

A Man Like None Other Novel

Chapter 2891

The shards of the ice soul had almost been absorbed, but David hadn't shown any signs of breaking through, which made the two of them very anxious!

After more than an hour, four figures slowly appeared, among them was the monk who had just left!

"People from Feitianzong?"

Liu Ruyan was stunned when he saw the person coming!

I saw that the monk who had just left found Ji Yun and Shi Tieqiao from the Feitian Sect, including the old woman!

Seeing these people, Liu Ruyan's face became extremely ugly!

Because she knew that David had a feud with Fei Tianzong, and when he was in Jialing County, Ji Yun was beaten up by David, he must have a grudge.

"Miss Liu, do you know these people?"

Wa Gang asked!

Liu Ruyan nodded, then looked at David, who was still practicing, and said with a very ugly face, "Wagang, it seems that we are in trouble today." "

These people are members of the Feitian sect. Ji Yun, he is the young master of the Feitian Sect, at the seventh rank of the Fusion Realm, you and I are no match at all!" "

Even with this formation, they can't stop them at all..."

Hearing what Liu Ruyan said, Waguan His face also became extremely dignified!

At this time, Ji Yun had already brought people to the front, when he saw David and Liu Ruyan, he immediately burst out laughing!

"It's really a narrow road to Yuanjia. I've been looking for you for many days, but I didn't expect to meet you here..."

Ji Yun's face was full of excitement!

"My lord, that guy has ice shards in his hand."

The monk who had just left pointed at David and said!

Looking at it, Ji Yun found that David did have the Ice Soul Fragment in his hand, but it was not that big!

"You bastard, didn't you say that you saw the Ice Soul Fragment is very big? It's not that big?"

Ji Yun asked the monk!

"Young master, it was really not young just now, maybe it was absorbed by this guy, and this is left."

The monk hurriedly explained!

"My lord, no matter whether there are ice shards or not, if we can meet this guy, it's not in vain for us to come here in vain, and we can take revenge."

Shi Tieqiao said to Ji Yun!

“Elder Shi is right. When this kid was in Jialing County, he dared to beat me. I’m going to have fun with him today.” “

And this little girl next to him, I’ll have a good time too... ”

Ji Yun looked at Liu Ruyan, his eyes were full of light!

“My lord, they are protected by a formation around them. Just now, my subordinates couldn’t break through the formation, so I went to look for you.”

The monk said!

“Hmph, mere formations, what can I do? A group of young monks who have just entered the body, even if they can set up formations, they are not very powerful.”

Ji Yun looked down on David and the others at all, so he turned to Shi Tieqiao said, “Elder Shi, go and break the formation...”

Shi Tieqiao nodded, and then took two steps forward, a violent aura erupted from his body instantly!

When this breath erupted, the formation formed by David was instantly activated, and light curtains wrapped David and the others tightly!

Looking at the formation in front of him, Shi Tieqiao let out a loud shout, and slapped it out with a single palm!

The wind was howling, and the snowflakes were flying...

But when Shi Tieqiao’s breath hit the formation, a huge shock force struck, Shi Tieqiao was caught off guard, and his body was instantly blown away!

When Shi Tieqiao stood up, his face became very ugly!

“What a powerful formation. Where did this kid get such a powerful formation? It must have cost a lot of money.”

Shi Tieqiao thought that such a powerful formation must have been bought by David and the others!

After all, with the strength of David and the others, it is impossible to deploy such a powerful formation!

“Hmph, useless things!” Ji Yun snorted coldly, then stepped forward, gently pressing one hand on the formation!

A burst of spiritual power broke out instantly, and the formation was also shattered in an instant, disappearing without a trace!

Seeing Ji Yun break the formation so easily, Wagang and Liu Ruyan’s expressions changed, and they hurriedly took two steps back, standing in front of David.

Chapter 2892

Ji Yun looked at Liu Ruyan and Waguan with a ferocious smile on his face!

“Aren’t you two going away?”

Ji Yun said with a sneer!

“Even if we die, we won’t let you touch Mr. Chen.”

Wa Gu said firmly!

“You have a lot of backbone. If that’s the case, then I’ll let you all die...”

After Ji Yun finished speaking, he slapped Claypot and Liu Ruyan with his palm!

Ji Yun's strength is much higher than the two of them. After this palm, the two of them have no ability to fight back at all!

He could only watch helplessly, watching Ji Yun's terrifying palm strike towards the two of them like a god of death!

Liu Ruyan glanced at David reluctantly, then closed her eyes, waiting for death to come!

Seeing that Wagang and Liu Ruyan were about to die in Ji Yun's hands, at this moment, from behind the two of them, a burst of spiritual power instantly cut through the void, and fiercely collided with Ji Yun's palm!

Boom...

A huge force exploded, and the bodies of Wagan and Liu Ruyan were blown back!

"Who is it?"

Ji Yun's face turned cold, and his body also stepped back a few steps!

"A dignified seventh-grade monk in the Body Fit Realm, the son of the Feitian Sect, what kind of skill is bullying a woman?"

David stood up slowly, with a bit of coldness in his eyes!

"David..."

"Mr. Chen..."

Seeing that David woke up from his practice, Wa Gu and Liu Ruyan shouted excitedly!

Ji Yun glanced at David, and said with a cold smile, "What? I don't bully them, but you? You, a little second-grade cultivator of the Composite Body Realm, dare to talk to me like that?"

"When we were in Jialing County, if Master Yan wasn't there, do you think you could have left alive?" "I

met you here today, and we will settle our old and new grudges together."

David gave Ji Yun a disdainful look, and then asked Liu Ruyan and Wa Gang, "Are you two okay?"

"It's okay!" Wa Gang shook his head!

And Liu Ruyan asked, "David, what's the matter, have you made a breakthrough?"

David nodded, "Breakthrough..."

Originally, David was at the peak of the second rank of the Composite Body Realm, so he could break through with a little absorption of resources!

If it wasn't for the Wordless Heavenly Manual, David would have already broken through to the third rank of the Composite Body Realm!

Seeing David's breakthrough, Liu Ruyan laughed. In this way, David doesn't have to be afraid of Ji Yun who is at the seventh rank of the Body Fit Realm!

Seeing David ignoring him and chatting with Liu Ruyan and the others, Ji Yun was furious!

After all, I am a seventh-grade monk of the Composite Body Realm, and the guys in the second and third grade of the Composite Body Realm in front of me don't take myself seriously, it's damned!

Are these guys not afraid of themselves at all?

"You guys, it seems that I don't show my power, you don't know how many eyes Prince Ma has..."

Ji Yun roared angrily!

David looked at Ji Yun coldly, "What's the matter? You want to do something?"

"Hmph, how can I use my hand to deal with a little monk like you? Wouldn't that lower my own status?"

Ji Yun finished speaking, and then said to the three of Shi Tieqiao, "Who are you going to depose this kid for me?"

Shi Tieqiao and the old woman didn't move or speak, after all, they had seen David's strength!

Although David seemed to have just reached the second level of the Fit Body Realm, his strength was very high, and they were no match for the fifth level of the Fit Body Boundary!

And the fifth-grade monk who brought Ji Yun and the others spoke!

"My lord, I'll take care of this kid for you. A little second-grade monk in the Composite Realm can still be afraid of him."

The monk said with a look of disdain!

In his opinion, David, a second-grade cultivator in the Body Fit Realm, just punched and kicked, nothing difficult!

Chapter 2893

"That's wrong, I'm now in the third rank of the Body Fit Realm."

David corrected him with a slight smile!

"Even if you are the third rank of the Composite Realm, you are the same as an ant in my eyes."

The monk said!

"Be careful, don't underestimate the enemy..."

Shi Tieqiao reminded the monk!

"Elder Shi, you are also a fifth-grade monk of the Composite Body Realm, why are you afraid of a little monk of the third-grade Composite Body?"

The monk looked at Shi Tieqiao puzzledly!

"You'll know later why I'm afraid."

After Shi Tieqiao finished speaking, he took a step back!

And the monk went directly to David.

"David, this is the guy who just injured the crock."

Liu Ruyan pointed at the monk and said!

"Okay, if he hurt the crock with one knife, then I will return him ten swords."

David said with a stern look!

"Boy, you are so crazy, I..."

But before the monk's words fell, David's body swayed, and he was in front of the monk!

"You..."

The monk was taken aback, he didn't expect David's speed to be so fast!

Before he could react, he saw that David had already slashed with his sword!

The sword light roared up, and it also carried a trace of flames!

There was no time to react, and a deep wound was cut on the monk's arm in an instant!

The monk quickly backed away, trying to distance himself from David!

But how could David let him escape, the dragon-slaying sword in his hand was like a fiery snake, constantly cutting out sword lights around the monk!

Finally, David stopped, and the monk stopped moving!

Everyone hurriedly looked and found that the cultivator was already covered with scars and blood was gushing out continuously!

Before everyone could react, the monk fell to the ground!

Even if David was at the second level of the Body Composite Realm, it would not be a problem to kill the fifth class, not to mention that David had already reached the third level of the Body Fit Realm, so even if Ji Yun, a monk at the seventh level of the Body Fit Realm, could not escape the fate of being beheaded !

Seeing his subordinates being easily beheaded by David, Ji Yun's face was finally not so relaxed!

I saw Ji Yun's eyes were slightly fixed, and there was a cold light in his eyes!

"Boy, you released our pterodactyl privately and beat me, and now you are killing my members of the Feitian sect, you deserve to die." "Now,

I, the Feitian sect, will never die with you..."

Ji Yun roared angrily after finishing speaking. With a sound, a punch suddenly hit David!

Ji Yun's speed was extremely fast, a white mark was drawn across the air, and this punch had no warning, making it impossible to guard against!

boom!

This punch hit David fiercely, and David didn't dodge it!

The strength and strength of the seventh rank of the Fusion Realm are unimaginable, and it is too easy to break mountains and rocks with this punch!

"David..."

"Mr. Chen..."

Seeing that David didn't dodge and was hit by Ji Yun's punch, Liu Ruyan and Wa Chuan shouted in panic!

And David's body, like a kite with a broken string, flew directly into the distance!

This punch actually sent David hundreds of meters away!

It can be seen how powerful this punch is!

Liu Ruyan and Wa Gang wanted to see how David was doing, but they were stopped by Shi Tieqiao and the old woman!

"Hmph, how awesome I will be in the future, is that all I can do, I can't even dodge my punch..."

Ji Yun hit David with a punch, and his confidence exploded instantly!

Liu Ruyan and Wa Pan looked at Ji Yun angrily, wishing they could eat Ji Yun up!

"You two don't need to look at me like this, I'll send you on the road together after I play with this little girl..."

Ji Yun walked towards Liu Ruyan with a sneer on his face!

Pa...

Just as Ji Yun was squinting towards Liu Ruyan, a huge palm suddenly appeared out of nowhere, and then slapped Ji Yun's face fiercely!

Chapter 2894

Ji Yun's body was immediately sent flying by a slap, and then fell heavily to the ground!

Although this slap did not seriously hurt Ji Yun, it did make him lose all face!

"Who? Who is it?"

Ji Yun got up and shouted angrily!

"Just now I was just trying to see how strong my physical body is, and it actually made you so confident..."

David walked slowly with a look of disdain!

"You... are you okay?"

Seeing that David was unharmed, Ji Yun was shocked and angry at once!

The punch just now, even a cultivator of the same realm, was afraid that he would be seriously injured, but David, a cultivator of the third rank of the Composite Realm, didn't have any problems at all?

"David, you're fine, you scared me to death..."

Seeing David walking in unharmed, Liu Ruyan hugged David and started crying!

She was really afraid that something would happen to David, and she wouldn't be alive if that happened. Liu Ruyan didn't know how to live without David at night!

"Mr. Chen, you..."

Wa Gu looked at David in shock!

If Shi Tieqiao and his fifth-grade monks in the Composite Realm punched David without any damage, Wagang could still accept it!

But this Ji Yun is a seventh-rank monk of the Composite Body Realm, and he is already a relatively powerful existence in the Composite Body Realm!

But when he punched David, David was still fine, which shows how strong David's physical body is!

"I'm going to kill you, I'm going to kill you..."

Being slapped away by David, Ji Yun was going crazy!

"You talk a lot of nonsense, didn't you say you wanted to kill me many times?"

David sneered!

"Young Master, Young Master..."

At this time, Shi Tieqiao gently pulled the corner of La Jiyun's clothes!

"What are you doing?" Ji Yun was angry at this moment, glaring at Shi Tieqiao and said!

"My lord, I think we should not start a conflict with David."

Shi Tieqiao saw that Ji Yun might not even be David's opponent!

"Fart, am I still afraid that he won't succeed? I don't believe I can't beat him."

Ji Yun roared!

"It seems that I won't convince you. You really don't know how powerful your grandpa Chen is!"

After David finished speaking, his body suddenly disappeared, and then a golden light flashed across in an instant, heading straight for Ji Yun!

Ji Yun didn't flinch, and roared again and again, his body was instantly covered by a layer of white light!

This white light is extremely pure, like a layer of armor, covering Ji Yun densely!

It seems that the Feitian sect is rich, and Ji Yun also has a lot of treasures on him!

Obviously, this layer of armor-like white light is emitted by the formation disk on Ji Yun's body!

Although Ji Yun is a seventh-rank monk of the Composite Body Realm, he doesn't know much about magic circles!

But if you have money, you can buy array disks, and the higher the grade of array disks, the more expensive they are.

And the array disk Ji Yun is using now must be of great value!

There was a look of disdain on David's face, Ji Yun still wanted to follow David to head-to-head with the array board he bought with money, that would be courting death!

David began to collide with Ji Yun with his body, and every time he collided, there was a huge roar, as if the entire void was trembling!

David gave up any moves, and used the most primitive barbaric charge, so that he could better temper his body!

Now Ji Yun has become David's training partner, but this guy doesn't know it yet!

Desperately activate the array disk on his body!

"He's really a rich guy..."

David didn't know how many arrays Ji Yun had broken, but this guy could always make up for it in the first place!

"Ah..."

Ji Yun roared angrily. Now he is relying on the power of the array to compete with David!

If there was no formation disk, Ji Yun would have been smashed to pieces by David long ago!

But David didn't rush, he wanted to see how rich Ji Yun was!
