

# A Man Like None Other Novel

## Chapter 2670

David ignored Zhe Yan, but looked at them coldly!

At this time, Liu Ruyan had already run away, and David knew that she must be going to invite the third elder!

As long as the third elder arrives, then he doesn't have to worry about anything!

Zhe Yan also understands that it is not good for him to procrastinate. After all, Liu Ruyan escaped, and it is very likely that a large number of monks will be attracted to chase and kill them!

"Boy, no matter what witchcraft you know, you won't be able to escape today."

The flames on Zhe Yan rose again!

"Who said I'm going to run away!"

After David finished speaking, he suddenly raised the Dragon Slaying Sword, "Wind Slashing..."

David suddenly shouted, the Dragon Slaying Sword in his hand, the sword light continued to rise, and the sky was blown. It began to be slowly torn apart by the sword light!

The shocking sword light suddenly moved towards Zhe Yan, and at the same time, the power of the three clans in David's body rushed out like a tide!

This time, David didn't hold back the slightest bit, and burst out all the power in his body, raising the power of this sword to the extreme!

The avenue buzzes, the void trembles!

The terrifying sword glow seemed to poke a hole in the sky!

Looking at David's sword like this, he couldn't help frowning!

"This kind of terrifying power is really just a cultivator in the Transformation Realm?"

Zhe Yan, a third-grade cultivator in the Composite Realm, started beating drums in his heart at this moment!

Because David's sword was too shocking!

After a brief absence, Zhe Yan reacted, his body instantly turned into a ball of flames, and instead of following David head-on, he retreated quickly!

But when Zhe Yan was retreating, he found that the sword that was originally slashing at him had changed its direction and slashed directly at those subordinates!

Zhe Yan was startled, and instantly understood that David's sword was not aimed at himself, but aimed at several of his men!

"Hide quickly..."

Zhe Yan roared!

But it was too late for those subordinates to react, and the bright sword glow had already arrived in front of them!

"Ah..."

Several people roared at the same time, bursts of flames began to burn on their bodies, and countless flames converged into a shield!

They wanted to use this to resist David's attack!

The bright sword glow instantly slashed at several of Zhe Yan's subordinates!

Under this terrifying sword glow, the flame shields erupted by Zhe Yan's subordinates were as fragile as glass and shattered in an instant!

Rumbling...

Along with a loud noise, a huge deep pit appeared in a radius of hundreds of meters. The whole mountain was trembling, and countless trees were turned into powder!

The smoke and dust all over the sky rose into the sky, covering the sky and the sun, and it was almost impossible to see anything!

Zhe Yan's heart tightened, he knew that under such a terrifying attack, his subordinates would be in danger!

The smoke and dust dissipated slowly, Zhe Yan hurriedly looked into the deep pit!

But when he saw the scene in the deep pit, he was stunned again!

Because he saw that several of his subordinates had already turned into a pile of minced meat at this time, and he couldn't tell who was who at all!

Only a few clusters of flames were left dancing and burning.

Looking at the clusters of flames, David stretched out his hand, and the flames instantly reached David's hands!

Looking at the flames in front of him, David knew that these must be left behind by Zhe Yan's subordinates after their death!

It should be something like a monk's golden pill or a monster beast pill.

"Give me their heart fire..."

Zhe Yan saw that David had taken away those clusters of flames, so he yelled at David!

As long as the heart fire of life is not extinguished, Zhe Yan still has a way to revive these subordinates!

"This is my trophy, why should I give it to you..."

David sneered, and then threw those clusters of flames into the storage ring!

"If you don't give it to me, then go to die..."

Zhe Yan opened his eyes wide, and his eyes were full of anger!

## Chapter 2671

David has killed all the subordinates he brought, and he will never let David go if he doesn't keep any of them!

Feeling the terrifying aura from Zhe Yan, David held the Dragon Slaying Sword tightly, his brows were slightly frowned, and his face was full of worry!

His sword attack just now had almost exhausted his strength, now David might not be able to hold on to a few more moves while fighting with Zhe Yan!

But at this moment, suddenly two figures approached from far away!

"Zhe Yan, you demon cultivator, I didn't expect you to be alive..."

Far away, I heard the voice of the third elder!

When the third elder and Liu Ruyan that Zhe Yan saw came, his expression became extremely ugly!

"Third Elder, do you know this person?"

David asked very strangely!

He didn't understand how the third elder knew this demon cultivator!

"Of course I do. Our Jade Cauldron Sect also participated in the group of demon cultivators who chased and killed him back then." "It was said at the

beginning that this guy had already been killed. I don't know how he is still alive!"

said the third elder!

After hearing what the third elder said, David thought for a while and said, "Third elder, who said that Zhe Yan was dead ?

" At this moment, David suddenly became enlightened, and he finally understood why Zhe Yan wanted to kill him. After all, he had no grievances with Zhe Yan, and he had never even seen him. Now that Zhe Yan wanted his own life, it must be It was instigated by someone! David's time in the Heaven-Human Realm was short, and he didn't have many mortal enemies, and not many people wanted his life! The only one who wanted to kill himself was the second elder!

"It seems that the second elder lied. The second elder did not kill the demon cultivator, but hid him in captivity. Now he is released to kill me for revenge."  
"No wonder I don't know

this guy, but when I met him Just kill me!”

David said flatly!

When the third elder heard this, he immediately looked at this and said, “Zhe Yan, did my senior brother save you and now send you out to kill Mr. Chen?”  
“Hmph, do you think I will tell you?”

Zhe

Yan snorted coldly , and then with a wave of his hand, a burst of flames soared into the sky!

David and the third elder retreated quickly, while Zhe Yan took the opportunity to turn around and run away!

Zhe Yan knew that with his strength, if he wanted to deal with David and the others, he had no chance of winning at all!

“We can’t let him run away...”

After David finished speaking, he raised his sword and chased after him!

Seeing this, the third elder and Liu Ruyan also hurriedly chased after him!

As long as Zhe Yan is caught, the Second Elder will be accused of hiding the Demon Cultivator. At that time, David will not need to do anything, and the rules of the Jade Cauldron Sect will make the Second Elder die!

After all, in the world of heaven and man, where demon cultivators are shouted and beaten by everyone, daring to hide demon cultivators privately and cooperate with demon cultivators is the most shameless thing!

Zhe Yan ran away very fast, as if stepping on a hot wheel!

However, David and the third elder were not slow, and they were also flying against the wind, trying to catch up!

But this is a pain for Liu Ruyan, Liu Ruyan's strength is still a bit different, so the speed is much slower!

Soon, Liu Ruyan was left far behind!

Liu Ruyan was a little anxious at this moment. If David and the others ran away and only she was left, Liu Ruyan was really afraid of meeting other people. If she met other disciples of the Jade Cauldron Sect and recognized them, then Liu Ruyan Smoke is troublesome, Hu Yixiao will never let her go!

Just as Liu Ruyan was gritting his teeth and desperately chasing after, David turned back to Liu Ruyan's side, and immediately grabbed Liu Ruyan's hand!

David also seemed to have thought of the danger of Liu Ruyan running alone, so he turned back!

"Hold on to me, I'll take you..."

After finishing speaking, David pinched the Gale Art, and his feet flew across the grass!

## Chapter 2672

Feeling the warmth in David's hands, Liu Ruyan felt obsessed with the resolute side face for a moment!

Soon, several people chased into a forest, and Zhe Yan suddenly stopped not far away, and stopped running away!

Seeing this, David also hurriedly stopped his figure, this Zhe Yan suddenly stopped running, there must be a fraud in it!

I saw Zhe Yan looking at David unhurriedly, "My boy, I remember you. I will definitely avenge my subordinates." After

speaking, the flames on Zhe Yan's body suddenly flowed like water. I saw it flowing from the body to the ground!

It started to burn under his feet, and a pattern on the ground shone with brilliance!

"Teleportation array?" David suddenly looked surprised, and then shouted loudly, "Don't try to run..."

David jumped up holding the Dragon Slaying Sword, and the sharp sword glow went straight to Zhe Yan!

But when the sword light reached Zhe Yan, Zhe Yan's body actually emitted a white light, and then the white light disappeared, and Zhe Yan's body also disappeared!

"Damn it, let him run away, this guy is quite cautious, he even found a way out, and set up a teleportation formation here!"

Seeing that Zhe Yan ran away, David couldn't help cursing!

"Mr. Chen, let's go back quickly. There was such a big commotion just now. If someone comes and finds the eldest lady, it will be a little troublesome." The

third elder said to David!

"Okay, let's go..."

David nodded, and then the three returned to the secret cave!

In the cave, after changing Liu Ruyan's appearance, the three of them returned to the residence of the third elder together!

Liu Ruyan looked at the once prosperous Zongmen residence, but now it was a dilapidated scene, and the disciples were only left with the three elders sticking to it, her eyes were full of tears!

But Ruyan Liu couldn't show it, she couldn't let others doubt her identity!

Now Liu Ruyan's identity is a newly recruited disciple of the third elder!

"Miss, because Kuang Biao destroyed a lot of houses some time ago, so the house is a bit tight now, you can live with Mr. Chen temporarily!" "You are now a boy, if I prepare a separate room

for you I'm afraid it will arouse others' suspicion!"

The third elder said to Liu Ruyan!

In fact, Liu Ruyan knew what the third elder meant, and the reason why he arranged this way was simply to create opportunities for the two of them!

"Okay!" Liu Ruyan nodded, then looked at David and asked, "What do you think about the two of us sleeping together

?

" nod!

"Alright then, I'll prepare some medicinal herbs to help Mr. Chen regain his strength."

The third elder turned around and walked out after finishing speaking!

David sat cross-legged on the ground, started to run the formula, and constantly replenished his physical strength. The medicine pool was about to be opened, and he had to recover to the peak of his strength as soon as possible.

Liu Ruyan looked at David quietly, and that feeling of throbbing came back again!

Especially when chasing Zhe Yan, David stepped forward and took her hand to chase together. Liu Ruyan could not stop thinking about that feeling.

“What kind of person are you?”

Liu Ruyan murmured to herself!

“Have you seen enough? If you have seen enough, take a break.”

At this moment, David said slowly!

This sentence directly shocked Liu Ruyan, she thought that David had entered a state of trance, but she didn't want to be discovered by David by peeking at herself!

His face turned red like smoke, he hurried to bed and covered his head with the quilt!

David opened his eyes, looked at Liu Ruyan, smiled slightly, and entered the cultivation state again!

Time was passing by quickly, David sat cross-legged and did not wake up, Liu Ruyan also lived in seclusion in order to hide his identity, and accompanied David to meditate and practice!

Three days later, the day when the medicine pool was opened finally arrived, and Hu Yixiao also thought about it for three days before returning to the sect!
