

# A Man Like None Other Novel

## Chapter 2823

The Thunder Eagle King's breath locked Yihe and David in an instant, and the two of them couldn't even move at this moment!

The strength in David's body was constantly bursting out, but he still couldn't move his body a bit!

This is the gap in strength!

In the face of the absolute power gap, even if David has the golden dragon avatar, there is nothing he can do!

At this moment, Yihe followed David with fear in his eyes, and the scene before death appeared!

But when Thunder Eagle King slapped the two of them with his palm, a burst of breath suddenly erupted from behind them, instantly blocking the Thunder Eagle King's attack!

"King Leiying, you don't understand the rules of Jialing County, and you dare to fight privately in Jialing County. Does this mean that you don't take my Jialing County seriously?" At this moment, Lord Yan walked slowly in front of

David and Yihe. , blocked in front of two people!

King Lei Ying frowned slightly when he saw Lord Yan, "Master Yan, this man stole my Sky Thunder Fruit, I just want to get it back!" "Lei Ying

King, don't say he stole your Sky Thunder Fruit, Even if he kills your father, he can't fight privately in our Jialing County!"

"If you want revenge, I won't care until you get out of Jialing County." "

But if you want to do it in Jialing County, then you have to Ask me if I agree or not."

Master Yan said with sharp eyes!

King Lei Ying's face became ugly, but he knew that if he dared to make a move in this Jialing County, he might not be able to leave here!

"Okay, then I'll wait for them to leave Jialing County!"

King Leiyong nodded, then looked at David and Yihe and said, "You two wait for me, if I see you two leaving Jialing County, I will kill you right away!"

After speaking, the Thunder Eagle King's body flickered and disappeared!

The oppressive force on David and Yihe also disappeared in an instant!

"Master Yan, thank you for your rescue..."

Seeing this, David hurried forward to thank him!

"You don't have to thank me, I'm just fulfilling my duty..."

After Master Yan finished speaking, his figure disappeared!

Watching the two leave, David couldn't calm down for a long time. He didn't know when he would be able to stand at the top and stop being afraid of anyone?

Yihe seemed to see what David was thinking, so he said, "Mr. Chen, it is very rare for you to have reached this level at such a young age. The journey of cultivating immortals requires gradual progress, so you don't have to worry!" David nodded

. Nodding, the two of them returned to the small courtyard!

Because the pharmacist competition officially started the next day, several people rested early. Although Liu Ruyan really wanted to make out with David, but thinking about tomorrow's competition, he could only endure it!

Early the next morning, several people rushed to the Pharmacists' Association early!

At the moment, at the entrance of the Pharmacists Association, there are thousands of people surrounding it, it is very lively!

"Why are there so many more people this year?" The third elder couldn't help but be shocked when he saw this situation!

"Perhaps it has something to do with being the first place this year and being able to get a special reward from Jialing County."

Liu Ruyan said!

David was speechless when he saw so many people queuing up at the entrance of the Pharmacist Association. If he had known this, he might as well have stayed at the Danyangmen Mansion yesterday, so that he would not have to queue!

"When will this line up be?"

Yihe couldn't help being speechless as he looked at the buzzing crowd!

"Let's line up slowly..."

After David finished speaking, he started to line up!

But when David and the others were queuing up, someone suddenly shouted, "David, you don't need to line up, come with me..."

David turned his head and found that it was Zhuzhu!

I saw Zhuzhu leading Meng He, walking towards them!

"Brother Chen, we meet again..."

Meng He greeted David after seeing David!

## Chapter 2824

David just nodded his head as a response. After all, after knowing Meng He was a man, David was unwilling to deal with this man from the bottom of his heart!

Seeing David's attitude, Meng He was not angry, and then turned his eyes to Liu Ruyan!

And there was a lustrous light in his eyes, and he looked at Liu Ruyan without hesitation!

Sensing Meng He's gaze, Liu Ruyan's expression turned ugly, and then she moved two steps behind David!

And David also found that there was something wrong with the way Meng He looked at Liu Ruyan, so he gave Meng He a cold look, and then said to Zhuzhu, "Miss Zhuzhu, don't we need to line up?" "No need to line up.

" It's gone..."

"My master asked me to pick you up. If I take it with you, you don't need to line up. Come with me..." After

Zhuzhu finished speaking, she followed Meng He and walked forward, and the two of them were still holding hands , talking and laughing!

When David saw this, he couldn't help shaking his head. It was obvious that Zhuzhu was acting for his own benefit, so Suo Xingyue asked him to pick him up, and brought Meng He in ahead of time as well!

It is impossible for Suo Xingyue to let Zhu Zhu pick up Meng He, it must be her own idea!

"Let's go..."

David said, leading Liu Ruyan and the others to follow behind Zhuzhu!

"David, who is this girl?" Liu Ruyan asked!

"Elder Suo's disciple, from the Danyang Sect." David said!

"Then the man next to her is her boyfriend, right? But that guy really doesn't look like a good guy. He just looked at me with lecherous eyes, which made me so awkward!" Liu Ruyan said

!

David told Meng He's character again, and when Liu Ruyan heard it, she suddenly said in disbelief, "This girl is too stupid, she likes this kind of man, and she will definitely be deceived and cry."

While speaking, Zhuzhu had already led them to the side entrance of the Pharmacists Association, where there were also guards, but there was no one queuing up!

Zhuzhu showed her Danyang gate token, and walked in directly!

Seeing this scene, David couldn't help sighing that the heavenly and human worlds are no different from the secular world!

It really has something to do with going through the back door, which is much more convenient!

After entering the Pharmacists Association, Zhuzhu let Meng He go, probably because she was afraid that Suo Xingyue would see it!

"Brother Meng, go to the hall by yourself, I believe you will definitely win the first place this time..."

Zhuzhu kissed Meng He's face in public!

"En!" Meng He nodded, and then left!

After waiting for Meng He to leave, Zhuzhu took David and the others to the hall this time!

After entering the hall, David saw that there were already many pharmacists waiting in the hall!

The people from Danyang Gate are sitting on the seats in the middle!

"Master, Mr. Chen is here..."

Zhuzhu stepped forward and said to Suo Xingyue!

"Mr. Chen, come here quickly and sit next to us..."

Suo Xingyue waved to David and asked David to sit beside her!

David walked over with Liu Ruyan and the others, and then sat down!

The third elder greeted quite a few pharmacists, and these were all pharmacists from various sects, who came to participate in the competition!

David was also chatting with Suo Xingyue, while Zhuzhu took the opportunity to flirt with Meng He!

But when David was chatting with Suo Xingyue, he found that Suo Xingyue's expression was a little dazed, so he asked, "Elder Suo, are you feeling unwell?"

"No, it's just that my head is a little groggy. It may be that it was controlled by the demon at that time, and it caused some damage to the body, and it hasn't fully recovered yet."

Suo Xingyue said!

"Elder Suo, why don't I show you?" David noticed that Suo Xingyue's expression was abnormal!

"No, I'll be fine. I'm a pharmacist, can't you see that?"

Suo Xingyue waved her hand and said!

In front of so many people, Suo Xingyue was afraid that it would be too embarrassing for a junior to see a doctor for her!

## Chapter 2825

David also knew Suo Xingyue's intentions, so he didn't force it!

After all, Suo Xingyue is also a fifth-rank high-class pharmacist, if there is really a problem with his body, he should know it himself!

And Meng He looked at Suo Xingyue and the others with a strange expression on their faces, in a trance, and was very happy inside!

But seeing David talking and laughing, and his quick thinking, Meng He had to be a little confused!

Meng He stood up, then winked at Zhuzhu!

Zhu Zhu took advantage of Suo Xingyue not paying attention, and hurriedly followed her out!

David saw Zhuzhu running out with Meng He, but he didn't point it out!

"Zhuzhu, did that David take the medicine?"

Meng He asked Zhuzhu!

"I ate it. I put it in the teapot at that time. David and several of my uncles drank the tea. I saw it with my own eyes. I can't be wrong!" Zhuzhu said firmly

!

"That's strange, how do I see this guy, it doesn't seem to be poisoned?"

Meng He frowned slightly, with a puzzled expression on his face!

"Brother Meng, could it be that everyone's physique is different, so the effect of the medicine is also different?"

Zhuzhu said!

"It's possible. Since that kid has taken the medicine, there's no need to be afraid. In this competition, the first place will definitely be mine."

The corner of Meng He's mouth twitched slightly!

"Brother Meng, after you take the first place this time, you must remember what you promised me, and take me far away!"

Zhuzhu said, holding Meng He's hand!

"Don't worry, you are my woman now, if I don't take you away, who else will I take away!"

Meng He gently touched Zhuzhu's face, which made Zhuzhu very happy!

After about an hour!

A few melodious bells rang, and everyone in the hall got up!

"Mr. Chen, the competition will start soon, let's move to the Alchemy Plaza..."

Suo Xingyue said to David!

"Elder Suo, please..."

David politely made a gesture of please!

A group of people walked out of the hall, and then walked to the medicine refining square!

At this time, the surrounding area of the huge square was already full of people, all of whom came to watch the fun!

"Mr. Chen, the players are waiting in the waiting area, so I won't accompany you!"

Suo Xingyue and the others, as referees, need to be on stage, while David and the others need to wait in the audience!

"Elder Suo, please..."

David said with a slight smile!

Suo Xingyue and the others walked onto the stage, and then sat in the referee's seat, while Zhuzhu stood behind Suo Xingyue!

And in the middle of the referee's seat, there is still a vacancy, indicating that there are still referees who have not arrived.

"Mr. Chen, the middle position is reserved for the referees of Jialing County. This pharmacist will have a big competition. To be fair, Jialing County will also appoint a referee to prevent anyone from cheating!" "Now as long as the referee of Jialing

County Come on, the competition should start, you should get ready first!"

The third elder said to David!

David nodded with a smile!

Soon, an old man fell from the sky and slowly landed in the referee's remaining seat!

David saw that Suo Xingyue and the others greeted the old man, and then the competition officially started!

Immediately afterwards, many guards from Jialing County placed an alchemy furnace on the stage, and placed the medicinal materials in front of the alchemy furnace!

Whether it is the alchemy furnace or the medicinal materials, they are all the same, and this is for the sake of fairness!

This competition is the strength of each pharmacist!

"Now I announce that the competition will begin, and all the contestants will be seated."

"Each of you has exactly the same alchemy furnace and medicinal materials. This first competition is based on speed. Who can first refine the third-grade high-grade Elixir is considered a victory."

“In this first competition, only twenty pharmacists are left, so you must go all out.”

The old referee from Jialing County stood up and said loudly!
