

A Man Like None Other Novel

Chapter 2701

"Everyone, don't panic. I know Zhe Yan's strength. David must have used some kind of trick. But even if David defeated Zhe Yan, he must have been seriously injured. There is no need to be afraid of him!

" You just take advantage of this opportunity to avenge Zhe Yan..."

The Second Elder was afraid that those demon cultivators would escape for their lives, so he shouted loudly!

Hearing what the second elder said, those demon cultivators who had no fighting spirit before all reacted now!

David's fight with Zhe Yan just now was shocking, even if David killed Zhe Yan, David himself would not be unscathed!

Maybe the current David is at the end of his strength, deliberately pretending to be relaxed, but in fact he has already suffered serious injuries!

And David looked at the second elder coldly, and then said with disdain in his eyes, "Even if I'm injured, if I want to kill you, it's just a gesture of my hand..."

"Do you dare to fight with

me? "

David deliberately sent the Second Elder into the army. Since the Second Elder said that he was seriously injured, there was nothing to be afraid of, so David deliberately provoked the Second Elder.

If the second elder dared to fight, then David could easily kill the second elder one-on-one, but if the second elder didn't dare to fight, then what he just said would definitely be suspected by those demon cultivators!

The Second Elder didn't expect David to do this, he planned to let these demon cultivators follow David to their death, but in this way, the Second Elder could only face David alone!

The second elder also knew the pros and cons of it, if he didn't agree to David, then the people on his side would collapse in an instant!

"David, don't be complacent, why don't I dare, see how I kill you."

The second elder's eyes were full of killing intent, and then he rushed towards David!

The Second Elder knew that the key now was David, as long as David was killed, the Third Elder, Liu Ruyan and others would lose their fighting spirit in an instant!

"You really dare to go up, with your little ability, you are not as good as that Zhe Yan, and you still want to kill me..."

The corner of David's mouth raised, and his face was full of disdain, which made the second elder even more angry!

The second elder's eyebrows were filled with light, and then golden flying swords appeared out of thin air. Countless flying swords formed a strong storm and surrounded David!

"Compared to my sword intent? You are still a little bit..."

David sneered again and again, and took out the Dragon Slaying Sword in an instant. It is not comparable to ordinary magic soldiers!

With a light wave of the Dragon Slaying Sword in David's hand, the sword aura that filled the sky came overwhelming!

The second elder's flying sword and David's sword energy collided with each other, making a deafening sound, and the entire Jade Cauldron Sect began to shake violently!

The second elder was instantly injured by the terrifying sword energy, and he flew backwards!

Regardless of whether David was injured or not, the second elder already knew that David's sword was just now, and he was no match for David at all!

"Everyone, fight with me. As long as you kill David, the Jade Cauldron Sect will be ours..." The

second elder knew that he could not defeat David alone, so he wanted to join forces. His disciples and those demon cultivators attacked David together!

However, no matter how much the Second Elder shouted, no one moved!

No one is a fool. In the current situation, it is obvious that the Second Elder is doomed. Who would follow him to die!

Seeing this, the demon cultivators brought by Zhe Yan burned into flames one after another, and disappeared without a trace in an instant, and David did not go after them!

And the disciples of the Second Elder's line all knelt down and surrendered at this moment, begging along with Liu Ruyan, begging for their lives to be spared!

The Second Elder looked at this scene and fell into a madness. He calculated for a long time, but finally failed.

Chapter 2702

"Ah... I'm not reconciled, I'm not reconciled..."

The second elder roared, he was not reconciled at all, but the current him, even if he was not reconciled, he was powerless!

"Whether you are willing or not, the result is death..."

David said, and he wanted to kill the second elder with a sword!

"David, wait a minute..."

Liu Ruyan stopped David!

David looked at Liu Ruyan and asked, "What's wrong?"

"This guy poisoned my father, I have to kill him with my own hands."

Liu Ruyan glared at the second elder and said!

Seeing this, David slowly put away the Dragon Slaying Sword!

"Hmph, Ruyan Liu, even if I get hurt, you can't be my opponent..."

Seeing that Ruyan Liu still wanted to kill him, the second elder snorted coldly!

Although Liu Ruyan has broken through to the combined state, but he is still a few realms away from him, it is impossible to be his opponent!

"If you add me..."

The third elder took a step, and stood together with Liu Ruyan!

The two of them were not talking nonsense, and directly attacked the second elder!

After some fighting, the second elder's head was directly cut off by Liu Ruyan's sword!

Looking at the corpse of the second elder, Liu Ruyan burst into tears!

"Father, I finally avenged you..."

Liu Ruyan fell to her knees!

Seeing this, all the disciples of the Jade Cauldron Sect knelt down one after another, expressing their loyalty to Liu Ruyan!

Although Yudingzong suffered heavy losses after this battle, only the third elder remained among the three elders, and more than half of the disciples of Yudingzong were killed or injured, but after driving away Hu Yixiao and eradicating the second elder, Liu Ruyan finally got his wish. The Sovereign of the Jade Cauldron Sect!

Liu Ruyan got up slowly, and then looked at David. She knew that the reason why she was able to succeed was all thanks to David!

The third elder, Fang Shu and others also looked at David gratefully.

At this moment, only Nie Heng's expression was a bit complicated. He was Hu Yixiao's big disciple, but he had to obey David's order because David pinched his soul!

Now that Hu Yixiao is gone, the Second Elder is dead, and Liu Ruyan is the suzerain, Nie Heng doesn't know what will happen to him in the future!

David glanced at Nie Heng, understood what Nie Heng was thinking, smiled slightly, and waved his palm lightly, Nie Heng's soul returned to Nie Heng's body in an instant!

Nie Heng looked at David in surprise, he didn't expect David to return his life soul to himself so generously!

Liu Ruyan also looked at Nie Heng at this time, and then said, "Nie Heng, since you didn't help the tyrant, help us clean up the traitors together. Now I accept you as the elder of Yudingzong and take over your master's position!" Liu Ruyan

said, instantly made Nie Heng stand on the spot in a daze, and it took him a long time to react, and he quickly fell to his knees!

"Thank you, Miss..."

Nie Heng was ecstatic, it seems that instead of blaming him, Liu Ruyan even made him an elder!

Now that Nie Heng's life soul has returned and he has become the elder of the Jade Cauldron Sect, these are all thanks to David. If Nie Heng followed Hu Yixiao all the way to the dark, he might have become a corpse by now up!

Liu Ruyan sent people to clean up the scene and rebuild the Jade Cauldron School, but they went to the third elder's residence!

There are still some complete homes here to live in!

at dusk!

Because just after the war, everyone was tired and went to bed early.

But the light in David's room was still on. At this time, David was in a difficult situation!

Now David can go to the Jade Cauldron Sect medicine pool unimpeded, absorb the aura in the medicine pool, and improve his cultivation!

However, if he absorbs it unrestrainedly, the Jade Cauldron Sect's medicine pool will definitely be abolished!

If David hadn't thought about it when Hu Yixiao was the suzerain, it wouldn't matter if he absorbed the medicine pool.

But now that Liu Ruyan has become the suzerain of the Jade Cauldron Sect, if David is abolishing the medicine pool, he will be a little embarrassed!

After all, many disciples of Jade Cauldron Sect made breakthroughs by relying on the aura in the medicine pool.
