

# A Man Like None Other Novel

## Chapter 2851

"I want one..."

Ji Yun spoke first!

He came to buy a treasure map, so there is no ink!

Soon Ji Yun handed over 100 million spiritual coins, and Nawat took out a very delicate mahogany box and handed it to Ji Yun!

Just now Ji Yun was fined 100 million spiritual coins, and now he can still take out 100 million spiritual coins, it can be seen that the Feitian sect is really rich!

"Give me one, too..."

"I want to..."

Soon, all the people who came took out their money to buy the treasure map!

It's just that what everyone got was just a wooden box. As for whether it contained a treasure map, no one opened it in public to see!

It seems that they still trust Watt a lot!

"Boy, wait for me, let's wait and see..."

After getting the treasure map, Ji Yun threatened David, and then left!

Others also left one after another, and when Yuan Bao left, he glanced at David and said, "Brother, I will leave you a sound transmission jade slip. If you need any help, just ask me..." Accompanied

by Everyone else left, only David and the others stayed in the living room!

Watt looked at David and said, "Do you want it? If not, then you can leave..."

"Yes

, of course I want it!"

David said, and gave Watt 100 million spiritual coins, and he also got it A wooden box!

However, after David took the wooden box, he opened it directly, and there was a parchment scroll inside!

Open the parchment, and there is a map on it. The route marked on the map is very clear, but at the position marked by the treasure, a piece is missing!

The clarity of the viewer's route is obviously the latest printed on it by Watt!

"Is this treasure map real?"

David asked while holding the treasure map!

"I told you, if you don't believe me, don't buy it, I will refund the money to you right now!"

Watt said, wanting to refund the money!

"No, I'm just asking casually!"

David put away the treasure map, and then continued to ask, "As a member of the ancient body-refining clan, why did you sell your ancestor's treasure map? That's yours. The treasure of the ancient body-refining clan."

"You can leave after you get the map, and I won't answer your questions."

Watt said, turning around and leaving!

But David stood up suddenly and grabbed Watt's shoulder!

Watt was taken aback, and hurriedly said, "What do you want to do? This is Jialing County. If you dare to do it, be careful that you won't be able to get away with it!" "I won't do it,

I just want to ask you, why are you selling the treasure map? Where did the treasure map come from?"

David asked!

"I said, I won't answer you, let me go immediately, or I will call the guard!"

Watt threatened David!

"Do you think I'm afraid of the guards?"

David sneered, and reached out to pick off Watt's mask!

Watt was startled, and stretched out his hand to block it, but he was not as fast as David, and Watt's mask was taken off in one fell swoop!

When Watt's mask was taken off, David was stunned, because he found that Watt looked very similar to that of Watt's tank, with only slight differences!

"You don't want the treasure map, so I'll refund the money to you. Why did you take off my mask?"

Watt quickly grabbed the mask and put it on his face again!

"What's your relationship with the tile tank?" David asked!

Hearing the word Wagang, Watt's body visibly trembled, but he quickly calmed down and said, "What kind of tile are you talking about? I don't even know it!"

"You don't need to lie to me. Don't know?"

David looked serious, and then held Watt again and said, "Say, how did you get this treasure map? Why are you selling it?"

## Chapter 2852

"Who the hell are you? Why should I tell you?"

"This is Jialing County. If you do something, it will violate the rules of Jialing County..."

Watt said loudly!

Seeing that Watt didn't say anything, David exerted a little force on his hands, only to hear Watt's bones crackling!

The pain instantly spread throughout Watt's body!

"Come on, come on, someone has made a move..."

Watt yelled while holding back the pain!

Soon, the two people at the door rushed in, but they were immediately controlled by the three heroes of the strange thief!

And the guards in Jialing County also heard the shouts, so they ran in!

However, when they saw that David was making a move, they were all taken aback, then pretended they didn't see anything, turned around and walked out!

Seeing this scene, Watt was stunned, and hurriedly shouted, "Master, Lord, hurry up and arrest him, he attacked me, he was fighting privately in Jialing County..." But no matter how Watt

shouted, those guards left quickly as if they couldn't hear them!

They are not stupid, even Master Yan doesn't care about David's actions, and they dare not control these little ones!

"Don't shout, don't say that I did it in Jialing County, even if I kill you now, no one will care about me."

David said coldly!

Seeing this, Watt knew that David was really capable, and he didn't even dare to control the guards in Jialing County, so he could only say, "I say, I say, let me go first..."

David let go of Watt, and Watt He rubbed his shoulders, and then said, "Nawagang is my brother. We are twins, that's why we look so alike. I don't know why you know my

brother?" I said it again, but I didn't talk about the jade card!

After Watt heard this, he was silent for a moment and said, "Now we, the ancient body-refining clan, live in a very difficult place in the extreme north, and we are being targeted by the Gao family everywhere..." "My treasure map is real. I learned from

us I stole it from the patriarch of the ancient body refining clan, I just wanted to make some money!"

David was very surprised to see that Watt actually stole his patriarch's treasure map to sell!

"Aren't you afraid of being chased and killed by other ancient body-refining cultivators even if you sell your own clan's treasures?"

David asked!

"I'm not considered a betrayer. In fact, it's useless to have this treasure map. Even if you find the location of the treasure, you can't open it. You need a key to open it!" "I really can't live in the extreme north.

"If we go down, that's all we can do..."

Watt argued!

"It's a shame that you and Wa Gang are still twin brothers, your brother is fighting in the arena to earn resources for your people!" "It's

good for you, you stole the treasure map to sell, you only care about your own enjoyment, and don't care about your other people. "

David said angrily!

"I've already told you what I should tell you. As for the affairs of our ancient body-refining clan, you don't have to worry about them." "

You can leave now..."

Watt gave the order to evict the guests!

David gave Watt a cold look, then took Liu Ruyan and the others away!

Although this Watt is very shameless, David has no friendship with the ancient body training clan, and he can't care about these things!

But just as David was leaving Watt's residence, he ran into Wa Gang head-on, and saw Wa Gang's face full of anger, followed by two strong men!

"Mr. Chen?" Seeing David, Wa Gu seemed a little surprised!

"Wa Gang, you have returned to the extreme north, why are you still in Jialing County?"

David asked in puzzlement!

"Hey, my family is unlucky, my family is unlucky. I have a younger brother who stole the patriarch's treasure map and came to Jialing County." "I just found out that he is actually

selling this treasure map. I'm coming back He is going to be taken away and punished."

Wa Gang said with a sigh!

## Chapter 2853

Seeing that it was a family matter, David didn't want to take care of it, so he said, "Your brother's residence is right in front, but private fights are not allowed in Jialing County. I'm afraid it won't be that easy for you to take your brother away." Chen

Ping I know, now that Watt has money, he is definitely not willing to go back to the extreme north to suffer, and he will be punished after going back, even more unwilling!

And he knew that in Jialing County, as long as he didn't go out, no one would be able to forcibly take him away. This should be the reason why Nahuat came to Jialing County!

"If he doesn't go back with me, even if I risk my life, I will take him away." "

He did this kind of thing and shamed my whole family. I will never let it go lightly.

" With a look of anger on his face, it seems that he is determined to take Watt away!

Looking at Wa Gong's appearance, David sighed and said, "In this case, I will let you go. Maybe I am here, and it will be easier for you to take your brother away." "Thank you, Mr.

Chen."

Wa Gang said gratefully!

Although Wa Gang didn't understand what David said, it was easy to take away his younger brother with him, but since David was willing to help, Wa Gang was very grateful.

David followed Watt back to Watt's yard. When Watt saw Watt, he was obviously taken aback!

Immediately afterwards, he turned around and ran away, but was stopped instantly by the two clansmen brought by Wagang!

"Brother..."

Watt took off his mask, and shouted at the vat in panic!

"Shut up, I don't have a younger brother like you, it's too embarrassing for you to do such a thing." "Come

back with me now, and accept the punishment of the patriarch."

Wa Gang angrily shouted!

"Brother, I can't go back. If I go back, you will be dead."

"Please, don't take me back..."

Watt suddenly knelt in front of the crock, begging bitterly!

But Wa Tank's face was still cold, and he didn't move at all. Instead, he stepped forward and grabbed Watt's shoulder, wanting to take him away!

"Brother, this is Jialing County, don't force me, if you do something, both of us will be punished."

Watt then threatened Wagang with the rules of Jialing County!

"Even if you violate the rules of Jialing County today, I will take you back."

After Wa Chuan finished speaking, he pulled hard, and he was going to pull Watt up!

And Watt's eyes flashed coldly, he buckled his backhand, grabbed Wa Chuan's wrist, and rushed forward suddenly!

Watt didn't have time to react at all, the whole person was knocked back a few steps by Watt!

He didn't expect Watt to fight back, which made Wa Gu's face full of shock!

"Brother, I've said it before, I won't go back, if you compare me, then we'll die, and I'll die anyway!" Watt said sternly

!

"Even if the fish is dead and the net is broken, and you take your body back, you have to go back and receive punishment."

After Wa Chuan finished speaking, his body jumped up, and he slapped Watt with his palm!

It can be seen that Wa Gang is completely chilling towards this younger brother!

Seeing that Watt was slapping him hard, Watt no longer had any scruples. The more he waved his palms, the energy in his body continued to burst out!

The reason why Watt did this was to let the guards in Jialing County sense that there was a private fight nearby, and then came to stop it!

Wagang and Watt's strength is equal, two people fighting together, it is difficult to tell the winner in a short time!

The fight between the two did attract the guards from Jialing County!

It's just that those guards watched from a distance, but no one dared to enter the yard to stop them!

Because David was at the scene, they were just pawns, and they would just be scolded if they went in!

Watt quickly fought hundreds of moves with the tile tank, but he couldn't see a guard coming to stop him, and he suddenly became flustered!

Wa Chuan took advantage of Watt's panic and kicked Watt hard in the abdomen!

Watt was kicked out and fell heavily to the ground!

## Chapter 2854

Seeing this, the two clansmen who came with Wa Tank hurried forward to control Watt!

"Mr. Chen, I made you laugh."

After controlling Watt, Wa Gang said something to David in embarrassment, and then waved his hand and said, "Take him away..."

Soon, Watt was escorted out up the yard!

"Help, help, someone is fighting privately, someone is beating me..."

After Watt came out, he saw a guard not far from the door, and hurriedly shouted!

After Wa Gang saw the guards in Jialing County, his expression changed obviously, and he said to the two clansmen, "You take him back in a while, and I will stay to accept the punishment from Jialing County." The two clansmen nodded and controlled Watt

. keep going!

And Wagang is ready to be interrogated and punished by the guards!

"Don't worry, nothing will happen, let's go..."

David smiled and patted Wa Gang's shoulder!

Wa Gang didn't understand what David meant, but he followed David and continued to move forward!

"Help me, save me..."

When passing by those guards, Watt shouted as if grasping at straws!

Wagang is nervous, ready to explain to the guards at any time!

But a strange scene appeared, those guards heard Watt's shout, as if they didn't hear it, they all turned their heads to the side, pretending not to see it!

This time, the tile cylinder was directly confused, and he looked at the guards in disbelief!

Until they walked away, those guards did not chase after them!

"It's really weird, what happened to those guards today?"

Wa Gang asked with a puzzled face!

"Didn't I say that, with me here, nothing will happen."

David smiled slightly!

At this time, Wa Gang remembered what David said, and suddenly realized that the reason why these guards didn't care was because of David's existence!

This time, Wa Gang looked at David in disbelief, he really couldn't understand why the guards in Jialing County were afraid of David?

You must know that David's realm is only the second rank of the Body Fit Realm, even the guards guarding the gate are higher than David's realm!

Why are you afraid of David?

Since it's not because of strength, it's because of identity!

Thinking of this, Wa Gang took a deep breath, he couldn't imagine what kind of identity David would be like, allowing him to break the rules casually in Jialing County as if he was walking on the ground!

At this moment, a Jialing County guard hurried over, walked up to David and said respectfully, "Mr. Chen, you can go out through the north gate..." "

En!" David nodded!

The guard turned around and left immediately after saluting!

David knew that Master Yan must have inquired about this, since the Thunder Eagle King was not at the North Gate, he could leave Jialing County through the North Gate!

Seeing the respectful attitude of the guard David, Wa Gang became more convinced of his thoughts, David's status must be extraordinary!

A group of people walked out of Jialing County through the north gate.

"Mr. Chen, where are you going?"

After leaving the city, Wa Gang asked David!

"I plan to go to the extreme north to find treasures. To be honest, I also bought a copy of the treasure map sold by your brother."

David said without any concealment!

"Mr. Chen wants to find the treasure? That's great, let's go along the way, and I am very familiar with the extreme north." "

Maybe I can help you find the treasure!

" Excited!

Looking at the tile vat, David felt a little embarrassed, digging up the treasures of his ancestors and asking them to help, isn't that a bit too much?

"Wagang, won't you be angry if someone wants to dig out the treasures of your ancient body-refining clan?" "

Won't you go find the treasures yourself and then dig them?"

David asked puzzled!

# Chapter 2855

Hearing David's question, Wa Gang smiled awkwardly and said, "We don't have the ability to dig. Even if we find the treasure, it will be cheaper for the Gao family."

"The various exercises of our ancient body training family can be announced to the public, and as more and more people practice ancient body training exercises, our ancient body training family can grow stronger and stronger." Listening to Wa Gang's words, Chen

Ping I am very touched, it seems that in order to make their own group grow, this ancient body training clan did not hesitate to let other people search for treasures!

"If I can find the treasure, I will find a way to spread the ancient body training method..."

David patted Wa Tank on the shoulder and said!

"Thank you, Mr. Chen, but it is easy to find the treasure, but it is difficult to open it." "

The jade tablet I gave is broken. You need to find the other half and assemble it into a complete one before you can truly open the treasure." "

But the other half I don't know where the jade tablet is anymore."

Wa Gang followed David and said!

David smiled lightly, and then took out the complete jade plaque!

"Look, is this complete?"

David said!

Wa Gang looked at the complete jade token in David's hand, and was stunned for a moment. He said in surprise, "Mr. Chen, you...why do you have the other half of the jade token in your hand? Where did you get it?" "I didn't mean it either.

" I got it from time to time, and it looked very similar to the jade card you gave me, so I tried to piece it together." "

I didn't expect it to be a piece. It is because of this jade card that I asked your brother to buy it. Picture."

David did not tell the truth, after all, the less people know about the agreement between him and the princess, the better!

"God's will, this is really God's will!"

Wa Gu looked excited, and then said, "Mr. Chen, try to drop a drop of blood into this jade card!"

"Why?" David was taken aback!

This jade tablet is just a key to unlock the treasure, not a weapon, it needs blood to recognize the owner!

"Try it and you'll know!" Wa Chuan said!

David nodded, and forced out a drop of blood from the center of his eyebrows, and dripped it on the jade tablet!

Accompanied by the dripping of blood essence, the jade tablet suddenly trembled, and then puffs of black air came out of the jade tablet, accompanied by the sound of howling ghosts and wolves, it sounded very scary!

At this moment, the vision of heaven and earth rises, the clouds are dense, and the sky is instantly gloomy, accompanied by thunder!

A black vortex is constantly circling in mid-air!

“What’s going on here?”

Seeing this, David frowned quickly!

Wagang obviously didn’t expect such a vision to appear, his eyes widened, and his face was full of disbelief!

At this moment, everyone was dumbfounded!

It’s just a jade tablet, dripping a drop of blood, it will produce such a violent vision!

“Mr. Chen, quickly put away the jade plaque...”

Suddenly, Waguan shouted!

David hurriedly covered the jade tablet with both hands, and then threw it into the storage ring!

In an instant, the vision of heaven and earth disappeared, and the sky became clear and clear, returning to its original appearance!

“It’s so violent, how can there be magic energy in this jade tablet?”

David frowned and looked at the vat!

Obviously, Wa Gu should know something, otherwise he wouldn’t let him drip blood.

Wa Chuan was about to explain, but suddenly three black shadows flew past from a distance, and in the blink of an eye, these three shadows had already arrived in front of David and the others!

The three looked at David and the others, and then unceremoniously probed each of David and the others with their spiritual sense!

You must know that this kind of unceremonious probing with spiritual sense is the most likely to make people feel disgusted, and there may be a fight!

But these three people were not afraid at all, just like that, they stared at David and the others, and kept probing with their spiritual sense!
