## Chapter 2821

David is about to leave with Yihe, but Zhuzhu has already come out with a teapot!

"Mr. Chen, don't leave yet, drink some tea before leaving!"

"I was wrong about today's matter, I shouldn't treat you with that attitude!"

Zhuzhu said with a face of shame!

Zhuzhu apologized to David, which made David a little confused for a moment!

But he still smiled lightly and said, "It's okay, I didn't care about it!"

"Mr. Chen, what's the matter? Did Zhuzhu offend you?"

Suo Xingyue hurriedly asked!

"Oh, no, it's pretty good!" David shook his head quickly!

Suo Xingyue knew that with Zhuzhu's temper, she definitely didn't give David a good face, so she said, "Zhuzhu, pour a cup of tea for Mr. Chen personally!"

Zhuzhu nodded, and then poured a cup of tea for David. He walked over and said, "Mr. Chen, I shouldn't look down on you. I'm sorry for treating you so badly..."

The sincerity on Zhuzhu's face made David take the tea embarrassingly, and drank it down in one gulp!

Afterwards, Suo Xingyue and his senior brothers also started drinking tea and chatting!

Soon the pot of tea was finished, and David took Yihe and left!

Looking at the empty teapot, Zhuzhu didn't know whether she was nervous or excited!

"Zhuzhu, tomorrow will be the pharmacists' meeting. Don't run around, just follow me and learn more. When the master gets old, the position of referee will be handed over to you!" Suo Xingyue said to Zhuzhu

!

"Understood!" Zhuzhu nodded!

At this time, after David and Yihe left, not far away, David suddenly felt a burst of chaos in the sea of consciousness!

"Mr. Chen, something is destroying your sea of consciousness..."

At this moment, Zhe Yan's voice came!

Zhe Yan is living in David's sea of consciousness now, so when David's sea of consciousness is attacked, Zhe Yan can immediately notice it!

David frowned, and his divine consciousness penetrated into his sea of consciousness, and he saw a gray mist rising from his sea of consciousness, which made it impossible for David to concentrate his mental power.

Just when David couldn't figure out what it was that would invade his sea of consciousness and destroy it, a golden light flashed in his sea of consciousness!

The gray mist was dispelled almost instantly, and David's sea of consciousness became clear!

David checked it again and found that there was no change in his sea of consciousness, so he was relieved!

"Mr. Chen, what's the matter with you?"

Yihe, who was at the side, saw that David's expression was not right, so he asked!

"Oh, it's okay, maybe I'm too tired during this time!"

David shook his head!

"Mr. Chen, if I can't find a way to detoxify, then I will accept my fate, and you don't have to worry too much!"

Yihe said guiltily.

He thought that David was in a hurry to find a way to detoxify it!

"It's okay, I will definitely cure the poison on your body."

David smiled lightly, and then the two continued to walk forward!

But just after taking two steps, David and Yihe suddenly showed panic on their faces!

They felt that an extremely terrifying aura was enveloping the two of them. This aura directly made David and Yihe unable to move!

David frowned, his expression became incomparably dignified, and flames were faintly burning on his palms!

Just relying on this aura, David knew that the person who came must be a strong guy. With David's current strength, there was no way to deal with it!

So David prepared Zihuo in advance, and if the situation was wrong, he would immediately run away!

At this moment, in front of David and Yihe, a middle-aged man wearing a coir raincoat and with a pair of wings on his back appeared in front of them!

"Thunder Eagle King?"

Yihe's expression changed when he saw the person coming!

## Chapter 2822

"Yihe Demon Emperor? Didn't expect you to be here?"

"I said how could someone take away my Heavenly Thunder Fruit. It turns out that you are behind the support!

"If he adds a few more items, I'm afraid he won't be able to take away my Sky Thunder Fruit."

"It turned out that you were the one who took my Sky Thunder Fruit..."

The Thunder Eagle King's face was full of anger, and the murderous look in his eyes made me People shudder!

Facing the Thunder Eagle King in front of him, David actually had some fear in his heart.

But now it seems that the Thunder Eagle King doesn't know that Yihe's strength has been suppressed!

That being the case, then they can fool the Thunder Eagle King for a while!

After all, Yihe's original strength was not much different from that of the Thunder Eagle King.

David glanced at Yihe, and winked at Yihe. Yihe instantly understood, and smiled at King Leiying pretending to be relaxed, "King Leiying, didn't you just pick your three sky thunder fruits?" , As for being so angry?"

"There are ten fruits on your Tianlei tree, I only picked three, and I didn't finish picking them for you, which is already very interesting!" "

Yihe, you are too shameless, You secretly picked my Sky Thunder Fruit, and you still dare to say such a thing now, believe it or not, I leveled your Demon Imperial City?" Thunder Eagle King roared angrily!

"King Lei Ying, don't talk too much. If you can pacify my Demon Imperial City, why wait until now?

" When the time comes when our two families become in-laws, what do you think we will do next?"

Yihe said with a cold smile!

When Thunder Eagle King heard this, his expression instantly became a little nervous, his eyes fixed on Yihe, and the muscles on his face kept beating!

"You two won't join forces to deal with me?" Thunder Eagle King asked!

"Guess..." Yihe laughed!

King Leiyong didn't speak, he didn't need to guess, if Yaohuangcheng and Mingli Wangcheng were really married, they would definitely unite and deal with him!

This time, Thunder Eagle King seemed a little scared!

Originally, the three families were regarded as three-legged confrontation, and no one dared to make a move easily, for fear that the other family would benefit from it!

But it's different now, if Yaohuangcheng unites with Mingliwangcheng, then his Yingwangdong will be in danger!

Yihe looked at King Thunder Eagle's expression and knew that his deception had worked, so he continued, "King Thunder Eagle, I just picked three of your Sky Thunder Fruits. If you pretend it didn't happen, then I can tell you Guaranteed, our Demon Imperial City will never be an enemy of your Eagle King Cave." "

Even if we join forces to deal with you, it's only for that day's thunder fruit. Since I got the sky thunder fruit now, why should I follow that Li Guo?" What about Wang Lianhe?"

Yihe's words made King Thunder Eagle hesitate, and he felt that what Yihe said made sense!

Just when the Thunder Eagle King was hesitating, Yihe struck while the iron was hot and continued, "If you don't agree, you can snatch the three Sky Thunder Fruits from me right now, but if you snatch these three back, I can promise to let you go." All ten of your Sky Thunder Fruits are gone!"

"I can even unite with King Li to overthrow your Sky Thunder Tree, destroy your Eagle King Cave, and make you a bereaved dog..."

Yihe's momentum made you The Thunder Eagle King was scared, and then said, "Yihe, I hope you can keep your word, and I will give you the three Sky Thunder Fruits..." After the

Thunder Eagle King finished speaking, he turned and left!

Watching the Thunder Eagle King leave, Yihe let out a long breath. If the Thunder Eagle King knew that his strength had already been suppressed, it would be troublesome!

But just as Yihe let out a sigh of relief, his face suddenly changed!

I saw the figure of the Thunder Eagle King appearing in mid-air at some point, staring at Yihe and said, "Yihe, the aura in your body has been suppressed, and you still dare to lie to me, you are looking for death..."
