

A Man Like None Other Novel

Chapter 2804

But before David and the others approached, they heard someone whispering!

"It's really weird today. You said that the Feitianzong is so rich, and the dignified elders of the Feitianzong came to compete with us for that little bet!"
"Really, I saw that the elder of the

Feitianzong At that time, I thought she was a beggar, with tattered clothes, as if she had been beaten." "

Let's just watch the excitement from the sidelines. Now that the elder of the Feitian Sect is on stage, no one is stupid to compare, even if he can beat him
The elders of the Feitian Sect must also consider the strength of the Feitian Sect behind them." "

The main reason is that we travel, and we also need to build the airship of the Feitian Sect, which really offends the Feitian Sect and restricts our travel. The legs are walking!"

Everyone discussed in a low voice, but David and the others really heard it!

"Elder Feitianzong? Could it be that Shi Tieqiao and the others have also arrived?"

said the third elder!

"It's possible, let's go and see!"

David and the others pushed their way into the crowd!

Sure enough, he saw Shi Tieqiao standing on the ring, his clothes were indeed a bit tattered, as if he had just escaped for his life!

At this time, Shi Tieqiao glanced at everyone, and then cupped his fists and said, "Thank you for your acceptance. Since no one is competing, I will take the bet on the ring..."

Shi Tieqiao also knew, the reason why Many people didn't compete with him on the stage, not because they were afraid of him and couldn't beat him, but because they were afraid of the Feitian sect behind him, so there was no need to offend the Feitian sect for a small bet!

Shi Tieqiao had no choice but to come to this arena to get some spiritual coins. They were chased and killed by the bloodthirsty Thunder Eagle, and many monks were killed or injured. Shi Tieqiao and the old woman were killed and fled to Jialing County!

But penniless, Shi Tieqiao can't even change clothes, so he can only go to the ring, win some bets, change clothes for himself, find a place to rest, and then think about how to report back to the suzerain!

After all, the loss of three pterosaurs is not a small crime. Shi Tieqiao and the old woman have not dared to inform Feitianzong yet!

Looking at the stone iron bridge on the ring, David couldn't help laughing out loud. He didn't expect this guy to escape the pursuit of the bloodthirsty Thunder Eagle!

But this look of embarrassment is really ridiculous!

Just as Shi Tieqiao picked up the bet and was about to step off the ring, a voice suddenly sounded.

“Elder Shi, my hands are itchy, and I want to ask Elder Shi for some advice...”

At this moment, David walked out from the crowd, and then jumped onto the ring!

When Shi Tieqiao saw David, he was angry and anxious, his face was full of anger!

“David, you dishonest guy, you dare to lie to us, you will die...”

Shi Tieqiao gritted his teeth and said to David!

“That’s your own bad writing, what does it have to do with me.”

David raised his mouth and said!

“I...” Shi Tieqiao was furious, and he wanted to do it when he raised his hand!

It’s just that he raised his hand just now, and then dropped it back, because he knew that he was not David’s opponent at all!

If he really fights in the ring, he will definitely lose, and then the bet will be gone, and he will be ridiculed, and Fei Tianzong’s face will be lost!

“I still have something to do today, so I won’t fight with you, but remember, I, Feitianzong, will not spare you.”

Shi Tieqiao snorted coldly, and was about to get off the ring!

“You can’t leave. I’m in the ring. If you get out of the ring, you’ll be considered a loser. Keep the bet!”

David said with a smile!

“I won’t compete with you...” After Shi Tieqiao finished speaking, he continued to walk down the ring!

"Compare or not, it doesn't count if you say it, this is the rule of the ring, you must compare when you are on the stage."

David stopped Shi Tieqiao!

Shi Tieqiao looked at David and gritted his teeth angrily, but he couldn't beat David, and he couldn't help it!

"David, you are only a second-grade monk in the Compatible Body Realm, and you are not suitable for this ring at all. I will not bully the small with big ones, let alone compare with you."

Shi Tieqiao could only speak out of the ring rules, after all, the south The arena is prepared for monks of the fourth to sixth ranks of the Composite Realm.

Chapter 2805

Shi Tieqiao wanted the rules to suppress David, because he didn't want to compete with David at all, and he couldn't beat David either!

Now he just wants to get some spirit coins so that he can have a place to live and change his clothes!

"Could it be that low-level cultivation bases can't compete with high-level cultivation bases? What kind of rules are these?"

David asked!

"Yes, the reason why the Princess of Jialing County sets the level setting for each arena is to prevent monks of high level from bullying monks of low level. He never said that low-level monks are not allowed to challenge high-level ones." The third elder said

loudly Said!

Hearing the words of the third elder, the others were also talking about it. "It's true that I haven't heard of it, but I haven't seen it either. Is there

any fool who came to compete in a high-level arena?"

A fifth-grade monk in the fit state, isn't this courting death?"

"I really don't understand, does this guy have a problem with his brain?"

Everyone was discussing, while Shi Tieqiao looked at the guard under the ring and said, "Several brothers, He is a second-grade monk in the Composite Realm, and he came here to challenge the South Ring, isn't it against the rules?"

These guards, in addition to guarding the safety of the ring and preventing people from fighting outside the ring, are also interested in refereeing. If you violate the rules, they will take people away without hesitation!

Just like that Gao Qijie, who had already fallen outside the ring, wanted to run into the ring to fight with David, but was stopped by the guards in time!

"This..."

Several guards were also a little confused. At that time, the level division was set up to prevent those with high levels from coming to bully those with low levels!

Things like this kind of low-level leapfrogging to challenge high-level things have never happened, and they don't know if this is a violation!

Just when several guards didn't know how to answer, a middle-aged man in a blue satin gown came over!

After several guards saw the middle-aged man, they immediately saluted and said, "Master Yan..."

Master Yan nodded, then looked at the stage, and said to Shi Tieqiao, "Elder Shi, although the arena is divided into levels, But it's just to restrict high-level monks from bullying low-level monks!" "

As for today's situation, it's not a violation of the rules, you can compete normally..." After

Master Yan finished speaking, he kept looking at David, He was very curious, how dare a monk with only the second rank of the Composite Realm come to this arena to challenge the stone iron bridge of the fifth rank of the Composite Realm.

"Have you heard that? It's not a violation of the rules. The two of us can compare..."

David said with a cold smile!

Shi Tieqiao looked at David, his face turned livid, and finally he snorted coldly, "David, as a fifth-grade monk of the Composite Body Realm, of course I won't compare with you. If I win, I'm bullying you. I admit defeat." That's it!"

"But remember, our Feitian Sect will not spare you, and you must share the three Sky Thunder Fruits you picked with me."

Shi Tieqiao's voice echoed . After falling, everyone was in an uproar, and they all looked at David in disbelief!

They were not surprised because Shi Tieqiao conceded defeat, but because David had three Sky Thunder Fruits in his hand, which made them extremely surprised!

You must know that the Sky Thunder Fruit is the treasure of the Thunder Eagle King, and no one dares to pick it easily. Besides, the Thunder Tree has the power of lightning that day, so it is not easy to pick it off!

Even Lord Yan's expression changed, and he looked at David in surprise, his eyes full of disbelief!

David felt the strange eyes of everyone, and he knew that Shi Tieqiao said it deliberately in public!

The purpose is to let David be noticed by everyone!

Chapter 2806

As the saying goes, if a man is innocent, he is guilty, and now everyone knows that David has a thunder fruit, and I don't know how many people will take David's idea!

"Since you admit defeat, then get out, let me see you, I will kill you!"

David scolded Shi Tieqiao viciously, then picked up the bet and left!

He wants to leave here as soon as possible, if he stays any longer, maybe someone will take the risk, it will be troublesome!

Seeing this, Liu Ruyan, the third elder and the others hurriedly followed David and left.

But even if David left, there were still many people following behind, probably because they wanted to see where David was going!

Seeing David leaving in a panic, Shi Tieqiao immediately showed a smug smile. His purpose was to tell everyone that David had Tianleiguo on him!

After David and the others left, Shi Tieqiao also wanted to take the old woman away, but Master Yan stopped him!

"Elder Shi stay here..."

Lord Yan said!

“Master Yan, is there anything else?” Shi Tiejiao asked!

“Elder Shi, the young man named David you mentioned just now, does he really have three Heavenly Thunder Fruits on his body?”

Master Yan asked Elder Shi!

“Of course, I can still lie!”

Shi Tiejiao nodded and said!

“He’s only at the second level of the Composite Body Realm. How could he possibly get the Sky Thunder Fruit? I’m afraid he can’t even enter the Eagle King Cave?” “And

you are in a mess, what happened?”

Lord Yan Ask Shitiejiao!

But Shi Tiejiao’s expression was a little hesitant, as if he didn’t want to talk about it, after all, he was played by David, it’s too embarrassing!

Seeing this, Lord Yan took out a bag of spirit coins from his body and threw it to Shi Tiejiao, continuing, “Elder Shi, no matter what difficulties you have encountered, since you have arrived in Jialing County, we should treat each other with courtesy.” “

You Just take a good rest in Jialing County, so you can just mention my name for all expenses.”

“Thank you, Lord Yan!” Seeing this, Shi Tiejiao quickly thanked him, and then told David that he had picked three Sky Thunder Fruits out!

But it was just a brief talk, and it didn't say that I lost the three-headed pterosaur, and was teased by David!

"It's a mere second-grade body, and there's such a strong physical body, not even afraid of the thunder and lightning power of the sky thunder tree?"

"However,

this Thunder Eagle King was also careless. Thunder tree!"

Lord Yan said in surprise!

"Perhaps the Thunder Eagle King didn't expect that someone could easily resist the bombardment of the Sky Thunder Tree."

Shi Tieqiao said!

"I don't know what the King of Thunder Eagle will look like when he finds out that he has lost his Sky Thunder Fruit."

Lord Yan smiled playfully, and then cupped his hands and said, "Thank you, Elder Shi, for telling me, I'm leaving..."

Lord Yan left, and Shi Tie Qiao also followed the old woman to find a place to rest!

But David and the others returned to the small courtyard where they lived, and many people followed, and David and the others couldn't drive them away!

"Mr. Chen, I think you should go out as little as possible in the future, and now you are going to become a celebrity!"

Yihe said to David!

"Yes, thanks to this being in Jialing County, no one dared to do anything. If it was in other places, those people would probably have done it long ago for the sake of Tianleiguo." The

third elder also nodded and said!

"It seems that this small courtyard will not be quiet in the future!"

Liu Ruyan said a little depressed!

It would be too inconvenient if someone was guarding the yard all day long, especially if she and David were sleeping at night, if they were eavesdropped, wouldn't it be embarrassing!

"Don't worry about those people, what to do, what to do, anyway, they don't dare to do anything here!"

David said indifferently!

"I'm afraid that this news will reach the ears of the Thunder Eagle King. If he finds out that Mr. Chen has picked his Sky Thunder Fruit, he will definitely not let it go. My current strength is not even one in ten, so we all add up. It's not the opponent of the Thunder Eagle King either!"

Yihe said with some worry!

Chapter 2807

"Don't worry, even if the Thunder Eagle King knew, he wouldn't dare to do anything in Jialing County. As long as we don't leave here, we'll be fine!" "

I'll find a way to restore your strength and detoxify you here."

David Smiled lightly!

"If my strength recovers, plus you guys, I won't be afraid of the Thunder Eagle King!"

Yihe said!

“Okay, let’s all rest. There must be a way for the car to reach the mountain, so don’t think so much!”

David comforted everyone and told everyone to rest!

For a whole day, David and the others never went out again, and the people who had gathered outside the door also slowly dispersed.

At night, Liu Ruyan approached David again!

Of course David knew what Liu Ruyan wanted, so he turned over and pressed on him!

Just when the two were lingering, when Liu Ruyan wanted to die, David suddenly stopped!

“What’s wrong?” Liu Ruyan asked!

“There are people outside...”

David keenly noticed that someone had sneaked into the yard!

When Liu Ruyan heard it, her face flushed with embarrassment. If there were people outside, wouldn’t they have heard the voice just now!

David got up, put on his clothes and walked straight out of the room!

Liu Ruyan wanted to follow, but was stopped by David, because he didn’t know who was coming outside, if Liu Ruyan also went out rashly and was controlled by the other party, David would be very passive!

Walking out of the room, David scanned the yard for a week, then walked out of the yard and came to an alley not far away!

“Come out, sneaking into other people’s homes at night is not what a gentleman would do!”

After entering the alley, David suddenly turned around and said to the empty alley!

"Hahaha, I was going to go to Tianleiguo, but I didn't expect to hear such a good show!"

Along with Haha's laughter, a figure slowly appeared from the void.

This person is dressed in a black outfit and has a beard. He looks to be in his fifties, and the aura of his body hangs over his surroundings. He is in the fifth rank of the Body Fit Boundary!

It seems that this person wants to seal this place to prevent David from escaping!

"So what if you hear it? You can only hear it but not see it. Wouldn't it kill you?"

David said with a cold smile!

"Hmph, I have played with thousands of women, how could I be anxious!" "

I didn't know how to attack you, but now you have come to this remote place by yourself. Are you creating opportunities for me? "

The man looked at David coldly and said!

"You want to grab my Sky Thunder Fruit?" David asked!

"Yes, if you take the initiative to hand over the Sky Thunder Fruit, I can spare your life and save me from doing it." "But

if you don't hand it over, then don't blame me for being rude. I will kill you when the time comes." , and then melt you with Xigu powder, and make you disappear completely in this world!"

The man threatened David!

David didn't care about the man's threat, but looked at the man and said, "Are you a pharmacist?"

David's words made the man obviously startled, and then he asked with a puzzled face, "Do you know me?" "

No Yes, I just guessed, I didn't expect you to be a pharmacist!"

David just guessed, but he didn't want this man to be fooled.

Seeing that he was being tricked by David, the man immediately said fiercely, "Boy, don't be so sharp, and quickly hand over the Sky Thunder Fruit to me!" "If I don't hand it over, do

you dare to do it? This is Jialing County, it is forbidden to fight in the city, you will not violate the rules of Jialing County, will you?"

David said confidently!

"Hmph, boy, you are so naive. You think that with the rules of Jialing County, you are confident, and no one dares to do anything to you?" "I will

kill you now, and then I will destroy the corpse. Who knew I would do it?"

The man Leng snorted!
