

# A Man Like None Other Novel

## Chapter 2859

Seeing this, the other two hurriedly explained to Lord Yan, "Master Yan, we didn't check on that little brother, you can ask, we didn't do anything!

" head, like a child being scolded!

The arrogant look just now no longer exists!

Looking at this scene, David didn't know whether to laugh or cry!

This is the world of heaven and man, this is the law of the jungle, the law of the jungle!

In the face of absolute strength, arrogant people will also become submissive.

"Get out of here right away, if I find out that you dare to rob around Jialing County, I'll make you all die..."

Master Yan said coldly!

"Okay, okay..."

After finishing speaking, the three of them ran away without looking back.

"Master Yan, thank you very much, I didn't expect you to come so timely!"

David stepped forward to thank him!

"I was also attracted by the vision. There is such a strong demonic energy in the vision. Could it be from something in your hand?"

Master Yan asked!

"It's the treasure jade tablet. I just recognized the owner with a drop of blood, and then the vision appeared!"

David said truthfully!

He is not afraid that Master Yan will snatch his things, after all, they are now on the same boat, and it is impossible for Master Yan to touch him!

"It seems that the jade pendant is not just a treasure key. You have to pay more attention along the way. If you leave the territory of Jialing County, I won't be able to control you." Lord Yan reminded

!

"Thank you Master Yan for reminding me, I will pay attention."

David nodded!

Master Yan left, and David and the others also hurriedly left this place. The vision just now will definitely attract other people, and there will be unnecessary troubles by then!

"Watong, what happened to the jade pendant? How could there be such a strong devilish energy inside?"

David asked at the vat!

"Mr. Chen, I don't understand very well, but I heard that when the treasure was built, a lot of demon labor was used. After all, the demons at that time were already street rats." "Many demons fled to sparsely populated areas

. The land of the extreme north, at that time the entire land of the extreme north was the site of our ancient body-refining clan, and many demon cultivators were captured as laborers." "It's just that after the treasure was built, those demon cultivators seemed to have been wiped out

. In order to prevent the location of the treasure from being leaked, and because Moxiu is a street rat, anyone who dares to take Moxiu in will be punished and hunted down!

" I'm not very clear..."

Wa Gu carefully followed David to explain!

David took out the jade card and looked at it carefully. If what Wa Guan said was true, after those demon cultivators were eliminated, it seemed that many remnant souls were sealed in the jade card!

"Wagang, since the extreme north is the territory of your ancient body-refining clan, what's going on with the Gao family?"

David asked!

Hearing David's question, Wa Gang sighed and said, "The Gao family is only a later generation. The Gao family has only been in the extreme north for hundreds of years. It's just because the Gao family's skills are powerful, so their strength has grown rapidly. It will become stronger soon, slowly encroaching on the territory of our ancient body-refining clan." "

The people who killed us later made our ancient body-refining clan the effort of the Gao family. Although we tried our best to resist, our strength could not beat the Gao family , so that now our ancient body-refining family has hid in a place that is even more severe." "

However, the Gao family is pressing our ancient body-refining family every step of the way, and in order to obtain the treasure, they will cut off all our resources and force us to submit.”

“Otherwise, I wouldn’t have traveled thousands of miles to Jialing County to fight and earn some supplies...”

Wa Gang’s voice was low, and he looked very worried!

Maybe he was worrying about the future of his ancient body training clan!

## Chapter 2860

Seeing this, David didn’t ask any questions, but followed the tile tank on the way!

David planned to visit the ancient body refining clan first, and then go to find the treasure. If there is a leader of the ancient body refining clan, it might be easier to find the treasure!

David and the others didn’t dare to take the transportation. After all, those airships belonged to the Flying Sect.

Close to walking, with such a long distance, David and the others need to spend a few days on the road, but there is no time requirement for finding the treasure, so David is not in a hurry!

In order to prevent someone from intercepting them on the way, David asked the three heroes of the strange thieves to walk dozens of miles ahead. If they encountered anyone, they had to report to David immediately. David and the others were choosing a new route!

The Three Heroes of the Phantom Thieves acted as scouts!

After walking for a full day, David and the others felt that the temperature was getting lower and lower, and the ground began to turn into a vast expanse of whiteness!

But this bit of severe cold is nothing to monks like David and the others!

“Mr. Chen, it’s getting late. Let’s rest for one night. It’s too dangerous to go at night. In this place, there are often fur monsters at night.” Wagang said to

David!

David nodded, then found a big tree and began to rest!

A bonfire was set up in the crockery, and everyone’s clothes were baked, so that they would be warmer around the flames!

David sat cross-legged and began to practice. He had to speed up his practice, otherwise the road would become more and more difficult!

“Mr. Chen, you can use the magic energy in the jade card to cultivate. Your kung fu can refine the magic energy, not to mention that you also have the energy of the demon race, so using the magic energy to cultivate is not against you.” At this

time , In my mind, Zhe Yan’s voice slowly sounded!

“That’s a good idea, why didn’t I think of it...”

After David finished speaking, he took out the jade tablet, and began to absorb the magic energy in the jade tablet!

At this time, David only cared about the cultivation, and he didn’t care about the remnant souls of the demon cultivators in the jade card. As for whether these demon cultivators deserved to die, David didn’t have time to care about it!

While David and the others were resting, there was a snow ditch only a few hundred miles away from them!

Gao Qisheng and everyone in the Gao family are resting!

"Second brother, this time big brother asked you to come out with me to stop Nawagang and catch him." "It's

good for you, let me go to Jialing County alone for the sake of three little girls. He was beaten."

"Now the vat is gone, and if we can't find it, how can we find the treasure of the ancient body-refining clan?" "

If we go back like this, the eldest brother will definitely blame us."

Gao Qijie said to Gao Qisheng very dissatisfied!

"Shut up, trash, don't say that you are trash, but you blamed me. You were beaten by a second-grade bodybuilder, and you still have the face to say it here?" "After I go back, I will explain to my elder

brother, I don't need you to open your mouth, if it's really impossible, I'll go to the ancient body refining clan and arrest their patriarch, if they dare not cooperate with us, I will destroy the ancient body refining clan." Gao Qisheng said with a gloomy face

!

Seeing Gao Qisheng's appearance, Gao Qijie was too scared to speak anymore!

At this time, a servant of the Gao family who was covered in wind and snow walked into the cave!

"What's the matter?" Gao Qisheng asked hastily!

"Second young master, those three girls are in the cave not far away. In order not to startle the snake, I didn't follow in!"

Xiarenhui reported!

"Hahaha, that's great. This time I will definitely not let them escape. Damn, I have been chasing them for so many days, but I still haven't caught them."

"Follow me to catch people right away, as long as we catch the three of them, we can go back, and we will all be rewarded!" After

Gao Qisheng finished speaking, he led everyone from the Gao family to the place where Sonya and the others were hiding!

## Chapter 2861

Inside the cave!

Sonya, Huofeng and Yu Jiameng are cuddling each other!

The three of them were already exhausted at this time, they had been being chased by Gao Qisheng for the past few days, and the three of them were exhausted, so they could only hide everywhere!

The three of them are suffering from hunger and cold, and their mounts have long since disappeared!

"Sister Yuqi, we have to get up and hurry, that guy is probably coming after him soon."

Huofeng said to Sonya weakly!

"Huofeng, I really don't have the energy to run, I want to sleep!"

Sonya's eyes kept fighting!

"Yuqi, you can't sleep, just persevere."

Yu Jiameng hurriedly shook Sonya and said!

But Sonya's eyes were not obedient at all, and they were tightly closed.

"Yuqi, Yuqi..."

Yu Jia had a dream and hurriedly shook Sonya, but Sonya didn't respond at all!

"Huofeng, take a quick look, what's wrong with Yuqi?"

Yu Jiameng said hurriedly!

Seeing this, Huofeng hurried to investigate Sonya, but after this investigation, Huofeng suddenly turned pale with fright!

"It's broken, sister Yuqi's aura is weak, and the soul of life in her body is starting to dissipate..."

Huofeng said in shock!

"Ah? How could it be like this? How could it be like this?"

Yu Jiameng couldn't understand why Sonya didn't get hurt and suddenly became like this!

"Sister Yuqi is a fire spirit body. She has been running around in this extremely cold place for a long time, and she has no time to recover her physical strength. Now that the cold air enters her body, it happens to be in harmony with her fire spirit body, so she became like this ."

Huofeng explained!

"Then what should we do?" Yu Jiameng asked anxiously!

During this period of time, the three of them have become like sisters. Seeing Sonya like this, Yu Jiameng felt very distressed!

"I can't help it. My spiritual power is not enough now. If there is a flame now, it may be able to maintain the spread of sister Yuqi's life and soul!" Huofeng frowned and said

!

But where to light a fire in this cold place?

And if they raise a flame, Gao Qisheng will chase after them very quickly, and they won't be able to run away at all!

Just when Huofeng and Yu Jiameng were at a loss, suddenly there was a sound from outside the cave!

The two of them knew that Gao Qisheng had brought someone after him for sure!

"Huofeng, that big pervert has come after him again, what should we do?"

Yu Jiameng panicked!

Now that Sonya is unconscious, there is no way for them to escape!

Huofeng looked around the cave, and then gently pressed down on the stone wall in the cave with both palms!

Flames slowly rose from Huofeng's body!

Her palms dived into the stone wall, and soon the stone wall began to melt. These stone walls are not stones, but thick layers of ice!

"Sister Jiameng, put Sister Yuqi in quickly..."

Huofeng asked Yu Jiameng to put Sonya in after melting the stone wall into a big pit!

Immediately afterwards, Huofeng stretched out a pair of wings from its back, and the wings radiated red light!

Huofeng hurriedly pulled out a feather, put it on Sonya's body, and then covered Sonya with ice and snow!

The extremely cold weather quickly froze Sonya inside!

From the outside, it is impossible to see that there is a person inside the stone wall!

"I hope my fire feather can save sister Yuqi's life."

Huofeng glanced at Sonya, and then ran out of the cave with Yu Jiameng!

The two of them wanted to lure Gao Qisheng and the others to other places!

After Huofeng and Yu Jiameng escaped from the cave, Gao Qisheng not far away found out!

"Damn it, I want to run, hurry up and chase me..."

Gao Qisheng led his men to chase Huofeng and Yu Jiameng quickly!

And Yu Jiameng and Huofeng supported each other, and the speed of escape became slower and slower!
