

A Man Like None Other Novel

Chapter 2691

When David heard it, he instantly understood what the man meant, and he turned his hands over, and a light blue flame burned on his palms!

Immediately afterwards, David waved his palm, and the blue flame instantly wrapped the flame!

Then the two flames entangled together, swallowing each other!

David is planning to use the spiritual fire to refine the flame of the demon race!

After all, there is only such a mass of the Demon Race Flame, so it shouldn't be too much trouble to refine it!

But soon, David discovered that although it looked like a small group of flames, the power inside was endless!

Even though David had almost exhausted the spiritual power in his body, he still couldn't refine that fire!

On the contrary, the spiritual fire fired by David is showing signs of being swallowed up by the flame of the demon clan!

David gritted his teeth, and waved out one after another of spiritual power, the light blue spiritual fire was burning violently!

boom!

Suddenly, black flames filled the entire dragon crystal, the light blue spiritual fire was directly engulfed, and even David was wrapped in the flame!

Seeing this, the man frowned instantly, but he couldn't do anything to help!

As the black fireworks filled the entire dragon crystal, the formation that was originally suppressed instantly disintegrated and disappeared instantly!

"Hey, it's over, maybe it's God's will..."

The man sighed and closed his eyes slightly, as if he was waiting for the fire to be devoured!

But after waiting for a while, the fire that could have devoured everything hadn't arrived yet!

The man opened his eyes and found a faint golden light flickering in the black fireworks!

"This..." The man's eyes widened, and he was very surprised!

I saw the weak golden light getting stronger and stronger, spreading towards the surroundings, and soon the black fireworks were suppressed by the golden light!

Immediately afterwards, the entire dragon crystal was covered with streaks of light, and around David's body, three dragon crystals of different colors were floating around!

Under David's feet, a formation as vast as stars appeared. In this formation, breaths surged, accompanied by the continuous burst of dragon power in the dragon crystal, which directly trapped the group of demons in flames. In it!

Zhihuo rushed around, but he couldn't escape at all, and was completely sealed in the formation by David!

Rays of brilliance rose slowly and shone on the fire like sharp swords. The dark fire seemed to be suffering very painfully, constantly colliding around!

David flipped his palm, and the three dragon crystals spun quickly, and finally merged into one. A huge vortex appeared, and the dark flame began to be constantly attracted by the vortex!

Soon, the flame of Zhihuo became smaller and smaller, and finally was sucked into the dragon crystal in David's body, and David swallowed the dragon crystal in his stomach with one mouthful!

When he saw that David actually inhaled the fire into his belly, the man's eyes were full of horror!

After Zhihuo entered his belly, David hurriedly used the power of the three races, using the power of the demons among them, to slowly guide Zhihuo!

Since there is no way to extinguish the fire of the demon race, then you can't face it head-on, you can only guide it to refine!

With David's slow guidance, the ultimate fire finally stayed in David's dantian, and on David's dantian, a black flame symbol slowly appeared!

At this moment, David felt the power in his body rising continuously!

"Is this the power of the flame of the demon race? It seems that there will be another way to save life in the future!"

David felt the power of the fire and laughed directly!

Although the flame is only a small group, it contains a lot of power. If David can take advantage of it and unleash the flame attack, it will definitely get twice the result with half the effort!

Chapter 2692

Seeing this scene, the man turned from surprise to relief, and said with a faint smile, "Unexpectedly, I really did not expect that one person contains the power of three clans. Maybe you are the one who reshape the way of heaven..." After the man finished speaking, he

just Seeing a light wave of his sleeve, David's body instantly separated from the dragon crystal, and then the dragon crystal radiated light, and drilled into David's body bit by bit!

David also seemed to feel it, with his eyes slightly closed, the dragon crystal in his body was emitting light, and it was constantly merging with the dragon crystal that entered his body!

And the man's body gradually became transparent, and finally disappeared without a trace!

At the same time, in an extremely cold place far away in the world of heaven and man, a huge palace was suspended in mid-air!

This palace is majestic, occupies a huge area, and is suspended in mid-air, covered by clouds and mist, looming, just like a fairyland!

And in a room of this palace, there are antique furniture all around, and wisps of Zen fragrance are constantly wafting!

Sitting on the couch, an old man with a gray beard slowly opened his eyes!

"It's been so many years, and someone actually refined my ultimate fire..."

The old man's eyes were deep, and there was a flame constantly beating in his eyes!

At this moment, a girl wearing a fiery red dress and burning with flames walked in!

"Master, in the southwest direction, there is a flame demon body, is it our time?"

The girl asked the old man!

"The Flame Physique has appeared, no wonder my Zhihuo will be refined by someone." "

Linglong, you go, find this Flame Physique, and gather my disciples by the way." "

Several other old devils also Already in the world of heaven and humans, I can feel their existence!"

"Perhaps, the day of our demon race has really come..."

The old man's eyes flickered, and his voice was full of excitement!

"I obey..."

Linglong nodded, and slowly her whole body turned into a ball of flames, and then disappeared!

At this moment, David slowly opened his eyes, and found that the man had disappeared, and the dragon crystal in his body was shining, and the surging power of the dragon was like rolling waves, constantly impacting David!

"Breakthrough, at this moment..."

David hastily guided the power of the dragon in his body, and kept rushing and wandering in the dantian!

In the sky, countless black clouds slowly began to gather, and finally gathered over the medicine pond!

But in Jade Cauldron Sect, the melee is still going on!

There are already many wounds on the third elder's body, and his breath has become weaker!

As for Liu Ruyan, her face was pale, and several wounds on her body were bleeding profusely.

Countless Jade Cauldron Sect disciples lay icy cold on the ground, and those demon cultivators struck fiercely, each blow would take away the life of a Jade Cauldron Sect disciple!

At this time, Hu Yixiao was also in a panic, with an extremely nervous expression!

Even if they joined forces, they still couldn't deal with the demon cultivators brought by the second elder, and everyone felt hopeless. If this continues, their result will only be one, and that is death... "Second junior brother, since you want to be the suzerain,

then I will give it to you, as long as you let me live, I will leave the Jade Cauldron Sect immediately, and the suzerain position will be yours."

Hu Yixiao compromised, and now he only wants to survive!

The Second Elder looked at Hu Yixiao, and said with a cold smile, "You have been like this for a long time, so why bother to kill and injure so many disciples." " You go, I won't make things difficult

for you!"

Sect Master, it is not that he wants to exterminate all members of the Jade Cauldron Sect!

He really killed all the disciples of the Jade Cauldron Sect, what's the point of him being a polished commander!

Hu Yixiao didn't hesitate at all, after the second elder agreed to let him go, he jumped up and escaped from the Jade Cauldron Sect!

Hu Yixiao left Jade Cauldron Sect and went straight to Mingli King City. Of course he was not willing to lose the position of suzerain of Jade Cauldron Sect just like this. come over!

Chapter 2693

"Miss, third junior brother, have you made up your mind? If you obediently admit defeat and regard me as the suzerain of the Jade Cauldron Sect, I can let you live." The second elder looked

at the third elder and Liu Ruyan and asked!

"You should give up on this idea. Unless I die, I won't compromise."

Liu Ruyan said angrily!

The second elder smiled coldly, then looked at the many disciples of the Jade Cauldron Sect, and said coldly and arrogantly, "Disciples of the Jade Cauldron Sect, listen, if you choose to surrender now, you can still enjoy all the treatment of the Jade Cauldron Sect." "But if

you To resist to the end, there is only death waiting for you."

The second elder's words made many Jade Cauldron Sect disciples hesitate, and now that Hu Yixiao has compromised and fled, is it necessary for these ordinary disciples to continue to resist? "I am willing to surrender. Anyway, the second elder is also the direct line elder of the Jade Cauldron Sect. It doesn't matter who is the suzerain

!" Arrived behind the second elder! Seeing this, the Second Elder's face was full of pride, but there were still some disciples of the Jade Cauldron Sect standing behind Liu Ruyan, unswervingly supporting Liu Ruyan! This includes Nie Heng, a major disciple of the Jade Cauldron Sect! "Nie Heng, your master compromised and ran for his life, how dare you fight against me?" The second elder asked Nie Heng sharply! "I disdain to be with you. Even if I die today, I will not compromise." Nie Heng said coldly! Since he chose Liu Ruyan, there was only one way to go, besides, David was not dead, and now Nie Heng was looking forward to David's appearance! "Okay, if that's the case, then you all will die together..."

The second elder snorted coldly, and just as he was about to rush forward, suddenly there was a shaking between the sky and the earth!

Immediately afterwards, everyone turned pale in shock and looked in the direction of the medicine pool!

I saw black clouds over the medicine pond, and lightning bolts shuttled through the black clouds!

Rumbling...

Along with a loud noise, a bolt of lightning struck towards the medicine pool in an instant!

Immediately afterwards, a jet of water rose from the medicine pond.

Booming...

Lightning began to strike continuously, each time setting off a stormy sea!

"What... what's going on here?"

Liu Ruyan and the third elder looked at the bolts of lightning, and couldn't help but say in shock!

The second elder and that Zhe Yan are also frowning at this moment!

"This is a thunder calamity. Could it be that someone from the Jade Cauldron Sect can't break through?"

"For such a terrifying thunder calamity, the opponent's strength must be impressive!"

Zhe Yan said solemnly!

"Who is it? Could it be that the Supreme Elder failed to break through?"

The Second Elder looked puzzled, he didn't understand who in the Jade Cauldron Sect broke through at this time, and judging by the breakthrough's Thunder Tribulation, the strength must not be low!

But the second elder couldn't think of any masters in the Jade Cauldron Sect who would break through at this time!

He didn't think about David at all, and besides, David's strength in Transformation Realm, even if he breaks through to the Composite Realm, it's impossible to trigger such a terrifying thunder calamity!

At this moment, only Nie Heng was looking at the terrifying thunder calamity, his eyes were full of shock and anticipation!

Others don't know, but he can guess that this must be David's breakthrough!

Everyone thought that David had already died after staying in the medicine pool for so long, but Nie Heng knew that David was not dead!

It seems that it has absorbed the energy of the medicine pool, and its strength has broken through!

A series of terrifying thunderstorms continued to strike, and soon a figure, wrapped in a shocking momentum, slowly rose to the sky along the thick water column!

The black cloud slowly dissipated, and the thunder calamity also disappeared. David was suspended in midair, with a holy light emitting from his body, like a god descending from the earth!
