

A Man Like None Other Novel

Chapter 2772

"Of course, who do you think I am, Ning Caichen? Besides, the thunder tree was full of thunder fruits that day, there were hundreds of them, so what if each of you shared one of them?" Ning Caichen

patted Said with chest!

Ning Caichen knew that people like Shi Tieqiao did not enter the Eagle King Cave, so he didn't know how many thunder fruits were harvested from the Tianlei tree!

That's why I said that, let people like Shi Tieqiao know that there are many Tianlei fruits, so they can rest assured!

Sure enough, when Shi Tieqiao heard that there were so many Sky Thunder Fruits, he immediately let go of his heart and said, "Well, we will work together to kill these monsters, and go in to pick the Sky Thunder Fruits..." With the two sides

reaching In order to cooperate, the two parties merged into one for a while, and rushed towards those monsters!

Ning Caichen fought with the bloodthirsty Thunder Eagle who was at the eighth stage of the Composite Realm!

"Mr. Chen, what should we do then?"

The Three Phantom Thieves looked at David and asked!

“Find a way to get close to the entrance of the cave, and really kill all these monsters, then the Ning family will never share the Sky Thunder Fruit.”

David said!

David wanted to take advantage of the chaos, sneak close to the entrance of the cave, enter the Eagle King Cave and pick off the Sky Thunder Fruit!

Just now, when Ning Caichen told Shi Tieqiao that there were hundreds of Sky Thunder Fruits, David knew that this guy had a plan in mind, and he definitely refused to share the Sky Thunder Fruits!

After all, there are only ten Thunder Fruits, and it is impossible to assign them to so many people!

David holds the dragon-slaying sword in his hand, and leads the three masters of the strange thieves towards the entrance of the cave while charging!

No one paid attention to the movements of David and the others!

In the entire mountain forest, fighting broke out again, but it was obvious that the human monks had the upper hand!

Ning Caichen fought against the bloodthirsty Thunder Eagle who was at the eighth rank of the Compatibility Realm. Although it was a bit difficult, he would not lose immediately!

At that time, the other monsters will be beheaded, and it will be much easier for them to deal with this bloodthirsty Thunderhawk together!

David kept slashing, and several monsters died under his sword!

After David and the three heroes of the strange thief approached the entrance of the cave, they rushed in immediately!

The few people who had entered once before quickly approached the Tianlei tree!

But just after David entered the cave with the three masters of the strange thieves, he found that two figures were also in the cave!

David hid himself and looked closely, and found that it was the Shi Tieqiao and the old woman!

These two people even took advantage of the chaos and sneaked into the Eagle King's Cave!

It seems that Shi Tieqiao didn't trust Ning Caichen, that's why he took advantage of the chaos to get into the cave!

"Damn it, this Ning Caichen really lied to me, there are only ten thunder fruits on the sky thunder tree!"

Shi Tieqiao looked at the sky thunder fruits on the sky thunder tree, and couldn't help frowning!

"Old Shi, let's take advantage of the chaos outside to pick off the Sky Thunder Fruit and sneak away!" "

If the suzerain knows that we stole the Sky Thunder Fruit, he will definitely not pursue the matter of us losing the pterosaur." The

old woman said to the old woman . Said Shi Tieqiao!

"Okay, I'll take the Sky Thunder Fruit right now..."

Shi Tieqiao nodded, and then jumped up!

Rumbling...

but just when Shi Tieqiao's body was about to touch the Sky Thunder Fruit, suddenly a bolt of lightning from the Sky Thunder Tree struck Shi Tieqiao's body!

Shi Tieqiao's body was instantly shot down and hit the ground heavily!

"Old Shi..."

The old woman hurried over to check!

At this time, Shi Tieqiao's face was ashen, and there was blood on the corner of his mouth. It seemed that the lightning strike just now was indeed serious!

"Cough, cough..."

Shi Tieqiao got up, coughed violently twice, and asked with surprise in his eyes, "Is the Tianlei tree put into a formation? Why is there still lightning?"
"This day's

thunder The tree was formed because it was struck by lightning and absorbed the power of thunder and lightning, so this day the thunder tree itself has the power of lightning, so how can we use the formation!" At this time, David came out with the three heroes of the strange

thief !

"Is it you?" Shi Tieqiao saw David and the three heroes of the strange thief, and his face was full of anger!

Chapter 2773

David saw that Shi Tieqiao was injured, even if he added the old woman, he was no match for him, so

he sneered and said, "Yes, it's me..." The people in my family know that you want to swallow the sky thunder fruit by yourself, what will happen?"

David knew that if Ning Caichen knew that Shi Tieqiao had lied to him, he would definitely be furious. With Shi Tieqiao's ability, he probably slapped him She was about to be photographed to death by Ning Caichen!

"Hmph, didn't you sneak in too?"

"Besides, Ning Caichen didn't intend to share with us equally at the beginning, he was also lying to me, there are not a hundred Sky Thunder Fruits here, obviously there are only ten If you kill that bloodthirsty Thunderhawk at that time, he won't give it to us." "

I advise you not to meddle in other people's business, get out of here immediately, I don't care about you letting our three-headed pterosaur go, if you don't leave, then don't blame me for being rude!"

Shi Tieqiao threatened David!

"It depends on you?" David sneered, "When you were not injured, you were no match for me. Now that you are injured, do you still want to attack me?" "And even if

I leave, you can't pick On that day, Lei Guo, the thunder tree is protected by the power of lightning, didn't you just get knocked down by the power of lightning?" "Don't worry about it, if you don't leave

, the two of us working together will definitely kill you Yes."

At this moment, the old woman spoke!

Although Shi Tieqiao was injured, she was at the fifth rank of the Composite Realm after all, and she was also at the fifth rank of the Compatible Body Realm, so she couldn't believe that she couldn't deal with David, a small second rank of the Compatible Body Realm!

As for the three heroes of the strange thief, they don't have any skills, they just know how to sneak around!

So Shi Tieqiao and the old woman didn't pay attention to the three heroes of the strange thieves at all!

"Even if the two of you join forces and don't make three moves, I can still make you kneel down and beg for mercy!"

David said confidently!

"Boy, are you determined not to leave? Do you want to fight against Fei Tianzong to the end?"

Shi Tieqiao frowned and glared at David!

"I don't want to fight against your Feitianzong. I just want to get the Sky Thunder Fruit. If you leave now, I can spare you both!"

David said flatly!

"Boy, you are so crazy..."

The old woman was completely irritated, and said to Shi Tieqiao, "Old Shi, stop talking nonsense with him, just destroy him..."

After speaking, the old woman jumped up, At some point, there was a long sword in his hand!

The sword light exploded and stabbed at David quickly!

David watched the old woman coming with a sword, his face was surprisingly calm.

"Comparing swords with me, you are too young..."

David said, with a light wave of his right hand, the Dragon Slaying Sword instantly appeared in his hand!

Immediately afterwards, a burst of divine dragon power was poured into Zhanlongjian, and a dragon roar roared out, accompanied by a flash of golden light!

There was only a click!

The old woman's complexion changed drastically, and she hurriedly backed away. After retreating more than ten meters in a row, she finally stopped!

When she looked at the long sword in her hand, she found that the long sword had already been broken, leaving only the hilt in her hand!

But at this moment, there was a long bloodstain on her chest, and blood flowed out!

The old woman's face was as ugly as eating a dead mouse!

She knew that David had kept his hand just now, if he hadn't, the sword would have killed her!

At this moment, Shi Tieqiao looked at this scene and was beyond shocked. You must know that the old woman in front of him is also a master of swords in their Feitian sect!

His swordsmanship is definitely one of the best, but he didn't want to be able to survive even a single move in front of David.

They didn't even know that in terms of sword use, David's attainments had already reached the pinnacle level!

Chapter 2774

If the dragon-slaying sword in David's hand was not damaged, David didn't need to use the sword, and even the sword spirit Zhongli controlled the dragon-slaying sword, and the old woman could be forced back!

You must know that the strength of Jianling Zhongli grows with the improvement of the dragon-slaying sword. Now that David's strength is constantly increasing, the power of the dragon-slaying sword is also constantly improving under the nourishment of the power of the dragon!

The sword spirit Zhongli is injured, so he has no way to get rid of the Dragon Slaying Sword. He needs to go to the Artifact Sect to forge the Dragon Slaying Sword in Xijian Lake again to restore the sword spirit Zhongli!

At that time, once Jianling Zhongli leaves the Dragon Slaying Sword, his strength will definitely improve by leaps and bounds...

"Get out now, I don't have to kill you..."

David looked at Shi Tieqiao and the old woman coldly and said!

In fact, David didn't want to form a life-and-death enmity with Fei Tianzong, after all, he now has a lot of enemies in the world of heaven and man, so he can't put more pressure on himself!

If David wanted to kill Shi Tieqiao, Shi Tieqiao would have died the first time he struck, and this old woman, just now David was fully capable of beheading her with a single sword!

"Boy, although I don't know your identity, but your strength at the second level of the Body Fitting Realm can easily defeat our monks at the fifth level of the Body Fitting Realm. It can be seen that the skills you have learned are absolutely extraordinary." "In this way,

you Your family background is definitely not ordinary, so I don't ask your identity, there are ten thunder fruits on the sky thunder tree, how about you and I split them equally?" "

This sky thunder tree is protected by lightning, so you are sure If we can't get the Sky Thunder Fruit, if we work together, we might be able to get this Sky Thunder Fruit at that time!" "

As long as you agree, our previous grievances will be wiped out, and we, the Feitian Sect, owe you a favor. It is absolutely incumbent on us to use our Feitian sect!"

Shi Tieqiao knew that David could not be defeated by force, so he could only ask for peace!

In this way, even if they take back a few Sky Thunder Fruits, it can offset their fault of losing the pterosaur!

"Mr. Chen, the members of Feitianzong are big liars. Don't trust them if they don't believe their words!"

Dajie whispered in David's ear!

Of course David knew that Shi Tieqiao was a liar, otherwise he wouldn't have lied to Ning Caichen and sneaked in!

However, David doesn't care that Shi Tieqiao is a liar, he wants to use his tricks and ask Shi Tieqiao and others to hold Ning Caichen back!

David knew that his biggest enemy now was the people of the Ning family. Although there were ten thunder fruits on the sky thunder tree, the sky thunder tree was protected by lightning. of!

It's just that David's body is different from ordinary people's. Every time he breaks through, he suffers from thunder calamity, which makes David's body

extremely strong. It should be no problem to resist the power of thunder and lightning on the thunder tree!

But it will take time to pick the ten Thunder Fruits in one go, but the people of the Ning family can't give him this time!

After Ning Caichen killed the bloodthirsty Thunder Eagle of the eighth rank of the Composite Realm, he would definitely enter the cave. When he saw David picking the Sky Thunder Fruit, he would definitely make a move!

Although David has now broken through to the second level of the Composite Realm, but he is not sure how to deal with Ning Caichen, who is at the eighth level of the Composite Realm. In addition, he still has to resist the thunder and lightning power of the Sky Thunder Tree. It is impossible for David to complete it. !

"Okay, I promise you, Lei Guo can share with you equally this day, but you also need to do one thing!"

David said!

"What?" Shi Tieqiao asked!

"Go outside the cave and find a way to hold the Ning family members temporarily, so as not to let them enter the cave!" "

The longer you entrust me, the more sky thunder fruits I can pick!"

David said !

"What? Are you going to pick the thunder fruit yourself? Are you kidding me? Aren't you afraid of the power of lightning?"

When the old woman saw that David wanted them to go out to hold the Ning family members, but David picked the thunder fruit himself, she said incredulously!

Chapter 2775

David didn't pay attention to it, but glanced at the sky thunder tree, jumped up suddenly, and went towards a sky thunder fruit!

In mid-air, David's indestructible golden body activated, and golden scales covered David's whole body!

Seeing David suddenly turned into a man in golden armor, Shi Tieqiao and the old woman were all shocked!

Even the three heroes of the Phantom Thieves had their mouths open, their faces full of disbelief!

They haven't seen David activate the indestructible golden body yet!

I saw David in golden armor grabbing a sky thunder fruit. Just when David was about to catch that day thunder fruit, there was a deafening thunder!

Immediately afterwards, a thick bolt of lightning emanated from the Tianlei tree, and struck David fiercely!

David's indestructible golden body erupted with golden light, resisting the attack of the thunder and lightning!

Rumbling...

The thunder and lightning struck David, making David's body stagnate, and he fell down involuntarily!

The part of the body that was hit was scorched black, and the scales of the indestructible golden body disappeared a lot!

"Hmph, what are you bragging about? You were also struck down by lightning!"

Seeing that David also fell down, the old woman snorted coldly!

Seeing this, Shi Tieqiao was also full of disappointment. He thought that David could really resist the power of lightning and pick the Sky Thunder Fruit!

Seeing that David was struck by lightning and fell down, the three heroes of the strange thieves suddenly raised their hearts to their throats. If something happened to David, the three of them would not be able to survive. After all, the souls of the three of them were still in David's hands. where!

But at this moment, David, who was falling, suddenly stopped, and then jumped up again!

Just when a thunderbolt was about to strike again, David grabbed a sky thunder fruit, twisted it hard, and instantly picked it off!

David was overjoyed, and his body fell rapidly, but the thunder and lightning had already reached above David's head!

David knew that the lightning was so fast that he couldn't dodge it, so he could only resist it!

As a result, the energy sank to the dantian, and the power of the three races radiated instantly, forming a layer of faint light around him, like a shield!

Rumbling...

David's body was hit again, his shield was defeated, and the power of lightning struck David!

David's falling speed increased instantly, and then he hit the ground heavily!

A deep hole was directly smashed out by David on the hard ground!

"Mr. Chen..."

The three heroes of the strange thief panicked, rushed over and looked into the deep pit!

Shi Tieqiao and the old woman were also shocked, and hurried over to see how David was doing!

A person being hit by two lightning bolts one after another is simply fatal!

When they all looked into the deep pit, they found that David stood up from the deep pit, his whole body was intact, and he was admiring the Sky Thunder Fruit in his hand!

The few people who saw this scene were all stunned, their faces full of disbelief!

The two thunderbolts didn't kill David, but they didn't even hurt him. This is too fucking outrageous!

"This... is this still a human?"

Shi Tieqiao said with a shocked face!

"It's too strong, his body is too strong, even if it's the body of Transcending Tribulation Realm, it might not be so strong, right?" the

old woman said in shock!

But at this moment, David didn't notice the expressions of the people on the deep pit. He was carefully looking at the Sky Thunder Fruit in his hand!

I saw that the Sky Thunder Fruit exuded a faint light, and inside the Sky Thunder Fruit, you could clearly see not only lightning flashing!

Even holding it in his hand, David could feel the powerful thunder and lightning aura emanating from the Tianlei Fruit!

Suddenly, the message of Ben Lei Zhang flashed in David's mind!

Chapter 2776

It's as if Lei Guo has some kind of connection with the Ben Lei Palm he cultivated this day!

"Could it be that eating the thunder fruit of this day can make the Thunderbolt Palm more powerful?"

David couldn't help thinking to himself!

"Mr. Chen, are you okay?"

At this moment, Dajie called out!

Seeing that David was motionless, he was afraid that something would happen to David!

"It's okay!" David put away the Sky Thunder Fruit, and then jumped out of the deep pit!

Shi Tieqiao and the old woman looked at David with complicated expressions on their faces!

"How about it, now you believe that I can pick this sky thunder fruit by myself?" "

You just need to go out and find a way to hold back the people of the Ning family. I will try my best to pick it, but you have also seen it. The price Lei Guo paid, so I can't share it equally with you!"

"At most three seven, I'll take seven and give you three..."

David said to Shi Tieqiao and the old woman!

In fact, David didn't intend to give them any, the reason why he said this was to make Shi Tiejiao believe in his own words even more!

Besides, David also knew that it was impossible for him to pick off these ten Thunder Fruits, even if he had an indestructible golden body, even if his physical body was extremely strong!

But even if he picked ten thunder fruits, the power of thunder and lightning he suffered would probably blow him to pieces!

Shi Tiejiao looked at David, then glanced at the old woman, then nodded and said, "Okay, we'll take three, but you have to speed up, we're afraid we won't be able to hold that Ning Caichen for long! "

Shi Tiejiao knew that they could only rely on lies to hold Ning Caichen back. With their strength, they couldn't even hold Ning Caichen back with a slap!

But after all, it is impossible to lie for a long time, so he wants David to hurry up!

"Do not worry....."

David nodded!

Seeing this, Shi Tiejiao took the old woman out of the cave!

"Mr. Chen, do you really believe in this stone iron bridge? If you are seriously injured in order to pick the sky thunder fruit, that stone iron bridge will never let you go." Dajie persuaded David

!

David raised his mouth and said, "How could I trust him? I wouldn't give him the Sky Thunder Fruit.

" In the cave, there will be only one exit!"

“As long as I find another exit, after I pick the Sky Thunder Fruit, I will escape from the other exit!”

When the Three Heroes of the Phantom Thieves heard it, David had already planned it, so he nodded , and began to split up to find other exits!

And David took a deep breath, and jumped towards the Thunder Tree again!

At this moment, outside Yingwang Cave, the fighting is still going on!

In order to prevent these monks from entering the Eagle King Cave, those monsters attacked desperately!

Ning Caichen and the huge bloodthirsty Thunder Eagle are also fighting fiercely, and it will be difficult for the two sides to tell the winner for a while!

Shi Tieqiao and the old woman came out of the cave, but no one paid attention to them, so they also joined the battle group!

However, this time, Shi Tieqiao and the old woman began to quietly spread the news!

Tell him those monks brought from the airship not to use all their strength and save their strength, so as to prevent the Ning family from swallowing the sky thunder fruit all by themselves!

These people were originally brought by Shi Tieqiao, so after hearing what Shi Tieqiao said, they started to release water, instead of contributing, they kept their strength one by one!

This time, only the members of the Ning family were left struggling to fight with those monsters!

Seeing that he couldn't attack for a long time, Ning Caichen couldn't kill the huge bloodthirsty Thunder Eagle in a short time, so he could only shout, “Elder

Shi, quickly bring two people to help me, let's take this eighth-level body-fitting beast together first!" Killed by the bloodthirsty Thunder Eagle..."

"Patriarch Ning, if you persist, we won't be able to get away..."

Shi Tiejiao shouted!

Chapter 2777

After Ning Caichen pushed back the huge bloodthirsty Thunder Eagle with his palm, he looked towards Shi Tiejiao and the others!

When he saw this, he was immediately outraged, and saw that Shi Tiejiao and those monks were fishing in troubled waters, and no one contributed at all!

Even a seventh-grade monk of the Composite Body Realm, when facing a monster with a very low level, unexpectedly gestured with every move, obviously he was acting!

Looking at those members of the Ning family, all of them were fighting with injuries all over their bodies. Of the dozen or so people they brought with them, only five or six were left!

This almost pissed Ning Caichen to death, so he jumped from mid-air to Shitiejiao!

"Shi, what the hell are you doing? There are so many of you, and none of you are doing anything?"

Ning Caichen asked Shi Tiejiao angrily!

"Patriarch Ning, who said that we can't do our best? Most of these monsters were killed by us."

Shi Tiejiao didn't admit it at all!

"Then these monsters are about to be killed now, so let's work together to kill this bloodthirsty Thunder Eagle of the eighth-grade fitness level, and then we will enter the cave and divide up the Thunder Fruit of the day..." Ning

Caichen Said!

When Shi Tieqiao heard it, he snorted coldly in his heart. He knew a long time ago that there were no hundreds of thunder fruits in the cave. Even if he killed the most powerful bloodthirsty Thunder Eagle, Ning Caichen would not be able to follow him Split the thunder fruit!

It's just that Shi Tieqiao can't get into a stalemate with Ning Caichen yet, he has to stabilize Ning Caichen first, and don't let him enter the cave, so as to buy time for David!

"Patriarch Ning, it's not that I don't bring people along with you to kill that bloodthirsty Thunderhawk, but that Bloodthirsty Thunderhawk is too powerful. Apart from you, which one of us is the opponent of that Bloodthirsty Thunderhawk?"

" Besides, we are almost exhausted now, even if we help, we can't help much."
"

I think it's better for us to rest for a while, and when we rest, we can attack together and kill that bloodthirsty Thunderhawk !"

Shi Tieqiao pretended to be weak and said!

Ning Caichen looked at Shi Tieqiao, not to mention being angry, but even if he was angry, now is not the time to fall out with Shi Tieqiao!

The huge bloodthirsty Thunder Eagle has not been killed yet, if Ning Caichen is attacking Shi Tieqiao, maybe they will all die under the claws of this bloodthirsty Thunder Eagle in the end!

"Okay then, take a break for a while..."

Ning Caichen nodded helplessly!

And that huge bloodthirsty Thunderhawk is also resting on a huge tree at this moment!

As long as people like Ning Caichen don't enter the cave, the Bloodthirsty Thunder Eagle won't be able to take the initiative to attack. Its mission is to protect the Sky Thunder Fruit!

If Tianleiguo is fine, it doesn't need to worry about anything. When Thunder Eagle King comes back, it will be easy to deal with!

For a while, the shouting and killing sound disappeared, and all the monks and monsters all tacitly rested!

Shi Tieqiao was extremely anxious at the moment, and prayed in his heart that David would quickly pick off the Sky Thunder Fruit!

After David picked the Sky Thunder Fruit, he wanted to create chaos and fight with those monsters, so that David could come out of the Eagle King Cave safely without being noticed by others!

At this time, David was in the cave, his indestructible golden body had already disappeared, and his body was completely black from the lightning strikes, but even so, David's body was not injured!

"I just got two Sky Thunder Fruits, and it's like this. I guess I'm picking one at most. I'm afraid I won't be able to handle it with my body."

David could feel the internal organs of his body. During the beating, he kept rolling and galloping!

"Mr. Chen, we found another exit..."

At this moment, the three masters of the Phantom Thieves rushed over excitedly!

It turned out that after their meticulous search, they finally found a very hidden exit!

After finding this exit, the Three Heroes of the Phantom Thieves came to report!
