared at the people in front of him and asked!

"You are David?" At this moment, a guy covered in flames stepped forward and asked David!

This guy is Zhe Yan who the Second Elder found to kill David!

"Not bad!" David nodded!

Feeling the aura of these people in front of him, David immediately realized that these people were demons!

And this guy who was covered in flames seemed somewhat similar to Ning Zhi's aura.

David didn't understand, these demons were already street rats in the world of heaven and man, and everyone shouted to beat them?

How dare they show up openly!

"Since you're right, then you're the one I'm looking for..."

Zhe Yan said, he waved his palm lightly, and suddenly a burst of flames floated above his palm!

"Wait a minute, some things have to be clarified, right?"

"What do you want me for? We don't seem to know each other, and you, as demons, dare to show your face openly, aren't you afraid of being discovered?"

David asked very puzzled!

"Don't worry about it anymore, someone asked me to kill you anyway, anyway you will be dead soon, so what can we do if we find out?"

Zhe Yan smiled coldly, pinched the flame in his hand instantly burst!

Boom...

The flame exploded in an instant, and the scattered breath directly covered a radius of hundreds of meters!

Obviously, this is a shielding formation set up by Zhe Yan, in order not to let his aura leak out for a while, otherwise people will swarm to him if they feel the aura of the demon race!

After feeling this breath, David frowned deeply again!

"Are you a flame body?"

David asked strangely!

Because the flame breath on this person is so similar to Ning Zhi's Flame Demon Physique!

After hearing David's words, Zhe Yan was obviously taken aback, "You even know about the Flame Body?"

"In front of me, I can turn him into ashes."

When Zhe Yan talked about his abilities, he was obviously arrogant!

Chapter 2665

"Your ability is really good, and you are already a master of the body-fitting state, why do

you want to deal with me, a cultivator of the transformation state?" Shield formation, but your aura may still leak out!" "

If your aura leaks out, then you will be out of luck and will be hunted down endlessly." "

Why don't we talk, you guys I can give you whatever you want, and there is no need to go to war!"

David said to Zhe Yan!

It's not that David is afraid of Zhe Yan, although Zhe Yan's strength is also at the third rank of the Composite Body Realm, and the subordinates he brought are also at the peak of the Transformation Realm!

But even if David couldn't beat him, if he wanted to escape, these people couldn't stop him!

But now that Ruyan Liu is here, David has to consider Ruyan Liu's safety!

If there was a fight, David might find it difficult to take care of Liu Ruyan!

"Yes, whatever you want, just ask, our Jade Cauldron Sect will definitely satisfy you!" "

But if you dare to do it, our Jade Cauldron Sect will not spare you."

Liu Ruyan stood up from David's back Come out, snapped!

She hoped that with the fame of Jade Cauldron Sect, she could scare the other party away!

"Who are you? Can you represent the Jade Cauldron Sect?"

Zhe Yan looked at Liu Ruyan and asked!

After all, Zhe Yan had never heard of the Jade Cauldron sect having a woman as its leader!

I had never heard of Hu Yixiao having a daughter!

"I'm the daughter of the previous suzerain, can you tell me what you want now?"

"As long as it's not too much, I can satisfy you."

Liu Ruyan said.

When Zhe Yan heard this, he was slightly taken aback, and then said, "Shouldn't you have been poisoned to death long ago? I didn't expect to be alive." Zhe Yan heard that the

second elder mentioned the matter of the Jade Cauldron Sect, and the second elder also knew what Hu Yixiao did. Some nasty things, the reason why the Second Elder didn't say it out was because he finally took the position of Suzerain from Hu Yixiao's hands!

Moreover, the second elder can clean up the family in the name of Hu Yixiao poisoning the old suzerain. In this way, the second elder is also famous as a teacher. It can be said that the second elder is also a cunning guy!

"How do you know about my Jade Cauldron Sect?" Liu Ruyan was very surprised. Few people knew about her poisoning.

But I didn't expect the demon in front of me to know this!

"Don't ask so many questions, I won't say anything, what I want is the life of this guy, David, so just keep his life."

Saying this, he suddenly shot towards David with a palm of flames!

David also quickly slapped Liu Ruyan, and then kept stepping back!

"I'll hold them back for a while, you find a chance to escape."

David whispered in Liu Ruyan's ear!

"If I don't leave, how can you be their opponent? If you want to die, then let's die together. Anyway, I have died once." Liu Ruyan knew that

David faced these people in front of him alone, It is impossible to be an opponent at all!

"I told you to escape, you can go to rescue the soldiers, go find the third elder, I will be fine, although I may not be able to defeat these guys, but it will not be so easy for them to kill me."

David followed Liu Ruyan and explained!

"Then you must hold on. I'll call the Third Elder. When the Third Elder is here, you don't have to be afraid of them."

Liu Ruyan understood what David meant, so she nodded and said!

"Boy, it's no wonder someone insisted on killing you. I didn't expect you, a cultivator of transformation, to be able to easily receive my palm."

Zhe Yan was full of surprise, and then slowly led people to surround him!

Seeing this, David grabbed it with his right hand, and the Dragon Slaying Sword appeared, and then the Indestructible Golden Body was activated, covering his whole body with golden scales!

Chapter 2666

Afterwards, a bright golden light erupted from David's body, reflecting a piece of golden light in the gradually darkening sky!

"Run..."

David shouted loudly, and then took the lead!

The dragon-slaying sword in his hand instantly swung countless sword lights, which directly enveloped several people in front of him!

And Liu Ruyan turned around and started running after hearing David's run!

"Don't let her run away, don't let any one go..."

Zhe Yan yelled when he saw this!

If Ruyan Liu ran away, then their demon identities would all be exposed. Maybe Ruyan Liu would bring someone here later, and they wouldn't be able to escape!

Seeing this, one of Zhe Yan's subordinates immediately rushed towards Liu Ruyan!

"Looking for death..."

David held the sword in his right hand, and punched it out with his left hand!

"Holy Light Fist..." The golden fist instantly illuminated half of the sky like a scorching sun!

Countless fist shadows instantly blocked in front of him!

The guy who was chasing towards Liu Ruyan suddenly faced David's Holy Light Fist, and instinctively punched it out.

Boom...

With a deafening sound, both fists collided heavily.

In an instant, a cloud of blood mist burst out from the chest of Zhe Yan's men, and then flew backwards!

The whole body was still in mid-air, and it exploded directly, turning into a cloud of blood mist in an instant!

Seeing this scene, Zhe Yan was stunned. Although the Second Elder had reminded that David's strength was not as weak as he showed, Zhe Yan didn't expect to be so strong!

"Copy guy..."

After Zhe Yan finished speaking, he grabbed it, and the burning flames around his body immediately turned into a long sword, and a raging fire rose from the blade!

Several people attacked David at the same time, and David swung the Dragon Slaying Sword vigorously to resist Zhe Yan's attack!

As for Zhe Yan's subordinates, David is not afraid, after all, the indestructible golden body on his body cannot be broken so easily!

After David blocked Zhe Yan with a sword, several of Zhe Yan's subordinates also hit David with their weapons!

A burst of golden light burst out, accompanied by the sound of jingling!

David forcibly withstood the attacks of several people, and the indestructible golden body on his body was not damaged!

Several people were stunned for a moment, they looked at it in disbelief, you must know that they all have the strength of the peak transformation realm, let alone hitting people!

Even if it hits a mountain, the whole mountain will collapse!

But at the same time, several people hit David together, but David was fine!

At this moment, David's viscera were also tumbling, and several cultivators at the peak of the transformation realm hit him at the same time, how could David be unscathed!

It's just that at this time, David must not show the slightest sign of injury!

"Death..."

The dragon-slaying sword in David's hand was swung out in an instant when the opponent was stunned!

A sword light flashed across the sky, penetrating a person's body in an instant!

This sword cut one of them in half!

The other people were panic-stricken and quickly backed away!

Zhe Yan looked at David in shock. Just as he did this, two of his men were directly beheaded. At this moment, he finally understood why the Second Elder insisted on bringing the team here!

The scene fell into silence for a while, Zhe Yan and the remaining few subordinates looked at David in disbelief, their eyes wide open!

"This guy has armor on his body, and his body is extremely strong. We can't attack at close range. Use the fire to burn him to death..."

Zhe Yan knew that the indestructible golden body on David's body must be some kind of magic weapon, and ordinary weapons would hardly cause harm to David!

So they could only use fire to burn David to death, and what they practiced was the method of controlling the flame!
