

A Man Like None Other

Novel

Chapter 2895

"It's no wonder it's so difficult for Mr. Chen to advance to a higher level. He's able to increase his strength so much by raising a small level!" "It seems that the guy at the seventh level of the fit level is no match for Mr. Chen."

Wa Chuan looked at The fight between David and Ji Yun was very shocking!

Liu Ruyan also showed a look of shock, and David's performance surprised her too!

The faces of Shi Tieqiao and the old woman on the side became extremely ugly at this moment!

They could also see that David was just playing with Ji Yun, and only Ji Yun himself was roaring and colliding with David!

"Boom..."

Ji Yun roared angrily, and punched David with all his might!

He has to make a quick decision. After all, no matter how rich he is, it is impossible to carry a lot of arrays on him!

These arrays were his means of saving his life, and now David forced them to use them all!

David was punched and flew out!

It's just that David's physical body is extremely strong, and Ji Yun's punch did not cause any harm to David at all!

"What? Have you run out of blessing arrays?"

David said with a faint smile!

"Even if I don't use the array, I can still beat you..."

Ji Yun said arrogantly!

David smiled coldly, "Since you still don't accept your fate, I'll show you my true strength..."

After David finished speaking, the aura on his body began to rise continuously!

The not bad golden body covered David's whole body, and the golden light continued to radiate for hundreds of meters!

Accompanied by the sudden appearance of the golden light, David's aura seemed to have no end, constantly rising!

Ji Yun's expression changed again and again. He didn't expect that David hadn't used all his strength when he collided with David so many times just now!

This is too outrageous...

"Have you seen my strength?"

While speaking, David was already in front of Ji Yun!

boom!

Before Ji Yun could make any move, David dropped a big hand from the sky!

This big hand enveloped Ji Yun, and in that hand, lightning kept flashing!

“This... what kind of move is this?”

Seeing this scene, Ji Yun’s eyes widened, his face was full of surprise!

The stone iron bridge and the old woman were trembling with fright!

“Ben Lei Zhang...”

David shouted loudly!

The power of thunder and lightning quickly fell from the palm of Ben Lei, and hit Ji Yun’s body fiercely in an instant!

Ji Yun tried his best to mobilize all the spiritual power in his body to protect his body!

But under Ben Lei’s palm, Ji Yun was still ruthlessly knocked down, and then his body was ruthlessly smashed into the ground!

With a wave of David’s hand, the Ben Lei Palm disappeared instantly!

And there was a huge deep pit on the ground, and Ji Yun was lying in it in a mess!

At this moment, Ji Yun was full of fear!

If David hadn’t stopped just now, he would already be a corpse by now!

“Are you convinced?”

David looked down at Ji Yun and asked!

"My lord..."

Shi Tieqiao and the old woman helped Ji Yun up!

Ji Yun looked at David, his eyes were full of fear, and he nodded vigorously, "I am convinced, I am convinced..."

Seeing Ji Yun like that, David didn't make a move, after all, he didn't have any deep hatred with Fei Tianzong!

What's more, he let Feitianzong's pterosaur go first, as long as Feitianzong doesn't cause trouble for him, David doesn't care about it!

After all, one more enemy means one more trouble!

David felt that he had enough troubles now!

"Since you are convinced, then get out, I hope you don't provoke me in the future..."

David waved his hand and said!

But that Ji Yun didn't leave, but looked at David hesitant to speak!

"What else do you need? Wait for me to kill you?"

David looked at Ji Yun coldly and asked!

Chapter 2896

"No, no, I just, I just want to ask, can I follow you?" "

After all, in this extreme north, there are dangers everywhere, and there are more and more people looking for treasures. When the time comes, I will

really find them." Treasures cannot avoid fighting, so I feel that we can increase our strength by working together!"

Ji Yun said to David!

Ji Yun now sees David's strength, so he wants to form an alliance with David. After all, in this world where strength is the most important thing, strength is everything!

David glanced at Ji Yun, knowing that this guy would definitely not play tricks, so he nodded and said, "Okay, then follow me..."

Seeing David agreeing, Ji Yun Cloud was very excited.

Soon the group of people continued on their way, looking for the location of the treasure!

.....

Gao's family.

In Gao Qilan's room, Huofeng and Yu Jiameng were protected by Gao Qilan, and they were never harassed by Gao Qisheng again!

Both of them are very grateful to Gao Qilan!

"Right now, the entire northern land is in chaos, so you two stay here first, and I will send you two away after this period of time has passed!"

Gao Qilan said to the two of them!

"Miss Gao, thank you very much, but we have a friend who is still in a cave. We are afraid that she will be in danger, so we have to find her." Yu Jiameng is worried about

Sonya!

Although the fire phoenix put a fire feather on Sonya's body, the severe cold couldn't hurt Sonya at all, but she was still worried!

"Tell me the address of the cave, and I'll help you find it." "

If you go out like this and my second brother sees you, I'm afraid you will be caught by him again."

"My second brother is a big pervert, he just likes women. If I have time, I will let my elder brother teach him a lesson so that he can change his behavior!" Gao Qilan said with anger when he mentioned

his second brother Gao Qisheng!

After all, she is also a girl. If she is forcibly raped by someone, then she definitely does not want to live. You must know that chastity is very important to a girl!

Although there are many girls in today's society, they don't value their bodies at all, they hand over their bodies casually, and even use their bodies to make money!

But those are a minority after all, girls still have to respect themselves!

Huofeng and Yu Jia thought about it, so they told Gao Qilan the approximate location of the cave, and also told Sonya's hiding place!

"Okay, don't worry, I'll set off right away, and I'll tell you whether your friends are still there or not!" "

You stay in my room, don't walk around, someone will give you meals on time every day Yes."

Gao Qilan turned and left the room after finishing her instructions!

Just when Gao Qilan was about to leave Gao's house, she was directly stopped by the guards at the door!

"Miss, the Patriarch has an order not to let you leave the gate of Gao's house."

The guard said to Gao Qilan!

"Get out of here, I want to go out to get some air..."

Gao Qilan directly pushed the guard away, and was about to go out!

But the two guards stopped Gao Qilan again, blocking her way!

Gao Qilan was stunned for a moment, then frowned and said, "Are you two courting death?"

"Miss, even if you kill us, we can't let go. This is the order of the Patriarch." The two guards said!

"You two guys, really thought I wouldn't dare to kill you..."

As Gao Qilan said, she raised her hand and was about to strike!

But the two guards still didn't move, even if they were dead, they wouldn't let them see!

Seeing this, Gao Qilan had no choice but to withdraw her hand, she was just trying to scare her, how could she kill the two guards!

After all, the two guards also obeyed orders!

Chapter 2897

"Okay, if you don't let me go out, then I'll go find my brother..."

Gao Qilan angrily walked towards Gao Qiqiang's mansion!

At this time, Gao Qiqiang was discussing matters with several elders!

"Patriarch, the entire northern land is in chaos now, and there are battles everywhere!" "

And we have detected that a large number of demon cultivators have begun to mix among these monks, and they are also waiting for opportunities to find treasures and rob them." resources."

The Great Elder followed Gao Qiqiang to report!

"What's the reaction from the ancient body-refining clan?"

Gao Qiqiang asked! "The patriarch of the ancient body-refining clan didn't seem to be doing anything, but the tile tank of the ancient body-refining clan left with a few monks

from other places."

Whip..."

the Great Elder whispered! "Putting the magic whip?" Gao Qiqiang smiled slightly. "This old man, it seems that he

also knows that the demons will definitely take advantage of the chaos to snatch resources and territory."

, isn't it just to lure the demons hiding in the extreme north." "

Now he has fulfilled his wish, but he is afraid that their ancient body-refining clan will not have the ability to destroy these demons."

"Elder, you also send more people. If you see the demons, you don't need to kill them, we will also help the ancient body-refining clan, if the demons don't die, the ancient body-refining clan will have trouble sleeping and eating."

Gao Qiqiang has already guessed the ancient body-refining clan!

"Patriarch, we want to help the ancient body-refining clan, haven't we always been enemies?" the

Great Elder was puzzled!

"Enemies?" Gao Qiqiang sneered, "Remember, our real enemy is the demons entrenched in the extreme north. Don't look at these years, the demons have not had any influence on us." "That's what they are

doing Rest and recuperate, once they grow up, they will be like beasts and eat us without mercy." "

Compared to beast-like demons, the ancient body-refining clan is nothing, I believe that old thing is the same Thinking about it."

"After all, their ancestors killed many demons, and even sealed up the souls of the demons." "

If the demons grow stronger, can the ancient body-refining clan still exist?"

Gao Qiqiang's words made several I was surprised to find the name!

The enemy they thought was the enemy, but now it seems that they are not the enemy!

It seems that there are no permanent friends or enemies in the world, it just depends on whether one's own interests are damaged or not.

Compared with the ferocious demon clan, the Gao family is more willing to stand with the ancient body-refining clan!

This is the wisdom of high-level people, what they see will never be what they see in front of them!

“Brother, why didn’t you let me go out?”

Just as Gao Qiqiang was discussing with several elders, Gao Qilan pushed open the door and asked Gao Qiqiang!

Seeing Gao Qilan, Gao Qiqiang frowned, then waved his hands to let those elders leave!

Gao Qiqiang dotes on this younger sister very much, if Gao Qisheng and Gao Qijie dared to barge in like this, Gao Qiqiang would have slapped him long ago!

But facing Gao Qilan, Gao Qiqiang didn’t dare to vent his anger...

“Xiao Lan, I was also afraid that you would be in danger. Now you also know that the extreme north is too messy and it’s not safe at all. If you go out like this, you will be stared at deliberately.” What should I do?”

“You are a girl, if you are targeted by the bad guys, if something goes wrong, how will you let me live?”

“How should I face my dead parents?”

Gao Qiqiang followed Gao Qilan with a serious heart!

“Brother, if you are afraid that something will happen to me, you can send two people to follow me, I have something to do when I go out!”

Gao Qilan stepped forward, grabbed Gao Qiqiang’s arm and started acting like a baby!
