

A Man Like None Other

Chapter 2865

Booming...

Sword glows danced wildly all over the sky, roaring and slashing towards the ice bear monster!

Seeing this, the Ice Bear Monster let out a deafening roar, gusts of wind and frost rose from his body, and rushed towards the sword light!

Yuan Bao looked at David's sword and was stunned!

He never thought that David, who was only in the second rank of the Composite Body Realm, could unleash such a powerful sword!

Even Wagang and the others were shocked, after all, they had never seen David's true strength!

Just as the ice bear monster was charging towards the sky-filled sword light, ice cones burst out from his body. These ice cones were like bullets, heading towards David rapidly!

With a light flick of David's wrist, the ice cones instantly turned into powder and scattered like snowflakes!

Seeing this, the ice bear monster stopped its pounced figure instantly, then turned around and ran away!

This ice bear monster seems to feel the danger, it knows that the person in front of it is not so easy to deal with!

"You still want to run?"

David sneered, and jumped up!

The dragon-slaying sword in his hand swung down, and a bright sword light shot out!

The ice bear monster didn't even have time to scream, and was cut in half by the sharp sword light in an instant!

Immediately afterwards, David waved his palm, and a beast pill full of spiritual energy fell into David's hands!

Looking at the ice bear monster cut in half by a sword, everyone was stunned!

Especially that Yuan Bao, who still hasn't recovered from the shock!

"Let's go..."

David followed Wa Chuan and walked forward!

After walking a few steps, Yuan Bao came to his senses and hurriedly chased after him!

"Mr. Chen, wait a minute, wait a moment..."

Yuan Bao shouted loudly!

"Is there anything else you need?" David asked!

"Mr. Chen, you are also going to find the treasure. We can go together." "

Let me tell you, although you have a treasure map, you can't find the treasure. You need a special key to open the treasure." "

If you don't have a key, you can't get into the treasure at all."

Yuan Bao whispered to David!

When David heard this, he was slightly taken aback. He didn't expect Yuan Bao to know that the treasure needs a key to open it!

"Oh, so you have a pharmacist who opened the treasure?"

David asked curiously!

"Of course, if I didn't have the key, I wouldn't have gone looking for that treasure."

Yuan Bao said, and took out a jade token from his pocket!

I saw that this jade tablet was very complete, and it was exactly the same as the jade tablet in David's hand!

It's like it's carved out of a mold!

Looking at the jade tablet in Yuan Bao's hand, David was completely stunned. He didn't understand what was going on!

David looked at the tile vat, hoping that tile vat could explain to himself, why does Yuan Bao also have a jade tablet in his hand?

Wa Gang was also full of confusion at this time, and shook his head towards David, it seemed that Wa Gang didn't know what was going on!

"Brother Yuan, is your jade token the key to the treasure?" David asked pretending not to believe it!

"Of course, without this thing, even if the treasure is found, it would be impossible to open it."

Yuan Bao said affirmatively!

"Then where did you get this thing?" David continued to ask!

"I can't say that. Anyway, you just need to know that without me, you won't be able to enter the treasure if you find it."

Yuan Bao seemed to be a little wary of David, so he didn't say the origin of the jade plaque!

"Then can I take a look?" David asked!

"Yes..." Yuan Bao handed the jade plaque to David without hesitation!

David held the jade card, and a divine sense penetrated into the jade card instantly. After a while, David returned the jade card to Yuan Bao!

Although this jade card is exactly the same as David's, there are still differences, because there is no magic energy in this jade card!

Chapter 2866

"How is it? Do you want to cooperate with me..."

Yuan Bao looked at David expectantly and asked!

"Sorry, I'm not looking for any treasure, so I can't cooperate with you!" "

But you have this thing in your hand, so it's best not to show it to others, or you won't know how you died."

David Smiled lightly!

Yuan Bao was taken aback for a moment, he didn't expect that he took out all the keys to the treasure, but David still didn't agree to cooperate with him!

David took the pot and they left, while Yuan Bao stood there quietly, frowning slightly!

“What a strange guy...”

After Yuan Bao finished speaking, he also left!

The reason why David did not agree to cooperate with Yuan Bao was because he didn't know what Yuan Bao was like. In the world of heaven and man, David would not easily trust a stranger!

Moreover, the most important thing for David now is not to find the treasure. He has to go to the clan land of the ancient body-refining clan first. Now David doesn't know anything about the treasures of the ancient body-refining clan. If he rashly digs for the treasure, The risk factor will be great!

Not long after David and the others marched, one of the three heroes of the phantom thieves in the void called out anxiously for help!

“Mr. Chen, come and save us...”

David frowned when he heard this!

“You guys go first, I'll go and have a look...”

After David finished speaking, his body jumped and disappeared in an instant!

Following the direction of the sound transmission jade slip, David hurried away.

The Three Great Thieves were sent by David to find Sonya and the others, and they were not too far away from David and the others!

Soon, David found the three of them.

At this time, the three heroes of the strange thief, everyone's face is very ugly, obviously injured!

In front of them, a girl in a white bearskin coat was holding a long sword and looking at them coldly!

There was still bright red blood on the long sword, which had already been frozen at this time!

"What's going on?" David frowned!

"Mr. Chen, you asked us to look for three girls, and the three of us searched everywhere, but when we saw this girl here, we planned to go up and ask if it was the person you were looking for." "But this

person It's unreasonable, just shot the three of us, the three of us are not inferior, we were injured by her, and she wants to kill us."

Dajie said with an aggrieved face!

David looked at the girl coldly, the strength of the fifth rank of the Body Fit Realm, such strength at such a young age, is considered very good!

"Who the hell are you? Why did you attack my people? They don't seem to provoke you?"

David asked the girl with a gloomy face!

"Stop pretending, I know you are definitely here for the Ice Soul Fragment, but I found the Ice Soul Fragment first, so you don't want to take it away!" The

girl pointed at David with her sword, "You are just a Second Body Composite Realm. Pin, you guys won't be my opponent even if you join forces, I advise you to leave here immediately."

The girl exuded bursts of murderous intent, and seemed to want to rely on the aura on her body to make David and the others afraid to back off!

Feeling this breath, the three masters of the strange thieves could not help but retreat, but David looked indifferent and didn't care at all!

As far as the girl's breath is concerned, in David's opinion, there is no pressure at all!

And the girl saw that David was indifferent to the oppression of her breath, and she couldn't help frowning.

A monk of the second rank of the Composite Body Realm, but under the oppression of his own breath, his face is indifferent, which proves that David's strength must be higher, maybe David is hiding his own realm!

"Ice Soul Fragment?" David was taken aback, but then explained, "I think you misunderstood, we don't know what Ice Soul Fragment is, we just came looking for someone.

" Hold on, if you don't receive treatment now, you may not live long."

Chapter 2867

David could already feel from the girl's aura that the other party was seriously injured, and he was just holding on to it just now!

Following David's words, the girl's expression changed, and a mouthful of blood suddenly spewed out!

With the spurt of blood, the girl also fell backward heavily!

Seeing this, David immediately took a brisk walk to support the girl, and then a burst of spiritual power penetrated into the girl's body!

After a while, the girl slowly opened her eyes!

When she saw that she was lying in David's arms, she quickly got up and followed David to distance herself!

"What are you going to do to me?"

The girl panicked!

"If I didn't save you just now, you would have died here."

David said helplessly!

The girl checked her body and found that she was much better, but she still looked at David cautiously and said, "Why did you save me? We don't know each other at all, and besides, I hurt your people." "Even if you saved me

, It is also impossible for me to tell you the address of the Ice Soul Fragment, so give up..."

"It's really biting Lu Dongbin, he doesn't know a good heart." David sneered, and then looked at the three heroes of the strange thief, "Let's go, ignore this lunatic... .."

David was about to leave with the three masters of the strange thieves. Looking at David's back, the girl suddenly called out to David, "Wait a minute..." "What do you want to do

? I told you, I don't know the ice fragments What is it, it's not for snatching from you, don't be endless."

David looked angry!

"Sorry, I...I just want to thank you for saving me."

The girl looked embarrassed at this moment!

"You're welcome, just don't bite me back." David finished speaking angrily, and was about to leave with the three heroes of the strange thief!

But the girl chased after him and stopped David!

"What else do you want to do?" David was furious!

"I wonder if you can help me get that ice soul fragment together?"

the girl asked!

"Why should I help you? Do the two of us know each other? You hurt my man, so it's fine if I don't bother you, and you still want me to help you?" David said coldly

!

"I won't let you help me for nothing. When I get the ice soul fragments, I can share half of them with you. Even half of the ice soul fragments can greatly increase your strength." The girl said hastily

!

When David heard it, he immediately became interested, so he asked, "What is this ice soul fragment? Why is it so powerful?" The

girl looked at David, and she didn't seem to be pretending. What!

"Anyway, all you need to know is that the Ice Soul Fragment is a treasure. This extremely cold place is also caused by the Ice Soul Fragment." The

girl said to David!

"Since this thing is a treasure, why do you want me to help you get it? Can't you get it yourself?"

David wondered!

"The shards of the ice soul are guarded by monsters. I am no match at all. I was injured by the monsters."

The girl said truthfully!

"You are no match. I, a second-grade cultivator of the Composite Body, can't beat that monster even more, so it's useless for you to find me!"

David shook his head.

"You don't need to be modest, your strength is definitely above mine, you definitely hide your strength, don't think I don't know." "

If you only have the second rank of the Compatible Body Realm, you can't bear the oppression of my breath at all."

"Furthermore, the realm of these three people is higher than yours, but they are your subordinates, and they respect you. How is this possible? You must know that in the world of heaven and man, strength is the most respected."

The girl analyzed one by one

!

After David heard this, he couldn't help but smiled and said, "Your analysis is good, I can help you get it." After

David finished speaking, he looked at the Three Heroes of the Phantom Thieves, "You wait here, the others will be here soon..."

Chapter 2868

"Understood, Mr. Chen..."

The three heroes of the strange thief nodded!

Afterwards, David followed the girl towards the ice shards!

"Where are you from? Why do you want to hide your strength? What are you doing in this extremely cold place?" The

girl kept asking David various questions along the way, but David didn't even open his mouth!

No matter what the girl asked, David just didn't say anything!

After all, he is not familiar with the girl, so there is no need for David to tell her all about himself!

Seeing that David didn't speak, the girl shut her mouth
Soon, the two of them arrived in front of a snow-covered hill.

"It's right in front, and you can see it from here."

The girl pointed forward!

David looked in the direction of the girl's finger, and found that there was indeed a place different from the snow field. Looking carefully, it turned out to be a fragment shining with white light, and the fragment was surrounded by mist.

And from this fragment, a large amount of aura is constantly surrounding the fragment, forming a vortex of aura.

"Then why don't we just go there?"

David glanced around, and found that there was nothing, and there was no so-called monster guardian, so he said to the girl!

"No, there are ice snakes entrenched here. If we go there like this, we will definitely be attacked."

The girl shook her head!

"Then you wait here, I'll go and get it!"

David asked the girl to wait, and then he walked towards the shard of ice soul.

But just after taking two steps, the ground suddenly trembled, and then a giant white snake rushed out from the ice underground. The giant snake was covered in white scales, and it kept spitting out letters, exuding a cold breath!

On the giant snake's head, two horns measuring only a dozen centimeters were exposed. It was obvious that this was not an ordinary giant snake, but a flood snake!

"Hiss, hiss..."

Facing David, the snake kept making noises, as if preventing David from approaching the fragment of the ice soul!

David took a look at the flood snake, which was at the fifth rank of the Body Fit Realm, and was comparable in strength to the Ice Bear Monster, so David didn't have to be afraid at all!

"I'll fight this snake in a while, go and get the ice soul fragments."

David said to the girl!

"Aren't you afraid that I will escape with the Ice Soul Fragment?"

The girl looked at David in surprise and asked!

"Don't be afraid, because anyone who dares to play tricks on me, I will let him go to the King of Hades, so if you dare to play tricks on me, you will die too..."

David said lightly!

But hearing these words in the girl's ears, she was shocked!

Before the girl could speak, David jumped up with the dragon-slaying sword in his hand, and went straight to the snake!

After feeling David's attack, Jiao Snake suddenly raised its body and opened its bloody mouth!

Just as David approached, the flood snake suddenly sprayed out a white mist!

These white mist are formed by the condensation of cold air, but it is extremely low and can freeze everything!

The cold fog even froze the air, and the entire space began to distort!

David's body entered the white mist and was immediately frozen in midair, like an ice sculpture!

Seeing this scene, the girl was stunned for a moment. She didn't expect David to be so vulnerable in front of the snake, and was frozen directly.

The Jiao Snake spat out the letter, roared, and rushed towards David quickly, intending to swallow David in one gulp!

The girl wanted to save David, but she was powerless!

She could only watch helplessly as David was eaten by the snake!

But when the Jiao Snake arrived in front of David, David, who had been frozen, suddenly had a red light on his chest, and then an extremely hot flame burned up, melting the frost in an instant!

Then David held the dragon-slaying sword, and slashed towards the rushing snake. The sharp sword light instantly cut across the body of the dragon

snake, directly cutting a wound, and the ground continued to be stained red with blood!

Chapter 2869

Flood Snake was in pain and kept roaring, but there was already a bit of fear in his eyes!

Taking advantage of the situation, David swung his sword forward again and fought with the flood snake, while the girl took advantage of the unpreparedness of the flood snake and ran directly to the ice soul fragments, picked up the ice soul fragments and ran away!

Seeing the girl's hand, David jumped back, intending to get out of the battle, he didn't need to waste his spiritual power by following the snake!

As long as you get what you want, there is no need to kill the snake!

But just as the girl got the ice shards, three people suddenly appeared and stopped the girl, their eyes were full of murderous intent! m.★

The girl was taken aback for a moment, holding the fragment of the ice soul tightly in her hand, with a bit of panic in her eyes!

David didn't expect that there were people ambushing nearby, trying to help the girl, but they were blocked by the snake!

"Damn it, little bastard, I want to let you go, you're still going strong..."

David cursed angrily, and slashed the Dragon Slaying Sword in his hand!

Several sword beams headed towards the snake like shooting stars!

Flood Snake roared, wanting to dodge these several sword glows, but it was already too late!

Several sword glows penetrated the body of the flood snake, instantly chopped the flood snake into several sections, and a white beast pill slowly floated into the air!

David stretched out his hand, put away the beast pill, and then walked to the girl!

The girl and the three people who came out looked at David in surprise. They didn't expect that David would kill the Jiao Snake so quickly!

"A little second-grade monk in the Composite Realm can easily kill this snake. It seems that he is hiding it very deeply."

A tall man with a blindfold on his left eye said to David!

"Who are you? Why are you stopping us? Have you already ambushed here?"

David asked the three people in a cold voice!

"That's right, we've been here a long time ago, and the three of us were the first to discover this fragment of ice soul."

The one-eyed man said!

"Since you found out, why didn't you take the ice soul fragment away?"

"Don't tell me, you three monks of the fifth rank of the Composite Body Realm can't beat a guardian snake."

David asked coldly!

"Of course we can take the ice shards away, but we still want the ice shards to go fishing."

" , and hand it over."

The one-eyed man said with a cold smile.

"It's just the three of you, I'm afraid we won't be able to stop us!"

David said calmly without paying attention!

"Can't stop it?"

The one-eyed man smiled, then took out a formation disk from his arms and threw it into the air!

The disk array started to rotate, emitting dazzling light instantly, and light curtains descended, instantly surrounding David!

"I've already used the formation disk, isn't this thing very expensive?"

David looked at the formation in front of him and couldn't help laughing!

"Compared with the shards of the ice soul, what is this all about?"

The one-eyed man smiled, then looked at the girl, and stretched out his hand, "Hand over the shards of the ice soul, and the items you brought with you, all of which must be handed over!" Come out, or you will die."

The girl looked at the three people in front of her coldly, now that David was controlled by the formation, she knew that she could not count on David, so she said to the three people, "You are so brave, don't you Do you know who I am? If you dare to attack me in the extreme north, you will die without a place to die."

"Hahaha, aren't you Gao Qilan, the eldest lady of the Gao family? Don't think we don't know, but don't imagine that your Gao family is too powerful. If you hand over the ice soul fragments now, I can spare your life. "

"If you dare to resist, then I'll kill you, but in the spirit of killing you, the three of us will enjoy it..." The

one-eyed man's eyes were full of brilliance!

Chapter 2870

Seeing this, Gao Qilan's face suddenly became very ugly!

"Are you from the Gao family?" David looked at Gao Qilan in surprise!

Gao Qilan nodded, "That's right, it's a pity that the Gao family can't save me now..."

Gao Qilan laughed at herself, she didn't expect that the name of the Gao family was not as great as she imagined!

After all, Gao Qilan seldom wanders outside, and as for the outside world, she doesn't know much about it!

"The Gao family can't save you, I can, but you have to promise me, give me all the pieces of ice soul."

David calmly followed Gao Qilan in the formation!

Gao Qilan was taken aback, and looked at David in disbelief.

Obviously, David couldn't protect himself, so how could he say such a thing!

"Hahaha, boy, are you stupid? You are trapped in the formation and are about to die. How dare

you say such a thing." You are crushed to death in the formation, let's see how you can save her."

After the one-eyed man finished speaking, he waved his palm, controlled the formation and began to shrink continuously, and the light curtains squeezed towards David!

David looked at the constantly squeezed light curtain with a calm expression on his face!

"This broken formation still wants to trap me. I want to get out. Even in a powerful formation, I can't trap me!"

David sneered, and then a white light flashed in his palm, and then he slapped out, hitting on that light curtain!

With just one palm, the light curtain of the formation that was originally compressed was instantly shattered like glass, and finally disappeared into nothingness!

"This..."

The one-eyed man was shocked when he saw that the formation board he bought with a lot of money was smashed by David's palm.

The other two are also full of disbelief!

Obviously, David broke the formation so easily, he must be a senior formation mage, that's why he broke the formation so easily!

"I didn't expect you to be a formation master..."

the one-eyed man frowned!

"I'm more than just a formation master. I know many things. Since you want to trap me with formations, I'll let you have a taste of this formation." After David finished speaking, his fingers began to twitch quickly

. , Rays of light descended from the sky, instantly surrounding the one-eyed man!

Seeing this, the man hurriedly waved the weapon in his hand, and slashed at the formation fiercely.

But as soon as he touched the edge of the formation, he was blown away by a huge force, and immediately after the formation, bursts of flames spewed out!

“Ah...”

The one-eyed man began to scream desperately, he never imagined that David was actually a high-level formation mage!

The other two, seeing the man like that, were so frightened that they turned around and ran away!

David looked at the two people who were running away, but he didn't chase after them. Instead, he quietly waited for the formation to disappear slowly, and the flames gradually went out!

If the three of them attack David together, David may not be the opponent. After all, three monks of the fifth rank of the Composite Body Realm join forces, and David is not absolutely sure!

So as soon as he made a move just now, he used a unique move, using formations to trap the one-eyed man, and then burned him to death with fire!

After all, monks in this realm are not afraid of ordinary flames at all!

Fortunately, the remaining two people didn't know Zhihuo, nor did they see David's intentions, so they turned around and ran away in fright!

David scoured the one-eyed man for everything, then turned to look at Gao Qilan!

At this time, Gao Qilan looked at David with horror in his eyes!

She didn't expect that David was so powerful that he didn't even pay attention to the three fifth-grade monks of the Composite Body Realm!

"Now you are safe, give me the ice soul fragment."

David stretched out his hand towards Gao Qilan and said.

Gao Qilan hesitated a little, after all, the Ice Soul Fragment is a treasure, and no one would hand it over easily if they got it.
