

A Man Like None Other Novel

Chapter 2745

"Princess, don't worry, I will be very gentle for the first time..."

After speaking, Huben stepped forward to take off Princess Isa's clothes!

Princess Isa's tears kept pouring out, but Huben turned a blind eye and was still excited, taking off her clothes little by little!

Seeing that Princess Isa's clothes were about to be taken off, revealing the most private place, a guard hurried in!

"General, it's not good, it's not good..."

The guard shouted hurriedly!

Huben frowned. When he was happy, he was disturbed by the guard, so he kicked the guard out!

Immediately afterwards, he also went out and said, "Damn, what's the matter? Don't you know I'm busy?" "

General, the Demon Emperor was rescued by Elder Pei, and Mr. Li sent someone to call you, telling you to chase after him!" "

The guard said to Huben! www.vodtw.la

Hu Ben heard this, and hurriedly looked into the room, and found that Isa hadn't heard it, so he said, "I'll go right away, you watch this place for me, if you let the princess run away, I will kill you!" You..."

"General, don't worry..."

the guard said hastily!

Huben left, and Princess Isa saw that Huben had not moved for a long time, so she got up slowly and put on her clothes again!

She didn't know why Huben left in a hurry, so she looked out twice!

At this moment, the door of the room was suddenly pushed open, and a girl about the same age as Yisha rushed in!

"Princess..."

the girl shouted at Isha!

"Yiyi, why did you come here?"

Princess Isa looked at the girl with surprise on her face!

This girl is Elder Pei's daughter. She grew up with Princess Isa. Princess Isa was very curious about how she came to Huben's mansion!

"Princess, the Demon Emperor has already escaped from the city, you should also run away immediately, or the tiger will be back soon!"

Yiyi said to Yisha!

When Yisha heard that the Demon Emperor Yihe had escaped, she was overjoyed, "You can run away with me, the Demon Emperor City has been taken by Huben, and they will definitely not let you go!" Yiyi shook her head, "

Princess , I can't go, the guards outside will check often, if they find no one in the room, they will definitely look for you." "

Now we two have changed clothes, I tricked the guards in the room, you run away from the back immediately, someone I'll meet you in the back!"

Upon hearing this, Yisha hurriedly said, "What's the matter, wouldn't you..."

Yisha didn't go on, but anyone could have imagined that if Hu Ben came back and found that Isa was gone, he would definitely Angry Yiyi's!

"Princess, don't hesitate, it will be too late!"

Saying that, Yiyi followed Princess Isa to change her clothes, and then sent Princess Isa out from behind!

At this moment, in the forest not far from the Demon Imperial City, corpses are everywhere!

Elder Pei was covered in blood, and the aura on his body was constantly rising. Even though his body was covered with injuries, Elder Pei still stood upright, in order to buy more time for Yihe Yaohuang to escape!

Huben and Li Xing looked at Elder Pei with anger in their eyes. If it weren't for Elder Pei, Yihe Yaohuang would not have been able to escape!

"Kill me..."

Hu Ben yelled angrily, and then led another charge to kill, Li Xing also swung his knife forward!

Although Elder Pei was stronger than Hu Ben and Li Xing, in the face of the siege of so many people, Elder Pei finally fell down!

Thousands of demon wolves, as well as the corpse of Elder Pei, lay quietly in the forest!

At this time, Yihe Yaohuang had already been carried by Lang Feng and ran hundreds of miles away!

"Demon King, where are we going now?"

Lang Feng didn't know where to go anymore. In their situation, they definitely couldn't stay in the land of the orcs!

But if you go to the human territory, if you are discovered, you might be bullied!

"Go to Jade Cauldron Sect..."

Yihe Yaohuang knew that David was in Jade Cauldron Sect!

As long as he finds David and let David detoxify him, then the Yihe Demon Emperor will have the strength to take back the Demon Emperor City!

Chapter 2746

Demon Imperial City!

Because Yihe Yaohuang escaped, Huben was very annoyed!

"Brother Huben, you don't have to worry, the demon emperor Yihe is poisoned, he is like a waste, and there will be no threat." "

My poison, other than using a special antidote, there is no way for others to undo it! "

Li Xing persuaded Huben!

"I'm not afraid that the Yihe Demon Emperor will come back to take revenge, I'm just afraid that Princess Isha will not be obedient if she knows that the Yihe

Demon Emperor has escaped. If she wants to commit suicide, I won't get anything!"

Huben turned out to be afraid that Princess Isa would commit suicide!

Now the reason why Princess Isa obeys him and dare not resist at all is because the Demon Emperor Yihe is still in his hands, and Isha dare not not listen!

But if she knew that the Demon King Yihe had escaped, Princess Isha would have no scruples!

"Don't worry about this, as long as we don't say it, it's impossible for Yisha to know."

Li Xing said!

"That's right!" Huben nodded, then looked at the guard behind him and said, "Let me tell you, no one can tell me a word about Yihe Demon Emperor's escape, otherwise don't blame me for being rude!" "Yes!

" All the guards quickly replied!

"Princess Isa, I'm here..."

Huben smiled lewdly, and then ran towards his mansion impatiently!

After entering the door, Huben saw that Princess Isa was already lying on the bed, lying on her side with her back to herself!

Seeing Princess Isa lying on the bed actively, Huben Coke broke down!

"Princess, I didn't expect you to go to bed so early, are you in a hurry?"

"I'll come right away, I promise to make you want to die..."

Huben hurriedly took off his clothes, and threw himself on the bed, anyone who hugged the princess would do it!

But when he saw Princess Isa's face, he was stunned!

"Why is it you?"

Huben was full of surprise, he didn't understand how Princess Isa became Elder Pei's daughter?

"Hu Ben, you traitor, I'm going to kill you..."

Yiyi suddenly took out a dagger from her hand, and stabbed fiercely at Hu Ben!

Huben was totally unprepared, seeing that Yiyi was about to kill him, he hurriedly rolled under the bed, but his arm was still cut with a bloody wound by the dagger!

Looking at the wound on his arm, Huben was furious, his eyes were full of anger!

"Smelly girl, where's the princess?"

Huben stepped forward, knocked out the dagger in Yiyi's hand with one palm, and then grabbed Yiyi's neck!

In front of Huben, Yiyi has no room to resist at all, the difference in strength between the two is too great!

"The princess has already escaped from the city, don't even try to touch the princess."

"You bastard, you will die a terrible death..."

"Bah..."

Yiyi glared at Huben angrily, and spat hard!

Huben glared at Yiyi, his eyes were full of scarlet blood!

His animal nature has been aroused, and now he must vent it!

"Smelly girl, you let the princess go, I'll take you down..."

Huben said, and pushed Yiyi onto the bed!

Yiyi desperately resisted, but it didn't work at all!

Soon, Yiyi's clothes were stripped off, and Hu Ben pounced on her!

An hour later, Yiyi looked at Huben with killing intent in her eyes!

And Huben looked satisfied!

"I'm fighting with you..."

Yiyi suddenly rushed towards Huben, and then her body expanded rapidly!

Yiyi is planning to blow herself up and die with Huben!

A girl's innocence is gone, and Yiyi doesn't have the courage to live anymore!

"Hmph, you still want to blow yourself up?"

Huben snorted coldly, and then slapped it down with a palm, Yiyi spurted out a mouthful of blood, and died instantly!

"Princess Isa, no matter where you flee to the ends of the earth, I will definitely catch you..."

Huben's eyes flashed fiercely, and he led his men to chase out of the city, and began to search for Princess Isa!

Chapter 2747

Jade Cauldron Sect!

Liu Ruyan took care of David personally for several days, and even gave David the best medicine in the Jade Cauldron Sect!

It's just that David still didn't wake up, this battle almost made David's body empty!

"Sovereign, is Mr. Chen still awake?"

The third elder asked Liu Ruyan in a low voice!

Liu Ruyan shook his head solemnly, "I haven't woken up yet. After taking so many pills, I didn't expect his body to be still very weak!" "I don't know

how much his body can bear."

"If it is other Man, after eating so many high-level pills, my body might not be able to bear it, and I would explode and die!" The

third elder also sighed and said, "Hey, suzerain, all the high-level pills of our Jade Cauldron Sect are gone now, I have already sent people to collect herbs, and I have also gone to various sects to buy resources and medicinal materials!" m.kanshull.com

"However, it takes time to refine high-level elixirs, and Mr. Chen can only slowly Wait!"

Hearing what the third elder said, Liu Ruyan was silent for a moment, and then seemed to have made up his mind, "Third elder, you go to open the Tibetan Medicine Pavilion, and give David the pill inside..." The third elder

said Hearing this, he was shocked and said, "Sovereign, there are rules for the pills in the Tibetan Medicine Pavilion. No one is allowed to touch them. You can only visit and feel. But there is nothing to observe and study."

"In this way, our Jade Cauldron Sect's alchemy skills will become worse and worse. It will not take a few hundred years, and I am afraid that it will be completely lonely and disappear in the long river of history. "

It turns out that the pills in the Jade Cauldron Zong's Tibetan Medicine Pavilion are for observation and research by the descendants of the Jade Cauldron Zong, and they are not allowed to be taken!

"I can't control that much anymore. I am the suzerain now. I have the final say. I order you to fetch the elixir from the Tibetan Medicine Pavilion immediately!"

Liu Ruyan said to the third elder with a solemn face. !

Seeing this, the third elder had no choice but to leave, and took three black pills in a short while!

These are the most precious pills in the Tibetan Medicine Pavilion!

Liu Ruyan took the pill without hesitation, and was about to feed it to David!

"Sovereign, as the saying goes, medicine is three-point poisonous. Although this is my Jade Cauldron Sect's pill, we don't know what the properties of this pill are." "If the medicinal properties of this pill are too

strong, I'm afraid Mr. Chen will be so weak My body can't bear it!"

The third elder hurriedly persuaded Liu Ruyan!

Liu Ruyan hesitated, and then fed a pill into David's mouth!

"I'll feed them one by one, it shouldn't be a big problem!"

Liu Ruyan observed David's changes after feeding a pill!

At this time, David's eyes were closed tightly, and his body was motionless!

But on David's dantian, a vortex was crazily absorbing energy!

All the high-grade pills that Yudingzong gave David were absorbed by this vortex!

As Liu Ruyan fed that elixir, the vortex began to grow larger, and the spiritual power in David's dantian also recovered at a speed visible to the naked eye!

It's just that David didn't wake up, and nothing changed!

Seeing this, Liu Ruyan fed another pill!

After taking this elixir, the vortex on David's dantian gradually disappeared, and the power of the demons in David's body began to grow!

Seeing that Liu Ruyan still didn't respond, she gave David the last pill as well!

This elixir made the beast power in David's body begin to grow!

All of a sudden, after taking the three pills, the auras of the three races in David's body began to grow!

In the end, they merged into one body and stored in David's dantian as the power of the three clans!

Even the power of the dragon in David's dragon crystal overflowed instantly!

It can be seen how powerful these three pills are!

The power of the three clans swam in David's body, David's body began to change, and a faint light enveloped David's whole body!

“Sect Master, Mr. Chen’s body has changed!”

Seeing this, the third elder hurriedly said happily!
