

A Man Like None Other

Novel

Chapter 2703

Just when David was a little embarrassed, a figure flashed past the window!

“Who?”

David frowned slightly, with a guarded look on his face!

At this time, Liu Ruyan pushed open the door and walked in slowly, holding a porcelain vase in her hand!

“David, thank you for helping me so much. Here are some high-grade pills in our Jade Cauldron Sect’s warehouse, which can help you practice. I brought them here for you. It’s a thank you!” Liu Ruyan held the porcelain

bottle Put it on the table and whispered!

“Thank you, Ms. Liu!” David didn’t refuse either, and some pills from the Jade Cauldron Sect are still possible!

However, since he took the elixir from others, David made up his mind that the medicine pool cannot be destroyed by Yudingzong, so he can only give up the idea of going to the medicine pool to improve his strength!

After Liu Ruyan gave the pill to David, she didn’t leave, but sat at the table and stared blankly at David!

At this time, Liu Ruyan was wearing a red dress. Under the light, her graceful figure was faintly visible, even the underwear inside was faintly visible!

"Miss Liu, if there's nothing else, I'm going to rest."

Looking at Ruyan Liu, David had no choice but to issue an order to evict her!

"David, don't you have any feelings for me?" "

Although there are many women around you, they can't serve you now. I can, as long as you ask, I can do anything." "

I Now, as the suzerain of the Jade Cauldron Sect, this status will not make you feel cheap to accompany you, right?"

Liu Ruyan put aside her shyness, and boldly asked David!

When David heard this, he quickly shook his head and said, "Don't always have this kind of thinking. I helped you, but I also got benefits from the Jade Cauldron Sect. We don't owe each other. You don't have to feel too guilty!" "

I I'm really tired, I need to rest..."

David issued the order to drive away again, he would not do anything to Ruyan Liu, because David knew that although Ruyan Liu had some affection for him, he definitely had no love for him!

The reason why Liu Ruyan dedicated herself was definitely to keep David with her tenderness!

David would not feel this kind of intentional dedication!

Seeing that David was so determined, Liu Ruyan drove him away again, so he gritted his teeth and secretly took out the Hehuan San given by the third elder!

When Liu Ruyan opened the porcelain bottle of Hehuansan, bursts of faint fragrance immediately hit the nostrils!

Liu Ruyan looked at David quietly, she wanted to see any changes in David!

But Chen Ting sat quietly, without the slightest change!

When Liu Ruyan just opened Hehuansan, David noticed it, but David didn't care, his body was invulnerable to all poisons, and a little Hehuansan couldn't shake David!

David didn't feel anything, but when Liu Ruyan heard the smell of acacia, her face became flushed, her eyes were as charming as silk, and the gaze she looked at David became charming!

"David, I'm so hot, please help me..."

Liu Ruyan suddenly took off her dress, and threw herself directly at David!

David watched Liu Ruyan's white jade body rush towards him, and quickly reached out to catch it, not letting Liu Ruyan fall down!

"David, hurry up, hurry up..."

Liu Ruyan lost her mind and tore David's clothes desperately!

"Dong dong dong..."

But at this moment, someone knocked on the door of David's room!

When David heard this, he looked at Ruyan Liu who was already crazy, so he could only slap Liu Ruyan on the neck with his palm, causing Ruyan Liu to pass out!

After quickly dressing Liu Ruyan and letting her lie down on the table, David got up and opened the door!

"Nie Heng? It's so late, what's the matter?"

David opened the door and found that it was Nie Heng. He couldn't help feeling a little surprised! !

Chapter 2704

"Mr. Chen, I have something to ask you, can I go in?"

Nie Heng asked David!

"This..."

David hesitated. After all, Liu Ruyan was still in the room. If Nie Heng saw it, he might be misunderstood!

Just when David was hesitating, Nie Heng saw Liu Ruyan lying on the table through the door. Liu Ruyan's bright red dress was very conspicuous!

"So the suzerain is here, I'm really sorry, I'll come to see Mr. Chen another day..."

Nie Heng found Liu Ruyan there, and hurriedly followed David to apologize, and was about to leave!

"Don't go!" Seeing this, David hurriedly stopped Nie Heng, but did not let him leave!

If Nie Heng left like this, he would definitely misunderstand, maybe the entire Jade Cauldron Sect knew that Liu Ruyan was in his room at night!

David didn't want to make such a misunderstanding, and he was not good to Liu Ruyan. Liu Ruyan was obviously a big girl, if there was a misunderstanding, Liu Ruyan's innocence would be lost.

When the time comes, Liu Ruyan will threaten him with this, and David will not be able to refuse if he follows his words!

"Come in, Ms. Liu just came to thank me and had a few more drinks..."

David pulled Nie Heng into the room, and then said, "You send two disciples to send your suzerain back..."

Nie Heng walked in In the room, I found that Ruyan Liu was indeed in a coma, and her clothes were intact. Knowing that I had misunderstood, I hurriedly nodded and called two disciples, and sent Ruyan Liu back to her own room!

At this moment, only David and Nie Heng were left in the room!

I saw Nie Heng suddenly knelt down to David and said, "Mr. Chen, now that you have soaked in the medicine pool, are you leaving the Jade Cauldron Sect?" "Where are you going next

?

" I don't know where to go, why do you ask these?" David looked at Nie Heng in surprise and asked!

"Mr. Chen, during this period of time, I have discovered that Mr. Chen's strength is unfathomable. I want to follow Mr. Chen and be his little follower!"

Nie Heng said sincerely!

"Be my follower?" David was slightly taken aback, "You have just been named an elder, don't you want the position of elder?" "No,

as a monk, whether you are an elder or an ordinary monk, It's all for the purpose of improving my cultivation and becoming a fairy one day." "

Even if I become an elder of the Jade Cauldron Sect, I won't be able to ascend to a fairy one day, so I might as well hang out with Mr. Chen!"

Nie Heng said without hesitation Said!

"Can you become a fairy if you follow me?"

"I don't know if I can become a fairy myself." David said with a faint smile.

"At least follow Mr. Chen, if you have a head, I believe that following Mr. Chen will surely ascend to immortality!"

Nie Heng said with a full face of affirmation!

"Hahaha, you trust me too much, but let me tell you, I don't know if you can become a fairy if you follow me, but you will definitely lose your life early."

"The enemies and dangers I face are not at all

. As you can imagine, you should still be an elder in the Jade Cauldron Sect." "

In fact, even if you become a fairy, you still live the same life, and it is important to make your life meaningful."

David laughed!

David himself knew that the danger he faced in the future, if Nie Heng followed him, he might not live for long!

What David needs to do right now is to get back the God King Bow as soon as possible, but Mingli King City is not so easy to break into, even Yihe's Yaohuang City is not as strong as this Mingli King City, so it can be seen that the strength of Mingli King City How tough!

But even if it was Longtan and Tiger's Den, David had to find a way to get back the God King Bow. Without the God King Bow, and the sword spirit Zhongli was injured, and the power of the Dragon Slaying Sword was damaged, David had no weapons in his hand!

Chapter 2705

You must know that a weapon in your hand can instantly increase a lot of strength. Now David only has a complete dragon clock to use, but it can't be exposed too often!

David still has to look for Sonya and the others, and go to Huomianzong to rescue the master of the Artifact Refining Sect. None of these things are close to death, so it is impossible for David to let Nie Heng follow him!

Nie Heng knelt on the ground thinking for a while, and said in silence for a moment, "Thank you for your teaching, Mr. Chen, I understand..."

Nie Heng seemed to have realized something, so he got up and thanked David, and then retreated out of David's room!

After Nie Heng left, David sat cross-legged, quietly recalling today's battle!

David knew that if he failed to break through in the medicine pool and got the Flame Demon Zhihuo, he would not be very sure of winning if he fought against Zhe Yan today.

With his current strength, if he was in the secular world, he might have no opponents, but in this heavenly human world, he must be careful everywhere. There are so many strong people in the heavenly human world, and David's strength in the early stage of the combined body state is not enough. Just be careful!

At this time, David was very eager to break through the tribulation. As long as he succeeded in crossing the tribulation, he would be able to comprehend the origin, and he was fundamentally different from the monks before the tribulation!

If you succeed in crossing the tribulation, you will be regarded as the body of a half-immortal. If you understand the origin of the heaven and the earth, then

no matter what skills or spells you have, including the control of Zhihuo, you will reach a new height!

Even the consciousness and thoughts will be improved a lot.

But crossing the catastrophe is not easy, how many monks died during the catastrophe period, and decades or even hundreds of years of hard work turned into nothingness.

“Hey, I don’t know what’s going on in the secular world...”

David sighed, thinking of his mother in the secular world, Ji Ruxue, Hu Mazi and the others!

Now that the secret realm of the secular world is collapsing and the aura is revived, David doesn’t know whether the martial arts in the secular world will decline, or whether the secular world will cause disputes due to the revival of aura!

In the end, David felt a headache from thinking about it, so he simply stopped thinking about it, and started to sleep with his head covered!

And when David was sleeping, the palace of Mingli King City was still brightly lit!

King Li sat on the head seat, and a distinguished guest sat on the seat of King Li’s lower head!

This distinguished guest is none other than the Demon King Yihe!

“King Li, I’m taking the liberty to visit this time, and I hope you won’t be offended...”

Yihe Yaohuang said embarrassingly.

"Hahaha, what is Yihe Yaohuang talking about, do you and I need to be so polite?"

King Li laughed.

"That's right, you and I have been neighbors for so many years, so you don't need to be so polite." "

I came here this time just to discuss marriage with King Li. Do you want to be my in-laws?"

Yihe Yaohuang asked!

"Of course, it's my wish to be in-laws with Yihe Yaohuang, not to mention my son has always liked your girl!"

Li Wang said, shouting to the outside, "Xing'er, come in quickly, see you!" Your father-in-law..."

Soon, a girl-like man with delicate features and fair skin walked in!

Then he knelt down in front of Yihe Yaohuang happily and said, "My son-in-law pays homage to father-in-law..." "

Hahaha, Li Xing, get up quickly, there is no need to perform such a great gift..."

Yihe Yaohuang hurriedly helped Li Xing After getting up, Yihe Yaohuang said to Li Wang, "Li Wang, I think the sooner the two of them get married, the better. Let Li Xing follow me back to Yaohuang City tomorrow, and then directly bring the little girl over!" "No

problem It's up to you." Li Wang nodded happily, and then said to Li Xing, "Xing'er, take your father-in-law to rest, and follow your father-in-law to marry Yisha back tomorrow!" "Got it!" Li Xing

nodded Nodded, and then left with Yihe Yaohuang!
