

# A Man Like None Other Novel

## Chapter 2874

Yu Jiameng and Huofeng, the two of them are like lambs staying here at this moment, they can only watch Gao Qisheng walk towards them with a sneer on his face!

“Huofeng, we must not let this beast be defiled, even if we die...”

Yu Jiameng said, biting his own tongue!

She was planning to bite her tongue and kill herself, even if she died, it would definitely not be cheap for Gao Qisheng!

Huofeng nodded, and suddenly bit the tip of her tongue!

Huofeng didn't want to live anymore, her body belonged to David, and no man could touch it except David!

Huofeng can't do anything to offend David, so she would rather die!

Seeing that Huofeng and Yu Jiameng committed suicide by biting their tongues, Gao Qisheng was immediately enraged. He couldn't figure out why these two women were so loyal. Is chastity more important than life?

“Even if you two kill yourself by biting your tongue, I will occupy your bodies. Even if you die, I will not let your bodies go...” Gao Qisheng's eyes were full of anger, no matter whether

Huofeng and Yu Jiameng were dead or alive, he Will not let the two women go!

Gao Qisheng roared, and rushed towards the two of them!

But at this moment, the door of the cell was suddenly kicked open!

The loud noise startled Gao Qisheng, and he hurriedly looked back!

“Second brother, what are you doing? You are too shameless...”

Gao Qilan looked at Huofeng and Yu Jiameng who were huddled in the corner, and immediately roared at Gao Qisheng!

When Gao Qisheng saw Gao Qilan, he calmed down and said, “Little sister, don’t worry about my affairs, get out of here quickly !

”

In front of Huofeng and Yu Jiameng, they blocked them behind!

“Xiaolan, as I said, don’t worry about my affairs, otherwise don’t blame me for being rude to you...”

Gao Qisheng was furious, and yelled at Gao Qilan!

“Even if you do it, I won’t watch you hurt these two girls. If you do this again, I’ll tell elder brother.”

Gao Qilan moved Gao Qiqiang, the head of the Gao family, out!

Hearing this, Gao Qisheng froze immediately. Gao Qiqiang didn’t know about the fact that he forced a woman from a good family, otherwise he wouldn’t have allowed him to do so!

"Little sister, I'm already this old, what's the matter with finding a few women? Why do you think you are against me?"

Gao Qisheng began to persuade Gao Qilan with good words!

"Second brother, you are old enough to be able to marry a woman. With the strength of our Gao family, are you afraid that you won't be able to marry a wife?"

"It's..."

Gao Qilan glared at Gao Qisheng!

Looking at Gao Qilan's angry look, Gao Qisheng finally sighed helplessly, turned and left!

After Gao Qisheng left, Gao Qilan turned to Huofeng and Yu Jiameng and said, "Don't be afraid, you two, you're fine." "Thank

you..."

Huofeng and Yu Jiameng thanked Gao Qilan!

"Thank you for what I did, if it wasn't for my second brother, you wouldn't be like this." "You

guys come with me and live in my mansion temporarily, then my second brother won't dare to mess around."

Gao Qilan said Come on, take Huofeng and Yu Jiameng out of the dungeon!

But when he reached the door, two guards stopped him!

"Miss, the second young master has spoken and will not let these two women leave the dungeon."

A guard said in a very embarrassed way!

"Get out of here." Gao Qilan said coldly!

"Miss, don't make things difficult for us, or the second young master will kill us."

The guard looked aggrieved!

"Second brother can kill you, can't I?"

Gao Qilan said, and instantly put the sword on the guard's neck!

This time, the two guards turned pale with fright, and they dared not stop them anymore!

Gao Qilan took Huofeng and Yu Jiameng away.

## Chapter 2875

"Ah...that's too much..."

After Gao Qisheng knew that he finally caught two women and was taken away by Gao Qilan, he smashed his mansion angrily!

"Second young master, the Patriarch calls you to come over..."

At this time, a servant of the Gao family came over and said!

"What does my elder brother want from me?" Gao Qisheng asked!

"I don't know about that, but the Patriarch told you to go over quickly." The

servant shook his head!

"Okay, I see." Gao Qisheng nodded!

Although Gao Qisheng is rebellious and greedy for women, but for his big brother, he obeys his advice!

The brothers had no parents since they were young, and Gao Qiqiang brought them up, so the brothers and sisters are all respectful to this big brother!

Gao Qisheng sorted out his mood, and then walked quickly towards the meeting hall of the Gao family!

When Gao Qisheng arrived at the meeting hall, he saw that some elders of the Gao family were there, and Gao Qijie was also there!

And Gao Qiqiang sat at the first place, his face was very ugly!

This time, Gao Qisheng murmured in his heart, he was afraid that it was the matter of arresting the woman himself, so don't let his elder brother know!

"Okay, Xiao Sheng is here too, let's all talk about the recent changes in the extreme north!"

Gao Qiqiang said after seeing Gao Qisheng coming!

"Patriarch, I have sent people to investigate these few days. Suddenly, there are many more people in our extreme north. These people are all rushing to the treasures of the ancient body training clan." "And many people have treasure maps in their hands

. , and even the key to unlock the treasure, I don't know where these people got it."

The Great Elder stood up and reported!

"Patriarch, because the treasures of the ancient body-refining clan have suddenly become known to many people, recently our magic cultivators in the

extreme north have become more active, and they are probably also looking for treasures." "In addition, with the influx of people from the extreme

north There are more and more fragments of ice souls being discovered."

Another elder got up and said!

Hearing this, Gao Qiqiang's face became even more ugly!

"Originally, our Gao family was the only one in this extremely northern place. We had time to slowly search for ice soul fragments, to find the treasures of the ancient body-refining family, and even slowly devour the ancient body-refining family." "

But Suddenly the news of the treasure was leaked, and the fragments of the ice soul were discovered. It seems that the pattern of our northern land is about to change, and we must figure out how to deal with it." "Xiao Sheng, during this

time, you should bring more people Move around, pay close attention to those who come to the extreme north, and if you have news about ice soul fragments or treasures, you must come back and report as soon as possible, and you must not act privately.

" Put your mind on women, now is probably the time for the survival of our Gao family."

Gao Qiqiang said with a serious face!

"Brother, what you said is too serious. Those people are just here to join in the fun and look for treasures. After searching for a while, they can't find them, so they leave. Who would stay in this cold place?" Gao Qisheng didn't care

. Said!

"You know what a fart, this time the treasure news was leaked, and there are still a lot of people holding treasure maps and treasure keys. It is obvious that someone deliberately leaked the information." "Even if these people leave, in this extreme

north Do you know how many demon cultivators have hidden? These demon cultivators have been accumulating energy for so many years, and the ghost knows how strong they are now." "Just be obedient to

me and don't make trouble for me. , do you know?"

Gao Qiqiang reprimanded Gao Qisheng!

"Got it..." Gao Qisheng lowered his head!

"Okay, cheer me up, the future of our Gao family depends on this one time."

After Gao Qiqiang finished speaking, he waved his hand and let everyone leave!

## Chapter 2876

The ancient body refining clan!

It took David and the others three full days to arrive!

The clan land of the ancient body-refining clan is the coldest and most barren place in the extreme north, and it is precisely because of this that the Gao family did not exterminate the ancient body-refining clan!

In a tent made of bear skin, David met the patriarch of the ancient body training clan!

The patriarch has dark skin, looks very thin, and looks like he is sick!

However, judging from the aura constantly emanating from the patriarch's body, the patriarch's strength is very strong, not as it appears on the surface!

"Patriarch, my sinful brother has been brought back by me, please punish him..."

was tied up by the tile cylinder, and then he knelt in front of the patriarch!

But the patriarch smiled slightly, and stepped forward to untie the rope on Watt's body!

This scene confused the crock pot, and even David was a little puzzled!

This Watt stole the treasure map, sold it everywhere, and spread the news about the treasures of the ancient body-refining clan.

But the patriarch actually helped Watt untie the rope!

"Patriarch, Watt stole the treasure map and sold it wantonly. According to the clan rules, he should be punished. Although he is my younger brother, I will never favoritism." Wagang followed the patriarch with a serious face

.

"Get up, Watt's sale of the treasure map is my permission..."

the patriarch said with a faint smile!

The patriarch's words immediately stunned Wa Chuan. He didn't understand, since the patriarch allowed it, why did he ask himself to bring someone back to arrest Watt?

And David looked at the patriarch, and suddenly seemed to understand something!

"Brother, the patriarch asked me to do this. Otherwise, with my ability, it would be possible to steal the treasure map."

"Now that the treasure map is sold, many people flock to the extreme north, and we have made a lot of money."

Watt said with a smile towards the vat!

"Patriarch, what's going on?"

Wa Gang asked completely confused!

"Wagang, you also know that the resources of our ancient body-refining clan are getting less and less, and our strength has stagnated. If this continues, we will be swallowed up sooner or later, and we will not even be able to keep the treasure!" "Our ancient body-refining

clan If we want to continue to survive in the Far North, the only way is to disrupt the structure of the Far North, and only then will the forces hiding in the dark in the Far North appear." "In this way, our

ancient Only the body clan can survive in turmoil, and if you want to make the structure of the extreme north turbulent, you need enough temptation, otherwise, who would come to this cold and barren land!" "And this temptation is

our ancient body training clan Therefore, I asked Watt to take the damaged treasure map and sell it in Jialing County." "

In this way, many people will set foot in the extreme north in order to find the treasure, and there will definitely be conflicts at that time."

"There is chaos in the extreme north, only our ancient body training clan has a chance..."

The patriarch explained in detail!

“Patriarch, since you allowed it, why did you ask me to bring someone to arrest my younger brother?”

Wa Gang asked puzzled!

“Only if you catch your younger brother, everyone will believe in the authenticity of this treasure map even more after they see it.

” . ”

The patriarch smiled slightly!

Only now did Wa Gang really understand the intention of his patriarch.

As for David, his scalp was numb when he heard it. He didn’t expect the patriarch to be so resourceful that he even fell for it!

Not only did he spend money to buy a treasure map, but he also helped Wa Chuan catch Watt!

“Patriarch, so many people are looking for the treasure, if the treasure is really discovered, what will our ancient body-refining clan do?”

Wa Gang asked!

“Compared with the treasure, I am more worried about the future of our ancient body-refining clan. The treasure is buried deep in the ground. Even if no one digs it, our ancient body-refining clan will not be able to dig it.

” People excavate the treasure, so that the exercises of our ancient body-refining clan can be spread.”

The patriarch continued to explain!
