

A Man Like None Other Novel

Chapter 2754

the next day!

David took Yihe Yaohuang and set off with Liu Ruyan and the third elder!

“Nie Heng, during the time I’m away, you must take care of the Jade Cauldron Sect, and nothing will go wrong.”

Liu Ruyan told Nie Heng!

“Sovereign, please rest assured, I will take good care of the Jade Cauldron Sect.”

Nie Heng nodded!

Seeing this, Liu Ruyan smiled with satisfaction, and then led David and the others to Feitianzong!

David took Yihe Yaohuang, and then the group of people galloped quickly. It only took half a day to arrive at Feitianzong!

David looked at the thick city wall in front of him, and the huge city, David couldn’t believe it, it turned out to be a sect?

This is obviously a city, how could it be the Feitian sect?

It's just that above the gate of the city, there are three words Feitianzong!

That's why David had to believe that they came from Feitianzong!

"Mr. Chen, this Flying Sect not only operates the airship business, but also does all kinds of business, especially during this period, because the pharmacist association is about to open, so many people come back here to take the airship!" "So now this is the most lively place

. At that time, there were the most sellers."

"Maybe we can get all the medicinal materials you need here!"

The third elder said to David!

"Okay, let's go in!"

Liu Ruyan waved his hand, and everyone walked into Feitianzong!

After entering inside, there are sellers everywhere, and in the center of Feitianzong, an airship with a length of more than 100 meters is parked there!

It was the first time for David to see an airship, and he felt a little curious, but when he saw the front of the airship, three huge pterosaurs were being tied to the airship by thick iron chains, and these pterosaurs had The circulation of the pattern is obviously controlled by the formation method!

Yihe Yaohuang looked at the pterosaur in front of him, and he was also surprised. Although he had heard of the airship that the human race was riding on, he didn't expect that the airship was dragged by the three-headed pterosaur!

The three-headed pterosaur was originally lying on the ground and resting. It seemed not surprising that there were many people passing by in front of them!

And just after David approached, the three pterosaurs who had been resting all opened their eyes together. After looking up at David, the three pterosaurs lay down again!

"Is this airship driven by these three pterosaurs?"

David looked at Liu Ruyan and asked!

"Of course, instead of relying

on pterosaurs, is it still powered by human power?" "However, the airship is also equipped with formations, so it is full of people, which will also make the airship light as a feather and fly very fast! "

Liu Ruyan explained!

When David heard this, he didn't say anything anymore. After all, this is the world of heaven and man, unlike the planes in the secular world, which can be driven by engines and can be filled with aviation fuel!

Where can the Celestial Realm find the engine?

In fact, David should have thought of it from the very beginning, but using a three-headed pterosaur to drive the airship is quite weird!

"Yihe, these three pterosaurs belong to which beast king of your orc clan?"

David wanted to ask, who among the three emperors and four kings of the orc clan has a monster like a pterosaur under his hands! "Mr. Chen, although this pterosaur is also a beast clan, it is not under the jurisdiction of our three emperors and four kings. They belong to the dragon clan and belong to the same

line."

We have no right to control the lineage of the Dragon Clan."

“Looking at the situation of these three pterosaurs, it is very likely that other Beastmasters captured them and sold them to the Flying Heaven Sect. Many Beastmasters capture some monsters that are not under their jurisdiction and then sell them to the tribe. This is also a very common thing! ”

Yihe followed David in a low voice and said!

Chapter 2755

After hearing this, David frowned instantly. It seems that the human world, the human race and the orc race are all the same. For their own benefit, they will do whatever they can. In their eyes, there is no such thing as a fellow race!

However, David couldn't watch the three-headed pterosaur suffer such a catastrophe. Although David had never met his father, David knew that there must be dragon blood flowing in his body!

Although these three pterosaurs are not pure blood dragons, they are still a kind of dragons. David can't turn a blind eye to them!

“Okay, there is still a little time before departure, let's go for a walk first...”

Liu Ruyan said!

After all, for women, shopping is their favorite thing. Whether in the secular world or the world of heaven and man, the common problem of all women is that they like to go shopping. Although Liu Ruyan is the suzerain of the Jade Cauldron, she is no exception!

David and his group wandered around the Feitian Sect. There were quite a few stalls here, all of which were selling some pills, animal pills, herbs, and some runes!

After all, many monks don't understand spells, so some common sound transmission jade slips, fire escape charms, water escape charms, etc. are all sold directly. After all, such simple spells can be drawn by spell masters of!

"David, whatever herb you fancy, just buy it, and I'll pay for it..."

Liu Ruyan said to David!

After all, as the suzerain of the Jade Cauldron Sect, Liu Ruyan is still very rich, not to mention that the Jade Cauldron Sect has many disciples who practice medicine outside, and part of the spiritual coins they earn are handed over to the Jade Cauldron Sect!

"Are you asking me to eat soft food?"

David smiled at Liu Ruyan!

"What? Isn't soft rice delicious? You don't want to eat it?" Liu Ruyan gave David a winking look and said!

"I really want to eat soft rice, but there are still many things waiting for me to do, there is no way to eat soft rice!"

David said with a slight smile!

"Mr. Chen, I still have some spiritual coins here. You can buy whatever you need."

Yihe Yaohuang whispered to David!

As the Demon Emperor of the Demon Emperor City, the wealth of the Demon Emperor Yihe is immeasurable. Although the Demon Emperor Yihe has escaped from the Demon Emperor City, there are also many souls in the storage bag of the Demon Emperor Yihe. currency!

"Just take a look, you don't have to buy anything!"

David actually glanced at the booths, and there was nothing of value!

Liu Ruyan was different. She was curious about everything she saw. After all, she had been in a coma in the secret cave for so many years, and she had never seen many things!

So Liu Ruyan bought a lot of things, and David became the one who carried the bags!

The third elder told Yihe Yaohuang to leave, he was deliberately creating a two-person world for David and Liu Ruyan!

Liu Ruyan's unrestrained spending of money also attracted the attention of three people who have been quietly following David and Liu Ruyan!

Although Liu Ruyan didn't find out, David had already found out!

"Are you ready? We're going to attend the pharmacists meeting, not travel, and you actually bought so many things..."

David was speechless for a while!

If it wasn't for David's storage ring, David wouldn't know where to put so many things!

"You men are like this, you rush when you go shopping..."

Liu Ruyan pouted, like a little woman, and said dissatisfied!

Looking at the appearance of that little woman Liu Ruyan, David was in a daze for a while, and David hurriedly shook his head to wake himself up!

"Let's go, don't waste time!"

David actually wanted to find a way to save the three pterosaurs before leaving!

However, David knew that blatantly trying to rescue the pterosaur would obviously not work. Since the Flying Heaven Sect dared to fix the three-headed pterosaur and the airship in the square in the middle, they must not be afraid of others thinking about it!

"Okay, let's go..."

Liu Ruyan could only reluctantly follow David back!

Chapter 2756

See, just as the two of them passed by a remote place, suddenly three breaths locked the two of them in an instant.

Liu Ruyan realized it at this time, panicked, and hastily drew out her weapon!

At this time, three masked men stood in front of David and the others!

"I opened this road, and I planted this tree. If you want to pass this way, you can buy road money..."

one of the masked men shouted!

"The one who robbed?" David looked at the three of them and asked with a very relaxed expression!

While Liu Ruyan looked at the three people in front of him, he frowned and said, "Three Heroes of Strange Thieves?" As

soon as Liu Ruyan said that, the three masked men were taken aback for a moment, and then laughed loudly and said, "I didn't expect our With such a great reputation, someone actually knows us!"

"That's right, we are the three masters of the Phantom Thieves, if you don't want to make trouble, just pay out the money obediently."

"Haven't the three of you already been caught?" Liu Ruyan was puzzled asked!

"Hmph, our captors haven't been born yet. What kind of cages and chains are there in this world that can trap us!"

said the boss of the Three Heroes!

But this boss is not bragging, the three of them do have some skills, no matter what kind of chains or cages are laid, the three of them can easily crack it!

"We still have something to do, get out now, you can still survive!"

David looked at the three funny guys in front of him, and said coldly!

"Damn it, you're crazy!" The youngest of the Three Heroes of the Phantom Thieves looked at David and said, "Boy, just for what you said just now, at least one hundred and five spirit coins, if one coin is missing, believe it or not Third brother, will you be skinned and cramped?"

"Then we'll play with your girlfriend again, this is the first time we've seen such a beautiful woman!"

"Presumptuous, do you know who I am?" Liu Ruyan said angrily when she saw that the three heroes of the strange thieves were speaking rudely to her!

"We don't care who you are, you either keep your money or your life..."

said the boss of the Three Heroes of Phantom Thieves!

"You three guys are looking for death..."

"This is Feitianzong, aren't you afraid of robbing Feitianzong's territory and being arrested by Feitianzong?"

Liu Ruyan questioned!

"Hahaha, Feitianzong has caught us several times, and we got out easily. Their dungeon can't hold us brother three at all." "Stop fu**ing nonsense, hurry up and get the money

... .."

The boss of the Three Heroes of the Phantom Thieves was a little impatient!

"Hmph, get it yourself if you have the ability!"

Liu Ruyan snorted coldly, and the long sword in his hand moved towards the three of them in an instant!

"Hmph, overreaching..."

The boss of the Three Heroes of the Phantom Thieves also snorted coldly, and then the figures of the three disappeared in an instant!

Then when Liu Ruyan was shocked, the three of them had already arrived behind Liu Ruyan at the same time, and grabbed Liu Ruyan!

"Did the three of you not pay attention to me?"

David saw the three guys make a move on Liu Ruyan, and suddenly waved his hand, and the three of them were instantly enveloped by beams of light!

In the light, countless runes began to flicker and rotate, forming a cage, locking the three guys inside!

Liu Ruyan had already turned her head at this time, looking at the three heroes of the strange thieves behind her, she couldn't help but break out in a cold sweat!

She didn't expect that the speed of these three guys would be so fast!

“Boy, you still want to use formations to trap us, it’s ridiculous, you have forgotten the prestige of our three masters of phantom thieves!”

“In this world, there is no taboo formation that we can’t break, and no aura chain that we can’t break!”

After the boss of the three heroes of the strange thief finished speaking, the three of them waved their palms at the same time, and a purple light flashed from the palms of the three of them. Then it shines on David’s formation cage!

Along with the trembling of the formation cage, the bodies of the three people gradually became transparent, and then disappeared!
