Chapter 2763

"Everyone, I am Shi Tieqiao, the elder of the Feitian Sect. I am responsible for secretly protecting the safety of the airship during this flight." Yes."

"On behalf of the Feitian Sect, I would like to express my apologies for the inconvenience caused to everyone!"

Shi Tieqiao was trying his best to minimize the impact this time!

After all, this incident happened because of him. If these people make trouble with Feitianzong, he will be in bad luck!

"Someone secretly released the pterosaur? Who is so bold?" "

That is, let go of the pterosaur during the flight. Is this looking down on us?"

"Elder Shi, who is it, point it out to me..." "

As soon as everyone heard this, they all asked Shi Tieqiao to identify him!

Shi Tieqiao pointed at David and said, "It's him who led people into the front cabin and released the three-headed pterosaur." " But do

n't worry everyone, I think I will give you an explanation!"

Walking towards David with a gloomy face!

From Shi Tieqiao's point of view, David was only at the second rank of the Fit Body Realm, so it was impossible for him to be his opponent!

Even the people around David, except for the third elder who has reached the third rank of the Composite Realm, even if all these people are added together, they are not his own opponents, that's why they are so confident!

But what he didn't know was that David, who was in the second stage of the Composite Body Realm, wanted to kill him with ease!

One must know that when David was at the first rank of the Composite Realm, he could kill the fifth-rank monks of the Composite Realm. Now that David has been promoted to the second rank of the Composite Realm, the cultivation of the fifth-rank of the Stone-Iron Bridge Composite Realm, if he wants to kill David, then It's just courting death!

"Mr. Chen, we have to be more careful..."

Yihe whispered in David's ear at this time!

"A monk of the fifth rank of the Composite Body Realm is not something to be afraid of..."

David was not afraid of the stone iron bridge.

"Mr. Chen, that's not what I'm talking about. I just checked and we're already in the territory of the Bloodthirsty Thunder Eagle. Maybe we won't be able to leave!" Yihe whispered

!

When David heard this, he couldn't help frowning. He didn't expect that the timing he chose to save the pterosaur was such a coincidence that they fell into the territory of the bloodthirsty Thunder Eagle!

But looking at other people, it seems that they don't know the existence of danger!

Shi Tieqiao saw David frowned slightly, and thought he was afraid of him, so he snorted coldly and said, "Boy, it's useless to regret now, if you dare to let go of our flying dragon, then face death directly!" !"

After Shi Tieqiao finished speaking, he slapped David with a palm, and this palm carried endless air waves, like a tsunami, whistling!

Shi Tieqiao's attack was fast and ruthless, and there was a faint fragrance of benefit in his breath!

David's eyes froze, he knew that Shi Tieqiao not only shot at him, but also threw poison at the moment of the shot!

It's just that David's body is invulnerable to all poisons, and he is not afraid of Shi Tieqiao's poison at all!

David waved his palm casually, and followed Shi Tieqiao to hit each other fiercely!

boom!

The palms of the two people collided together, and with the huge breath fluctuation, a ball of red powder floated away with the breath in an instant!

After this blow, Shi Tieqiao's body couldn't help but retreated, taking several steps in a row, and then stabilized his figure!

On the other hand, David didn't move at all, with a calm expression on his face, as if he hadn't exhausted all his strength just now!

Seeing this scene, everyone was surprised. After all, Shi Tieqiao was a fifth-grade monk in the Body Fit Realm, and everyone could see a thing or two about David's cultivation!

The difference in strength between the two was not small, but the slap just now subverted their cognition. Shi Tieqiao, a fifth-grade monk in the Composite Realm, was directly repelled by David's easy slap!

Chapter 2764

Shi Tieqiao also looked at David in shock, his face full of disbelief, he always thought that his strength of the fifth rank of the Body Fit Realm, if he wanted to deal with people like David, he could easily catch them with his hands, but he didn't want to be handed over by David with just one palm. Shock back!

At this time, Shi Tieqiao was not only shocked, but also ashamed. With so many people watching, he, an elder of the Feitian sect who was a fifth-rank fit body, was repelled by David, an unknown junior. Feitianzong is ashamed!

And the old woman beside Shi Tieqiao also changed her expression, glaring at David and said, "Good boy, you actually hide your strength and pretend to be a pig and eat a tiger here..." The old woman thinks that

David's realm is definitely not what he saw, it must be I have hidden my strength, otherwise it would be impossible to knock back Shi Tieqiao with a single palm!

What was most shocking at this time was the three masters of the strange thieves behind David. They knew the strength of Shi Tieqiao, and they were the fifth-rank great monks in the fit state. They were not something ordinary people could easily defeat!

Anyway, the three of them are not opponents at all, if it wasn't for their time-traveling skills, and the fact that the three of them made a living stealing all the year round, they were very tactful, they would have been in the Feitian sect long ago!

Seeing that David easily repelled Shi Tieqiao, the three heroes of the strange thieves began to rejoice that they followed David's choice back then!

"I didn't hide my strength. The realm you see is just my real strength now." "

I don't need to pretend to be a pig and eat a tiger. With your strength, it's not my turn to pretend to be a pig and eat a tiger! "

David said to the old woman with a look of disdain!

"Good boy, you really have the guts to fight against my Feitianzong. No matter what state you are in today, you will never let go of our pterosaurs!" After finishing speaking, the

old woman looked at Shi Tieqiao and said, " Old Shi, we go together, I don't believe it, the two of us teamed up, we are not this guy's opponent..."

Shi Tieqiao nodded, and then the two of them erupted with a terrifying aura, which instantly rushed towards Come with David shrouded!

When Liu Ruyan and the third elder saw this, their expressions turned cold, and they were ready to step forward to help David!

But before the two of them could make a move, the Three Heroes of the Phantom Thieves jumped directly in front of David!

"Shi Tieqiao, are you two shameless? As the elders of the Feitian Sect, it's okay to rely on the strong to bully the weak, but you still want to bully the few with the more, don't you have this kind of virtue in the Feitian Sect?" Dajie turned to

Shi Tieqiao roared disdainfully!

"Yes, you Feitian sect are shameless? You two elders have an affair in the sect, and now you are secretly protecting the airship together. I don't think you are protecting the airship, but to have an affair more unscrupulously?" Erjie also said

loudly !

When it was said that Shi Tieqiao and the old woman were having an affair, Shi Tieqiao and the old woman's faces turned red instantly!

Obviously, it was because they were right about the two people that they would have this expression!

"Shi Tieqiao, let me tell you, we still have photos of you having an affair with this old woman. Don't think that no one will know about your sneaking. Our third brother has seen you several times. Do you want me to show you in public now? Let the two of you out?"

Sanjie also spoke, instantly igniting Shi Tieqiao's anger to the extreme!

"Three heroes of strange thieves, you are so damned, today I will eliminate harm for the people and kill the three of you..."

Shi Tieqiao's eyes were burning with anger, and he attacked the three outstanding thieves with anger!

Seeing this, David knew that the three monsters were not the opponents of Shi Tieqiao. He wanted to stop him, but Dajie stopped him and said, "Mr. Commit crimes in the sect!"

After Dajie finished speaking, his body began to flicker, and then disappeared instantly!

Just as Dajie disappeared, the figures of the other two of the Three Heroes also disappeared!

Shi Tieqiao wasn't surprised when he saw the Three Phantom Thieves disappear. Obviously, he already knew the methods of the Three Phantom Thieves!

Chapter 2765

At the moment when the body of the Three Heroes of the Phantom Thieves disappeared, Shi Tieqiao's body, which was originally rushing forward, turned around directly, and slapped it out with a sudden palm!

Accompanied by fluctuations in the void, the bodies of the three heroes of the Phantom Thieves appeared. Among them, the hero's shoulder was slapped by the stone iron bridge, and his face was a bit ugly!

"Hahaha, you three guys, with your little means, I have guessed it long ago. It is impossible to play tricks on me with your time and space travel..." Seeing

his palm hit, Shi Tie Qiao laughed loudly!

"Old man, it seems that if you don't give you some eye drops, you really bully us brothers..."

Sanjie said, twitching casually, and then a faint light began to flicker in the midair.

Immediately afterwards, a light curtain appeared, and with the appearance of the light curtain, the scene of Shi Tieqiao having an affair with the old woman was reflected on the light curtain.

The picture was so unsightly, everyone couldn't help laughing when they saw it!

Seeing this, the old woman blushed and ran far away!

And Shi Tieqiao was even more furious at this time, his eyes were full of scarlet and he said, "Stop it, I will smash you into pieces..."

Just as Shi Tieqiao was furious and was about to do it again, suddenly the sky darkened, and then The earth is trembling!

Seeing this, everyone hurriedly dispersed their consciousness and searched in all directions. It didn't matter that this search was all right, everyone's expressions became dignified!

"It's broken, this is the site of the bloodthirsty Thunderhawk, we have been discovered." "

A lot of monsters are coming here..."

"Trouble, run quickly, why did you end up in this place !"

After everyone said a word, some people rushed out and ran away!

"Mr. Chen, let's go, this bloodthirsty Thunder Eagle is very cruel, and he doesn't like the human race."

"Basically, all human races that pass through his territory will be killed by this bloodthirsty Thunder Eagle."

Yihe Yaohuang frowned, and said to David!

"Okay, let's go..."

David nodded, then called the Three Heroes of the Phantom Thieves, and fled quickly!

This time, Shi Tieqiao didn't care about chasing and killing the three heroes of the strange thief, and ran for his life with the old woman!

Although there are hundreds of monks in the entire airship, and all of them are not low in strength, these people are not united, so when they encounter danger, they all flee in all directions.

If these people can unite and resist together, they don't have to be afraid of the bloodthirsty Thunder Eagle!

But now, there is no one to organize and lead, and hundreds of monks dispersed in a rush, all of them ran away without a trace!

“Yihe, I remember you said that there is a sky thunder tree in the Eagle King Cave, and there are sky thunder fruits on the sky thunder tree?”

David asked Yihe!

“That’s right, it’s true, and the thunder fruit was extremely precious that day, and it was a good cultivation resource!”

Yihe nodded.

But just after finishing speaking, Yihe noticed something was wrong, and hurriedly asked, “Mr. Chen, why are you asking this? Could it be that you want to pick the Sky Thunder Fruit?” “

Since I’m here, I want to try...”

David said ! “Mr. Chen, you must not take risks. The strength of

the Bloodthirsty Thunder Eagle King is not low. He has already reached the realm of crossing the tribulation.

His Heavenly Thunder Fruit, the Bloodthirsty Thunder Eagle King will definitely protect it desperately, if I am not poisoned and my strength is not suppressed, I can give it a try.” “But now, all of us together may not be enough for that thunder

. The Eagle King slapped...”

Yihe dissuaded David!

“Okay, I’m just going to try. If I can’t succeed, I will run away.” “

You guys leave here first, find a place to hide, and we will contact you later!”

David said!

“David, you’d better not go, the pharmacists meeting will start right away, what are you taking the risk of doing?”

Liu Ruyan looked at David, her face full of worry!

“Don’t worry, I’ll be fine.”

David said with a slight smile!
